WINCHESTER BOY SCOUT NEWS

Happy New Year to The Star

At the outset the entire Scouting Family wish to express a most Happy and Prosperous New Year to The entire Winchester Star Organization. The Star has been most generous in their publicity.

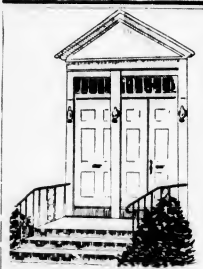

Fellsland Council Celebrates

Yes, it is true! Fellsland Council is celebrating its 25th anniversary. This year's annual Meeting and Banquet will be held in the Stoneham Town Hall on Wednesday, January 11. Why not plan to take the Mrs. to this affair, your committee.

There will be a fine guest speaker and awards will be made. Tickets \$2.00.

Winchester d from Mr. street.

As reported by Senior Patrol Leader Tom Gallagher, Troop 12 held a Christmas Party, an annual affair with them, on Thursday evening, December 22, with many parents present. An investiture ceremony was held during the regular meeting with the following awards being made: Scout Robert Thorne, Art Merit Badge; Second Class badge awards, Scouts Richard DiMino, Robert Flaherty and Henry Quill. These boys had passed the requirements recently at the Board of Review. The mothers of these boys received miniature Second Class badges during the ceremony. Leo Coughlin was welcomed back into the troop after a

period wherein he had been unable to further his scouting aims due to illness at home. Leo was presented his Explorer scout strip, he having attained the age for this classification, and his registration. Scout Tom Gallagher received from Scoutmaster Donette a fine first aid chart and a Lanyard, his reward for winning the Individual Troop Contest last year. Scouts Laurie Erhard, Ronnie Connors, Tommy Morrissey and Donny Donette received one year service stars.

After a brief meeting the Christmas party began with singing of scout songs by those scouts who had been to Camp Fellsland during the Summers just past, namely: Tom Gallagher, Laurie Erhard, Bob Thorne, Tommy Morrissey, Denny Donette, Leo Coughlin, with Mr. Erhard who had been a counselor on a former occasion at Fellsland being invited by the Scouts to join them in the singing. All the parents were invited to sing carols, with the Scouts and Scout Laurie Erhard playing, you guessed it, "Rudolph the Reindeer" of the red nose, with all singing it lustily.

Scoutmaster Donette then introduced the Committee to the parents. Mr. Doherty ran over his duties and those of the other members of the committee. Rev. Fr. Frank O'Neill, Troop Chaplain, spoke briefly to the parents, pointing out the spiritual side of Scouting and explained the "Ad Altare Dei" award which a few of the boys are slated to attain on next February at the Cathedral in Boston, at which the Archbishop himself will make the award as he has each year before. The party then got under way with some of the scouts serving refreshments of cakes, cake, ice cream, pop corn to the seated parents and friends. No meeting was held during vacation week following.

Winifred Cabin for Camp Fellsland

You asked for this Scouts and Scouters! and due to this pressure from the entire Fellsland Council of Wolford, Stoneham, Burlington, Woburn and Winchester the Executive Board and Camping Committee are already laying plans to build this new building which will be in that Scouts can go to camp during any one of the 52 weeks in a year, not being limited to the Summer time. The Camp Committee has pledged themselves, however, that the building will not be

SCHOLARSHIP COMMITTEE

(Continued from page 1)

The members of this committee, with terms expiring as indicated, are:

Mr. John I. Donovan 1949
Mr. Ben R. Schneider 1950
Mrs. Clarence E. Greene 1951
Mrs. James H. Coon 1952
Mr. Wade L. Grindle, the principal of the High School, is a permanent member, ex officio. The policy of the committee is to have its senior member act as chairman, and Mr. Donovan has acted in that capacity for this year. Mrs. Coon was appointed secretary.

The Hand Book received by every student on the opening day of school is required reading for every student as the first English assignment. This has full information about available scholarships. These blanks are returned from freshman year what requirements must be fulfilled in order to obtain help and may direct their courses accordingly. In addition, articles are frequently in the "Star" and the "Woburn Times" concerning the scholarships.

Immediately after the spring vacation, Mr. Grindle again directs the attention of the seniors to the fact that opportunities for scholarships are available and informs them as to time, place and manner of applying.

Two application forms are used: one for the students and one for parents. Those students whose scholastic averages are B or better are eligible to receive application blanks. These blanks are returned to the committee and inform it as to further study plans, the various school activities and the special interests of each applicant. The second form is mailed directly to the parents and is a financial questionnaire, which when returned is kept in strict confidence by the committee.

To supplement this information, the women members of the scholarship committee talk with each of the teachers of every student. In this way the student becomes a personality instead of just a graded being. Each teacher is also asked to fill out a chart with ratings from 1-10 on the following traits:

Ability
Character
Citizenship
Industry
Leadership
Maturity
Personality
Scholarly Characteristics

These are all evaluated, averages struck and the final percentage average reached for individual applicants.

This involves much time and thought for our already too busy teachers but it has invariably been given generously and seriously. We sincerely appreciate their cooperation.

In order to award the Jere Downs scholarships on the same basis, the chairman met with the school committee and all awards were given on the basis of compiled data.

At the graduation exercises on Sunday, June 12, Mr. Schneider, as acting chairman, presented the following students with scholarships totaling \$2,000:

Lorraine Augusta
David Munster
Fay Zamanakos
Martha Bailey
Barbara Dunbury
Lynn Atkinson
Patricia McElhinney

The Honor Awards, without stipend, which are given only to very high ranking students who have made outstanding contributions to the High School were awarded by Mr. Grindle to:

Margaret O'Leary
Ruth E. Chipman
Paul Dillingham

Open evenings

Your committee was advised by the trustees that a policy of generosity is excellent but not too sound when it involves paying out more than is taken in in any one year. Therefore the scholarship maximum was decreased from \$450 last year to \$350 this year in view of the fact that funds were slower in coming in. However, when additional amounts brought our total to \$4,075 we were pleased because we were able to add a substantial amount to our backlog, and we were also able to grant additional scholarships to four exceptionally deserving students.

We are hopeful that the new sustaining memberships now offered by the Foundation may stimulate even more interest in aid to promising students and foster the feeling that this Foundation is one of Winchester's greatest accomplishments.

No report could be complete without the list of the many contributing organizations and individuals who have consistently shown their belief in the Foundation's future. Those of this year are:

Salvation Army
St. Mary's
Winchester College Club
Winchester Mothers Association with its six elementary chapters and Junior High Associate
Mrs. Harry C. Sanborn
Smith College Club
American Legion
Ladies Lodge Sons of Italy
Rotary Club
Junior Dance Committee
John I. Donovan
Parish Players
Winchester Teachers Club
Republican Club
Father Sliney
Booth Society
Mr. Holyoke Club
St. Mary's Holy Name Society
John Volpe
R. E. O. E.
Sons of Italy
Winchester Tuberculosis Committee
Winchester Grange
Christopher Columbus Club
W. E. & Bertha Schrafft Charitable Trust

There is no question but that serving on such a committee is a most rewarding and valuable experience. Our greatest reward is in the realization that no graduate who has shown promise and ability was turned away this year without substantial help toward his higher education. The calls will be heavier as time goes on and we should all work to have this a soundly established Foundation with resources to answer every need.

Respectfully submitted,
(Signed) Mrs. Myra Coon
Secretary

ROSARIO AND ANTONIO

In Stoneham January 12

Fortunate indeed are the members of Stoneham Community Concert Association who will have the opportunity to witness the artistry of the spectacular, world-famous Spanish dancers, Rosario and Antonio, when they appear in Stoneham Town Hall Auditorium next Thursday, January 12 at 8:15 P.M.

Their arrival in Stoneham will be slightly on the spectacular side, since they are travelling in three limousines with their own company of instrumentalists, their own lighting equipment and complete wardrobe numbering some 55 different costumes.

In many respects this will be the most exciting performance yet offered by the local Association. Doors to the Auditorium will be open at 7:30 P.M. The audience is requested to be seated before the performance starts promptly at 8:15 at which time the doors will be closed and there will be no further seating until the end of the first group of numbers.

Mr. and Mrs. Glimmer S. Mustain (June Atchison and young sons, Bobby and Jimmy, were in town over the holidays visiting Mrs. John Atchison of Governor's avenue. Mr. Mustain is at present a student at V. P. L. Blacksburg, Va.

**WINCHESTER EDGED
WAKEFIELD IN HOOP
THRILLER, 36-35**

Winchester High surprised a veteran Wakefield High quintet by eking out a tight-tipped 36-35 Mid-dex League victory at Wakefield last Friday night. After leading at the end of the first quarter, the Red and Black trailed the rest of the game until just 26 seconds before the end of the contest when they climaxed a stirring rally by caging the winning basket as the

large Winchester crowd went wild with excitement. At the end of the first quarter the score was 12-8 in favor of the Red and Black but Wakefield forged ahead in the second period to take a 20-17 lead at the half. The locals showed little improvement in the third quarter as Wakefield maintained the lead at 27-22 at the end of that period. With three minutes remaining in the game Wakefield was leading 33-20 but then the fireworks started.

Walter Murphy scored to close the gap to 33-32 but Perrone scored for Wakefield to make it 35-32 with less than two minutes to play. Dick Mathews then came through with a timely interception in the rear court and dribbled the length of the floor to make the score 35-34. Bob Walsh scored what then seemed to be the winning basket for Winchester only to have the play called back for a violation as the local adherents groaned in disappointment. The locals' pressing tactics paid off, however, as the Red and Black regained possession of the ball and George Tansey came through with a one-hand swisher from the right hand

corner of the front court to put Winchester ahead with just 26 seconds to play. The last few seconds were hectic but the locals hung on for a well-deserved victory.

Coach Bartlett was loud in his praise of the fighting spirit of his charges but was unhappy about their performance during the second and third periods in which they scored only 10 points. The locals showed tremendous improvement from the foul line as they caged no less than 18 points to account for exactly half of their total. It was well that they were so successful on free tosses for Wakefield outscored the Red and Black 26-18 from the floor and the foul line accuracy of the locals produced the winning margin.

The Winchester Seconds made the evening complete as they buried the Wakefield Seconds under a 60-23 score. The Winchester Seconds looked good in winning their third straight game as they were passing and cutting nicely and were shooting with deadly accuracy. Every one of the twelve men in the lineup scored as Tony Curuso led the scoring with 10 points.

**WINCHESTER BATTLES
STONEHAM HERE**

League Lead in Balance

The walls of the high school gym should be bulging tonight when Winchester High enters Stoneham High in a game to decide first place in the Middlesex League. Winchester and Stoneham are tied at present for the leadership of the Middlesex League, each having won two games to date while the other six teams in the League have dropped at least one contest. Stoneham has defeated Reading and Belmont while the locals have knocked off Wakefield and Lexington in their two League

contests to date.

Stoneham comes here flushed with success after having defeated Belmont in a thrilling overtime contest on Tuesday by a score of 45-44. This was the first defeat handed out to Belmont in three years of Middlesex League competition and the Stoneham lads are very cocky about their accomplishments. The visitors are an entirely veteran outfit that is undefeated having won six straight contests, and must be favored to knock off the locals. The Red and Black has surprised everybody by winning four out of their five contests to date and feel that they have the stuff to set back the confident invaders.

Winchester has three games scheduled for next week. On Tuesday afternoon they play host to a visiting Reading five in a Middlesex League contest and on Friday evening the Red and Black travels to Concord for another League game. On Saturday evening Winchester plays host to strong Arlington High at the high school gym in the "March of Dimes Game," played for the benefit of the National Foundation for Infantile Paralysis. Arlington would appear to be too strong for the Red and Black but the locals have scrimmaged them this year and feel that they can beat the Spy Ponders.

**WINCHESTER WINS FIRST
FROM LEXINGTON IN FOUR
YEARS, 37-31**

The surprising Winchester High quintet won their fourth victory in five starts by defeating Lexington High by a score of 37-31 at Lexington on Tuesday afternoon. The victory was very sweet to the locals for it marked the first time in four years that the Red and Black has been able to take a decision from the perennially tough Minutemen.

Winchester moved out into a 14-4 lead at the end of the first quarter and it is well that they did for the game was evenly fought over the last three periods with Lexington actually outscoring the locals by four points over that stretch. Winchester was ahead at the half by a score of 20-13 and moved into a 28-18 lead at the three-quarter mark. Lexington cut into the Winchester lead in the last quarter on desperation shots by McDonnell and Lee but the Red and Black had the necessary poise to withstand the Lexington onslaught.

Walter Murphy was high man for Winchester with 12 points and was immense off both backboards. Captain Dennis Sanford did a fine job of guarding McDonnell, the Lexington ace, while matching his scoring output. Once again the long hours of drilling on foul shots paid dividends for the locals as their accuracy from the foul line provided the winning margin as was the case in the Wakefield game last Friday. Much time will be devoted this week to drill on controlling the ball as Coach Bartlett felt that his charges lost possession of the ball too often in the last quarter.

The Winchester Seconds made it a clean sweep for the afternoon by winning their fourth straight game by a score of 45-29. It was a close game for three quarters with the locals holding only a 25-24 lead at that point but they staged a big final period rally to win going away. Stovell Symmes with 12 points and John Farrell with 10 points were the scoring leaders for the Red and Black, while Rodney Long turned in an aggressive performance off both backboards.

**NEWS OF WINCHESTER
PUBLIC SCHOOLS**

During the Christmas holiday workmen replaced an eighty-five foot heating pipe line in the senior high school building. Much of the work was done in a shallow tunnel beneath the floor of the cafeteria. Repairs to the roof of the Lincoln School have been completed. Work on the gymnasium floor at the Junior High School has been delayed by the damp weather, workmen being forced to wait until the recently poured concrete has dried sufficiently to permit further construction.

A new floor preparation is being used in several Wyman School classrooms in an effort to improve the appearance of the building and to assist in the maintenance of the floors. An audio-visual aids room at the Parkhurst school, complete with asphalt tile floor and acoustical ceiling, has been recently completed. The glass block construction of the outer walls makes preparation of individual classrooms for visual aids impractical.

In all other elementary schools, the classrooms of grades four, five, and six are equipped for making use of visual aids to instruction. A special meeting of the Winchester School Committee was held on Wednesday evening, December 28. The school budget for 1950 was the chief item of business.

The first regular 1950 meeting of the Committee was held last night, at which meeting the school budget was considered further.

FORTNIGHTLY NOTES

Monday, January 9th is International Relations Day at the Fortnightly and is an open meeting.

Mr. Frank T. Samuel will present for the first time a consideration of his audience, his "Blueprints of the Future" giving a graphic account of both obvious and abstract trends, based on present world conditions and their causes.

As a speaker, Mr. Samuel is unparalleled. He has a command of the English language, a keen wit and an illuminating perspective on world politics and future trends.

This is a subject which directly concerns you and your actions to-night, tomorrow and next year. It deals with actual, spicing-telling occurrences of the moment and shows with startling clarity the unavoidable results of yesterday's and today's actions.

Mr. Samuel has travelled throughout Europe, North Africa and Asia in his study of world politics and "Social Dynamics and Reality." Mr. Samuel provides with a fascinating discourse on world trends and their effects.

Students' Room

Almost everyone who has read "Seventeenth Summer" has probably wished that there were books just like it. "Practically Seventeen" by du Jardin fulfills your wish as you become acquainted with Toby Heydon, the delightful heroine. Romance, school, and family and town life are the daily activities which make up the gay life of Toby. The noted historical novel writer, Walter Edmonds, has again written a fine book, "Cadmus Henry," dealing with the Civil War. Cadmus has many exciting adventures, but his most amazing exploit is flying over the enemy lines in a balloon! If it is a mystery you want, try "Mystery at Boulder Point" by Jewett in which you meet the ghost of Sol Perkins who used to lure sailing ships onto the Cape Cod reefs by waving lanterns from the shore to make the captains think they were heading for a lighthouse. These and other new books can now be found in the Students' Room.

Art Exhibition:

The exhibition in the library's art gallery this month is of original paintings and drawings loaned by Rust Craft Publishers of Boston.

WINCHESTER RESIDENT RETIRES

Henry A. Povelette (third from left) of 10 Warren street, Assistant to Freight Traffic Manager of the New Haven Railroad is congratulated by Henry F. McCarthy (second from left) Vice President in charge of traffic. Povelette, who is 74, retired on December 31 after 56 years service with railroads. He started with the New Haven in 1890 as assistant general freight agent and commerce assistant and has served as assistant to general traffic manager, assistant freight traffic manager and special assistant to freight traffic manager. At left is Mrs. Barbara Adams and at right Harry L. Sheffield, Freight Traffic Manager. Povelette was presented with a handsome chair by his associates.

NEW ENGLAND TO RAISE FUNDS FOR JAP CHRISTIAN UNIVERSITY

A campaign to raise \$700,000 in New England toward the \$10,000,000 fund for the Japan International Christian University, an educational project to train new Democratic leaders for the new Japan, will be undertaken early this year by a committee of prominent Christian, educational, and civic leaders, it was announced last night by the Rev. Dr. Ralph E. Diffendorfer, president.

Dr. Diffendorfer recently resigned as executive secretary of the Board of Foreign Missions of the Methodist Church, to accept the presidency of the new university foundation that has been established.

Former Gov. Robert F. Bradford, of Cambridge, will be the new England chairman, and Alton L. Miller of Weymouth, prominent Baptist layman and chairman of the board of managers of the American Baptist Foreign Mission Society, will be chairman of the Greater Boston area. Lewis K. Moore of Penn road is a regional director.

An organizational dinner and conference for the New England area will be held Thursday, January 19, at 6:15 at the Algonquin Club, Commonwealth avenue, to make plans for the campaign, Bradford said.

Heading the national committee will be Joseph C. Grew, former U. S. Ambassador to Japan, who is national chairman; Gen. Douglas MacArthur, honorary chairman; and Dr. Diffendorfer.

Emphasizing the need for the new institution, Mr. Grew pointed out that a college built around the principles of the pioneer New England village is being planned to create "new leaders for the new Japan."

He announced that fourteen Protestant denominational boards are supporting the campaign. "I believe this undertaking to be of vital importance to our own national interests," Grew said, "as well as to those of Japan. I heartily share General MacArthur's view that the high purpose of this project entitles it to the widest support."

Already the sum of \$420,000 American dollars has been raised by Japanese citizens, 99 per cent of them non-Christian, toward the university, Bradford said.

The idea for the university dates back to the dream of a small town Virginian minister more than two score years ago.

PLAY TRYOUTS THIS EVENING

Tryouts for the winter production of the Parish Players, will be held this (Friday) evening at 7:45 p. m. in Parish Hall, First Congregational Church. A cordial invitation is extended to all who are interested in acting or in production to come down to the Hall for this play, which will be given in February.

Mr. Harlan F. Grant is directing.

"BIRDIE" TEBBETTS OF RED SOX ST. MARY'S H. N. S. SPEAKER

The annual Fathers-Sons-Community Breakfast of St. Mary's Holy Name Society will be held on Sunday, January 8th, with members and their sons and all other members receiving communion at the 8:00 a. m. mass. A catered breakfast will be served in Lyceum Hall after the service under the supervision of Mr. Michael J. Connelly and Mr. Philip Gange.

His Excellency, Archbishop Richard J. Cushing has designated this Sunday as Family Communion Sunday also and entire families are urged to attend the Holy Name mass or at least one of the other masses and receive communion but Holy Name Men are urged to be present at their 8:00 a. m. mass.

A fine feature is in store for all who attend in the person of none other than the Red Sox star, George "Birdie" Tebbetts, who is a Holy Name member in his own parish in Nashua, N. H. Birdie undoubtedly will have many stories to tell with his background, experience and proven ability, both on and off the ball field. His message should be of real interest to the men and boys.

Born in 1914, in New Hampshire, Birdie was graduated from Nashua High and then Providence College with a P. G. at the University of N. H. He excelled in baseball and worked his way to the majors via the New England League, Texas Eye League and the Texas League, from which he went to Detroit in 1936.

The U. S. Army Air Force claimed him in 1942 and he served in Texas and in the South Pacific before returning to baseball in 1946.

The Tigers traded him to the Red Sox in 1947. Fourteen years a Major Leaguer finds him residing with his mother and sister while associated with the Paul Sadler Insurance Co. in the off season. Birdie is unmarried. He has the distinction of making annual All Star team four times, and figured in one World Series while with Detroit. A word to the wise: get tickets early.

PHILATHEA OPEN MEETING WILL HEAR DR. GEZORK

The Philathea group of the First Baptist Church is holding an open meeting Tuesday evening, January 10th, in the Social Hall of the Church, to which all members of the congregation and their friends are cordially invited. Dr. Herbert Gezork, who so impressed his audience at the Harvest Home Supper in October, will be the guest speaker. Dr. Gezork, with his background of voluntary exile from Germany during the regime of Hitler and his work in the United States government in many following the war as Chief of the Protestant Affairs Section in the U. S. Military Government for Germany, can speak with personal knowledge of the persecution of the Church in his native country and with a deep significance of the subject he has chosen for his address "What My Church Means to Me." Every man and woman will want to hear his message.

A social hour will follow Dr. Gezork's talk, with Mrs. Ernest Clark and Mrs. Waldo Dade as hostesses.

THE WINCHESTER HOME AND GARDEN CLUB

The next meeting of the Winchester Home and Garden Club will be held in the Art Room of the Winchester Public Library on January 18 at 2 p. m. Miss Miriam Townsend, an interesting and brilliant speaker, is Chairman of the Roadside Improvement Committee of the Garden Club Federation of Massachusetts. Her subject will be "Civic Improvement as a Club Project," giving us timely and helpful suggestions for keeping our town attractive and emphasizing "Outdoor Good Manners."

Mrs. Mitchell asks the members of the Flower Arrangement Class to bring material for primary line placements and tools to Mrs. Gray's on Thursday, January 12.

It isn't too early to look over your color slides for the February meeting on "Garden Treasures." Any member having suitable slides and will loan them for the program, please contact Mrs. Frederick W. Cole.

MEETING OF STUDY GROUPS JANUARY 16

The Evening Study Groups, Winchester College Club, will open the 1950 season with a special baked ham dinner at the Parish House, Church of the Epiphany, at 6:30 o'clock on Monday evening, January 16. At this time, members will be assigned to the study group of their choice, and will have time to organize under the respective steering committees. Cards marking the choice of study group, with dinner reservation, must be mailed this week to Mrs. George E. Connor, 403 Main street.

Get your school supplies at Wilson the Stationer, Star office Bldg., Church street.

Plymouth Has Massive Look

The front of the new Plymouth has a massive appearance. The grille has been simplified, and the bumper is larger. There's a new name plate in larger block letters, and a bigger, more colorful medallion. The cars look new "both coming and going."

The approaching public showing of the new DeSoto model is the cause of the intense activity noticed at the Rockford Motors, Inc., DeSoto-Plymouth dealers at 364 Boston avenue, Medford.

The brand new DeSotos will go on display January 10.

The Rockford Motors, Inc., showroom is being completely decorated for the event. Banners and pennants are being hung, special lighting is being installed, and everything is being done to please the huge crowds expected on Announcement Day.

Paul S. Rockford, president of the dealership, said his doors would open to the public at 8 a. m. and remain open until everyone who wishes to has seen the new DeSoto.

"We have a beautiful new car to show and we hope everybody in Winchester drops in to see it," Mr. Rockford said. "We're busy right now preparing a proper setting for it."

WINCHESTER HISTORICAL SOCIETY

Bay State Historical League

The Winter Meeting of the Bay State Historical League will be held on Saturday, January 21, 1950 at 2 p. m. in Boston at the Medical Library, 8 The Fenway, where the League will be guests of the Boston Medical Library Club.

The speakers will be Dr. Reginald Fitz on "Early New England Medicine," Dr. Benjamin F. Speer on "Medicine prior to 1620," and Mr. James F. Ballard on the "Medical Library and its Collections."

The entire speaking program will only last approximately one hour, followed by an opportunity to see the collections, and refreshments will be served.

Transportation. From Massachusetts avenue elevated Station continue beyond Massachusetts avenue up Boylston street and turn left on the Fenway.

ADMITTED TO HONOR SOCIETY

Robert J. Maietta, son of Dr. and Mrs. A. L. Maietta of 408 Main street, has been admitted to the Honor Society of Boston College High School where he is a member of the senior class. Admission requirements for the Honor Society were fulfilled through scholastic, athletic, and dramatic achievements.

PROFESSOR RAISCHAUER TO SPEAK TO TUESDAY GROUP

Professor Edwin O. Raischauer, associate professor of Far Eastern Languages at Harvard, will speak on "The Part of the Far East in the New World" at a meeting of the Tuesday Group on Tuesday, January 10th at 3 p. m. The Group will meet at the home of Mrs. Frank d'Elaux, 12 Sheffield road. Professor Raischauer, who was formerly with the State Department and U. S. S. has recently returned from a special governmental mission to Japan. Following the lecture there will be tea with Mrs. Albert C. Buffum and Mrs. Donald M. Wright pouring. Assisting Mrs. d'Elaux with the preparations are Mrs. Paul Forester, Jr., Mrs. Lee Mason and Mrs. John Swift. This is one of the regular monthly meetings and teas of the Tuesday Group of the Episcopal Church.

REPUBLICAN 21 CLUB

The Annual Meeting of the Winchester Republican 21 Club will be held Wednesday, January 11, at 8 p. m. The meeting will be held at 7 Ravenscroft road.

Election of officers will be held at this time. The speaker of the evening will be Mr. Warren G. Harris, former Governor's Councilor from Milbury, Mass. Mr. Harris' subject will be "Dynamic Republican Issues for 1950."

ALIKE IN EFFICIENCY

Your prescribed medicine, whether prepared in liquid, capsule or powder form is always the product of the same meeting precision. That's why, in every case, our pharmacists expend the utmost measure of care and skill, checking and rechecking every step of their procedures. That is why, whatever its finished form, your prescribed medicine will always be just what your doctor intended.

LEGISLATORS MUST MAP PROGRAM FOR TODAY

(Continued from page 1)

If all income over \$8,000 a year was taken in taxes, it could finance less than 10 percent of today's government expenses. Last year, the people paid approximately \$1 million dollars in Massachusetts hidden sales taxes alone, in addition to the crushing burden of state and local taxation. Today, the costs of all forms of government, exclusive of Federal debt, require \$25 a week from the average family, by direct and indirect taxes.

Thrift is not negative. Saving money is positive action. The most constructive act which the State government can do this year would be to spend less, so people can have more of their own money to spend on themselves.

2. **House-clean state services.** The people approved the appropriation of money to bring in new business to the Port of Boston and to the Logan Airport. They expect them to be run for this purpose and not be used to build up the jobs for professional politicians. Public funds are raised to care for the afflicted and not to pack departments with unnecessary temporary and permanent employees. Faithful state employees are losing morale, career experts are quitting in disgust, and public anger is boiling over because politicians are constantly interfering with administration, wasting funds and weakening one of the nation's famous state institutions.

3. **Watch the MTA.** The public is fed up with promised magic and money coming from the MTA. The district deserve better treatment than they are receiving. The rest of the state must not again be asked to shoulder the MTA's debt. Able administration, wise planning and plain talk are badly needed.

4. **Give labor confidence in the justice of our laws.** Labor is entitled to fair compensation for its productive capacity. Business is entitled to a fair return on its investment. Without production, labor does not earn its wages. Without production, industry cannot pay its taxes. The rights of both and legislate in fairness to each.

5. **Do more for small independent enterprises.** The gas station, the corner store, the little businessmen, who in these high-tax times can barely keep his head above water. We can help him by maintaining vigilant opposition to all monopolistic activities and practices in restraint of trade, which tend to wipe out competition and stifle the growth of small business.

6. **Keep industries from leaving the state.** We have recently witnessed the shameful removal of one of our most important greater Boston industries to New York, without a voice raised in government to prevent it. We have seen a huge national drug concern move its stock and barrel to the west coast. And many of our textile mills and shoe factories have gone or are going.

Their exodus is an irreparable financial loss. But their departure is an even greater human tragedy - plunging faithful workers into the worry and hardship of unemployment. We should correct conditions which prompt the flight of industry.

7. **Get the steel plant for Massachusetts.** We should employ every sound effort to encourage its building here. It may be the key to a most promising future for this Commonwealth.

We should stimulate an influx of other manufacturing and business concerns, to take up employment slacks and offer new jobs for youth. We should also increase our recreational facilities for our own people and for developing our tourist industry.

The future of Bay State industry is one of the most serious problems facing the Commonwealth. The jobs of more than two million workers are at stake. Our duty is to protect these jobs and to help create more jobs.

8. **Search for cheaper power.** We

should do all we can to bring natural gas to Massachusetts. The prospect of less expensive power through hydro-electric facilities also should not be ignored. If a differential in costs can be obtained through more and cheaper electricity, we want to know how it can be done. We should investigate not only the obstacles but also the possibilities of success.

9. **Fight to make Washington give Massachusetts a better deal.** The General Court should let the President and the Congress know that Massachusetts demands a fair share of the funds accumulated from the tax money our people pour into the Federal Treasury.

Massachusetts taxpayers will pay this year in Federal taxes the huge sum of \$1,583,748,000. Washington will give us grants-in-aid amounting to \$41,200,000.

Washington will send some of our money to subsidize several state governments, so they can exempt their industries from taxation. Then these industries will compete against ours. We should in particular, protest against this policy in use to which is directly under the Federal government.

As long as the present system lasts, we demand in fairness a larger slice of the Federal pie. But we would be better off in decentralization.

We demand a return to this state and other states of many of the powers taken from us by the Federal government. Washington now gets 75 cents of every dollar raised by taxation. The remaining quarter goes to states, counties and municipalities.

Washington should surrender to the states its right to collect gasoline, amusement and some other levies and let us handle our own affairs. We, the better taxpaying citizens, know our needs. We can guard against inefficiency, waste and corruption, if we are in control of our own affairs. This home rule system could replace some of the grants-in-aid, which now are apportioned so unfairly.

We demand the immediate lowering of federal excise taxes, which are destroying jobs in Bay State industry, leather goods and many factories. By dilly-dallying on this, the national Administration is hurting trade and endangering jobs in our stores which sell these products.

10. **Make economic security our objective.** The American people today are demanding reasonable security. We must have a better life, including unemployment, injury, sickness and old age.

We betray their hopes, if we reject the principle. We reject the principle, if we go too far, too soon. We can meet the challenge of our times, if we wisely use the economic resources, including enterprise and controlled government, in providing a safe and sane program of security on national and state levels.

Such cooperation gave America the production to win the greatest war in history. It would require only a portion of this mutual effort to solve the problem of reasonable security. But it must be done without costing more than we can afford and without destroying individual responsibility, initiative and freedom.

The entrance of Federal and state governments into the realm of modern social welfare requires a fresh definition of the limits within which government should operate, lest we confuse good social welfare with bad social practices and worse Socialism.

We will support the principles of social services, to which various political societies, including government, contribute their part.

Polio Epidemic Over BUT Not for Him!!

But we demand fairness, efficiency, economy and common sense in their administration. Employers, workers or taxpayers should not have their contributions raised because of reckless liberality in payments, fraudulent lay-offs, managers or fakers on the rolls.

Moreover, I firmly believe that the majority of the people of Massachusetts recoil from the socialistic features, which radicalism has scrambled into the so-called Welfare State, along with proper social services.

Massachusetts people will contribute to reasonable security. But they will not take Socialism. They balk at socialized medicine, socialized farming, socialized pricing and socialized wages. They oppose any socialistic state monopoly in insurance or any other field. They are against the state meddling in any field of business heretofore reserved for private enterprise. So are we.

The differences in present day attitudes toward government's role in the economic sphere can be summed up in three words: never - always - only.

The reactionary would NEVER have government interfere in an economic problem, even though the private enterprise cannot solve it. The Socialist would ALWAYS have government rival business, run business and ruin business.

The progressive would have government ONLY provide required services beyond the present reach of private enterprise.

The year for fear and security and economy. We can never have the last, unless we practice the last. Government aid, at best, is a poor substitute for the fullness of life, which only comes from a secure and prosperous enterprise system. The surest job security which the worker can have is the security in knowing that he works for a successful firm.

Hence, we should endeavor to release the maximum energies of our economic system by removing obstacles to progress found in untaxed legislation and job-destroying taxes.

We stand in 1950 at the half-way mark of a crisis-ridden 20th century. We also stand at the promising entrance to the atomic age. More inventions, higher wages, greater profits, lasting security, and untold opportunities can be ours - within our lifetime - if we do not kill the goose that lays the golden eggs.

In closing, may I add this personal note? I desire to express my sincere thanks for the great honor you have given me for the second year. I shall try to continue in the spirit of fairness so well maintained by my able predecessor, Senator Chester A. Dolan, Jr.

Two years ago, on assuming this post, I said, "We should never slip into the error of enacting legislation prejudicial to the citizens as a whole or to any group or person because of race, creed or color."

I now reiterate myself to that spirit.

MISSION UNION GUILD
 The Mission Union Guild of the First Congregational Church of Winchester will meet on Tuesday, January 10, 1950. There will be a social service at 10:30 under the direction of Miss Grace Pound and Miss Cassie Sands, and the board members will meet at 12:00. Lunch will be served at 1:00 by Mrs. James Long and Mrs. Donald Davis and their committee.

The afternoon program will be held in the Ladies' Parlor at 2:00 P. M. with Mrs. Frederic Withington, Director of the Guild, presiding and Mrs. James S. Allen conducting the worship service. The Guild will then be privileged to hear Dr. Kwang-Wan Kim speak on "Mission Prospects in Japan." Dr. Kim was born in Korea, and educated there and in Japan. From 1935 to 1937, he preached in Korea, being ordained in the Korean Christian Church in 1937. During these years as a minister and also as editor, he gained a competent knowledge of the political, economic, and cultural developments of the Far East and became a champion of Democracy in Korea. Subsequently coming to this country, he studied at Northwestern University and at the University of Chicago where he received his Doctor of Philosophy Degree. More recently, he has taught philosophy and religion at Simpson College and Grinnell College, now being on the faculty of Wellesley College in the department of Biblical History.

In the past few years Dr. Kim has spoken widely at conferences, clubs, and churches on problems of the Far East and on World Peace. A man of pleasing personality and leadership as well as an effective speaker, he has been heard everywhere with great enthusiasm. It is hoped that members of the Guild and their friends will avail themselves of the opportunity of hearing a very outstanding guest.

I can speak for the Republicans in the Senate. We Republicans promise to be the watchdogs and the protectors of the public. We will keep close watch on everything that is going on. We will make periodic reports to the people. We will listen to what they, in turn, tell us. And day in, day out - we will fight vigorously for their rights.

We will oppose what we believe to be unwise legislation. But we will wholeheartedly support proposals from our Democratic colleagues, from His Excellency the Governor and from any other source, which we believe are in the best interest of all the people.

Two years ago, on assuming this post, I said, "We should never slip into the error of enacting legislation prejudicial to the citizens as a whole or to any group or person because of race, creed or color."

I now reiterate myself to that spirit.

MISSION UNION GUILD
 The Mission Union Guild of the First Congregational Church of Winchester will meet on Tuesday, January 10, 1950. There will be a social service at 10:30 under the direction of Miss Grace Pound and Miss Cassie Sands, and the board members will meet at 12:00. Lunch will be served at 1:00 by Mrs. James Long and Mrs. Donald Davis and their committee.

The afternoon program will be held in the Ladies' Parlor at 2:00 P. M. with Mrs. Frederic Withington, Director of the Guild, presiding and Mrs. James S. Allen conducting the worship service. The Guild will then be privileged to hear Dr. Kwang-Wan Kim speak on "Mission Prospects in Japan." Dr. Kim was born in Korea, and educated there and in Japan. From 1935 to 1937, he preached in Korea, being ordained in the Korean Christian Church in 1937. During these years as a minister and also as editor, he gained a competent knowledge of the political, economic, and cultural developments of the Far East and became a champion of Democracy in Korea. Subsequently coming to this country, he studied at Northwestern University and at the University of Chicago where he received his Doctor of Philosophy Degree. More recently, he has taught philosophy and religion at Simpson College and Grinnell College, now being on the faculty of Wellesley College in the department of Biblical History.

Cub Pack 7 Reporting

The Cubs of Pack 7 held their monthly meeting at the Baptist Church Friday night. Mr. Ripley introduced the new Cub Leaders and Cub Master as follows: Mr. Walter Josephson, Mr. Donald MacArthur, and Mr. Robert Dauphinais. Registration cards to all Cubs were presented by Mr. Ben Gowing and awards for advancement also. The latter awards were made as follows: Den 4 Harold Ekstrom, Bear Badge; Roy Port, Wolf Badge; Alfred MacArthur, Wolf Badge; Den 5, Robert Dauphinais, Bear Badge. New Cubs entering the Pack are as follows: Den 1, Robert G. Thompson, Donald Crede, and Donald W. Farnham. Used toys were presented to the Marines from the Cubs as their part in the recent drive which had such far reaching results. This was a fine scouting gesture! On December 17th, at 2:00 p. m. the Christmas party for the Cubs of Pack 7 was held at the Church.

Church Awards for Scouting
All religious faiths have a special medal and additional awards that may be issued by their own church. The Protestant award is known as "God and Country"; the Catholic award is known as "Ad Altare Dei" (To the altar of God) and the Jewish award is called "Eternal Light." Scout authorities advise you boys to get in touch with your religious advisors for information on these.

Forest Fire Prevention

We are not apt to forget the multitude of forest fires which swept the Nation not so long ago. However, for units interested and any boy who is interested, there is a special boy scout packet available free of charge issued by the U. S. Department of Agriculture containing bulletins, posters, films, stamps, etc., to aid in fire prevention. Write to J. Morgan Smith Assistant Director, Forest Fire Prevention, U. S. Dept. Agriculture. Be ready when Spring and Summer come with their fires. There is a film available called "Then It Happened" which is available free of charge and it can be ordered through our local council office. It shows devastating forest fires, etc. Who can beat this record?

520 Consecutive Meetings
Ten years of perfect attendance at Troop meetings is the record of the Cub Scouts of the recent South Carolina; Scoutmaster of Troop 54, who also attended Boards of Review, Courts of Honor, Round Table meetings, District Meetings, hikes, etc. Who can beat this record?

Ship 6 News
Winchester Ship six held its meeting Thursday night, January fifth. We met our new skippers Ed and Bob Hitchcock who started us off with an interesting evening. We discussed possibilities of skiing and decided that if there was local skiing we would plan day trips and if only mountain skiing we would plan for weekend trips. Herb Clark was elected for skiing transportation.

ASSISTED AT ARLINGTON FIRE

The Fire Department had only one run over the past week-end, that being in response to a two-alarm fire in Arlington.

Engine 2 with a crew under Captain J. Edward Noonan answered the alarm which was in a block of stores on Myrtle street at the approach to Arlington Center. The Winchester crew laid a line of hose and assisted at the fire for an hour.

STAFF AND KEY SOCIETY
STARTS "MIKADO"
REHEARSALS

The Winchester Staff and Key Society this week started rehearsals on its production of "The Mikado", by Gilbert and Sullivan, which will be staged Friday and Saturday evenings, March 17 and 18, in the high school auditorium. L. Hassler Einzig, well-known Gilbert and Sullivan producer, will direct the production. Mrs. Hall B. Gamare is production chairman and Mrs. Harold A. Hall and Mrs. Norton Demsey are co-chairmen of the ticket committee. Mrs. Robert B. Graham, Jr., is in charge of the ticket book.

The Winchester Girl Scout Council will benefit from the proceeds of the performances. Reserved and unreserved tickets will go on sale about February 1.

The next rehearsal will be held Tuesday evening at the home of Miss Anne G. Hall, 63 Washington street.

Mrs. William H. Bove of the Parkway is leaving this week for Florida, where she will be registered at the Fort Harrison Hotel in Fairwater.

DEAD SEA SCROLL

The fourth of the ancient Dead Sea Scrolls, found in 1947 in Judah, and believed by scholars to be one of the "Lost Books" of the Bible, was shown for the first time yesterday afternoon, (Tuesday) at the Zion Research Library, Brookline, to about 200 guests including Bible scholars, college presidents and deans, editors, and board members of the Zion Research Foundation.

The scroll, which was probably written in the first century B. C. was shown by its owner, Athanasius Yeshua Samuel, Syrian orthodox Archbishop of Jerusalem and Jordan. It is one of four manuscripts purchased by His Grace from the Bedouin goatherd who, while seeking a lost goat, discovered them in a cave high in the rocky, desolate wilderness of Judah, on the north shore of the Dead Sea.

It is believed that the manuscripts were placed in tall jars, sealed and stored in the cave for safekeeping during some period of strife in Palestine. Their remarkable preservation is attributed to the dryness of the cave.

The Archbishops' other three manuscripts, all written in Hebrew, comprise the complete book of Isaiah, a Commentary on the Book of Habakkuk, and a book of discipline of an unknown Jewish sect. Because of its fragile condition, the fourth scroll has not yet been unrolled, but a fragment broken off the scroll reveals it to be written in Aramaic, the language Jesus spoke. Scholars believe it is the lost Apocryphal Book of Lamech, the fourth son of Noah and the son of Methuselah. While in this country the Archbishop hopes to sell all four manuscripts for the benefit of his needy people.

The Hebrew University at Jerusalem bought other manuscripts found by the Bedouin. A collection of fragments of broken jars and scrolls found by the excavators is owned by the Department of Antiquities of the Hashemite Kingdom of Jordan.

Also present yesterday was Dr. Carl H. Kraeling, of Yale University, president of the American Schools of Oriental Research in Jerusalem and Baghdad, which is publishing the Archbishop's manuscripts. As the Zion Research Foundation is helping finance the unrolling of the ancient fourth scroll, it was granted the opportunity of showing a portion of what has been called "the most important discovery ever made in Old Testament manuscripts."

Jews, Roman Catholics and Protestants are among the readers of the Zion Research Library, a Protestant, non-sectarian library for the study of the Bible and the history of the Christian Church. Founded in 1920 by Mr. and Mrs. John Munro Longyear, it has for years been lending books by mail to individuals all over the world. Mrs. Mary Brooks Tiedeman, of 8 Sheffield Street, Winchester, is president of the board of trustees of the Foundation. C. Lawrence Bond, Topsfield, treasurer, and Wilfred B. Wells, Chestnut Hill, secretary. Other board members are Miss Emma C. Shipman, Brookline, and Miss Marguerite Smith, Boston, librarian, who represents the Zion Research Foundation which is a corporation member of the American Schools of Oriental Research.

ATTEND BLOOD DONOR STATE MEETING

Mrs. James Coon, local chairman of the Red Cross Blood Program, Mrs. Mortimer Doney, Red Cross official, and Mrs. George E. Connor, blood donor public information chairman, local chapter, had the honor of attending the meeting in Boston, Hotel Lincolnshire, last Friday noon, when blood donor volunteer workers and Red Cross officials on this program from nearly every town and city in Massachusetts met to form the co-ordinating committee for the new blood center in Boston. The meeting also noted the sending out of the third blood mobile unit for the Red Cross in this area, and plans were made for the meeting on January 16, when General Marshall will officially open the new Blood Donor Center.

The next Blood Donor day for Winchester will be March 15.

WHY BUY NOW?

With an O.K. that counts

We knew that we would have a lot of people in to see the New 1950 CHEVROLET Saturday, but with the weather as bad as it was, we could hardly believe our eyes as the people paraded through. AND DID THEY LIKE WHAT THEY SAW? The answer was readily apparent to us. Some of the finest cars we have ever seen are being traded (and we have seen, and sold, a lot of good ones.)

To you who are in need of transportation, or better transportation here is the opportunity you have been waiting for, and seven good reasons why this is the time to buy.

1. Better cars are being traded and we have more time now, before the spring rush, to put them in first class condition.

2. This is the most hazardous time of the year to drive, and you need a car with the best of brakes, steering, tires and mechanical condition to insure your safety.

3. You will save on expensive repairs and high maintenance, which go with an older car.

4. You will have a car that is dependable and economical, that will start when you want it to, and get you to where you want to go.

5. You and your passengers will be more comfortable, have a smoother ride, freedom from cold drafts around loose doors, better vision.

6. You have a much better selection to choose from at this time of the year, and you will have the car a full year before another model change makes it another year old.

7. Prices in the first of the winter are lower than at any time of the year. So why not come up and see either:

FORTNIGHTLY NOTES

At the January 9th meeting of the Fortnightly, in Masonic Hall, the members had the great privilege of hearing Mr. Frank T. Samuel in one of the most noteworthy meetings of the Fortnightly's season.

The meeting opened at 2:00 p. m. with Mrs. Given, the club president, presiding.

It was stated at the business meeting that the State Committee for the Preservation of Antiquities will have a meeting in the Art Museum, Boston, on January 24th. (Details in Federation Notes below.)

Mrs. Malcolm Greene, State Chairman of the Division of Inter-racial Unity, spoke briefly on this subject to members and guests.

Mrs. Walter Winship, chairman of the International Relations Committee announced the 28th International Relations School sessions, to be held in Cambridge, Wednesday, January 25th and Thursday, January 26th. There will be morning, afternoon and evening sessions. The subject matter will be "United States Foreign Policy, Present and Future."

Mrs. W. H. Wightman planned the platform decorations, which were small flags of all nations grouped in front of a lighted globe of the world, used by Mr. Samuel in his lecture.

At the close of the business meeting, Mrs. Winship presented Mr. Samuel.

Mr. Samuel on World Politics. Mr. Frank T. Samuel, a forceful and outspoken exponent of geopolitics as he explained, "Politics of the Earth," gave a brilliant analysis of this tremendous subject, which includes the study of the physical, moral, economic and military forces which motivate men in their daily affairs, embraces the history of countries, the effect of their climate, resources, type of people, personality of their leading citizens and contacts with other nations.

It was apparent from his various remarks during the course of his lecture that Mr. Samuel would lead the American people to more positive action to preserve our heritage of freedom.

Among his many stirring statements were these: "Postponements that are taking place by our leaders are adding to the danger to this country." "Great nations are declining while smaller nations are climbing to the ascendancy." "In losing China, we are losing Asia, in losing Asia, we are losing the world." While too many women are idling at bridge tables and too many men whiling away their time at poker, the destiny of our children is being sold down the river. "Had we taken the forthright steps two years ago recognized our interests in China and gambled on war at that time, we would not now be in the precarious position in which we now stand." "Policies of Christian peoples should be brought into consonance—The barriers to social intercourse should be removed." "Am I doing my duty as a child of God, meeting my obligations as a citizen and parent." "With Atomic power, deserts can be made to flower, frozen rivers to flow, these are the pursuits of peace but we must be willing to risk war for the sake of peace."

During the question period, Mr. Samuel in answer to a question said that what we need today is another Teddy Roosevelt—we would not now be in the position in which we find ourselves!

The Fortnightly is contributing

\$100,000 toward the \$50,000 Memorial Education fund of the Massachusetts State Federation of Women's Clubs, the interest from which will be awarded to a brilliant Massachusetts girl who has already received a degree as a result of four years in college, but hasn't the means to continue and do graduate work.

Federation Notes

Those who enjoyed the conference in Melrose, may enjoy attending the 7th District Conference to be held in Unitarian Hall, corner of Church and Sumner streets, Watertown. The Watertown Women's Club will be hostess.

Those interested in the Preservation of Antiquities, Division of the M. S. F. W. C. may enjoy attending the Second Information Morning, January 24th at eleven a. m. in the Art Museum, Boston. Gertrude Townsend of the Museum Staff will speak on "Embroideries and Textiles of Early Colonial New England." After luncheon in the building, a planned Pilgrimage, under the direction of Mrs. E. Jeffs Brodie will be about the city. L. F. Speare, chairman.

Literature Group Notes

The Literature Group of the Fortnightly had a most enjoyable meeting, January 9th, in the Library. Miss Gertrude Kimball's paper on Henry Wadsworth Longfellow recalled to us many a Portland, his parents, his love of reading, especially poetry. As his father was a trustee of Bowdoin College, it had an occasional pupil. Henry he was only 14th should go to Bowdoin. There he made many friends, for he was genial and was a classmate. In his last year at college he decided that he wanted to make literature his life work.

His father thought that law would be better, as there was no money in writing. The young man persisted, had an occasional poem published, took for his Commencement oration subject "Our Native Writers." As a result of desire and effort, he was offered a position to a new chair of Modern Languages at Bowdoin. He accepted, for three years he traveled abroad, in France, Italy, Spain, Germany, preparing himself for the position.

Two years later, he married, and shortly afterwards was called to Harvard as professor of Modern Languages. Again he went abroad to study, this time to the Scandinavian countries. In 1836 he settled down in Craigie House, Cambridge, for many years of teaching and of writing.

Miss Kimball spoke of Evangeline, the plot for which Hawthorne gave Longfellow, of the successful use in it of the classical hexameter, of the charm of native Indian legends found in "Hawthorne's," "The Courtship of Miles Standish," the New England story.

She spoke of the love, people old and young had for him, of the honors given him everywhere, here and abroad: of the memorial erected to him in Westminster Abbey in 1884, two years after his death.

Miss Kimball ended her talk with delightful readings from "Tales of a Wayside Inn," lives about the Inn, the host, and the men who tell the tale. Her interpretation of the tale, "King Robert of Sicily," was dramatic and effective. One could hear the arrogance in the King's voice when he said "I am the King" and could feel the change in his heart when he meekly bowed his head and confessed his sins.

Mrs. Morton and Gertrude M. Hall will discuss Willa Cather, her life and works, on February 6th, at the Literature Group meeting.

Rules for the Poetry Contest

The president, Mrs. Harold H. Given, informed the members that the General Federation was sponsoring a Poetry Contest, and that the rules are as follows:

General Federation Poetry Contest Rules

Sponsored by: Mrs. Stewart Scrimshaw, Chairman Lit. Div. of Gen. Fed. of Women's Clubs.

Citations for first, second and third places will be given at the Convention in Boston, in May, 1950, and the names of the winners will be published in the General Federation CLUB WOMAN.

1. First place—Name of poem and pseudonym.

2. Double space, one side of sheet.

3. Any type, or subject, not to exceed 32 lines.

4. Submit 3 copies of each entry and keep one for yourself.

5. No return postage—No poems will be returned.

6. Contest open to any member of a Federated Club.

7. In no case must the author's own name appear on the copy of her poem.

8. Two sealed envelopes must be enclosed in the one addressed to the State Chairman, Mrs. William R. Cook. In one of them will be the 3 copies of the poems signed with the pseudonym which will go straight to the judges without being opened. In the other will be the real name of the author and her full address and Club affiliation.

On the outside of this envelope will appear the poem's title and the pseudonym of the author. Judges of national reputation will choose the three best poems. Those and the small sealed envelopes containing correct names of their authors will be forwarded to Mrs. Scrimshaw for the National judging.

Prizes must reach the State Chairman, Mrs. Cook, on or before February 1st, 1950. Address 27 Standish road, Wellesley.

COLLEGE CLUB GROUPS DINNER MONDAY, JANUARY 16

The important opening meeting of the 1950 Evening Study Groups, Winchester College Club, will take place Monday evening, January 16, at 6:30 o'clock in Parish Hall, Church of the Epiphany. The speaker of the evening will be Robert H. Welch, Jr., vice president of the James O. Welch Company in Cambridge.

Mr. Welch has travelled over a million miles, crossed the Continent 22 times, and spent in England two years ago to study the effects of the socialist government. In February of 1948 he went to Europe for the same study, and in March and April of 1949, visited eight Asiatic countries in his trip around the world. His informal talk on Monday evening will reflect the College Club's findings, his comments, and will be of keen interest to the Study group members.

He is a member of the Cambridge Chamber of Commerce, on the board of directors, Boston Chamber of Commerce, Vice president of the New England Confectioners' Club, member of the Harvard Club, Boston Skating Club, Union League Club of Chicago, has served as chairman of the National Association of Candy Manufacturers, and is a member of the United Prison Association.

Mr. and Mrs. George E. Connor, chairman of the Evening Study Groups, are in charge of the meeting, with Mrs. Richard Wyman, treasurer, in charge of the ticket reservations at the door. After the meeting, the study groups will organize under their leaders. While play reading, books, and the world problems groups are well filled, there are places for members in Operatic music, "How Good are Our Schools," and the Atomic Energy group, all three of which are challenging and interesting groups for members.

Members of the College Club who cannot attend the dinner at 6:30 are invited to attend the meeting portion of the program at 7:30, and to hear Mr. Welch, then join their special study groups.

GIRL SCOUTS

The Winchester Council of Girl Scouts commenced 1950 with a joint Leader-Council meeting on Wednesday, the 11th of January, at the home of the retiring commissioner Mrs. George Vary on Wildwood street. Over hot cups of coffee, much business was covered: new program plans, Council policy changes, and other old and new problems of both the Leaders and Council.

It was a great pleasure to meet several of our former commissioners. Their interest in Scouting has never waned, and that, this serene belief, is one of the fine things about Scouting. For no matter how long one is out of the actual business, one may always return and find old and new ideas combined in one constant aim—to give the girls the utmost in program and the best in leadership that they (the girls) may become good citizens. "Learning by doing."

Besides having the pleasure of meeting former commissioners, we all had the pleasure of meeting the new commissioner, Mrs. James W. Willing, and last but not least, the pleasure of watching Mrs. McCull's face when she was presented with the Scout Thanks Badge from the Council as a token from us for a job well done!

On January 25th, it was announced, the annual Association meeting will be held at the Library. Everyone is urged to come and bring their troop committee members, all Council people, Leaders, and others. This will be very interesting meeting, as Dr. Benson will show the movies of the building of the Winchester Girl Scout Cabin. Come and see the miracle!

DARTMOUTH WOMEN'S CLUB

The Dartmouth Women's Club of Boston will hold their monthly meeting in the Empire Room of the Hotel Vendome on Wednesday afternoon, January 18th with the club president, Mrs. Percy E. Gleason presiding.

Following the two o'clock business meeting Mrs. T. Edwin Anderson the program chairman will introduce the guest speaker, Mr. Glen Drake who has chosen an interesting subject, "Personality in Action."

Dessert and coffee will be served at 2:30 under the supervision of Mrs. Dana B. Whipple assisted by Mrs. Edward E. Martin and Mrs. Lewis A. Barker as pourers.

NEW SUBSCRIBERS

New subscribers to the STAR this week are:

Carmine Frongillo, 49 Harvard street.

Peter Lonigro, 106 Swanton street.

Erskine N. White, Jr., 49 Marden street, Cranston 7, R. I.

D. R. Weedon, Jr., 314 Beacon street, Boston.

Parker Lane Winn Co., 957 Main street.

Miss Kiki Kneeland, Kents Hill School, Kents Hill, Maine.

The January meeting of the Women's Auxiliary to the Middlesex East District Medical Society, will be held at The Bear Hill Golf Club, in Wakefield, on January 19th. Luncheon will be served at one fifteen.

THE WOMEN'S ALLIANCE

It is with justifiable pride that the members of the Unitarian Alliance would like to give a brief resume of their "Good Works" during the past year and a half, so that their many friends could know what they have been doing.

We have befriended a little girl living in France, in the Province of the Seine, named Renee. Renee was an exceptionally talented dancer, leading a very hard and strict course, studying French, English, Italian and Spanish, as well as the Ballet. Living with her was her Grandmother and Grandfather (mother also who was mentally ill because of war causes). Our help to Renee was sufficient to help enable her to pass her courses and get her a job at the Opera Comique. Our work then was finished.

Now we turn our heads towards a new profile, Zeika Vinales. Zeika was born in Barcelona twelve years ago. She is exceptionally proficient in the sciences, chemistry and biology being her strong forte. After living in various refuges for mothers with young children, Mrs. Vinales and Zeika were able to settle in Lexington (Aude) where the mother earned some money teaching Spanish in the local school, and more doing sewing at home, but this work is ill paid in France. Zeika went to school at Lexington, and advanced very rapidly. She was always the first in her class, and before she was ten, could read and write in French, Spanish and English. She completed Grammar School at the age of eleven with a grade of 19.75 out of a total of 20.

Since September Zeika has been attending the Lycee in Toulouse. As a foreign child she must pay for her tuition, and her mother has not the money. L. R. O. will not give scholarships so early in a course of studies, and there are no state scholarships for foreign children.

We have now decided to give financial aid to Zeika, hoping that at the end of this year our report will be as favorable as in the case of Renee.

Mr. Charles J. Dunn, Counsel for the Medical Society, will give a talk on Legislative Matters and How They Concern The Doctors. This should be a very interesting meeting.

We have now decided to give financial aid to Zeika, hoping that at the end of this year our report will be as favorable as in the case of Renee.

Mr. Charles J. Dunn, Counsel for the Medical Society, will give a talk on Legislative Matters and How They Concern The Doctors. This should be a very interesting meeting.

PRESIDENT'S CLUB

The members of the Executive Board of the Eighth District President's Club met with Mrs. Walter K. Freeman, President, at her home on Madison avenue, Greenwood, on Tuesday. After a social hour, plans were made for the luncheon and meeting of the Club to be held on January 31, 1950 at Corinthian Hall, Melrose Highlands.

Those present were Mrs. Arthur A. Moulton, Mrs. John Foster, Mrs. James G. Sunderland, and Mrs. Clifford Wheeler of Malden, Mrs. Marshall W. Symmes and Mrs. Clifton S. Hall of Winchester, Mrs. B. Raymond Johnson of Reading, Mrs. Mason E. Bennett of Greenwood, Mrs. Carlos A. Monger of Wakefield, and Mrs. George C. Dannels of Woburn.

James M. Olivier, Jr., a sophomore at Colgate University and the son of Mr. and Mrs. J. M. Olivier, 5 Mystic avenue, recently was one of 250 students initiated into 13 fraternities and the Commons Club. Olivier was inducted into Delta Upsilon social fraternity.

TOWN BASKETBALL LEAGUE

Standing	Wins	Losses	Points
Bonnell Motors	7	0	135
American Legion	5	2	110
Sons of Italy	5	2	110
Mercurio Insurance	3	4	105
Winchester Appliance	3	4	105
Yanks	1	6	85
All-Stars	0	6	75

The Sons of Italy won their fifth straight game by upsetting the American Legion 29-23 on Wednesday evening. Trailing by a score of 11-11 at the half, the Sons of Italy, sparked by four baskets by Joe Amico, came from behind to win in the last quarter. As a result of this victory the Sons of Italy moved up into a second place tie with the American Legion.

The Mercurio Insurance continued to show improved strength and have moved up into a fourth place tie with the Winchester Appliance. Last Monday's games completed the first round of the schedule and the teams are now meeting each other for the second time. The games are getting much closer as the weaker teams are gradually improving and giving the leading teams more competition.

Next week's schedule offers an attractive game each evening. On Monday night the Sons of Italy meet the Bonnell Motors in the feature game of the evening. The Bonnell Motors are involved again on Wednesday night when they play the American Legion. These two teams played the best game of the first round as the Bonnell Motors triumphed 28-24 and another close contest is expected.

STOP, LOOK AND LISTEN

At the January meeting of the Winton Club the outline of the forthcoming Winton Club Cabaret was described in detail by the Chairman, Mrs. Thomas R. Aldrich, Jr.

The show this year will be directed by Mr. Peter West, popular coach of the Jerome Cargill Company of New York. The Committee is fortunate in obtaining the services of such a fine director.

From the opening of the tryouts Sunday night, January 15th, through the final night of the show, February 4th, the club is assured of fun along with the satisfaction of doing its bit to aid the hospital linen fund.

Winchester girls and boys are the co-authors of this year's show, "Stop, Look and Listen." Whose focal points are our much discussed grade crossings.

Come prepared for some friendly jibes, for the Cabaret this year depicts Winchester places and people. From the raising of the gates to the opening number to the final grand 5 o'clock rush at the grade crossing, one will see a succession of our sophomore candidates in an effort to get a line on the more promising of her less experienced performers.

In the senior game B. Chase led both teams with 15 points on seven goals and one from a free try. The Winchester girls made only two of eleven free tries good. B. Chase, getting the other point, Belmont sank six of sixteen foul baskets.

The summary:

Winchester Seniors	Wins	Losses	Points
B. Chase, Jr.	4	0	110
M. Chase, Jr.	3	1	105

WINCHESTER POST OFFICE STILL HOLDS LEAD

In the Suburban Post Office Bowling League, Winchester still holds her lead which she has had since the past week's trials. With but one match to go in the first half, she has but two points to win in the next match, which will be with Stoughton. West Somerville which is behind Winchester by three points can not catch up regardless, if Winchester wins the two points. Next match will complete the first half of the current season and the winner of this half will bowl the winner of the second half next May.

The score:

Winchester Post Office	Wins	Losses	Points
Nelson	87	97	102
Barnard	71	119	82
Chamberland	78	86	110
Tofuri	88	88	92

BAPTIST YOUTH FIRESIDE FORUM

The Youth Fellowship of the First Baptist Church will be guests of Miss Ruth Cleveland at the home of Dr. and Mrs. J. J. Michelson, 8 Fairview terrace on Sunday evening, January 15, at 7:00 p. m. Miss Barbara Mullen will have charge of the devotional period and the Reverend Walter L. Bailey will speak to the group on the subject, "What Makes You, You?" An open discussion will follow. This is the third in the series of Fireside Forum meetings. The evening's program will conclude with a period of refreshment and informal fellowship.

GUILD OF THE INFANT SAVIOUR

Because the Annual Tea given by the Spiritual Director of The Guild of the Infant Saviour, Reverend James Kennedy, for members of the incoming and outgoing boards, is to be held on Tuesday, January twenty-fourth, our bridge party scheduled for the same date will now be held on Wednesday, January twenty-fifth.

After the next week, the bridge party next week, which from all indications promises to be one of the nicest parties of the year, please plan to come and bring your guests. Don't forget the date, Wednesday the twenty-fifth.

Attractive plastic bridge table covers only \$1.00. Wilson the Stationer, Star Building, 3 Church street.

After supper you may play bridge, or canasta, or rummy, or hearts, or any game you suggest. So please bring your deck of cards with you and enjoy your favorite card game.

Your stack of Christmas cards, that you are wondering what to do with at this point, will gladly be accepted that evening, too.

Why not go to the phone and call Pat now.

Polio Epidemic Over BUT Not for Him!!

THE MARCH OF DIMES GAME

On Saturday evening, January 14, 1950, the Winchester High School basketball team plays Arlington High at the local high school gym. It is the "March of Dimes Game," played for the benefit of the National Foundation for Infantile Paralysis. More specifically, it is a game played for the benefit of the men, women, and children who are vitally in need of help by the National Foundation.

Through the eager cooperation of the high school officials and the Winchester polio campaign committee, it has been arranged to turn over the entire proceeds from the game to fight infantile paralysis. This is a fitting kick-off for opening the annual March of Dimes drive which begins January 16th and runs through the rest of the month.

Tickets for the game will be available shortly. The admission price will be 5 dimes for students, and 10 dimes for adults - all dimes will go to help battle one of our greatest enemies - POLIO. Remember the March of Dimes Game, Winchester vs. Arlington.

WARREN G. HARRIS ATTACKS DEVER-ITIS

A surprisingly large number of the members of the Women's Republican Club of Winchester have the chill winds last Wednesday afternoon to hear a progressive Republican, speak at the Masonic Hall. Vice-president Theodore C. Browne presided at the meeting and introduced former Governor's Councilman Warren G. Harris of Milbury, a very frequently mentioned Republican candidate for Lieutenant Governor. Mr. Harris spoke about Republican State issues, the coming 1950 election saying that the Republican party can win but it must present a balanced State ticket and it must lead the way.

He spoke briefly about his bill, which he presented to the Legislative Committee on State Administration, for the establishment of a permanent Massachusetts Economic Commission which would be recruited from existing departments. The commission would seek the same objects for the State of Massachusetts that the Hoover Commission is attempting to attain for the Federal Government.

One reason Mr. Harris believes the Republican Party can win in 1950 is that the people are getting fed up with "Dever-itis." He defines this term as the political philosophy of Governor Dever that he can say anything to the people and get away with it.

Mr. Harris went on to explain that a notable symptom of this political affliction, best described as "Dever-itis," can readily be seen in the Governor's recent declaration regarding his alleged austerity program. Governor Dever has stated that vacant positions should remain unfilled unless they are indispensable and that no new positions should be created. But Mr. Harris pointed out that during the month of December 1949 alone, 25 temporary appointments were made in the State service, and requisitions were approved to extend a total of 2,577 temporary appointments.

Mr. Harris observed that the payroll of the Commonwealth has been increased by two million dollars per month or twenty-five million dollars per year over the previous Republican Administration and that the surplus of fifteen million dollars left to the present Governor has already been spent. He concluded by saying that we have had epidemics in Massachusetts before, but now the fair-minded people of the Commonwealth, Republicans, Democrats and Independents alike are looking to the Republican Party to supply the penicillin in order to rid the state of "Deveritis."

Mr. Singer and her social committee served tea after the meeting. The pointers were Mrs. J. Stanley Barnes, president of the Club, and Mrs. William C. Cassack, president of the Women's Republican Club of Massachusetts, 16 Beacon street, Boston.

WINCHESTER, 50; STONEHAM, 34

Victory Gave Locals League First Place

Winchester High took over sole possession of first place in the Middlesex League by defeating Stoneham High 50-34 last Friday night at the high school gym. A turn-away crowd witnessed the Red and Black turn in their best performance of the season as they outscored their Stoneham rivals in three out of the four periods. The Red and Black displayed an excellent brand of teamwork as they rolled to their highest scoring total of the season, as all six players entered the scoring column. The Winchester defense bothered Stoneham considerably as the latter was forced to rely principally on long shots by Morello and Schwartz for the bulk of their scoring.

Winchester jumped into a lead of 16-11 in the first quarter but Stoneham looked better in the second period, and the locals left the floor with only a 23-20 margin at the half time. The third period was particularly hard fought but the Red and Black pulled away a bit to take a 33-28 lead at the end of that period. Winchester really broke the game wide open in the final period as they scored 17 points to win going away.

It was essentially a team victory for Winchester as they played as a unit as first one and then another would turn in a brilliant play. Special mention, however, must go to big Walter Murphy and George Tansey for their scoring exploits. Murphy really took charge of the game in the second half as he dominated the play off the backboards and contributed nine vital points in the last period to ruin any hopes Stoneham had of staging a late rally. Tansey gave a great exhibition of set shooting as he connected for seven baskets in 18 attempts and distributed his scoring over all four quarters to keep the locals always in the lead. Morello and Schwartz looked good for Stoneham as they kept the Blue and White in the game with their accurate shooting.

The Winchester Seconds remained undefeated as they won their fifth consecutive victory by defeating the Stoneham Seconds 57-35 in the preliminary game. Once again every player in the Winchester line up scored, as the Seconds continued their high scor-

ing which has seen them average 50 points a game in five contests. John Diorio was high man for the locals in this game with 12 points.

NEWSY PARAGRAPHS

Cadet Richard Moriarty, son of Mr. and Mrs. John J. Moriarty of 20 Sheffield road, has returned to the Manlius School after spending the Christmas recess with his parents in Winchester.

Bob McGrath, Winchester swimming ace, won the 150 yard backstroke for Bowdoin in the Polar Bears' swimming victory over Tufts at Brunswick last Saturday, covering the distance in 1m 52.5s. Bowdoin won the meet 45-30. R. E. Johnson, 7 Ainsworth road, has returned from a 1950 sales-planning conference held at New York by the Parker Pen Company.

RED SOX STAR THRILLS HOLY NAME SOCIETY

A vast throng of fathers and sons attended the 8:00 a. m. Mass at St. Mary's Church on Sunday, January 8th, on the occasion of their annual Communion Breakfast. It was also Family Communion Sunday and there were also many ladies present. Rev. Fr. Walsh, Spiritual Leader of the Society, paid the entire assembly high compliments for their fine showing. His sermon dwelt on the Holy Family of Nazareth. After Mass the Fathers and Sons convened at Lyceum Hall where a catered breakfast was served. The sub-freezing temperature was no deterrent, but a parish hall nearer the church which is being planned for, would be ideal, these frosty mornings.

William J. Croughwell, Society president welcomed the gathering, stressing particularly to the youth present, that some day soon these same boys will undoubtedly become Holy Name Members, and will embrace the aim of the Society which is to praise, honor and adore God. John A. Volpe, former President and Program Chairman, introduced George "Birdie" Tebbets, after some fine comments singing directed by Ed McDevitt and with Herb Cleary at the piano.

"Birdie" star Red Sox catcher, thrilled his listeners with many humorous, serious and informative anecdotes and facts, plus a story of inside information and incidents which had not found their way into print. He urged his younger listeners to honor their parents, and to study hard and get good marks, stressing the need in baseball as well as in other professions for smart people. He further urged his audience to play hard and clean, to accept the ballplayer's creed, "as you give so you will receive," citing the many instances of blocking at second base and at his own position as catcher. "Be a good sport to your classmates and to your teammates," Birdie admonished. An interesting story was told concerning Bob Lemon and Jim Hegan of the Cleveland Indians in explaining a statement of "Birdie" that there are never any arguments over one's Faith in the baseball profession. Bob who is a Protestant, and Jim, a Catholic, both were stopping in at the Catholic Church on the way to the ball games to make a visit and offer a few prayers.

Birdie went out on a limb to predict that the Red Sox would win the pennant this season, but pointed out that the entire league would be greatly strengthened, down the line. "Tall story" had one of the Braves, Manager McCarthy and a horse, that brought proudly displaying a Tebbets' autograph around town and remembering the hearty handshake. It certainly was a most successful affair, and the Society is most grateful to "Birdie" Tebbets and wish him great success this season. This week he leaves for Hot Springs, Arkansas and training.

TOWN BASKETBALL LEAGUE

Last Week's Games
The Sons of Italy defeated the Winchester Appliance by a score of 31-23 last week Wednesday. The other two games were easy victories for the Bonnell Motors and the American Legion, as the Legion once again piled up a high total in scoring 58 points against the Yanks. Roger Latham was once again the high scorer as he made 20 points while Don Pryor, Dave Conn and Roger Swanson hit double figures.

Now that the holidays are over the League will resume playing three games on both Monday and Wednesday evenings. Last week's results follow:

Bonnell Motors	R	F	Pts.

WINCHESTER FROSH TRIPPED STONEHAM

The Winchester High Freshmen opened their basketball season with a 31-13 victory over the Stoneham Freshmen at the high school gym last Friday afternoon. The Freshmen looked very good in their debut and Coach Knowlton was able to use all 13 players for a considerable length of time. Joe Donlon was outstanding for the Red and driving in nicely from his guard position for four baskets on lay ups.

In a preliminary game the Winchester Junior High defeated Stoneham Junior High by a score of 32-9 as Dick Pratt scored 10 points for the locals.

The summary:

Winchester H. S. Freshmen	R	F	Pts.
Carlton, Jr.	1	2	4
Thomson, Jr.	1	2	4
Blawie, Jr.	1	2	4
Atkinson, Jr.	1	2	4

JUNIORS-SENIORS CHOOSE "MOTHER IS A FRESHMAN"

"Mother is a Freshman" a comedy in three acts by Perry Clark, a stage adaptation of Raphael David Blais' story of the same name, is the choice of the juniors and seniors at Winchester High School for mid-February presentation.

The cast selection committee consisted of Director Thomas A. Morse and two students, Robert Singer and Betsey Morton. Chosen for the cast were the following: Marcia Kraft, Charlotte Ann Farragher, Louise Kugler, Elaine Gilaker, Diantha Lamb, Fay Carroll, Felicia Mezzacappa, Susan Graves, Dorothy Parker, John Power, David Archibald, Thomas Bee, Richard Joslin, David Holdsworth, and John Roca.

Yes, it looks like a very small iron lung. You can help make it powerful beyond its size. Your dimes and dollars filling this miniature iron lung will help empty real ones in hospitals across the country. Join the March of Dimes. January 16-31.

THE MARCH OF DIMES GAME

At 7:45 on Saturday night, January 14, in the high school gym, the Winchester basketball team meets Arlington High School in the March of Dimes Games. Starting with the preliminary game between the second squads of these two teams, this evening of basketball takes on a significance far more than afforded by the natural rivalry between Arlington and Winchester. There is even an added incentive beyond the fact that the game marks the kick-off for the opening of the annual March of Dimes drive beginning January 16th and running through the rest of the month. Saturday night has a special meaning for all members of the Winchester squad. The story behind this meaning could be of interest to all.

Many of you do not know that the boy who has been missing from the Winchester line up this season. He is a boy for whom Coach Ted Bartlett had expected a fine future in basketball. He is a boy who would be wearing his school's colors this season if fate had not dealt him a smashing blow early in his athletic career. Sophomore Bill Carleton was a member of last year's Freshman team. He had his hour set on making the varsity squad this year. Last August, however, Bill was stricken with polio from the hips down. His dream of playing basketball came tumbling down with this untimely disease. At the present time he is at the Children's Hospital confined to a bed, or on occasion he is allowed to propped up in a wheelchair,

as well as forward. Dan Mathews, in the reserve forward and center position. One member of the Freshman team this year should be mentioned in the light of the March of Dimes game Saturday night. He is Frank Carleton, the younger brother of Bill, who hopes to be carrying on the family honors in basketball.

It is the hopes of these boys playing in this benefit game that you will remember those who are in need of aid from the National Foundation for Infantile Paralysis, and remember the necessity for "everybody on" for them. The March of Dimes campaign are two ways in which to take part in the battle against 1941-42.

CHAMOIS SKI CLUB

This winter season will go down in history as being notable on two counts. Notorious would be a better term for the first one which is lack of snow. Many operators of small high country ski hostels are feeling the pinch of two snowless winters and some have already been forced to sell out. Nineteen hundred and fifty will be remembered secondly because it is the first year in history that the international ski races are being held in the U. S.

Every organized club in the country has been asked to contribute funds to the U. S. Amateur Ski Association, in order to support the U. S. Ski team. If all the clubs come through, the best U. S. team possible will take the field, and the cause of skiing will be immeasurably advanced.

In order to do their part, the Chamois Ski Club of Winchester is sponsoring a benefit Square dance, January 25 at Lyceum Hall. Joe Perkins, one of New England's best professional callers, will be on hand with his ensemble to explain and call the madrigals and contras. The dance will last from 8 to 11 and tickets may be secured in advance at the Winchester Sports Shop or at the door on the night of the dance.

The crystal ball gazers of the skiing fraternity don't see much hope for a U. S. win, but with the proper financial backing, we still have an outside chance. There will be an informal meet one at Chamois' barn tonight at which race dates will be reshuffled and plans for a debate on ski techniques will be discussed. The debate is to take place at the next regular meeting on February 1.

The Selectmen received during the holiday season Christmas Greetings sent the town by the Mayor and Mayoress of Winchester, England, Councillor and Mrs. C. A. Taylor. These greetings have been exchanged by the old and new world Winchester since the visit of former Mayor and Mrs. Collis of the English Winchester during our celebration of Winchester's tercentenary in 1930.

CANCER RESEARCH FOUNDATION REVIVES \$351,251.15 FROM JIMMY FUND DRIVE

Co-Chairmen, Louis R. Perini, President of the Boston Braves and Martin J. Mullin, of the Variety Club and the Motion Picture Industry, announced today that at the close of business on December 31 the 1949 Jimmy Fund Drive had on deposit in the bank the sum of \$351,251.15. This sum was turned over to the Children's Cancer Research Foundation today by the Co-Chairmen.

Dr. Sidney Farber, the Scientific Director of the Foundation, stated that since the Foundation was inaugurated it has joined forces whenever possible with research workers in other institutions in the National Cancer Institute in Bethesda, to make possible the most rapid progress in our understanding of the nature and treatment of cancer. New knowledge gained by the research of the members of the Foundation and improvements in the treatment of children with cancer have been made available to doctors throughout the United States and many foreign countries for the benefit of children with cancer in hospitals far removed from our Foundation.

100 Patients Treated. In the last two and a half years 400 patients with widespread can-

cer, not amenable to surgery or by X-ray, have been treated by new types of chemical therapy under research in the Foundation. At the present time between 70 and 75 children with such widespread so-called inoperable cancer are under free treatment each day in the Clinical Therapy Clinic or under the supervision of the Foundation doctors.

Because of the Jimmy Fund which was founded by the Variety Club of New England, sponsored by the Boston Braves and the Motion Picture Industry and supported by the public, the doctors in the Foundation have so far cured for all children with widespread cancer without one penny of cost to the patient for medical care.

Broad Research Program Started. The Foundation has inaugurated a broad program of research bearing upon cancer in children which includes the medical care of children with widespread cancer, the synthesis of new chemical compounds, fundamental studies concerning the nature of cancer and the action of chemical and physical agents upon cancer, and the discovery of new methods of treatment. The Children's Cancer Research Foundation maintains diagnostic laboratories and clinics from which doctors anywhere may receive, without charge, advice concerning the diagnosis and treatment or the care of young patients.

The resources of the Foundation have made possible more progress in the treatment of widespread cancer in children during the past two years than during the past 25 years put together. The full resources of the Children's Medical Center have been placed at the disposition of the Foundation. Costly duplication of highly skilled specialists in many different branches of child medicine and of expensive apparatus in this way made unnecessary.

New Members Named. Newly-appointed members of the Board of Trustees according to an announcement by President John J. Dervin of the Foundation are Frederick Ayer, G. Peabody Gardner, Arthur H. Lockwood, Treasurer, Lockwood & Gordon Theatre Enterprises, Martin J. Mullin, President, New England Theatres, Inc., Louis R. Perini, President, Boston Braves, and Samuel Finanski, President, Theatre Owners of America. These will be in addition to Walter A. Brown, President, Boston Garden, Joseph Cifre, President, Joseph Cifre, Inc., Philip Marget, Treasurer, Marget Theat-

Cadillac

Will Raise the World's Standard Again!

In 1950, the reasons for moving up to Cadillac will become so great, that if you contemplate the purchase of any car outside the lowest-price field—you should see the new Cadillacs first!

Here are some of the things you may look forward to seeing when America's most renowned motor car builder unveils its offerings for the ensuing year.

You will see four wholly new series of cars—all with entirely new bodies—gorgeously restyled.

You will see cars whose performance is so outstanding that to drive one of them for a single hour is to want it forever.

You will see scores of advancements and improvements which add to quality, endurance, economy and dependability.

And, finally, you will see all this in a car whose lowest priced model will actually cost less than certain models of numerous other makes!

By all means, see the new Cadillacs before you act in 1950. They will give you the new yardstick for motor car quality—and value.

It won't be long! So please stand by for the presentation date for this community.

TO DISCUSS MARINE TRAINING PROGRAM

The volunteer training unit program of the United States Marine Corps Reserve will be discussed by Captain Russell E. Whipple, USMC, from headquarters, First Marine Corps Reserve District at a meeting of Marine Reservists, Tuesday, January 17, 1950 at 8:00 p. m. at the American Legion Hall, Post 97, 34 Vine street, Winchester, Massachusetts.

This meeting is primarily for the benefit of Marine Reservists, but anyone interested in the reserve program is invited to attend. Information will be presented relative to requirements, and the means of fulfilling the requirements to qualify for retirement of Reservists under Title III of Public Law 810. Also to be presented will be the proposed activation of Marine Corps Reserve Volunteer Training Units in the Winchester, Massachusetts area.

Further information may be obtained by contacting Captain John H. Gleason, USMC, at his office, Commonwealth 6-4201 or at his home, Winchester 6-2345-M.

CONTAGIOUS DISEASES

The following list of contagious diseases has been reported to the Board of Health for the week ending Thursday, January 12:

Chicken pox 1 case
Dog bite 1 case
William B. MacDonald, Agent.

Mrs. Marion Beranger of Cheshford road is the new general clerk at the Town Hall, replacing Mrs. Alice Eberle, who has taken over the clerical duties in the Town Engineer's office, vacated by the recent resignation of Hugh J. Grimes.

FOR SALE by Stacy

OPPORTUNITY FOR BARGAIN The owner is forced to sell and will consider any reasonable offer for this really fine home whose distinctive appearance and location on one of Winchester's best streets convenient to Wedgmore Station makes it a most desirable property. The house has a charming design and is well adapted for every social and family need, bedrooms are spacious and the master chamber has its own fireplace and private tiled bath. Also a second unusually large tiled bath. Controlled heating system. Substantial two car garage and over 20,000 sq. ft. land beautifully landscaped. Price at \$25,000 is subject to an offer. There is a family somewhere in Winchester needing and able to buy this desirable home. This is their opportunity. Full details on application.

WANTED — LISTINGS FOR THESE BUYERS (1) Cambridge couple want a well situated 3 bedroom house. Three "musts" specified: must be modern in detail, must have pine paneling, must have a 2 car garage. Not over \$20,000 (2) For two local couples each needing larger homes than they now own. Both desire Colonial style houses with four to six bedrooms and up-to-date features. Values to thirty thousand considered. (3) Another local couple, good prospects for a modern four bedroom house conveniently near Parkhurst School. (4) Also have buyers for modern 3 and 4 bedroom homes at prices under \$18,000, any good east or west side neighborhood.

If you have desirable property for sale that is not now listed in this office, let me urge you to call or phone without delay for inspection appointment.

MR. AND MRS. MURACO GET GOLDEN WEDDING CAKE SURPRISED ON GOLDEN WEDDING DAY.

Mr. and Mrs. Gaspare Muraco of 40 Harvard street, who recently observed their golden wedding anniversary, were pleasantly surprised on that occasion with a reception given in their honor by their children at Christopher Columbus Hall. Following the reception a catered banquet was served and there was dancing.

More than 250 guests attended the affair, including relatives and friends from Lawrence, Hyde Park, Rosindale, Somerville and from as far distant as Spokane, Wash. Mr. and Mrs. C. C. Morino were the guests from Spokane.

Highlighting the evening was a special ceremony performed by the Rev. Fr. John P. O'Riordan, pastor of St. Mary's Church, Dr. Angelo L. Maletta fully filled the important toastmaster's role and among those who responded were the veteran physician, Dr. Richard L. Sheehy, whose reminiscences were both humorous and touching; and Dr. William D. Barone, school physician, who spoke to the Muracos in their native tongue.

Mr. and Mrs. Muraco are well known among the town's Italian residents, having lived in Winchester for more than 45 years. Both are natives of Salem, Sicily. Mr. Muraco being 84 years old and his wife, 72. Mr. Muraco is a retired employee of the Regis & Cobb Company, leather manufacturers. Mr. Gaspare Muraco, Jr., and Mrs. Al Sylvester of West Medford and Mrs. Joseph Merino and Mrs. John Nappa, both of Melrose.

FIRST CONGREGATIONAL CHURCH TO HOLD ITS 110TH ANNUAL MEETING.
The First Congregational Church of Winchester, the oldest church in the community, will hold its 110th Annual Meeting, Wednesday evening, January 25th. It separated from the First Congregational Church in Woburn, its Mother Church, in 1839. A dinner will be served at 6:30 in the Parish Hall, which will be in charge of Mrs. Frederick E. Hoffine and Mrs. Clarence R. Wickerson, after which Mr. William Lewis Parsons, the moderator, will preside at the meeting.

The Budget for 1950 will be presented, reports from the various departments and organizations will be read, and the names of new officers for 1950 will be voted on. An interesting feature in connection with the state for new officers is, that of all those asked to serve, everyone accepted on the first approval by the Nominating Committee. This is unusual for most churches, and indicates a healthy condition in the First Church. One hundred and thirteen new members were added last year, and the Church School enrollment reached almost one hundred. A thorough overhaul and renovation of the Church building was carried out during the year, and plans are under weigh for renovating the Parish House this year.

A good attendance is anticipated at this historic meeting. Coming Events for church information.

RED CROSS FIRST AID COURSE.
A Standard First Aid course will be conducted by the Winchester Chapter, American Red Cross, starting Thursday, January 25, 7:45 p. m. in the First Aid room in the basement of the Town Hall, Winchester. The course, which will be conducted by Mr. William Holdich, is one of the services offered by your Winchester Chapter and is open to anyone without charge. Call Winchester 6-2300.

PARENTS OF A DAUGHTER.
Mr. and Mrs. Donald Lewis Puffer (Shirley Brackett) are the parents of a daughter, Audrey Lewis Puffer, born January 10, 1950, at the Winchester Hospital. Grandparents are Mrs. M. Richard Brackett of 153 Cambridge street, Winchester, and Mr. and Mrs. Donald E. Puffer of Watertown, Connecticut.

DR. NORRIS TO ADDRESS STEWARDSHIP MEETING.

The Stewardship Advance campaign of the First Baptist Church got underway on Wednesday evening, January 25th, at 8 o'clock, with the first of the series of four Wednesday evening meetings scheduled. Dr. Forbes H. Norris was the speaker at this opening meeting of the campaign. Dr. Norris has occupied the pulpit at the First Baptist Church on several occasions and has always brought a sincere, clear-thinking, inspiring message.

This Stewardship Advance campaign is for the sole purpose of stimulating the sense of personal responsibility of every Christian. It is not a local program but is being carried on simultaneously throughout the Northern Baptist Convention, and is designed to help build stronger churches with more helpful members. This can be done only when the individual members realize their own stewardship responsibilities and respond with deeper consecration of their talents to the work of their church.

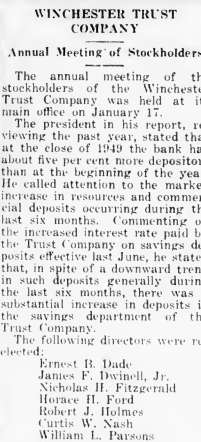

On the following Wednesday evenings: Mr. Harry Gilman, Boston financier and leading Massachusetts Baptist layman, will speak on February 1st; the outstanding Stewardship film "February 1st" will be shown on February 8th; with the summary of proposals, led by the Stewardship Chairman, Mr. Lewis M. Foster, on February 15th.

Every member and friend of the church will want to be present at these meetings for inspiration in their personal life and the life of the church in this community.

WINTON CLUB TRIES INNOVATION.
This year in addition to the regular Friday and Saturday night cabaret and the Wednesday night dance, the club has always been so popular with the children, Winton Club is planning an informal Theatre Night on Thursday, February 2nd. For those who do not care to attend the formal cabaret this arrangement will provide a perfect opportunity to see a first-class performance in a theater atmosphere. There will be five rows of front seats (three rows at the sides of the dance floor and two rows in the balcony) therefore, although there will be no reserved seats, everyone is assured of a good location. Children and adults are urged to attend the dress rehearsal on Wednesday evening. They will enjoy a good show and more freedom than some of the cabaret afforded them at the finished performance on Thursday night.

Tickets for Theatre Night may be obtained from the Winton Club, Emerson Winchester 6-0587 or may be purchased at Filene's beginning January 25th.

Those who wish to see the show Thursday night if you have not made arrangements already to do so. The Club feels it can assure you an evening of fun in a congenial atmosphere.

WINCHESTER TRUST COMPANY.

Annual Meeting of Stockholders.
The annual meeting of the stockholders of the Winchester Trust Company was held at its main office on January 17.

The president in his report, reviewing the past year, stated that at the close of 1949 the bank had about five per cent more depositors than at the beginning of the year. He called attention to the marked increase in resources and commercial deposits occurring during the last six months. Commenting on the increased interest rate paid by the bank on deposits, he stated that, in spite of a downward trend in such deposits generally during the last six months, the bank had a substantial increase in deposits in the savings department of the Trust Company.

The following directors were re-elected:

Ernest B. Dade, James F. Dwinell, Jr., Nicholas J. Fitzgerald, Horace H. Ford, Robert J. Holmes, Curtis W. Nash, Harris S. Richardson, Henry K. Spencer.

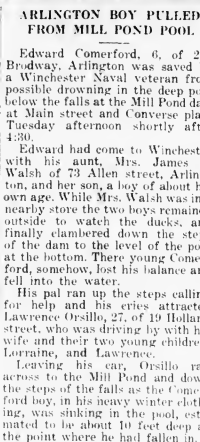

All the officers also were re-elected.

William L. Parsons, President; Harris S. Richardson, Vice-President; Curtis W. Nash, Vice-President; Vincent F. Davis, Treasurer; James C. Ambrose, Asst. Treas.

OBSERVED 90TH BIRTHDAY.
Mrs. J. Frank Hodge of 17 Edgehill road, one of Winchester's oldest residents, observed her 90th birthday, Tuesday, January 17, at her home.

No formal celebration was planned, but for three days commencing last Sunday, Mrs. Hodge was kept busy receiving callers, cards and flowers.

A family dinner party got things under way Sunday evening, attended by her daughter, Miss Mollie Hodge, who makes her home with her mother; and by Mrs. Hodge's sons, George and William; Mr. and Mrs. George E. Hodge of Wellesley Hills and their son, George, Jr.; and Mr. and Mrs. J. H. Hodge of Boston.

ARLINGTON BOY PULLED FROM MILL POND POOL.

Edward Comerford, 6, of 219 Broadway, Arlington was saved by a Winchester Naval veteran from possible drowning in the deep pool below the falls at the Mill Pond dam at Main street and Converse place Tuesday afternoon shortly after 4:30.

He had come to Winchester with his aunt, Mrs. James F. Walsh of 73 Allen street, Arlington, and her son, a boy of about his own age. While Mrs. Walsh was in a nearby store the two boys remained outside to watch the ducks, and finally clambered down the steps of the dam to the level pool at the bottom. There young Comerford, somehow, lost his balance and fell into the water.

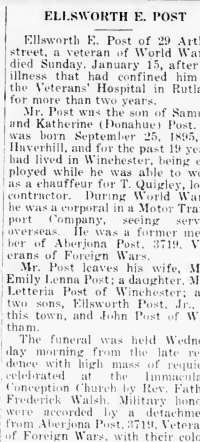

His pal ran up the steps calling for help and his cries attracted Lawrence Orsillo, 27, of 19 Holland street, who was driving by with his wife and their two young children, Lorraine and Lawrence.

Leaving his car, Orsillo ran across to the Mill Pond and down the steps of the falls to the dam, where he found the boy in his heavy winter clothing, was sinking in the pool, estimated to be about 10 feet deep.

Orsillo, fully clothed, plunged into the icy water and bringing up the boy, made his way with difficulty to the platform of the pool against the current.

Meanwhile Mrs. Walsh had notified Patrolman Archie T. O'Connell of the incident. Officer O'Connell went to the Mill Pond, where Orsillo had gotten young Comerford out of the water. The young boy was wet from head to foot and his clothing was rapidly freezing.

Officer O'Connell took the boy to the hospital where he was apparently none the worse for his thrilling experience.

ELLSWORTH E. POST.

Ellsworth E. Post of 29 Arthur street, a veteran of World War I, died Sunday, January 15, after an illness that had confined him to the veterans' hospital in Rutland for more than two years.

Mr. Post was the son of Samuel and Katherine (Donahue) Post. He was born September 25, 1895, in Haverhill, and for the past 19 years had lived in Winchester, being employed while he was able to work as a chauffeur for T. Quigley, local contractor. During World War I he was a corporal in a Motor Transport Company, seeing service overseas. He was a former member of the American Legion, Veterans of Foreign Wars.

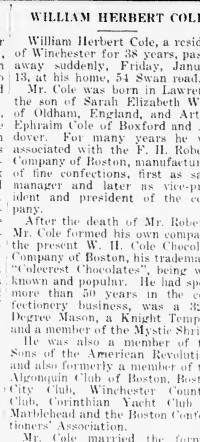

Mr. Post leaves his wife, Emily Lenna Post, a daughter, Miss Lenna Post, and two sons, Ellsworth Post, Jr., of this town, and John Post of Waltham.

A funeral was held Wednesday morning from the late residence with high mass of requiem celebrated at the Immaculate Conception Church by Rev. Father Frederick Walsh. Military honors were accorded by a detachment from Abernethy Post, 3719, Veterans of Foreign Wars.

Interment was in the cemetery where the late Mr. Post was buried by Father Walsh.

PETER ELLSWORTH CLIFTON.
Peter Ellsworth Clifton of 57 Harvard street died Friday evening, January 13, at his home. His death followed a three weeks illness with a peptic ulcer, but he had been confined to his bed only for two days and his sudden passing came as a shock to his family and friends.

Mr. Clifton was the son of Florence Hanscomb Clifton and the late Emmett Henry Clifton. He was born February 15, 1914, in Boston, was educated in the Boston schools and came to Winchester six years ago. He had been employed by the Eastern and Bacon Feed Companies while in Winchester, and by the Winchester Cleaning Service. Before coming to Winchester he had been a waiter on dining cars of the Boston and Maine Railroad.

WILLIAM HERBERT COLE.

William Herbert Cole, a resident of Winchester for 28 years, passed away suddenly, Friday, January 13, at his home, 54 Swan road. Mr. Cole was born in Lawrence, the son of Sarah Elizabeth Wood of Oldham, England, and Arthur Ephraim Cole of Boxford and Andover. For many years he has been associated with the E. H. Robinson Company of Boston, manufacturers of fine confections, first as sales manager and later as vice-president and president of the company.

After the death of Mr. Roberts, Mr. Cole formed his own company, the present W. H. Cole Confection Company of Boston, his trademark, "Clearest Chocolates," being well known and popular. He had spent more than 20 years in the confectionery business, was a 32nd Degree Mason, a Knight Templar and a member of the Mystic Shrine.

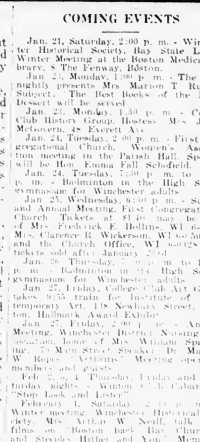

Mr. Cole was a member of the Sons of the American Revolution and also formerly a member of the Algonquin Club of Boston, Boston Club, Winchester Country Club, Corinthian Yacht Club of Marblehead and the Boston Confectioners' Association.

Mr. Cole was married the former Ledy Carr, widow of the former Ledy Carr, who died in 1907. After a short residence in Brookline he and Mrs. Cole came to Winchester, living first at 15 Calumet road and for the past 22 years on Swan road.

He leaves his wife, a daughter, Mrs. Edward F. Harmon, Jr., and grandchildren, a son, L. H. Harmon, all of Winchester; a brother, Walter Irving Cole of Malden; and two sons, Mrs. Bertha Britton of Westbury.

Private funeral services were conducted Sunday afternoon at the Immaculate Conception Church by Rev. Father Frederick Walsh, pastor of the Church of the Epiphany. Interment was in Spring Grove Cemetery, Andover.

MRS. JESSIE BEATRICE SKILLING.
Mrs. Jessie Beatrice Skilling, wife of the late Dr. J. H. Skilling, a former resident of Winchester, died Thursday, January 5, at a rest home in Carlisle. She had been for many years in poor health.

DUNBAR SHANKLIN HONORED.

Twenty-two employees of Dewey and Almy Chemical Company became charter members of the company's newly formed Quarter Century Club Friday night at a dinner held in their honor at Oakley Country Club in Watertown. Many of the men have been with the company for nearly all of its thirty years.

Awards of gold pens and engraved gold watches were made to each member by Mr. Bradley Dewey and Mr. Charles Almy, who founded the company in 1924, who has been Sales Manager of the Company Division and is now Assistant Director of Research.

ASSISTED AT BOSTON BANK OPENING.
Mr. Benjamin Hill of Greenwich Lodge, Greenwich, Conn., a vice-president of the National Shawmut Bank, serving as the bank's representative in New York for the past 10 years, closed his trip Monday with Mrs. Hill for the opening of the Shawmut's newly renovated Park Square Branch, of which he was manager 20 years ago.

Mr. Hill is the only executive of the bank to visit Winchester with the Shawmut. While in town for the opening festivities, Mrs. Hill took time to visit Winchester where she and her husband lived for many years, and to visit to her friends. It will be good news to their many friends here that they are planning to return to town.

REGISTRATION FOR MEN AND WOMEN.
The Registrars of Voters will be in session at the office of the Town Clerk, Town Hall, on the following days:

MONDAY, February 6, 7:30 to 9 P. M.
TUESDAY, February 7, 7:30 to 9 P. M.
MONDAY, February 13, 7:30 to 9 P. M.
TUESDAY, February 14, 12 o'clock noon to 10 P. M.

and also at any time during office hours of the Town Clerk.

TAKE NOTICE.
By law, Registration in THIS TOWN will close p. m., after which names will be added to the voting list until after the Town Election on March 6, 1950.

Every man or woman whose name is not on the voting list, in order to be registered as a voter must appear in person before the Registrars of Voters at one of the sessions above mentioned, except in accordance with Chapter 521, Acts of 1948, and Chapter 714, Acts of 1945. Each man or woman must also have been a legal resident of Massachusetts for at least one year and a legal resident of Winchester for at least six months prior to the next election.

Naturalized persons must bring their papers of naturalization and persons claiming citizenship through a naturalized person must bring proof of citizenship.

LEAGUE OF WOMEN VOTERS

The League of Women Voters held the first of a series of meetings on the Federal Budget in the Art Gallery of the Library on January 12th at 10:15 a.m. Based on the League booklet, "You Pay The Taxes, You Call The Tune," Mrs. Horace Abbott and her able committee of Mrs. Harold Hall, Mrs. Carl Zimmerman, Mrs. Theodore Brown and Miss Helen Munroe gave a most lucid and interesting analysis and explanation of the fixed and new costs of the 1950 Federal Budget, the reasoning behind this budget, and the recommendations of the Hoover Report and what recommendations have been acted upon. Mrs. Abbott pointed out that the reports of the Committee of Economic Development, a group of nationally prominent business men independent of the government, are of great interest in this study of the Federal Budget. In a time of prosperity and yet deficit budget planning, this group believes the budget can be balanced and presents a plan showing how.

BENEFIT DANCE TONIGHT

Plans are complete to take care of a large attendance at the Cabaret and Dance being given tonight by the Auxiliary to Aberjona Post 3719, Veterans of Foreign Wars, for the benefit of the Post's Building Fund.

The Jordan Trio, well known radio team, will furnish the music and other features have been arranged which are sure to give every one who attends a good time. The starting hour is 8:15.

ROTARY NEWS

The guest speaker at Rotary last week was Winchester's own Representative at the State House - Harrison Chadwick. It was a large meeting that listened with great interest to Mr. Chadwick's very illuminating and educational talk on "Observations and Public Thinking."

The crux of his talk was a brief but complete resume of socialism today and how it has been slowly creeping into public thinking and government action. He cautioned that we should be very careful to express our views to our Representatives on the various devious ways that socialism is becoming a larger part of government at all levels. Dividing socialism into its two natural headings of economic socialism and welfare socialism he showed how our present welfare state can and is being changed into the undesired economic socialism.

As for the individual thinker he divided into four divisions as follows: Far to the left is the pure socialist who believes that the government should control everything and the individual nothing. This is the position of England today. The next individual is just a little left of center who believes that socialism should embrace all the welfare care, unemployment, old age, etc. - in other words the socialism of adversity. This last is dominant thinking here in America today. Then the next division is the one a little to the right of center or the so-called conservative who believes that the government should not be called in when private industry has failed. As an example he cited the M. T. A. which in such a financial condition that no one in his right mind would invest in it so the State had to take it over. The last division and also the smallest is the reactionary that always wishes for the return of the "Good Old Days" which naturally in a changing world can never be.

Mr. Chadwick touched briefly also on taxation giving some very interesting and startling figures. He said that 75% of all taxes were levied by the Federal Government and the other 25% equally divided between State and local governments. He pointed out that in 1948 the governments at all levels collected in taxes an equal amount of money as that which the entire nation spent on food that year. He further spoke briefly of the loss of usefulness of the county offices and the replacement of these by so-called districts which can and will control such things as fire, police or education and even recreation. Another trend of economic socialism is the creation of these District Authorities which is as much an instrument of government as our own town of Winchester. Such things as these authorities and districts should be carefully examined before they are allowed to be passed in the State House. This is the sort of action that Mr. Chadwick wants from the voters - making their wishes known to their representatives and senators before bills become law.

In the space of time allotted him Mr. Chadwick did a masterful job of presenting his case and in doing so arousing the Rotarians to not sit back and do nothing about this issue of economic socialism. We in Winchester have wisely used our franchise in voting for such a man as Mr. Chadwick to represent us at the State House. His alertness to the dangers to our individual freedom that are threatening us every day is a bright spot in this fast changing world we live in today. Thank you, Harrison.

COLLEGE CLUB ART GROUP

On Friday morning, January 27, at 11 o'clock, the Winchester College Club Art Group will be taken through the Institute of Contemporary Art at 138 Newbury street, Boston, and will view the special Hollaender International Art Award Exhibit which will be held there from January 25 to February 19.

SUPPORT THE MARCH OF DIMES
JANUARY, 16th to 31st.

Will YOU Help?

"What's the score?" asks puzzled 26-month-old Roger Lee Cottrell, police victim, from his crib in a San Angelo, Texas, hospital. Help him to a happy answer by contributing generously to the March of Dimes (Jan. 16-31) of the National Foundation for Infantile Paralysis.

THE MARCH OF DIMES CAMPAIGN

On Sunday afternoon, January 22, from 2 to 4, the March of Dimes Committee is planning its House to House canvass. The canvass of the 6 precincts in Winchester will be made by over 100 boys and girls from the ages of 8 to 12 who have volunteered their services to help the Infantile Paralysis campaign. Under the direction of Mr. Percy A. Goodale, Jr., Chairman of the House to House Committee, the children will complete the canvass of the town during the above stated hour after which the money will be turned in directly to the following precinct chairmen:

Precinct 1 - Mr. Benjamin Marshall
Precinct 2 - Mr. Frederick Ives
Precinct 3 - Mr. William Bliss-
Precinct 4 - Mr. William Sumner
Precinct 5 - Mr. Harlow Russell
Precinct 6 - Mr. Robert Armstrong.

The March of Dimes Committee urges all to give generously at this time. "Won't you help a child to help a child?"

The committee also would like to call attention to the Wishing Well which is constructed near the center of town on the approach from Main street to the Boston and Maine Station. The materials for the Well were donated by the Fells Hardware, International Cooperative, and the Blanchard Lumber Co. Mr. Otis Leary, Industrial Arts Director at the high school and the following boys, Karl Fahlbusch, Philip O'Donerty, Leo Williams, Frank Lentine, Frank Lawton, James Stevenson, Roland Carlson, and Richard Liza of the high school Industrial Arts classes were responsible for the construction of the Well.

Mr. Michael Stranger, Manager of the Winchester Theatre, has announced that beginning Wednesday, January 25 and running through Sunday evening, January 29, the theatre will make collections for the March of Dimes campaign. Members of both the Winchester Girl and Boy Scout Troops will assist the management with the collections. The time of collection will be: Evenings 7:30, Wednesday and Saturday Matinees 3:30, Sunday 3:30 and 5:00. The Motion Picture Industry in cooperation with the National Foundation for Infantile Paralysis has made a short subject called, "More Than Ever Before," featuring June Allison. This will be shown before each collection at the theatre. The March of Dimes campaign is under way and everyone is pitching in to help little Polio. Won't you help?

Ella May Emerson is now settled for the season at White City Tourist Park, 2019 6th Street, So. Lot 131, St. Petersburg, Fla., where a welcome awaits any home town folks.

ARLINGTON WON MARCH OF DIMES GAME

Arlington High handed Winchester High a 40-29 defeat at the high school gym last Saturday night in a March of Dimes benefit game. A near capacity crowd of 300 witnessed the locals turn in one of their poorest exhibitions of the year against an Arlington team that looked very good at times. Winchester was way off form in its shooting and could not match the speed of the Arlington boys who looked much faster than the locals.

Arlington jumped away to a 9-4 lead at the end of the first quarter and increased it to 21-14 at the half. Winchester played better ball in the third period but Arlington still led 35-25 at the end of that period. The final period saw very little scoring as Arlington seemed content to control the ball and Winchester's play was too ragged to set up many scoring opportunities.

Captain Charlie DeRosas and Jackie Congrove of Arlington were two of the best performers to appear on the Winchester court this year as they scored 25 of their team's 40 points. Captain Dennis Sanford, Walter Murphy and Bob Walsh played their hearts out in a losing cause but Arlington had just too much speed and finesse for a sluggish Red and Black five.

The second team game provided the most excitement for the spectators as the Arlington Seconds edged the Winchester Seconds 34-33 in the final seconds of play. Failure to convert any one of three foul shots in the last minute of play cost the Winchester Seconds the game. A fatal foul pass completed the losing picture as Arlington intercepted it and went down the floor to score the winning basket.

ket with less than a minute to play. The summary:

Arlington H. S.

Sanford, Jr.	3	2	8
Totals	13	5	28

Referees: Thomas and Adirgin

Notes

While Winchester's League standing was not impaired by Saturday's reverse, the game would have been a good one to win, for a victory over Arlington would have counted heavily later on in tournament selections.

The boys just weren't up to coping with Arlington's speed and shooting, however, and if the reports one heard were true that some of the local players went in town after the Concord game the night before instead of going home, their poor showing becomes more understandable. A night in town isn't the best possible way to prep for a basketball game the next evening, especially if your opponent is as good a team as Arlington.

Jack Congrove of Arlington, with his legs lound up till he looked like the tin woodman in the Wizard of Oz, was still running right away from the Winchester backs. A big feature of the game was the attendance of "Bill" Carleton, one of Winchester's polo victims, who watched hostilities from a wheel-chair at the entrance to the coaches' room, well guarded by his parents, Mr. and Mrs. Frank Carleton, and his aunt, Loretta Carleton. "Bill" was to have been a candidate for the high school team this year, having played freshman ball a year ago. His brother, Frank, is on this year's freshman squad.

"Bill's" Aunt Loretta was a fine all around athlete while in high school, winning letters in field hockey, basketball and baseball. If some of the present male athletes at high school had some of her competitive spark, local athletics would look up a lot.

Among former hoop stars at the game was big Jim Fitzgerald, who

brought his son and heir down to the gym to see the game. "Harry" loomed mammoth in the front row of the stands and followed the game with interest. He played on that good high school team back in the middle twenties that beat Brockton in a Suburban League game in the "little old" high school gym.

Brockton had a good team that year, including the great Paddy Creedon, later a B. C. great. Winchester won a close victory from the shoe towners with big Jim-Fitz, on vociferous coaching from his father in the balcony, giving a masterful exhibition of freeing the ball in the final minute of play. Another former hoop star we saw was "Joe" Tansey, now A. D. at Wentworth Institute, who came to the game with his wife, the former Ruth Poland, who used to teach Phys-Ed and coach a Stoneham High before her marriage. Their son, George, regular back on the high school team this year, was favoring a bad leg and saw little service against Arlington.

Captain Mel Wenner of Belmont was an interested spectator at the games. He went home at the half, looking as happy as a cat that had just swallowed a canary. Careful, Mel, such experts as Ella Knowlton and Elizabeth Livingstone say Winchester is really a lot better than they looked last Saturday.

The cheer-leaders of both schools put on great shows, cheering at every opportunity and with little apparent regard for whether the lyrics really fitted the action on the floor. If the Winchester boys could show some of the pep of their cheering lassies, they'd never lose a game!

We personally missed that colorful personality of yesteryear, "Muscles" Covert, with his horn draped around his neck. No one quite handles the little extraneous details of game like he did. He and "Willie" Dodge sort of stand alone in the managerial field.

Unofficial figures placed the "take" at Saturday's game at close to \$200. The adult attendance at the game was disappointing.

"THE DEAC" DROPS IN!

The Star had a brief visit last Saturday from its former linotype, Robert S. Hamilton, now a lieutenant in the Army Quartermaster Corps at Camp Gordon, Ga. Lt. Hamilton came to Winchester over the weekend and commenced a five weeks sales officer's course at Camp Lee in Petersburg, Va. At the conclusion of the course he will return to Camp Gordon.

"The Deacon," as usual, was interested in things athletic in the old home town and delighted to learn that the high school had an unbeaten record to then in the Middlesex Basketball League. An old basketball and track man himself, "Shoelie" played on one of the high school's hoop teams that had the distinction of winning twice in a season from Woburn.

We hope he was too busy to take in the Arlington debacle last Saturday night, a hope we know is echoed by the high school coach, Ted Bartlett. "The Deac" wouldn't have liked that one at all!

Word comes from New Hampton School at New Hampton, N. H., that J. Stewart Chaffee has been elected one of the picture editors for the Belfry, the New Hampton yearbook. He is the son of Mr. and Mrs. J. S. Chaffee of 7 Warren street.

Now...Just Lift a Lever and Go!

It's a New driving thrill in the 1950 Nash Ambassador!

DELIVERED HERE
Nash Ambassador Super 2-door Sedan \$1,793.00
Nash Ambassador Super 2-door Sedan \$2,130.00

Price may vary slightly in adjoining communities due to transportation charges.

State and local taxes
Hydra-Matic Drive optional on the White Ambassador line. Airflow Hydramatic and Hydramatic drive systems optional at extra cost.

Nash Ambassador AIRFLYTE
Comparison to the Nash Statesman
The Finest Values in America's Fine Cars
Nash Motors, Division Nash-Kelvinator Corporation, Detroit, Mich.

Only Nash Ambassador Owners Enjoy All These Fine-Car Features:
Turbo-head Valve-in-head Engine
America's highest compression ratio (7.3 to 1) utilizing regular gasoline. America's only "beating" 1605 counter-balanced crankshaft. Airflow Construction. Engine frame and body, welded into one super-strong unit, squeak-free and rattle-proof. Twice as rigid, stays new years longer.

Want to know the last word in effortless driving?

In the 1950 Nash Ambassador Hydra-matic Drive is combined with Selecto-Lift Starting.

Simply lift a lever and go! No clutch pedal—not even a starter button! You can drive all day without shifting gears.

And here's the thrill of America's top high compression engine that uses regular gasoline—for performance and gasoline mileage new to line cars.

Note the quietness. Airflyte design cuts through the wind with 20.7% less air drag than the average car.

Here, too, is the comfort and luxury only the Nash Ambassador can offer... with Airline Reclining Seat... Weather Eye Conditioned Air System... Twin-Red spaciousness... the rigidity and lasting silence of Airflyte Construction.

Yes, it's the most modern of fine cars, yet the price of a Nash Ambassador, even a Custom model regally tailored to your order—is as much as a thousand dollars less than cars of comparable size and quality cost! See your Nash dealer, and make this frank comparison yourself!

WYANOKE REUNION

Mr. Laurence Whittemore President of the Brown Company in Berlin, N. H., will be the guest speaker at the forty-first annual mid-winter reunion of campers, counselors, parents, and friends of Camp Wyanoke on January 21st at the Hotel Statler.

The following from Winchester plan to attend the reunion: Daniel Adams of Canterbury road, Elliott Speers of Fernway, David Bentley of Sheffield road, and Richard and John Richmond of Grove street.

Camp Wyanoke is located in Wolfeboro, N. H., on Lake Winnepesaukee and is owned by Mr. Bradford M. Bentley of Sheffield road.

WINCHESTER, 32; CONCORD, 25

Victory Kept Indians in First Place

Winchester High won a hard-fought 32-25 victory over Concord High at Concord last Friday evening. This was not one of the best performances the locals have exhibited this season but the tight zone defense set up by Concord and the illegal backboards caused the Red and Black considerable trouble. Winchester did play their customary good defensive game, however, and were able to hold Concord to a minimum of scoring while getting enough points to win.

Winchester held a narrow 7-4 lead at the end of the first quarter and increased it during the second period to lead 15-9 at the half. Concord outscored the Red and Black in the third period to reduce the Winchester margin to 21-18 at the three-quarter mark. Concord continued to surge and tied the score at 21-21 early in the final quarter. The locals stiffened at this point, however, to hold Concord to only four points over the remainder of the period while scoring eleven points on baskets by Costello, Tansey and Murphy and a foul conversion by Murphy.

The win gave Winchester a two-

WINCHESTER FROSH OVER MELROSE

The Winchester High Freshmen defeated the Melrose High Freshmen by a score of 29-18 at Melrose last Friday afternoon. Winchester led 14-9 at the half, 19-14 at the three-quarter mark, and closed a good final period to win going away. "Kit" Carleton, John Atkinson and Joe Dunlop provided all the scoring for the Winchester Freshmen, with Carleton collecting 13 points and Atkinson 10 points.

In a preliminary game the Winchester Junior High team defeated Melrose Junior High 26-16 with Joe McDonough starting for Winchester.

SELF-SERVICE MEATS...

A NEW DAY IN FOOD SHOPPING!

✓ QUICKER

No waiting for a clerk to select, trim and wrap your meat. You can select the size and price that suits you, and go immediately to the check-stand. Shopping is easier and quicker.

✓ FRESH

First National's pre-packaged meat is always fresh. Our meat cutters are constantly replacing stocks with fresh cuts throughout the day.

✓ GUARANTEE

All meats sold this self-service way are backed by First National's already famous guarantee of satisfaction,—or your money back.

✓ CLEANER

Self-service meat is handled only once when it is packaged, and kept clean and protected by its cellophane wrapping.

✓ ECONOMICAL

You pay no more for this improved service. Each item is plainly marked as to weight and price. First National's everyday low-prices prevail.

✓ VARIETY

A wider variety of meats is made possible through planned packaging. If you do not see what you want, ask the clerk and he will get it for you.

Winchester's Newest Most Modern Food Shopping Center is Now Open!

Discriminating shoppers will acclaim our Remodeled FIRST NATIONAL STORES SUPERMATIC MARKET as a "dream store come true!" Top architects, designers and engineers have planned the perfect food shopping center, incorporating all the wonderful new features you've wanted and asked for. Plenty of room,—no more crowding. And best of all, faster, easier economy shopping. From the moment you enter this marvelously modern food store, you'll find every convenience. All your food needs under one roof,—even to a special department devoted to imported and domestic party snacks and luxuries. Cool bubbler drinking fountains, and a public telephone have been installed for your convenience.

WINCHESTER'S "FINAST" FOOD MARKET

Shoppers Throng First National Store

Opening its doors for the first time on Thursday morning, the new First National Store at 605 Main Street was thronged with customers eager to inspect this modern food shopping center.

The completely remodeled supermarket has been enlarged, painted, decorated, relighted, and many new features added. Complete self-service, for faster, easier shopping is the keynote of the many changes that have been made, and chief among these is the introduction of a new self-service meat department—the most important change in food shopping since the advent of self-service stores.

Free Orchids and Souvenirs

Royal Princess Aloha orchids, especially flown by air-express for the Winchester store, opening were distributed to the first 1000 adult women customers, together with souvenirs, food samples, and free balloons for the children. The store opening celebration will continue on Friday and Saturday, with more orchids arriving for distribution to the first 1000 women shoppers on those days.

Larger Shopping Area

Shoppers will enjoy our new wider aisles. No more crowding. The installation of brand new shelves allows us to display a greater variety of foods than ever before. Now there is plenty of room for your shopping carriages in new spacious aisles. Shop leisurely or in a hurry in this enlarged shopping area.

High Speed Check-outs

Your shopping trip will be faster and easier, for we have attempted to eliminate the delays at the check-out stands during busy hours. Shoppers will find that an extra check-out stand has been added, and that the older check-outs have been replaced by new modern high speed units. A special training school is operated by First National Stores to insure the efficiency and accuracy of the checkers.

Party Snack Department

Hostesses enjoy our new connoisseur's corner, completely devoted to party snacks and appetizers—both domestic and imported. It's a veritable treasure land of ideas for quick snacks and party delicacies. You'll find different soups, spreads, condiments, and hors d'oeuvres ideas to delight your fancy, and tickle your palate.

New Dairy Department

You'll be thrilled at the new dairy department which has been installed for your convenience. No more sliding doors, and reaching in cabinets! Dairy fresh butter, milk, eggs and cheeses are displayed in a new modern showcase that is a triumph of refrigeration engineering. Built on three layers, each highly perishable dairy product is kept at peak freshness at correct temperatures maintained by this spotlessly clean unit.

New Ice Cream Display

Ice cream enthusiasts will revel in the new display for the popular Brookside Ice Cream. No more groping in a dark cabinet to select your particular flavor. Here are all the popular Brookside flavors, in handsome new packages and displayed in a new open refrigerated case, which keeps the cream at the proper temperature at all times. Be sure to inspect this display, and select one or more of the rich creamy flavors. You'll find them at a specially low price—to celebrate our reopening!

New Bakery and Candy Dept.

Fresh Betty Alden Bread, and tempting Joan Carol Cakes and Pastries are now displayed on a new large double-sided gondola. Baked fresh daily, these fine breads and pastries are shipped fresh each day—and each label is dated to insure proper freshness at all times. On the opposite side of the bread display, you'll find a large new candy department, featuring all popular brands of candy and gum in individual packages, as well as the popular and economical family size packages. Also seasonal and novelty candy packages will be offered as featured values.

Fresh New Merchandise

Shoppers are already familiar with the high quality and low cost of First National Stores' foods. In this newly remodeled market, you'll find more foods than ever before. In addition, it's all fresh, new merchandise! Take plenty of time on your shopping trip to make a thorough examination. You'll be amazed at the quantity of foods you'll find, and you'll want to take advantage of the tempting offerings of fresh, new merchandise.

New Coffee and Tea Department

Three favorite coffees—Kybo, Richmond, and Copley—will be found in a new larger department. These exclusive First National Stores' blends are kept at peak freshness continually and both Kybo and Richmond coffees are ground fresh to your order at the time of purchase, vacuum packed to insure freshness. You'll also find a wide variety of the popular First National Stores' choice teas—Golden Rose and Homeland—at temptingly low prices.

In buying meat we take
NOTHING for GRANTED

Even though all the meat we buy has been graded by government inspectors, our own skilled buyers double check it. In fact, we have a reputation among the nation's leading meat packers of being one of the fussiest buyers in the country. That's why you never have to question a single pound you buy at a First National Store.

Our Fresh Egg Guarantee!

For your protection every carton of eggs you buy at First National has a date printed on the cover which guarantees the freshness of these eggs. All from local nearby farms... every egg is carefully candled before it is placed in the egg carton.

The Star hadn't been out long last Friday when we received a call from one deeply interested and well versed in town affairs who thought our editorial commending the acceptance speech of Senator Harris Richardson when he became president of the State Senate did not go far enough. "Why not," asked our caller, "include Winchester among the places where economy should be practiced, as well as Washington and Beacon Hill?" The question is a good one, and we are perfectly willing to reopen the issue and say that Winchester can stand the economy applied, too. By comparison we in this town probably get as good a return for our tax dollars as they do in the vast majority of cities and towns, and a much better one than in many communities. That does not mean, however, that they need not scrutinize all our municipal expenditures in the light of economy. We have pulled some corporate honorees in the past and there are still every weigh needs and costs. The for economy at home as in the State and National S.

Just about a year ago Winchester's Veterans of Foreign Wars had stirred up quite a commotion over their request for the old Mystic School on Bacon street as a Post Headquarters. Though there was opposition to the Post taking over the old school, principally from the Hobby Center, which had improved the building and was using it for its activities, and from property owners near the school, the Veterans were by no means without supporters, and a hot battle on the town hall floor in March was only prevented by the Veterans' decision not to press the claim which they felt they had to the use of the building. The Post came out of the controversy with increased prestige, and instead of continuing to gripe over their lack of suitable quarters, set about remodeling matters themselves. Purchased land from the town on White street, the Post also bought the discarded Girl Scout cabin in Brooks Woods, moved it to the new site at White and Arthur streets, and remodeled the building to make it adaptable to the Post's needs. The Vets did everything themselves, and they did a fine job. The new Headquarters has to be seen to be believed! It reflects much credit upon the Post and particularly upon those whose vision and incidentally, efforts made it possible. The new home of Aberjona Post, 3719, VFW, represents a real cooperative effort. The Veterans rightfully deserved all the nice things said about them by those who visited their Headquarters during the open house last Sunday.

It is good to know that the matter of compensation for extra-curricular work done by the town's school teachers is being kept open and studied by a joint committee of the teachers and school committee. The value of this committee will of course depend upon whether the School Committee is really of an open mind about extra pay for extra work by the teachers and is interested more in the amount that can be cut from the budget than in the service the town is getting for the money paid teachers for work in addition to their teaching. That should be the yardstick, and it is hard to see how the matter of extra pay for extra work can, or should be settled on an "across the board" basis. It was a decision by the School Committee a few weeks ago to grant no increases at all for extra-curricular work that brought to a head dissatisfaction with certain of their teachers have felt for some time with respect to the remuneration they have been getting for extra-curricular activities. At the time the School Committee made its decision public the Star expressed the hope that the Committee would consider the matter further and not permit service of value to the School Department, town, and, especially, the schoolchildren, to be lost for the lack of adequate remuneration; or put another way, because the committee does not recognize merit, or length of service, in extra work done by the teachers. In the matter of pay

for straight teaching it may be difficult, or impossible to permit merit to dictate the rate of pay, though it seems unfortunate that such is the case. In the matter of extra-curricular service, within reasonable limits, of course, those providing such service should be paid in accordance with their demonstrated value to the school and town and with regard to what it would cost to replace them. This is no blanket appeal for general increases for extra-curricular service. We believe this whole matter should be considered and disposed of on the basis of individual merit. There probably are teachers doing extra-curricular work who are getting all the job they are doing is worth. There are others who serve to the school and town over a span of years, and have been valuable to a considerable extent beyond the financial return it has received. These teachers should not be measured by any general yardstick.

VETS HELD OPEN HOUSE

Editor of the Star:
On Sunday afternoon January 15th open house at the new quarters of Aberjona Post No. 3719, Veterans of Foreign Wars, was a huge success. While no count was made of the visitors it was estimated that somewhere in the vicinity of one thousand people made their way in and out of the building during the afternoon. Closing time instead of at four as planned was extended until a few minutes in order to take care of late-comers.

Official guests included the Board of Selectmen and State Department Veterans of Foreign Wars officers. Specific guests were those people outside of the Post who donated their time, money and interest in the progress of the building. Reverend Father O'Riordan of St. Mary's and Reverend Father Driscoll of Immaculate Conception accepted invitations to address the Post and guests and call for benediction on future activities of the Veterans.

The Ladies Auxiliary to the Post was on hand with the refreshments and also entertained their Post and guests and called for benediction on future activities of the Veterans.

Many were the comments and we delighted specifically in those which were in some cases a stunned surprise on seeing the finished inside of the building. Warren Bolivar and Ralph Fiero who were the members responsible for the rough and finish carpenter work were complimented to the extent that they might plan on submitting a bid for a new town hall. Officers of the Girl Scouts from whom their old cabin was purchased could find no trace of the cabin which was the basis of the new building.

Aberjona Post again thanks those non-members who helped us, visited us and complimented us. We hope again to be able to entertain them when we finish our plans which call for a larger hall extension.

T. E. Duddy
Commander,
Aberjona Post, 3719,
Veterans of Foreign Wars

OUR ANNUAL FROM WILLOUGHBY

Editor of the Star:
To you and your Staff, A Happy and Prosperous New Year.
We look forward to a Wednesday, the arrival of the Star with its news of friends and the ever changing complexion of our town.

From the radio and newspapers we San Franciscans think we should go East to get into a little warm weather.

Enclosed please find my check

for my renewal for the Star for 1950.

Sincerely yours,
Stanley W. Mobbs
578 Forty-eighth Ave.,
San Francisco 21, Cal.
Ed. Note: It's nice to have your check, "Willoughby," but couldn't you find some crack to make about your ex-President R. P. Teale?

NOT A CANDIDATE

Editor of the Star:
May I have space in your paper to state that I am not a candidate for election to the Board of Selectmen. This statement seems necessary in view of the fact that nomination papers in my name have been in circulation.

Thanking you for your courtesy in this matter,
Very truly yours,
Bernard F. Callahan
89 Church street

COMMITTEE TO STUDY EXTRA-CURRICULAR PAY

At its meeting Monday evening the School Committee, after listening to Edward A. Bartlett and John D. Stevens of the high school faculty, agreed to the formation of a committee to study the matter of compensation for teachers doing extra-curricular work. One member of the committee is to be a member of the School Committee, chosen by the Committee. Daniel T. Chane, Jr., is this member.

Other committee members will be chosen by the teachers from their group. The matter of pay for teachers doing extra-curricular work, has from the teachers' angle at least, been the subject of dissatisfaction for some time. It came to a head several weeks ago when the School Committee announced that no increases would be granted, but that assistants would be hired in certain of the athletic fields. It is understood that the Superintendent of Schools had recommended increases for some of the teachers doing extra-curricular work, on a merit basis. The School Committee, however, turned down all raises for extra work, which some of the teachers feel works an especial hardship in their particular cases. It was primarily to present their individual arguments to the Board that Messrs. Bartlett and Stevens appeared before the School Committee Monday evening.

COMMITTEE STUDYING FIRE HOUSE NEED

Former Selectman Morris B. Kerr, who is chairman of the committee appointed at the last regular town meeting to study the necessity for a fire station on the west side of the railroad tracks and to suggest a site for such a station, reports that his group has been working diligently on the matter and expects to report through the Star before the coming town meeting in March.

The committee comprises besides Mr. Kerr, Kenneth P. Pond, Vincent Farnsworth, Jr., John J. Gorman and J. Joseph Tansey. Mr. Farnsworth is a member of the Board of Selectmen and Mr. Tansey is a member of the Finance Committee. Mr. Pond is a former Selectman and Mr. Gorman, formerly chief of the Fire Department.

WINCHESTER SLEIGHT ON RAINFALL

According to figures to be released by the State Department of Public Health, Winchester received the smallest rainfall during the month of December of any place in Massachusetts.

Winchester's rainfall was 2.294 or 1.17 inch below normal. The highest rainfall was at Tisbury on Martha's Vineyard, where 3.82 inches fell during the month.

FINAL REPORT OF THE BUILDING COMMITTEE FOR THE LEWIS PARKHURST SCHOOL

This Committee, originally appointed in 1946 and then known as the Andrews Hill School Building Committee, hereby makes its final report and an accounting of the funds appropriated for the erection of a school now known as the Lewis Parkhurst School.

The project was completed in June, 1949, and the building turned over to the School Department for operation and maintenance.

In 1946 the Town appropriated \$50,000.00 and authorized us to procure preliminary plans and estimates for the construction of this school. At a special town meeting in 1947 the further sum of \$10,750.00 was appropriated for the purpose of obtaining complete working drawings and firm bids for the construction of said school. At the Annual Town Meeting of 1947, the Town appropriated \$30,000.00 and authorized us to proceed with the construction of this school.

The total amount of money appropriated was, therefore, \$85,750.00. Expenditures made under this appropriation have been as follows:

Architects and Engineers
Fees \$23,211.05
Clearing and grading of lot,
John McLeod Co. 19,910.00
Construction of School, Franklin Construction Co. 305,407.00
Furniture and equipment 6,065.16
Insurance 301.00
Miscellaneous 828.00

Total \$355,732.21
The difference between the appropriation of \$85,750.00 and \$355,732.21 expenditures to be turned back to the Town of Winchester is \$17,700.

The Committee having completed its work will request its discharge at the Annual Town Meeting.

Signed:
Daniel F. Barnard, Chairman
Walter A. Redding, Secretary
Alvin A. Littlefield
Emily H. Marks
William J. Speers, School Committee Member

KING PINS DEFEAT K. OF C.

Captained by Tom Preston, the King Pins went on to defeat the highly favored Knights of Columbus in the Second Round Championship last Tuesday night at the Winchester Sport Center. Bruce Bourinot led the bowlers with a three string total of 317. Tom Preston and John Nash tied for second with a total of 307. Sam Bellino was third with 305.

DOG CAUSED CRASH

A woman and her two year old daughter were injured and the automobile in which they were riding was disabled Saturday evening shortly after 8 o'clock when the driver of another car swerved his machine sharply to avoid striking a boxer dog that ran into Cambridge street near Glen road.

Edmond Loughlin of 72 Bennett street, Wakefield, told the Police he was driving his Oldsmobile sedan south on Cambridge street when the dog suddenly ran into the path of his machine. He swerved his car sharply to the left to avoid the dog and stopped.

Behind his machine, headed in the same direction, was a Buick sedan, owned and driven by Lloyd G. Smiley of 136 N. 10th street, Patterson, N. J. Smiley told the Police he was unable to stop his machine in time to avoid striking the Olds.

Riding with Smiley were his wife, Margaret, and their daughter, Katherine. The latter was injured about the head and Mrs. Smiley complained of injuries to both knees. Loughlin took the Smileys to their family physician in Cambridge. The Buick had to be towed away.

NO SCHOOL WEDNESDAY

The Star received so many queries about the no school signs being sounded Wednesday that we called the office of the Superintendent of Schools and were told there that school was called off because at 7:10 in the morning driving conditions were reported as bad and the forecast predicted sleet and freezing later in the day.

The second round of whistles was due to the fact that many parents did not understand that a no school signal at 7:30 means no school for all day. Fire Headquarters and the Police Station were flooded with phone calls, and after learning of this fact, the Superintendent of Schools ordered the whistles blown again in the afternoon.

A CHECKING ACCOUNT HERE HELPS IDENTIFY YOU

Your checking account at this bank helps to identify you as a person of sound business judgment. In addition, you have a connection with a friendly "home-town" bank that is always ready to assist you in any financial matter.

It's sensible and businesslike to pay bills the modern way — by check. Your checkbook provides a record of payments made and your cancelled checks are valid receipts.

So, why not obtain extra protection, prestige, and convenience by keeping your account in this "home-town" bank? Remember, this bank is a member of the Federal Deposit Insurance Corporation, an agency of the United States Government, which insures the checking and savings accounts of each of our depositors up to \$5,000.

ATTENTION WINCHESTER SKATERS

Although the winter has so far been a mild one, plans by the Recreation Commission for supervised skating in Winchester are ready to swing into action whenever weather permits.

When there is ice Winter Pond will be posted with signs. Please keep off the ice at all times when it is marked Unsafe. The ice will be supervised when the sign "Skating Today" is in evidence. Hockey players are asked to confine their games to that section of the ice so marked, and those not playing

hockey are requested to skate outside the hockey area. When the skating is good, the pond will be lighted at night.

Please do not throw, or permit rocks to be thrown on the ice to test it. This spoils the skating for everyone. Instead, read the signs. They will tell you whether you may skate or not.

If the weather turns cold and there is heavy snow there should still be skating available. It is the intention of the Recreation Committee to clear Winter Pond of snow whenever the ice is thick enough to bear the weight of heavy equipment.

Fade THOSE WEATHERED BROWN SPOTS

New Kind of Hand Cream Specially Made to do it!

ESOTERICA is that marvelous new kind of hand cream for fading those brown spots that make your hands look old. Also fades other surface blemishes and roughness in a way no ordinary hand cream or lotion can.

Leaves hands whiter, clearer, younger looking quickly—often within the first few days.

While ESOTERICA looks and feels like the finest non-greasy vanishing hand cream, it has an added clearing action.

Produced in a laboratory that has studied the effect of cosmetics on skin pigments for 25 years.

Thousands gladly paid \$5.00 for ESOTERICA.

Now in quantity production, it can be sold for \$1.50, plus tax. If you want clearer, whiter-looking hands, get ESOTERICA. Money back if the first jar does not bring desired results.

Cleans and Softens Your Skin

BETTER than soap!
BETTER! than cream!

New WONDRA

Foam-Wash Facial Cream

BY PROCTER & GAMBLE

Wondra takes the place of soap; takes the place of creams. No other product is needed for daily skin cleansing.

Wondra contains a newly discovered foam-wash ingredient—not a soap—not a synthetic detergent. This discovery makes it possible to rid skin of hard-to-remove make-up more easily and quickly than soap; to soften skin more effectively than creams.

WINCHESTER DISTRICT NURSING ASSOCIATION

Total Admissions Dec. 1949 54
Total year 1949 622
Visits to patients, Dec. 1949 107
Visits for year 1949 1,312

The last meeting of the board of the Winchester District Nursing Association for 1949-1950 was held last Friday morning in the General Committee Room, Town Hall, with the retiring president, Mrs. Vincent Farnsworth, Jr., presiding. After the reports of standing committees and the very interesting report from the director, Mrs. Anne Lord, the board members expressed themselves in warm tribute to Mrs. Farnsworth for her splendid job these past months in taking over the presidency post left vacant through the resignation of Mrs. Donald Powers.

Because the meeting was the final one of the current year, with election of new officers and board members coming on Friday, January 27th, this particular session was highlighted by an unusual report from the treasurer, Mrs. William Spaulding, who compared the 1948 and the 1949 budgets of the Association, and showed minutely how the Association got its funds, how it spent them; how the unforeseen addition of a third nurse and various supply nurses in 1949 boosted the budget beyond the expectations of the finance committee, and how those expenses were met by the Association. A third nurse, added to the Winchester District Nursing Staff because of her need in this community, also added to the cost of supplies, bandage, car and such. Mrs. Spaulding pointed out, yet the 25% more calls she handles the staff to take care of help to meet these needs.

Local Residents Know

That hospital beds for patients in the home may be rented at a very low cost per month from the District Nursing Association? Or that wheel chairs, crutches, bed pads and many other sick room needs may be borrowed from the organization? The nurses also have access to many other sick room necessities, such as an oxygen tank, gages, nebulizer and other items, which they can secure from their own fund.

A grant of \$1,000.00 has been donated to WDNA for the purchase of a new Executive Director's car to assist in placing them where needed.

Mrs. Lord's monthly report to the board of the calls and types of visits the nurses made during December showed that while cases in November and December of 1949 were not as heavy as in the same period 1948, it was an extremely busy time with the nurses working many Saturdays and Sundays to take care of the calls.

Two important changes in the Association's by-laws were read to the board for their information. To be voted upon at the Annual Meeting on January 27th. The changes will affect the publicity committee and the public relations committee, and an advisory committee (to be larger). Mrs. Farnsworth, Spaulding, Mrs. Ben R. Foster, and Mrs. G. W. Foster, honor served on this committee in charge of revision of the by-laws, with the advice and assistance of Mr. A. W. Bond of the Advisory Committee.

Mrs. William Spaulding will open her home at 472 Main street for the Association's annual meeting Friday, January 27th, when Dr. Marian W. Ropes, noted physician, will speak on "Arthritis." Members, guests and the interested public are invited, and further information will appear in the Star next week.

MILKADO REHEARSALS AT WYMAN SCHOOL
Commencing next Monday evening at 7:45 o'clock, rehearsals for the Winchester Staff and Key Society's production of "The Milkado" will be held each Monday and Wednesday evening at the Wyman School on Church street.

Officers of the organization are anxious to obtain more male and female voices for the chorus, and those who have a yen to sing with a successful light opera company are invited to next Monday night's rehearsal. L. Hassler, Elmzig is directing the production which will be presented March 17 and 18 at the High School auditorium.

For those who prefer to work behind the scenes of the production there are a number of jobs, such as committee work, staging, and costuming. Such persons, too, are invited to attend the rehearsal.

ATTENDING STYLE SCHOOL IN NEW YORK
Mrs. Ralph Marchessault of Swanton street, popular Winchester corsaire, has been attending the sessions of Camp's Surgical Corset School at the Hotel McAlpine in New York City this week.

Mrs. Marchessault is the wife of the owner of the new Winchester Bowldrome. She has her own business and her trip to New York is for the purpose of studying the newest styles and methods of correctly fitting foundation garments to provide her wearers with proper support and the best possible style.

GIRL SCOUTS

First of all, we should like to congratulate the Veterans of Foreign Wars on their very nice open house Sunday. Their new home is most attractive, and we Girl Scouters got quite a thrill knowing that our own former cabin was a nucleus of such a pleasant place. If we hadn't known it, we wouldn't have guessed it very nice going!

And speaking of cabins, the Camp Committee, in its entirety met Sunday afternoon at our own Cabin. The staff side was represented by: Mrs. George Cary, Mrs. M. E. McCreery, Mrs. Francis Parsons, Mrs. Lawrence Dillin, Mrs. George Mackenzie, Mrs. Burton Miller, and our Executive Director, B. R. A. Metcalf. There to give central and support were: Max McCreery, George Mackenzie, Phil Woodward, A. Elliott, Charley Murphy and Jim McElroy. We approved their taking time to advise us in the necessities for finishing the Cabin and its maintenance.

We were impressed with the new space heater. It is so much larger than we anticipated... and joy, oh joy! It heats the large room too! It was tested today... and we know.

Watch for news from Claire Curtis (Service Committee) and Olive Miller (Dilettante Low Chairman). Their heads have been seen quite close together... and lips have been moving... and things are quite lively to hear about soon. They are all agreed about the Friendship Bazaar for the children in Europe sister Scouts and Guides! So on to the 26th.

Dates to be noted: January 23, Senior Planning Board, at the Girl Scout Office... to plan the ski trip to Waterville, Vt. Relations Committee at 10 A. M. at the Office on the 24th. On the 24th, the Program Committee meets at the office. And last but not least, the Finance Committee will meet at the Office at 7:30 the evening of the 26th.

If you don't need to remind you to call your troop Committee chairman and have her persuade the entire troop committee and the entire troop to attend the association meeting at the Library on January 25th at 7:45 P. M., do we? 2? 2? Huhmm?

FORUM ENJOYED ROLLER SKATING PARTY
Fifty young people of the Senior Forum of the First Congregational Church and their adult advisors met at the church at 7:30 p. m. last Friday night, and then adjourned to the Belmont roller rink. Some of the Forumites rented shoe skates while others used the regular clamp style skates. The rink was crowded. The floor came up to meet the spots on some of the amateurs at the rink.

Near the end of the evening a Conga was played. Many of the regular every-Friday-a-d-Saturday-night people joined in the fun while the Forum group sat and watched with jealousy in every eye. Then a group of them got a little bit of courage up and formed a line. They skated gracefully out on to the floor just in time for the last five or six bars of the music. The party ended at 11:00 p. m. when they closed. Everybody had a swell time and hopes that there will be another such excursion sometime this winter.

WYMAN SCHOOL NOTES
Under the auspices of Boston University, a group of eighteen boys and girls from Wyman School will enjoy the supervised program of winter camping at Sargent Camp in Peterborough, New Hampshire.

As a culmination of their study of Indians, Mrs. Myrtle Dodge, third graders gave an assembly at which they sang Indian songs and told Indian stories.

Miss Virginia French is giving a lecture illustrated with slides on art work in the elementary grades. Her talk, which will be given at two o'clock today in the Wyman School auditorium, is for all parents and teachers who are interested.

The pupils are eagerly awaiting the development and return of their pictures which were taken in school last Tuesday, January 17.

FORUM CHAPEL SERVICE SUNDAY
The Senior Forum will meet in Ripley Chapel Sunday morning at 9:30 a. m. when they will conclude their current discussions on "Choosing a Life Work, Boy and Girl Friendships, and Personal Habits. Each discussion group leader will make a report to the whole assembly on the findings of their group. The chapel service will be led by Bob Burnham as chaplain. Ushers will be Neil Muncester and David Keniston. Deacons will be Bob Gaffney and Danny Blanchard.

JUDGE EMMA FALL SCHOFIELD TO ADDRESS WOMEN'S ASSOCIATION

The Women's Association of the First Congregational Church will meet in the Parish Hall on Tuesday, January 24, at 2:00 P. M. The Social Service Guild, under the chairmanship of Mrs. John Allen, will be the hostess. Mrs. Robinson Whitten and Mrs. Robert M. Keeney will serve as pourers at the tea which follows the meeting. Mrs. Clarence K. Wickerson will preside at the meeting and Mrs. Walter W. Winslip will lead the devotionals. The speaker will be Judge Emma Fall Schofield, Associate Justice of the First District Court of Eastern Middlesex.

Judge Schofield, the first woman to sit on the bench in New England, comes naturally by the law. Her parents were both lawyers and practiced together for nearly four decades. After years of private practice, Judge Schofield was appointed as a Commissioner on the Massachusetts Industrial Accident Board and later as Assistant Attorney General of Massachusetts, being the first woman in Massachusetts to fill each of these positions.

Judge Schofield, a past vice-president of the National Association of Women Lawyers, is past president of the Professional Women's Club of Boston, Past President of the Business and Professional Women's Club of Boston, Past President of the Business and Professional Women's Republican Club of Massachusetts, of the Boston Zonta Club, of the Massachusetts Association of Women Lawyers, of the Malden Union Women's Christian Association and of other organizations. She is a trustee of Boston University, a former Presidential Elector, and a former Counselor for Women at the Northeastern University Law School.

For four years she served in the Malden City Government and was elected for two three-year terms to its School Board.

Judge Schofield is a widow; she has two sons and three grandchildren. Her elder son was born in South Africa and had traveled twice around the world with his parents before he was three. With a background of adventure and unusual experiences, Judge Schofield is exceptionally well able to impart her zest for living to her audiences. Her subject on Tuesday afternoon will be "The Art of Living Together."

Guests are cordially invited.

Mr. and Mrs. Bertram H. Dube (Priscilla Parsons) of Indian Hill road are the parents of a third daughter, Nancy, born January 14 at the Winchester Hospital. Grandparent honors are shared by Dr. and Mrs. Harry S. Parsons of 73 Bacon street and Mr. A. A. Dube of Fort Lauderdale, Florida.

BROTHERHOOD TO HEAR REV. SNOOK
The Men's Brotherhood of the First Baptist Church will have the privilege of hearing Rev. John Snook, Jr., Pastor of the Crawford Memorial Methodist Church, during their regular Sunday morning meeting, 9:30 o'clock, Jan. 22nd. Mr. Donald R. MacArthur, President of the Brotherhood, extends a cordial invitation to all men. The Brotherhood meets at the Social Hall of the church.

INTERMEDIATE FUN-NITE
Tonight, Friday, January 20th, from 7:30 to 10 o'clock, is the time for the Intermediate Fun-Nite at the First Baptist Church. Couch Mearns will be there to help with the sports and square dancing. Refreshments! All young people of the Intermediate group are urged to come and join in the fun.

NEW ENGLAND... the PLACE TO LIVE AND WORK

ARE YOU SANDRA OR ANN?

(Winchester Hospital is announcing this week that only two callers per patient are permitted at any one time. The following story of the right kind and the wrong kind of hospital visitor is made timely by this announcement. It is written by Ida Padelford and is reprinted by permission from the magazine Hygieia. The Winchester Hospital Administration expresses the hope that all future callers will be like Ann in the story, and none of them like Sandra.)

Sandra burst into Peg's room at the hospital at lunch time. Bubbling with enthusiasm she rushed to the bed, lumping it as she kissed her friend on the cheek. Thoughtlessly she dropped the package from her arms onto Peg's cast-bound leg suspended at an angle by large weights. A flicker of pain came and went, but Sandra didn't notice.

"Oh, I have the funniest joke to tell you, Peg," she exclaimed, her voice bounding against the walls

and up to the ceiling. She jarred the bed with wild gestures and screamed hilariously at her story. "Sit down, won't you, Sandra?" Peg invited quietly.

"You don't laugh," Sandra protested, putting as she dragged the chair around. "That leg hasn't affected your brain, I hope." She laughed loudly. "Heavens, I nearly forgot, I brought you a book, a whole library." She bounced up, hit the bed again and untied the package.

"My soul, I'll need a derrick to hold it," Peg teased. However, she was in earnest, for the book seemed as heavy as an unabridged dictionary.

"It's juicy. It will keep you simply in stitches," Sandra declared, lighting a cigarette and blowing out a smoke screen with terrific relief. Then she began her gossip sheet, rushing on and on turbulently, carelessly and destructively. Peg finally became too tired to stand any more and, choked by the stale smoke, rang for her nurse.

"Oh, hello, nurse," Sandra said, "your patient looks as if she'll run right out of here if you don't watch her."

"She's a fine patient," the nurse said, opening the window.

"I need the bedpan," Peg said, wearily. "Do you mind going outside, Sandra?"

"Perhaps you had better come back another day," the nurse suggested. "Visitors aren't allowed to stay more than 10 minutes."

"My soul, I forgot," Sandra gasped, jumping up as if she had heard a shot. "Heavens, I have been here an hour."

She gathered her bundles together, fixed her hair in the mirror. "Well, Peg, bye now, I'll see you tomorrow." She kissed her on the cheek and flew out the door.

The nurse looked carefully at her patient, at the tray with the unfinished luncheon. She shook her head. For two hours Peg slept in a quiet, low voice, and when the nurse took her temperature she found it a degree higher.

Then there was a light tap on the door. The nurse opened it, and someone whispered. "Is she awake?"

"Who is that?" Peg asked.

"Hello," said a tall, fair-haired girl. "Ann, do come in. It's good to see you."

While they chatted, Ann unwrapped a small package she held with great care. She raised it up for Peg to see.

"Fancies! What an adorable bouquet and vase. Look at those cute faces. Bring them closer. Here, put them on my table, won't you?"

Peg's eyes lighted up with joy. "How do you know just the right thing to bring, Ann? Those heavy-scented, huge bouquets simply overwhelm me."

"You don't have to leave them in the room, Peg," Ann said. "Have the nurse put them outside the door. Your friends will understand. What a gray basket of fruit," she noted, purposely changing the subject. "Um - that pineapple smells heavenly."

"John brought that. He's such a darling, always looking around to see what I need, or finding out somehow what I want."

"He is so thoughtful, Peg."

"It's hard on him having me here like this, and I'll never be able to dance again or hike as we used to do, or play tennis."

"Phooey, you'll do more than you dream right now. John says he's getting too old for all that anyway. I saw him in town today."

Ann looked thoughtfully out the window. "There is a regular school of little white clouds up there exactly like fish swimming through the blue. It's a glorious balm day, Peg, with a touch of spring in it." For a moment there was a peaceful happiness of silence between them, and then Ann went on.

"Every year a mockingbird comes back to the pear tree near my window and wakes up in the darkness and sings and sings until I can almost feel his throat throb. I lie there and grin and wonder where on earth he has been spending the winter. Really, the things he mimics - and the people!"

"Doesn't he sing on moonlight nights?" Peg asked.

"No, only in the darkness," Peg mused, partly to herself. "Yes, it will be wonderful to have spring again, perennials, and the garden to plant and windowboxes."

"I saw a movie yesterday set in the Alps in springtime," Ann said in a quiet, low voice, and went on to recall its scenes of joy and color. She spoke of the music of Grieg played as a background of the loveliness of life and nature. As she sat speaking she tried to become utterly selfless. She saw Peg, pale but lovely, thin and exquisite, the light in her violet eyes one of beautiful courage.

Gently and tenderly, feeling close to her friend, Ann said as she stood up, "I have to go Peg, but I'll be back."

"You make me feel so much better, Ann. Somehow you seem to know exactly what to do when a person doesn't feel well. I feel strangely quiet and peaceful."

"I feel better for coming, Peg. You know, I was ill for a long time. I know what it is like," she blew a kiss from her smiling lips and tiptoed out the door.

A half-hour later the nurse found that her patient's temperature was normal. Once more she shook her head, but this time in surprise. Strange things can happen in a hospital room, she reminded herself, as she went down the hall.

Mrs. Mary Chambers Pooler of Woburn, who collapsed with a heart attack while shopping in Woburn Center last Saturday and died Monday morning, was known in Winchester, having formerly been employed here at the Winchester Laundry. She was 46 years old. She leaves her husband, a son, and a sister.

Winchester BOY SCOUT News

SCOUTING AT A NEW HIGH!

Winchester Scout Headquarters, their latest bulletin to Unit Leaders say: "Our new are requirements have certainly done a tremendous job in disturbing the equilibrium of many of us. We hope that at this time you are steady through and your unit is once again on a level keel. Our membership is at an all time high. This is certainly a fine situation and we hope all parents will give this thought if their boy is not a scout."

Troop 12 News

Scouts Tom Gallagher, Senior Patrol Leader who incidentally reports on troop activities; Bobby Thorne, also a Senior Patrol Leader; and Laurence Erhard made a pilgrimage to The Jesuit Retreat House, "Campion Hall" in North Andover, on Saturday, January 14, to fulfill the final requirement in the attaining of the "Ad Altare Dei" award, which his excellency Archbishop Richard J. Cushing awards each year to Catholic scouts in the Cathedral in Boston. These scouts will be the first to attain this award from Winchester, since Troop 12 of St. Mary's church is only two years old.

The boys rode by car part of the way and finished the journey on foot, enjoying the fine scenery which surrounds the Retreat House, nestled in the hills and on the shore of a beautiful lake called Lake Cochewick. The boys toured the grounds of the estate, which at one time was the property of a wealthy merchant. The buildings are finished in old English style, symbolic of the early English landowner. The property is vast and there were many beautiful shrines to view. Many photos were snapped and the scouts enjoyed the trip immensely.

At the Board of Review held on Monday at the Legion Building on Vine street, Laurence Erhard passed his First Class tests and attained his first merit badge on January 6, the following boys received achievement awards:

Robert Boone, David Ambrose, Daniel Adams, Paul Connor, and John Forward. Wolf, Lyman Hewins, Wolf Gold and Wolf Silver; Stevenson Davies, Wolf Silver; Daniel O'Connell, Wolf Silver; Arthur Wood, Wolf Silver; John Nichols, Robert Kugler, Harry Preble, George Wilkinson, John Foster, and John Preston, Bear; Bradley Ross, Bear Gold and Bear Silver; Roger Symmes, Bear Gold and Bear Silver; and David Pinney, Lion.

Mr. William Davies, who is conducting a ski class for the Pack, showed three films, two of which were about skiing.

On Saturday, December 31, Mr.

Music. At the Troop's weekly meeting on Thursday he was appointed a Patrol Leader, the Troop now having three patrols instead of two. The scouts found out that the Committee Vanged donated the ice cream for the recent Scout Christmas party, so he was surprised at the next meeting by a rousing set of cheers from the scouts. Mr. McDougall, chairman of the Committee, is to be chairman of the year for the forthcoming C. Y. O. Minstrel Show and several Scouts are to be selected to help him.

Note: Some Units are still busily in reporting their news!

Scouting Pays in Many Ways
After a little more than a quarter of a century it is found today that half of the boys in senior high schools have had Scouting experience and hold most of the student elective offices. From 49 to 91 percent of the student bodies of leading universities in this immediate pre-war period were former scouts. The average must be higher, by far, now. More than 65% of the Rhodes Scholars were once Boy Scouts. Scouts, according to official recognition, have in 1700 instances saved lives mainly through skills learned in Scouting.

Pack 6 News
The boys rode by car part of the way and finished the journey on foot, enjoying the fine scenery which surrounds the Retreat House, nestled in the hills and on the shore of a beautiful lake called Lake Cochewick. The boys toured the grounds of the estate, which at one time was the property of a wealthy merchant. The buildings are finished in old English style, symbolic of the early English landowner. The property is vast and there were many beautiful shrines to view. Many photos were snapped and the scouts enjoyed the trip immensely.

At the Board of Review held on Monday at the Legion Building on Vine street, Laurence Erhard passed his First Class tests and attained his first merit badge on January 6, the following boys received achievement awards:

Robert Boone, David Ambrose, Daniel Adams, Paul Connor, and John Forward. Wolf, Lyman Hewins, Wolf Gold and Wolf Silver; Stevenson Davies, Wolf Silver; Daniel O'Connell, Wolf Silver; Arthur Wood, Wolf Silver; John Nichols, Robert Kugler, Harry Preble, George Wilkinson, John Foster, and John Preston, Bear; Bradley Ross, Bear Gold and Bear Silver; Roger Symmes, Bear Gold and Bear Silver; and David Pinney, Lion.

Mr. William Davies, who is conducting a ski class for the Pack, showed three films, two of which were about skiing.

On Saturday, December 31, Mr.

Melvin Sears and Mr. Earle Littleton took Den 2 to the Carl Moore show. After the show the group went to see the transmitting station in Medford and topped the morning with hot chocolate at Brigham's.

Also during the vacation Mrs. Aldrich Forward and Mrs. Allen Adams took Dens 3, 4 and 6 on a visit to the Modene Paint Plant. The highlight of the trip was that each boy received a can of paint and a brush. Mr. Allen Adams is general manager of the plant and is also Den Father for Den 6. Mrs. H. Preble and Mrs. Kenneth Brown, Den Mothers of Dens 3 and 4 went with the group.

Pack 6 is calling this month Historical Winchester Month and Miss Corinne Mead, librarian will take Dens 3, 4 and 5 into the Historical Room at the library on January 19th and address them on the tercentenary celebration coming this year. Dens 1, 2 and 6 will attend on January 29th for the same address. The cubs will be advised on what books to refer to concerning the tercentenary program.

REVOLVER INSTRUCTION

Police Chief Charles J. Harold announces that Winchester boys, over 18, interested in learning to shoot a revolver properly, may secure such instruction at the range in the basement of the Star Building weekly on Thursday evenings. Entrance to the range is on Park street beside the Thrift Shop.

Instruction which commences at 7:30 is under Police Department supervision and is given by members of the Auxiliary Police under the direction of "Chief" Bob Johnston.

CYO SHOW ON WAY!

At a preparatory meeting held at St. Mary's School on Tuesday evening, January 10th, the preliminary planning machinery was set in motion for the 4th annual production for the benefit of the C. Y. O. which this year will be in the form of an Old Fashioned Minstrel Show. The following attended this meeting: Rev. Fr. Francis O'Neill, C. Y. O. director; Mr. Frank P. Hurley, general chairman; Mrs. Vincent F. Erhard, show director; Mrs. Leo V. Manoli, ticket chairman; Mrs. Leo V. Manoli, Weater and Mrs. John Loomy, co-chairmen, refreshment committee; Mrs. B. Robert Finn, ticket committee; Mr. Albert McDougall, chairman of ushers, and Mr. Vincent F. Erhard, publicity chairman.

Chairmen of other departments will be announced later with the exception of the following appointments which have already been made: Mr. Michael Connolly, stage manager; Mr. Philip Gange, lighting technician; Miss Patricia McElroy, makeup and costumes.

The Children's Show will take place on Saturday, February 18, at 2:00 p. m., and the adult show comes the following Monday evening at 8:00 p. m. This year the Town Hall is the place for the show and a sell-out has been predicted, so successful have the previous shows been. This year's cast includes many groupings, drawn from the Knights of Columbus, Holy Name Society, young men and girls attending college and others, while the Sodality is represented in the persons of many of the ladies in charge or assisting the various individual departments of the show.

The efforts of the C. Y. O. members, the Boy Scouts, Cub Scouts, Girl Scouts, Brownie Scouts, boys baseball, girls softball, boys and girls basketball, discussion groups, and dramatic group, will be augmented by The Holy Name Society and Sodality in the sale of tickets under the chairmanship of Mrs. Leo V. Manoli.

Donald H. Warren of 2 Greeley road, a student at the School of Practical Art, Boston, has entered the 1950 Jolene Design Competition for fabric and wallpaper design, sponsored by Jolene of New York, manufacturers and distributors of decorative fabrics and wallpapers.

FORTNIGHTLY NEWS

On Monday, January 23rd, at 1:00 p. m. at Masonic Hall the Fortnightly takes great pleasure in bringing once again to its members Mrs. Marion T. Rudkin. She has chosen for her topic "The Best Books of the Day."

Mrs. Rudkin needs no introduction to Fortnightly members. Her pleasing and dramatic manner of speaking, her charming personality, and her outstanding ability as a book reviewer are well known to all. Fortnightly members are urged not to miss this program as Mrs. Rudkin's book reviews are always most interesting and enjoyable.

The hostesses for the day will be Mrs. Arthur Haines and Mrs. Amasa Harrington. Dessert will be served immediately preceding the meeting.

Department of Club Institute

A Department of Club Institute will be held from 10:30 A. M. to 12:30 P. M. on Thursday, February 2nd at the Y. W. C. A. in Boston. It is earnestly hoped that many members will plan to attend the February Club Institute as those from the club who have gone to previous meetings have found them most interesting and informative.

HIGH SCHOOL PARENTS AND FACULTY ASSOCIATION

On Tuesday, February 7, at 8 o'clock P. M. in the High School Auditorium Professor James A. Wylie, author of many articles on the family and its recreation, will speak on "Educating the Family for Leisure." Dr. Wylie, who has been a member of the faculty of the department of education of Boston University since 1931, has spent most of his life on recreation, summer camps, Y. M. C. A., and Boys' Clubs, but it was when he left to join the Navy that he realized the importance of a recreation program involving the whole family. As pointed out in an August issue of "Newsweek," when, after his departure, his son became nervous and irritable, "Wylie realized that the main reason for his son's problems was the collapse of the domestic recreational program." He decided that he would write his Ph. D. thesis on the problems involved in such a program. He is past chairman of the Community Recreation committee for the American Association for Health, Physical Education, and Recreation. His present post with that organization is chairman of the Camping Section.

He is at present editing a special issue of the magazine "Education" to appear later this year, which will be entirely devoted to the subject "Education for Leisure."

The Junior High School Associates and the High School Parents and Faculty Association, jointly sponsoring this talk, wish to emphasize that this subject should be of intense interest to parents of children of all ages, and cordially invite them to attend.

MASSACHUSETTS SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS, INC.

The Massachusetts Society of Certified Public Accountants, Inc., announces that a special Forum Meeting will be held on Saturday morning, January 21, 1950, at the Parker House, Boston at 10 a. m. "The Fundamentals of Statutory Renegotiation Under the Appropriations Act of 1949," is the subject to be discussed.

The meeting will be addressed, the discussion conducted and questions answered by Mr. Frank L. Roberts, of Washington, D. C., Chairman of the Three-Member Military Renegotiation Policy and Review Board.

Attending this meeting from Winchester and surrounding localities are:

James B. Willing, Secretary of the Society
Clinton W. Bennett
Harvard L. Mann
Edward J. McDevitt
E. Ober Pride
Andrew B. Fielding
Arthur W. Yardley
Frederick L. Patton.

**Power shortage in New England?
NONSENSE!**

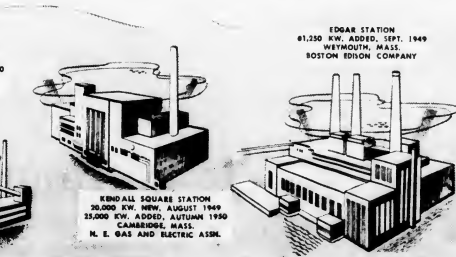

This very week two great new electric stations with a total capacity of 85,000 kilowatts have come into service at Portsmouth, N. H. and West Springfield, Mass.

And by next autumn, the number of new generating units added to New England's electric resources since last summer will have grown to eight—with a total of 352,250 kilowatts. Every bit of this electric power is available throughout New England over a modern network of interconnecting transmission lines.

There is no shortage of electric power here. New England's electric power needs are being taken care of by the energy and vision of self-supporting electric companies—not only for today and tomorrow but far into the future as still more new plants take their place in the service of New England homes, commerce and industry.

MELROSE EDGES

Winchester High suffered their first Middlesex League defeat of the season as they were edged 37-36 by Melrose High at Melrose on Tuesday afternoon. It was a heart-breaking defeat for the locals as they had displayed their best brand of basketball of the season in the first half to take a 27-17 lead. In the last half, however, the ball just would not fall through the hoop for the Red and Black as shots after shot rolled around the rim and fell out instead of into the basket.

The action in the first period was the best of the game. Winchester

the end of the first quarter. The locals continued to roll in the second period to build up a 27-17 lead at the half. The tables were reversed in the third quarter as the locals could not find the hoop and Melrose staged an aggressive drive to trail by only one point, 30-29, as the quarter ended. The final period was a thriller as it was nip and tuck all the way but Melrose got the extra basket to win by a point.

It was a tough one for the Red and Black to lose for Lady Luck simply deserted them completely.

pass for a modest "hazing" party in the second half of the century would not need to fall through the hoop for them while even the crazy shots that Melrose threw up would swish through the net. Walter Murphy was the higher scorer for the game and was immense off the backboards against the big Melrose five. Jack Costello turned in a fine performance for the locals as well and almost pulled out the game for Winchester when he put up a shot in the final seconds that could just as well have gone in and won the game for the Red and Black.

WINCHESTER TO PLAY BELMONT TONIGHT

Winchester High plays Belmont High at home tonight in the feature attraction of the year. The teams are tied for first place in the Middlesex League and a victory tonight is a must for each team. Both of the teams have played every other team in the league and have shown enough class to indicate that the league championship will be decided on what they do against each other. This should be scholarly basketball at its choicest and most exciting best. Needless to say, the gym will be crowded to capacity and Winchester fans are urged to be there early as the Belmont followers will be present in large numbers.

The locals play two more important home games in the Middlesex League next week, meeting Wakefield High on Tuesday afternoon and Lexington High next Friday night. Winchester won a thriller from Wakefield by one point, 36-35, earlier this year and will have to beat their best to repeat. Lexington will be equally as tough for although the locals defeated them 37-31 earlier, the Minutemen have shown considerable improvement and are tied for third place in the league. These three games will pretty well determine Winchester's fate in this year's league race.

League Standing

Winchester	5	1
Belmont	5	1

WHY DOES BILLY GRAHAM'S MESSAGE ATTRACT

The Rev. John Smook, Jr., of the Woburn Memorial Methodist Church will discuss the meaning and purpose of Evangelism in our 20th century and the place of such preaching as thousands have listened to in the pulpit expounding of Billy Graham, the most talked about Evangelist of our day.

Rev. Smook is president of the Board of Evangelism of the New England Conference of the Methodist Church.

POWER AND AMICO CHOSEN

John Power, Athletic Association president at Winchester High School, and Paul Amico, outstanding fullback and captain of the 1949 football team, were nominated Representative to the Student section of the Massachusetts General Court and Senator at an election held on Friday, January 13, designated Good Government Day by Governor Paul A. Dever.

SULLIVAN FIRM OPENS NEW QUARTERS

Clients and other leaders of business, banking, and civic circles turned out 300 strong last night to inspect the new and greatly enlarged facilities of the Daniel F. Sullivan Co., reported to be New England's finest equipped advertising agency. Formerly located in the Statler Building, the Sullivan agency now occupies the entire ninth floor of the Union Savings Bank Building at 216 Tremont street, Boston, formerly the offices of the city of radio station WOLK. The agency's new suite has been completely remodeled and redecorated to insure smooth operation of all departments.

The Sullivan staff includes experienced specialists in all phases of advertising, merchandising, promotion and public relations, and every convenience has been provided to aid them in the production of successful advertising. A full range of agency services is offered, from research through planning and production for all types of media, including television.

Daniel F. Sullivan, with 35 years experience in the meaning and purpose of Evangelism in our 20th century and the place of such preaching as thousands have listened to in the pulpit expounding of Billy Graham, the most talked about Evangelist of our day.

Rev. Smook is president of the Board of Evangelism of the New England Conference of the Methodist Church.

FAMILY VESPER SERVICE

From 6 to 7 o'clock Sunday evening, January 22nd, at the First Baptist Church there will be another of the popular All-Church Family Vesper Services. Dr. Cecil Pride will lead the "hymn-sing" preceding the showing of the sound-film "The Stranger at the Door." This is the story of a teenage son of a refugee family who through his thorough Christian upbringing establishes permanent roots and makes friends in his new homeland.

This is a service for the whole family. Bring the children and come as families.

Commander Irving Johnson U.S.N.R.

NOONAN SCHOOL TEA
A tea in honor of the sixth grade teacher, Mrs. Kelleher, and the parents of the sixth grade pupils, was held at the home of Mrs. James Chute, 2 Hart Pond Brook Parkway, on Tuesday afternoon, January 24 at 3:30 p. m. Sixteen mothers attended Mrs. Kelleher spoke on "Teaching Children to Study." She outlined different methods of teaching. Sixth grade pupils feel secure in one room with one teacher - but within one short year, when they advance to Junior High School they must adapt themselves to studying in several rooms with several teachers. She illustrated a method of increasing the child's vocabulary by the use of a picture - which the children had studied and then wrote about. The new words which the children used in describing the picture were immediately used in their functional spelling list. Next year a child will learn to use the library for reference and thereby increase his vocabulary. She also explained how children must be grouped for their ability so that every child can group will go into every class downtown. A question followed Mrs. Kelleher's talk, was conducted - all the mothers giving their opinions on the effects of television on the child's ability to study. Mrs. John Kehoe assisted Mrs. Chute in preparing a delightful collation. Miss Rich poured tea.

LEXINGTON HIGH HERE TONIGHT
Winchester High entertains Lexington High in an important Middlesex League contest at the high school gym tonight. Although the Red and Black defeated the Minutemen by a score of 37-31 earlier this year, they are wary of the invaders, for Lexington has been a jinx to many good Winchester teams in the past. Under Coach "Doc" Abel's capable tutelage Lexington has shown considerable improvement during the season and are only one notch below the locals in the tight Middlesex League race and are aiming to climb at Winchester's expense.

The Red and Black is on the road for both of its games next week. On Tuesday afternoon Winchester goes to Stoneham for a game that will be tough on Stoneham's small court. Next Friday night Winchester travels to Reading for another Middlesex League contest. Although Winchester has beaten both of these teams in the first round, they were hard fought games and the home court plays an important part in these traditional contests.

RAINBOW MOTHERS MEET
The Rainbow Mothers Club held its regular meeting Monday at the home of Mrs. Chaik, Burlington street, Woburn. Plans were made for the Installation Supper to be held Friday 6:30 p. m. at Masonic Hall, Mt. Vernon street, Winchester. For reservation call Mrs. Ric. Woburn 2-2161-R.

A dauntless collation was served by the hostess, Mrs. Chaik, assisted by Mrs. Fudge and Mrs. Westcott. Next meeting to be held at the home of Mrs. Farnham, 5 Highland View avenue, Winchester, Monday, February 13.

REPUBLICAN 21 CLUB
At the annual meeting of the Republican 21 Club the following officers were elected:
William A. Wilde, Jr., President
Donald Drew, Vice-President
Phyllis Russell, Secretary
Janet Fridge, Treasurer.

Victory Dropped Indians From League Top

Winchester jumped away to a 5 - 0 lead in the opening minutes but Belmont caught them at 8 - 8

The big difference between the two teams was the poise of the Belmont quintet compared to the Winchester players who appeared very nervous and tight. This tightness was reflected in the fact that Win-

Some time during Monday night some one pried the lock from a hen-coop at the home of Mr. Vincenzo Suppa, 5 Marion street, and stole 11 hens, nine Rhode Island reds and two Plymouth Rocks.

WINCHESTER WON
FRESHMAN GAME FROM
WAKEFIELD

KIRWAN SECOND IN K. C. MILE

At the garden Kirwan was beaten by George Wade, Yale's mile star in the good if not phenomenal time of 4m. 13. 1s. The Winchester boy came very fast over the last half-lap to win second handily from John Jo Barry of Ireland and Villa Nova. John Twomey of the Illinois A. C., fell at the last turn as he was trying to pass Wade.

In the preliminary game the Junior High team made it four straight victories for the season with a 46-36 win over the Wakefield Junior High group. Once again big Dick Pratt tied the locals in scoring with 18 points while Perkins also looked good for Winchester.

Monday morning shortly after 1:15 a Chevrolet coupe, owned and driven by William H. Richardson of 339 Cambridge street, while headed north on Main street, skidded and struck a tree at the side of the road near Stowell road. The left front of the car was damaged and some bark was stripped from the tree. No injuries were reported as a result of the accident.

Chocolate Chiffon Pie-62¢

One bite of Dorothy Muriel's Chocolate Chiffon Pie and you'll call for more. For under the frothy whipped cream topping lies a rich creamy filling of fresh milk, butter and yolks, flavored with vanilla and chocolate. Its light texture comes from beaten whites gently folded in—it's delicious to the taste, for only the finest ingredients go into its making.

Also try our Cocoanut Cream Pie and our Fresh Apple Pie—55¢ each (plus 4¢ deposit on plate)

Local Resident Featured in New WLAW Cook Book

J. Marshall Duane, Advertising Director of First National Stores, and Emily Hase, Radio Home Economics Counselor, peruse pages of publication now being mailed to 20,000 entrants. Mrs. Catherine Flowers, 17 Holland street, Winchester, submitted a winning recipe which is featured in the book, as did Mrs. Grace Maddocks of Boothbay Harbor, Maine, a former Winchester resident.

ROTARY NEWS

The regular meeting of the Winchester Rotary Club was called to order by President Charlie Murphy at the usual time Thursday, January 19, 1950.

Now this was no ordinary meeting, and those absent missed an outstanding meeting. Dr. Harry Benson was on hand with some film showing some of the Rotary projects of 1949, including Joe Moffet's thumb. Of course, restoring Joe's thumb to its proper size and shape will be project No. 1 for 1950, but it was most interesting to see the trip to the hall game, progress on the Girl Scout cabin, and the dedication of same. The film was excellent, and enjoyed by all.

Prior to the showing of the film, however, Phil Gallagher called upon to make a few remarks, and he did most graciously, and to the amazement of the entire club. Mr. Gallagher covered his subject admirably and forcefully. It could truthfully be said the audience was spellbound, but, as Bill Beggs has said many times, "our best speakers are our own members. This fact was certainly proven once again by Phil. We are all looking forward to another meeting when once again we can profit by the enlightening remarks of Phil Gallagher."

Don Simonds was most enthusiastic in his praise of Phil, and suggested that others might assume this type of oratory, especially in open meetings. "It is forceful and to the point," commented Don.

Greetings from the sunny south were received from Bill Hevey, ably helped, and Phil Efronson, who made up in Whittier, California, Curtis Ware made up in Arlington, and Gus Hakanson at Kingsport, Tenn.

That's about it, but let's have more.

FORTNIGHTLY NOTES

In spite of bad weather under foot, there was a large attendance at the regular meeting of The Fortnightly which was held on Monday, December 22nd at Masonic Hall. Mrs. Arthur Haines and Mrs. Amasa Harrington were the hostesses for the day. A most enjoyable social hour preceded the business meeting during which business was served by Mrs. William Goodhue and Mrs. Willard Hudson. The cracker tray was served with the bouillon were not only delightful to look at but most delicious to taste.

Mrs. Harold Given, president of The Fortnightly, called the meeting to order. Mrs. Mitchell, chairman of conservation, reported that she had received several requests for a school of flower arrangements. She explained that she would start the school immediately if a suitable meeting place could be found. If any member of the club knows of any room where the school can be held or if any member desires to join the classes will they please notify Mrs. Mitchell, telephone Winchester 4-0673-W.

Mrs. Sidney Burr, chairman of the Club House Fund, reminded the members of the White Elephant Auction Sale to be held on Monday, February 27th at 10:30 a. m. There will be a box at the door where these articles may be left. Mrs. Lester Leathers, chairman of Art, announced that Janet Darr will give a lecture and demonstration of Block Printing at the next meeting, February 13th. She promises a most interesting and educational afternoon for all Fortnightly members.

Mrs. Gertrude Hall, chairman of literature, reminded the club of the literature meetings to be held the first Monday of each month in the library at 2:00 p. m. On February 6th Mrs. Joseph Morton and Miss Hall will discuss "Willa Cather." This meeting is open to all members of The Fortnightly and it is sincerely hoped that many will plan to attend.

Mrs. Marshall Symmes, Federation Secretary, announced that

there will be a Mid-winter Meeting of the Federation on Saturday, February 17th at the Hotel Stadler. This is to be an all day meeting in charge of Legislative Chairman, Mrs. Warren Whitman. Luncheon tickets may be obtained from Mrs. C. A. Wentworth, 20 Forster street, Newtonville, Tel. Bigelow 4-0819. It was voted that three delegates be appointed by the club to attend the meeting. The Federation Secretary wishes that a goodly number of The Fortnightly members will plan to attend.

Mrs. Given reported that scholarships are again being offered by the Massachusetts State Federation of Women's Clubs for the school year 1950-1951. These scholarships are for the following schools: Academie Moderne, Carter school, South End, Endicott Junior College, The Fisher School, Garland School, two Music Scholarships to the New England Conservatory of Music, Saturday Classes at Museum of Fine Arts, School of Practical Art, and Vesper School of Art. The opportunity to win one of these competitive scholarships is open to anyone who wishes to apply. All applications must be in by April 1, 1950. Anyone who is interested should contact Mrs. Harold Given, tel. Winchester 6-0624-M.

Mrs. Rhodes, the Press chairman, announced that she has sent out 54 letters to various clubs and organizations in Winchester suggesting that they present to their members the no subject of building a Community Club House on the Skillings Estate as a memorial to the Veterans of both World Wars. This announcement was greeted with much enthusiasm and applause by the members of The Fortnightly.

Mrs. Given introduced the speaker of the afternoon, Mrs. Marion T. Rudkin, who chose as her subject "The Best Books of the Day." Mrs. Rudkin has long been one of the favorite lecturers at The Fortnightly. She is a most unpublic and outstanding book reviewer. Her charm and vivacious personality win the attention of her audience immediately and her dramatic impersonations, her ready wit, and her vivid descriptions hold their attention to the very end of her lecture.

The first books she reviewed were two historical novels, "The King's Cavalier" by Samuel Shellabarger and "Red Cloak Flying" by Margaret Wildmer. "The King's Cavalier" is a French historical novel which runs a strong romantic interest. Mr. Shellabarger has written it with a great deal of care and much research. The scene of "Red Cloak Flying" is laid in Switzerland, London, and America. This book

is quite melodramatic and is really absorbing reading. It is a book that the reader will find very difficult to put down once she has started it.

"The Parasites" by Daphne Maurier is quite different from her usual type of books. It has no plot, but is a character study of various members of a family who live in a theatrical world and lead a professional life. It is a world Daphne du Maurier knows much about and she has portrayed it most vividly and realistically.

"Home Town" by Cleveland Amory is a book of fiction. It is a story of publishers, authors, and publicity directors. Its scene is laid in the world of contemporary literature.

Without a doubt, Mrs. Rudkin's most outstanding review was "Little Boy Lost" by Marghanita Laski. Mrs. Rudkin told the audience that this is one of her favorite books. It is the story of a child and she portrayed the deep emotional crises both of the little boy and of his father with a great deal of insight, understanding, and sympathy.

Mrs. Rudkin recommended to the club "Abe Lincoln of Picon Creek" by William E. Wilson. This book can best be described as biographical fiction. It gives the reader a new insight into Lincoln's youth. She also spoke of "The Egyptian" by Mika Waltari. In this book, life in ancient Egypt is portrayed most vividly. "The Prince of Egypt" by Dorothy Clarke Wilson is the story of Moses and is well worth reading.

Next, Mrs. Rudkin offered three books of light reading to tired housewives: "Kate Fuller, M. D." by Dorothy Pierce Walker, "Faraway Haven" by Lida Larinova, "Melody Unheard" by Frances Shelley Wees.

For a challenging book, Mrs. Rudkin suggested "The Mature Mind" by H. A. Overstreet. Overstreet defines what is meant by the mature mind. He gives behaviour patterns and case histories. It is a book well worth reading. Louise Hall Tharp's "Peabody Sisters of Salem" is a book that should be put on the "must" list of every club member. It is the biography of three Peabody sisters and Mrs. Rudkin recommended it most highly. "My Three Years in Moscow" by Walter Bidell Smith is another book that should be read by everyone. The chapters on Soviet culture, the purge, the foreigners in Moscow, and the last two chapters in the book are ones that are particularly worth while reading. Mr. Smith says that the United States must stand firm in dealing with Russia as strength and courage are the attitudes Russia understands.

Lastly, Mrs. Rudkin recommended "The Story of the Trapp Family Singers" by Baroness Trapp, "Three Minutes a Day" by Father James Keller, "Mr. Jones, Meet the Master" by Dr. Peter Marshall, and "In the Name of Common Sense" by Dr. Matthew Chappell. This last book gives definite instructions to help a person to stop worrying.

Mrs. Rudkin closed her talk with her usual little poem which always leaves the audience with an inspirational thought and a challenge for better living.

Department of Club Institute

The club is once again reminded of the Department of Club Institute which will be held from 10:30 A. M. to 12:30 P. M. on Thursday, February 2nd at the Y. W. C. A. in Boston. It is hoped many members will plan to attend.

KIRWAN PROMISING MILER

(Special to Star from Ed Hunter at University of Pennsylvania)

"Tommy is really not in good shape; I expect him to do much better."

These words were spoken by a highly elated Coach Ken Doherty, seated in his chair in the eye department of the University of Pennsylvania Hospital where he had undergone successful surgery for a displaced retina of the left eye. The object of his comment was Thomas Kirwan, co-captain of the Pennsylvania track team and numbered as one of the best milers in college circles today.

Tom ran an excellent mile and finished second to George Wade of Yale at Boston last Saturday night. His time was 4:14.1 and that is the reason for Coach Doherty's excitement. In all his years of coaching, both at Michigan and Pennsylvania, Doherty has been followed by a jinx. It is a time figure and it is 4:14.6. He has had several great milers, but that is the best time any one of them ever ran the mile.

Ralph Schwarzkopf, captain of Doherty's first Michigan team, ran his best mile indoors in 4:14.6. Several years later, the Hulme twins, Bob and Ross, ran the fastest mile of the season for Michigan and

crossed the line, hand in hand in 4:14.6. In 1948, Doherty coached his last team at Michigan and Herb Barten ran his mile in - you guessed it - 4:14.6.

Doherty felt that he had shaken this jinx when he arrived at Pennsylvania. He had a lad named Kirwan who could run the mile in 4:34. Through diligent running on the cross-country team Kirwan developed into a much better distance runner, finally running the half-mile in 1:54.1 and the mile in 4:17. When Kirwan finished third in the mile during the Heptagonal Games and showed a terrific sprint through the last lap, Coach Doherty stated that Kirwan would probably be the man to break his 4:14.6 jinx. He envisioned a good cross-country season for the lad, but it was not to be. Kirwan injured his knee and did not show the promise of the year before. He was unable to train regularly and that is the reason for Doherty's statement that Kirwan is really not in good shape.

"If Kirwan's knee had not bothered him so much, I feel certain he would be farther advanced in his training and would have been tuned up for his race in Boston. His time there was a revelation to me and I have high hopes that he will improve. The chances are good that Kirwan will face Wade of Yale and other top milers three

or four times during the indoor season, and probably several times in the outdoor season. He will run in New York in the Wanamaker Mile at this time, and will run in Boston again in the Boston A. A. Meet. As soon as I get out of this hospital, which I expect to do in a few days, we will take up intensive work for Captain Kirwan."

Kirwan, who is anchor man of the two-mile relay team, is co-captain with Ben Kreitzberg, Pennsylvania's fine 220 and 440 yard dash expert. Kreitzberg is the anchor man of the mile relay team which defeated Michigan and Princeton in the Inquirer Meet at Convention Hall this year.

Coach Doherty is particularly pleased that Kirwan could make such a good impression in Boston because he hails from Winchester, Mass. He is 21 years old and a senior at Pennsylvania.

W. Lewis Parsons of Winchester attended the annual mid-winter meeting of the Board of Trustees at Bates College, Lewiston, Maine, January 21. Mr. Parsons is a permanent member of the Board of Trustees and while on campus was shown the new memorial Men's Commons construction. Wayne E. Davis, another Bates trustee, was unable to attend the meeting.

WINCHESTER TRACKMEN IN NORTHEASTERN GAMES

Winchester High entered four runners in the Northeastern University Schoolboy games last Saturday afternoon at the Boston Garden.

Johnny Richmond and Bob O'Brien competed in the 50 yard dash, the former placing second in his heat, but failing to qualify for the semi-finals. The distance is too short for O'Brien, but he finished just outside the places in his heat.

Andy Antipapas placed second to the Watertown star, Andrew Dadian, in his heat of the 600 yard dash, but not well enough to get in the final places which were awarded by individual times. His heat was the second fastest of the afternoon, so the Winchester boys, new at the distance, did not do too badly.

Gordon Bird kicked in with a 5m 15 mile effort to place in his heat. His time however was not good enough for a final place.

Coach Knowlton was pleased at the showing his boys made, particularly in view of the fact that there are no local facilities for indoor running, and they were all short of work.

TOWN BASKETBALL LEAGUE

Standing	
Bonnell Motors	11 0
American Legion	7 3
Sons of Italy	6 4
Mercurio Insurance	6 5
Winchester Applance	4 6
Yanks	1 9
All-Stars	1 9

Several close games featured the play in the Town Basketball League during the past week. The undefeated record of the Bonnell Motors was almost broken up Monday night when they were forced into an overtime period to win from the Winchester f. Applance. "Wimpy" Burnett sank a foul shot in the closing seconds to tie the game at 25 - 25 at the end of the regulation time. In the overtime period Joe Errico connected for two quick baskets to clinch the game for the defending champions.

The Mercurio Insurance won a close battle from the Sons of Italy on Monday night by a score of 30 - 25. Al Samoiloff was the hero for the winners as he collected 15 points and netted the clinching basket on a rebound in the final seconds of play. The Mercurio Insurance also defeated the Winchester Applance 35 - 25 on Wednesday night to move past them into fourth place in the League standing.

Next week will mark the end of the second round of play and then the teams will square away for the third and final round in a battle for the four play off positions. On Monday night the Winchester Applance will meet the Sons of Italy in what should be the feature game of the program. On Wednesday evening the Winchester Applance tangles with the American Legion and must win to keep their play off hopes alive.

FIRST BAPTIST F.X-NITE A SUCCESS	
Last Friday evening, January 20th, members and friends of the First Baptist Intermediate group gathered in the Recreation Hall of the Church for the first of a series of "fun-nites." With Couch Mearling on hand to direct the activities the evening's success was assured even before the word "go" on the first relay race - a breath-taking dash with a lighted candle. A basket-ball game followed with the boys proving their superiority (temporarily, of course), despite the slight hindrance of wearing boxing gloves. Square dancing and several hilarious games rounded out the evening.

BAPTIST BROTHERHOOD BREAKFAST	
Dr. Forbes H. Norris will be the speaker at the Men's Brotherhood Class of the First Baptist Church, Sunday morning, January 29th, following the monthly Brotherhood Breakfast. These breakfasts have become a very popular institution on the last Sunday of each month and provide a friendly atmosphere of good fellowship around the breakfast table. All men are invited to attend; last night's last at 8:15 and the Bible Class at 9:30.

WINCHESTER HIGH SCHOOL 47: WAKFIELD HIGH 41

Winchester High defeated Wakefield High by a score of 47-41 in a close game at the high school gym on Tuesday afternoon. It was a saw-saw battle with first one team and then the other showing stretches of good basketball but Winchester had the greater poise over the final three minutes to pull out a well-earned victory. This is the second time this year that the locals have beaten the all-veteran Wakefield five.

Wakefield broke away to a fast start and held a 14-7 lead at the end of the first quarter. The Red and Black settled down in the second quarter to whittle five points off that lead to trail 20-18 as the teams left the floor at the half. Spearheaded by Walter Murphy who scored eight big points in the third period, Winchester enjoyed one of their best periods of the season as they scored 20 points to take a 38-31 lead at the end of that quarter.

Wakefield fought back during the final period to trail only 40-39 at the five-minute mark. The locals controlled the play over the last three minutes, however, to pull away to a hard-fought victory.

Accuracy from the foul line again proved a life-saver to the Red and Black as they built up their winning margin from the foul line. Coach Bartlett was pleased to get some scoring from his forward positions which have been a source of trouble to the locals all season. Dick Mathews celebrated his elevation to the starting five by scoring 13 points while Bob Walsh came up with 8 important points.

George Tansy came through when the chips were down by scoring 6 of Winchester's 9 points in the vital final period.

The Winchester Seconds had an easy time in defeating the Wakefield Seconds by a score of 52-24 as all but one of the locals entered the scoring column. Tony Curcio and John DiIorio paved the way for the locals by leading the team in scoring 10 and 8 points respectively.

The summary:
Reading Freshmen, 25;
Winchester Freshmen, 21

The Winchester Freshmen lost their first game of the year last week Tuesday afternoon to the Reading Freshmen, 25 - 24, at the high school gym. Trailing 21-12 at the end of the third quarter, the Red and Black clubs made a game attempt to pull out a victory in the last quarter but their rally fell short by one point. Bob Flaherty and John Atkinson played well for Winchester but the team offense was not functioning through the first three periods and Reading piled up too much of a lead on them.

The Winchester Junior High team won an easy victory over the Reading Junior High by a score of 45 - 14 as big Dick Pratt paved the locals in scoring with 13 points.

Interesting Social Security figures for this district, and especially for Winchester, appear elsewhere in this issue. More than \$4,000,000 was paid in the year 1949 under the Old Age and Survivors Insurance program to 11,514 persons in the district embracing Winchester, which includes Arlington, Bedford, Belmont, Burlington, Cambridge, Lexington, Newton, Somerville, Watertown, Winchester and Woburn. In Winchester, total monthly payments under this program for 1949 were \$124,235. During last December \$11,150 was paid to a total of 42 persons in Winchester, averaging roughly \$25.23 per person. If you take the number for December as the average number receiving Social Security benefits in Winchester under the Old Age and Survivors Insurance program for the year 1949, the yearly average for the 42 persons is \$302.70 per person, or slightly more than \$25 a month. It should be remembered that these are average figures, and it should also be remembered that thousands of employers and employees contributed to the fund that made the Social Security payments listed above possible. Food or land anything the Government provides is paid for in only one way, by the people!

AIR TRAVEL OVER WINCHESTER

Editor of the Star:
Apparently Winchester has become one of those unfortunate towns over which flies a large portion of air travel going both in and out of our East Boston Airport.
The growing noise nuisance and hazards created by these planes must be increasingly noticeable to our townspeople. While I realize that planes must travel somewhat within well defined areas, I wonder how long our residents and property owners are going to be satisfied with being in the path of a large number of both the incoming and outgoing air travel for this area.
Unfortunately, we are in this position and the planes are so low that even under good visibility their markings are clearly discernible and their noise the more pronounced.
As this air travel continues to grow, as it undoubtedly will, both day and night, I wonder especially how much more often we are to be kept awake at night or awakened early in the morning by the roar of planes, flying so low that you swear that you and your bed are going to take off for a plane ride somewhere.
As a civic matter, how about inviting others who have an opinion on this growing nuisance to express their feelings in your newspaper, as well as pass along the suggestion, that all of us who wish to keep Winchester a quieter and more peaceful town in which to live, should take this matter up with our Representatives and Town officials.

Sincerely yours,
Ambrose Reasoner
359 Highland Ave.

RAISINS AND HAM

Guest Editorial from the New York World-Telegram and Sun

Editor of the Star:

The enclosed news clipping is from the Manchester Union and Leader, N. H. (January 24, 1950).

If raisins are few in your neck of the woods, don't blame the price; they are eating 100,000 tons of them this winter at your expense.

Your government is financing the raisins-for-hogs project, not to give the swine a better diet but to put up the price of hogs and help the champagne industry.

While the hog-fodder people buy the raisins for \$40 a ton the government will pay \$60 a ton for the raisins, enabling them to get \$10 a ton for their raisins.

Theoretically, you can spend a dollar only once. Your government does and does it twice in the pocketbook with one project. As a consumer, you pay prices made high by the government, and as a tax-

payer, you help to pay the cost—\$8,000,000 in this instance—of raisins for hogs.
Isn't hard to find the forgotten man these days? He is the taxpayer.
Maybe though, the politicians will find that he is not a forgetting man, and that he votes.
P. S. Pigs are in our economic picture again, but this time they are live ones; not those that were never born that Henry Wallace made us pay for. But we are still paying under this new Racket.
I say the farmer should be Root Hog or die.
E. D. Fletcher,
8 Lagrange street

THANKS TO FIREMEN

January 25, 1950
To the Winchester Fire Dept.:
I would like to take this opportunity to thank the Fire Chief and men that were called to my home on Tuesday night to extinguish a chimney fire.
A telephone call brought the men to the house in what seemed less than three minutes time. In spite of the fact that it was a rainy night there was not a wet footstep into the house and the extreme care shown in the protection of our property deserves a great deal of praise for the men. After the men had finished their work and showed everything that had been moved to aid the work had been returned to its original place and the house in order.
Thank you,
Ralph S. Smith,
10 Jefferson road.

SAFETY FOR THE CHILDREN

Editor of the Star:
I'd like to register a word of commendation for the guardian of traffic, where the children of Washington School, Highland avenue, cross the street.

If all of us used the same common sense and good judgment in our daily duties as does he, this would be much better world.

After years of experience in passing him daily, I've got to see him fall.
At least, the children have been so well trained by him, as to show great confidence in his signals, and in his courteous ways.

M. J. Foley,
5 Francis Street,
Winchester, Mass.

WELL DONE

Editor of the Star:
I must say hats off to the Winchester Fire Department in their response to rescue the dog trapped in the Mystic Lakes ice Tuesday a.m.

It was a job well done. After fifty minutes in the water the dog was brought ashore.

Thank them for me.
W. B. Niles,
5 Webster street,
Winchester, Mass.

RICHARDSON FOR ECONOMY IN 1929

Appropos of President Harris Richardson's charge to the State Senate that economy should have top priority on Beacon Hill during the coming year, it is interesting to note that Mr. Richardson was chairman of the Finance Committee, whose recommendations in the field of workmen's compensation made in 1929 has resulted in substantial savings to Winchester in workmen's compensation insurance.

Legislation enacted by the General Court in 1914 made it necessary for cities and towns of the Commonwealth to carry workmen's compensation insurance of some sort. From 1915 until 1924 Winchester carried its own insurance at an average cost for the nine years of \$1,306.00. This policy was changed in 1924 and from that year through 1928 the town insured with outside agencies at an average cost per year of \$4,762.21.

It was in 1929 that Mr. Richardson and the Finance Committee he headed recommended that the town should not carry workmen's compensation insurance with outside agencies but should place with mutual companies insurance on the basis of the Insurance Committee believed necessary. This recommendation was accepted by the voters and commencing in 1929 the town returned to its old policy of carrying its own insurance, at an average cost of \$3,150.27 for the ensuing years, showing a substantial average saving, despite the continued increase of workmen's compensation claims. Even in the face of fairly increased claims for the next nine years the average cost was still less than it was during the five-year period in which the town carried insurance with outside agencies, \$4,105.80 against \$4,762.21.

Comparative figures for the 21 years since the town returned to handling its own workmen's compensation insurance are interesting, and show that during that time the average yearly cost has been \$4,210.17. Taking this average cost as a unit, the total for the 21 years for workmen's compensation has amounted to \$89,413.75. Faking what is believed to be a fair insurance premium of \$7,500 as an average yearly cost with the town's insurance in outside agencies, the total cost for workmen's compensation for the same 21 years would have been \$157,500.00, or \$68,086.25 more than the town paid out handling its own insurance. That an insignificant sum of course in Fair Deal expenditures, but it isn't in Winchester, and it shows that as far back as 1929 at least Harris Richardson was practicing economy.

Incidentally this would also be a good time to give a commendation to the town's insurance agent, recently retired Hugh Grimes, compensation agent since 1930 for the part he played in the administration of the town's workmen's compensation plan. "Bogie" has had plenty of headaches through the years and some tough cases to handle. Those in a position to know both sides of things believe he has done a wonderful job. The agent who follows him has something to shoot at!

NEW OFFICERS ELECTED AT CONGREGATIONAL CHURCH ANNUAL MEETING

At the Annual Meeting of the First Congregational Church, Wednesday evening, the following list of officers was elected. The clerk reported that the Church now has over 1,800 members and the Church School over 700.
Two Deacons for a period of 3 years, Dr. F. M. Blaine-Baldwin, Allen O. Eaton.
Moderator for 1 year, William L. Parsons.
Clerk for 1 year, Everett W. Goss.
Treasurer for 1 year, Rupert F. Jones.
Assistant Treasurer for 1 year, Mrs. Rupert F. Jones.
Advisers for 1 year, John Carruthers, H. Nelson Moore, Jr.
Member of the Prudential Committee for 3 years, Archibald Dresser.
Member of the Church Committee for 2 years, H. Kimball Archibald.
Members as Church Visitors for 2 years, Mrs. Ray E. Brown, Mrs. Donald C. Davis, Mrs. Frank M. Gunby, Mrs. Charles W. Lovejoy, Mr. Herbert T. Wood.

Persons to the Music Committee for 3 years, Mrs. Albert G. Dietz, Aram T. Mouradian.
Persons to the Missionary and Benevolence Committee for 1 year, Mrs. Frederic B. Withington, Mrs. Robert M. Keeney.

Superintendent of Church School for 1 year, A. Benjamin Gowing.
Treasurer, Church School for 1 year, Herbert B. Smith.

Directors of the Church School for 1 year, George H. Goody, Mrs. Murray S. Moore, Arthur W. Pratt.
Member of the Investment Committee for 3 years, William A. Kugler.

BAPTISTS TO HEAR MR. HARRY A. GILMAN

The Stewardship Advance campaign at the First Baptist Church, which got under way last night with the first meeting held on January 25th, continues with the next meeting on Wednesday, February 1st, at 8 o'clock, with an address by an outstanding Baptist layman, Mr. Harry A. Gilman of Newton.

Mr. Gilman has been serving the Christian Church for a period of many years, twenty-five as Secretary of the Boston Baptist Social Union, about twenty years on the Board of the American Unitarian Baptist Home Mission Society.

Eight years as Chairman of their Church Edifice and Loan Fund, many years as a member of the Board of Directors of the Massachusetts Baptist Convention, on the Finance Committee of the Convention for many years and for the last three years Chairman of that Finance Committee. He has served also on many other committees during the years in connection with the Convention and was the first Chairman of the original Baptist Laymen's Committee. For thirty years he has been clerk of the Board of Trustees of the Baptist Home of Massachusetts. Besides being an expert in the field of investment in the business world because of his more than fifty years association with Kestabook and Company, from his record of many years of service to the Church Mr. Gilman is well qualified to speak on the investment of one's talents for the Lord's work.

All members and friends of the Church will want to hear Mr. Gilman's inspiring message.

MEETING OF WILLARD SETTLEMENT AUXILIARY

On Thursday, January the nineteenth, The Arlington League Auxiliary of the Frances E. Willard Settlement was held at the home of Mrs. Carl G. Richmond on Grove street.
The president, Mrs. Lowellyn Parsons of Arlington presided and a very interesting report of the past year's activities was read by the secretary. This was the twenty-fifth anniversary of the Auxiliary, the first meeting being held on January, nineteenth, 1925. The members brought books for the girls in one of the Frances E. Willard homes. Two beautiful antique living room chairs were sold at auction, the money being used toward modern furniture for one of the homes.

This was a very interesting meeting, highlighted by a delicious dessert served by the hostess.

The following officers were elected for 1950:
President, Mrs. Lowellyn Parsons of Arlington.
Vice President, Mrs. Edith Birch of Arlington.
Secretary, Mrs. Edmund C. Filler of Winchester.
Second Secretary, Mrs. George E. Trant of Winchester.
Treasurer, Mrs. Harry W. Wentzel of Arlington.

TWO CHIMNEY FIRES

The Fire Department had two calls for chimney fires Tuesday afternoon, the first coming at 1:47 from the home of Mr. Helen E. Mott, 13 Linden street. The chimney was ablaze from the cellar to the roof of the building and the firemen were forced to work before it was finally out. Chief Callahan described the blaze as one of the worst of its kind he had seen in years.

The second chimney fire was at 7:08 p. m. at the home of Mr. Ralph Smith, 10 Jefferson road.

BUILDING PERMITS GRANTED

The Building Commission has granted the following permits for the week ending Thursday, January 26:
New Construction—Dwelling, 20 Onondaga road; two-car garage, 24 Ledgewood road.

Alterations—44 Myrtle terrace.

CONTAGIOUS DISEASES

The following list of contagious diseases has been reported to the Board of Health for the week ending Thursday, January 26:
Dog bite 1 case
William B. MacDonald, agent.

BATTLE ROYAL AT STONEHAM TUESDAY

A battle royal has been lined up at the Stoneham VFW hall on Tuesday night, January 31, at Stoneham VFW hall. The big bout will be a tag team match between the Phantom Brothers and Clyde Stevens of Malden and Roland Meeker of Melrose. All these matrons are top performers and the fans are guaranteed a night of action when these wrestlers get into the ring. The Phantom Brothers are colorful masked athletes who add a touch of drama to their antics in the squared circle. Action should highlight the bout.

Stoneham VFW has arranged a top semi-final to support the battle royal feature. Scheduled to meet in this encounter are Henri Vermaere of France and Fred Carone of Lynn. Carone is rapidly forging to the top as one of the best matmen on the circuit. Vermaere, in this area, and experts are predicting that more will be heard from the show city night in the future.

The special Tuesday night will see George Harbin from Georgia matched against Jackie Marshall from Colorado Springs, Colorado. This special rounds out a card that shapes up as one of the best presented by Stoneham VFW this season.

CHARLES A. MAHONEY EXHIBITS WATER COLORS

The sixty-first annual exhibition of the Boston Society of Water Color Painters is now being held at the Vose Galleries in Boston. Mr. Charles A. Mahoney, Secretary-Treasurer of this organization and is represented by a landscape, "Naxos and Cape Cod" and two water color portraits: "Eric O. Knapp" and "Brother Gilbert C. F. N." Sports fans know that Brother Gilbert was the discoverer of Babe Ruth of baseball fame.

Mr. Mahoney has his studio in Boston at 8 o'clock, with an address by a special instructor at the Vesper George School of Art. Before coming to Winchester, Mr. Mahoney made his home in Chelsea and was an active director in the Lowell Art Association located in the historic home of James MacNeill Whistler. He has recently completed commissions by the City of Lowell to paint the portraits of three of its former mayors for the Council Chambers.

ASSISTED RESIDENT AFTER FALL

Shortly after 5 o'clock Thursday morning Police Headquarters was notified by an operator at the Telephone Exchange that there was trouble with a phone at either a house on Elm street or Mt. Vernon street.

Patrol 53 with Officers Clarence Dunbury and William Haggerty went to investigate and found that a resident of Mt. Vernon street had fallen on the stairs at his home and knocked over the phone.

Breaking a pane of glass in a window, the officers went to the householder's assistance, summoning Dr. Harry L. Benson, who treated him for a laceration over the right eye.

GEOGRAPHIC ODDITIES AND BRIEFS

The robust fur trappers who were among the first white men to visit Wyoming's Jackson Hole, now a National Monument, are responsible for the valley's misleading and uncomplimentary title, notes the National Geographic Society. They called the scenic valley a "hole" because of the surrounding mountains, and called the spot after one of the most famous of their adventures, the "Hole in the Wall" expedition.

Homer, epic poet of ancient Greece, described sinister laughter as sardonic because of an herb grown on Sardinia reputed to cause death by laughter.

Natives of the Marianas Islands received their present name because of Ferdinand Magellan's alibi of a haircut. When he discovered the Pacific island chain in 1521, notes the National Geographic Society, the explorer was so disgusted by the sight of short-haired natives that he called them "Chamorro," the Portuguese and Spanish word meaning people "with cropped hair."

The word "volcano" comes from the Latin word "Vulcanus," the name given by the ancient Romans to their god of fire, Vulcan.

One of the world's strangest "burial grounds" is at St. Catherine's Monastery, located at the foot of the Bible. The monks of the monastery, who are the caretakers of all monks dying within the convent are preserved in a small building, where skulls are stored in one hour and body bones in another, says the National Geographic Society.

Key West, Florida, was originally called Cayo Hueso, or Bone Key, by the Spaniards because of the large number of Indian skeletons buried there. According to tradition, says the National Geographic Society, early English sailors habitually mispronounced these two Spanish words "Key West" until that new name stuck.

A CHECKING ACCOUNT HERE
HELPS IDENTIFY YOU
Your checking account at this bank helps to identify you as a person of sound business judgment. In addition, you have a connection with a friendly "home-town" bank that is always ready to assist you in any financial matter.

It's sensible and businesslike to pay bills the modern way — by check. Your checkbook provides a record of payments made and your cancelled checks are valid receipts.

So, why not obtain extra protection, prestige, and convenience by keeping your account in this "home-town" bank? Remember, this bank is a member of the Federal Deposit Insurance Corporation, an agency of the United States Government, which insures the checking and savings accounts of each of our depositors up to \$5,000.

40th Anniversary 1950
BOY SCOUTS OF AMERICA
Official poster marking the 40th birthday.
The 40th anniversary of the Boy Scouts of America will be observed Feb. 6 to 12 in every part of the nation by more than 2,300,000 boys and adult leaders. "Strengthen Liberty" is the birthday theme. The Boy Scouts' "Crusade to Strengthen the Arm of Liberty" continues through 1950. During Boy Scout Week, U.S. will hold "Crusade Night" meetings when 1949 Crusade Awards will be presented. Representing the 12 Scout Regions, 12 outstanding Boy Scouts will make a "Report to the Nation" at Washington, D.C., where the Movement was incorporated Feb. 8, 1910. They will also take part in an impressive ceremony at Independence Hall in Philadelphia. The highlight of 1950 will be the Second National Jamboree which will see 40,000 Scouts and Leaders camping together at Valley Forge, Pa., from June 30 to July 6, including Scouts of other lands. Since 1910 more than 16,500,000 boys and men have been identified with the Boy Scouts of America.

GIRL SCOUTS

The Winchester Council of Girl Scouts is very grateful to our many friends who are offering their talents to produce plays and operas for our benefit. The two outstanding offers, and ones which we are planning to cooperate with are: The Parish Players who are presenting "Tomorrow the World" for our benefit on February 8th. The coffee hour will be sponsored by Mrs. Chidley. For tickets, please call Mrs. Clarence Roberts or Mrs. George Cary. . . . And the Staff and Key Society production "The Mikado" will be presented March 17th and 18th. Some of our mothers and some of the Senior Scouts are assisting Mrs. Robert Graham, Jr., and her committee in the selling of advertising space in their enlarged program. We hope our friends in the town (the shops and otherwise) will take as much space as they can't. So watch for our special salesmen.

At a Public Relations committee meeting Tuesday, it was decided to have one member attend in turn, the Program Committee meetings so as to better our coverage of troop activities. Plans were discussed for various projects for February, International Friendship month; March, Girl Scout Birthday month; and April, when we shall take part in the Town celebration of the 100th anniversary. We are happy to have Mrs. Seymour Bingham on our committee.

Don't forget the Leaders meeting on February 1st, which will take place at the First Congregational Church. . . . The Town of the Boston Recreational Center will teach us new games and dances. Every leader is urged to attend . . . and we might add, that every leader who went last year had fun and came away with new ideas and new zest.

Don't forget, too, the State meeting to be held at the Hotel Staton on February 16th . . . all day. Please check with the office for additional information and transportation, etc. . . . should, because Virginia Wallace, who will be one of our leaders going to England, is to be one of the speakers!

It has been announced that there will be an all-day auction at the Town Hall on March 25th. George Bean (The Original Yankee Auctioneer) will be the auctioneer, and everyone is asked to save what furniture, bric-a-brac, and all saleable articles (except clothing) for the Auction . . . If you wish, we will handle your things on consignment. For further information please call Mrs. W. B. Hersey or Mrs. W. A. Kugler, co-chairmen of the Auction. To date, the following have been donated: Bull's house, the Robert Tonnes; sets of old doll's dishes, the W. A. Kuglers; one bed, the W. B. Herseys; four old "rope" table legs, a cabinet for short muslin with 48 drawers, the E. M. James family. The money from the Auction will help defray the travel expenses to England for our Executive director and several of the girls who otherwise could

not go . . . but who have earned the right to go by dint of hard work, good Scouting, and outstanding citizenship. . . . Mr. Angus standard. If Scouting is to maintain its high democratic level in Winchester, then we must all do our utmost to see that these girls get to go . . . and see how some of the other "half of the world" live. These Girl Scouts and their leaders are good will ambassadors from the United States and Winchester, and as such will bring back to Winchester Girl Scouts a greater sense of international friendship than they could achieve in any other way!

The annual Association meeting was held at the Public Library Wednesday evening the 25th. The slate of new officers was read by Mrs. K. Foster Cleaves and the secretary was instructed to cast one ballot. The new Commissioner and deputy Commissioner were duly installed; and Mrs. Willing then presented Mrs. George Cary, the outgoing Commissioner of the Scout Thanks Badge, for a job well done. The following are the new officers and committees of the Winchester Council of Girl Scouts for the year 1950-51.

Board of Directors Winchester Council of Girl Scouts, Inc.
Commissioner . . . Mrs. James Willing

CUB SCOUTS

Pack 3

On January 19 the monthly meeting of Pack 3 was held at the First Congregational Church. After the opening ceremony the following awards were presented.

Den 1
Donald Withers - Wolf, Gold Arrow, Silver Arrow, Bear
James Dwinell - Lion Badge
Tyler Black - Lion, Gold Arrow, Silver Arrow

Den 2
George Denton - Wolf, Gold Arrow, Silver Arrow, Bear
Daniel Gaynor - Wolf, Gold Arrow

Den 3
John Laban - Wolf Badge
Anthony Laban - Wolf Badge
David Waller - Wolf Badge
Teddy Little - Wolf Badge
Danforth Scott - Wolf Badge

Den 4
Larry Longworth - Bear Badge, Gold Arrow, 2 Silver Arrows.

Den 5
Jerry Marks - Bear Badge
David Leverette - Bear Badge
John Trump - Lion Badge, Gold Arrow, Webelos Badge

Den 6
Andrew Hertig - Bear, Gold Arrow, Silver Arrow
John Chapin - Bear, Gold Arrow, Silver Arrow
William Edgar - Bear, Gold Arrow

Den 7
Chad Mitchell - Bobcat, Wolf
Ledge Mitchell - Bobcat, Wolf
Robin Carlson - Bobcat, Wolf
Robert Diekey - Bobcat, Wolf
Chris Wadsworth - Bobcat, Wolf
George Wyman - Bobcat, Wolf

The main attraction of the evening was a film on fundamentals of skiing. Enthusiastically received was an announcement that the pack will attend a hockey game, the Boston Olympics vs. New York on Friday, January 27th. All Cub Scouts, and interested parents are to meet at Wyman School at 7:30 P. M.

The newly appointed committee members of Pack 3 met at 57 Yale street on January 10. Plans were discussed for future pack meetings and handicraft projects were described by two former den mothers of Pack 6. The next committee meeting will be held at the home of Mr. and Mrs. Ronald Robnett, 15 Cambridge street on February 14th.

Members of the committee include:
Cubmaster - Philip Drew
Chairman - Thomas Hill
Treasurer - Robert Carlson
Records - Ronald Robnett
Achievements - James Denton
Activities - Peter Laban
Activities - Edward Little
Property - Ronald Wyman
Publicity - Albert Dietz

Den 7
Mrs. Ronald Wyman

FORUM PLANS FOR SUNDAY

The Senior Forum of the First Congregational Church will meet twice on Sunday. At 10:45 they will attend the morning church service when Dr. Chidley will preach a youth sermon, "On Living with Yourself." The chaplain for the service will be David Archibald, Assistant Treasurer of the Forum. Deacons will be Robert Burnham, Gordon Bird, Jr., Herbert Clark, Jr., Alan Thomas, David Snow, and Marshall Phil. Ushers for the service will be John Richmond, Gaylord Burbank, Donald Cameron, Carlo Zimmerman, Douglas Hawkins, John Atkinson.

At 5:15 Forum will meet again. The meeting will open with refreshments and singing. The

Forum orchestra will provide background music. Later there will be discussion groups led by Elaine and Nancy Doten, Mr. Karl Roth and his daughter, Louisa, and Michael Moravcsik, who will tell about their countries, Holland, Czechoslovakia, and Hungary, and answer questions. There will be a short business meeting with treasurer's reports given by Barbara Macaulay, Herb Skerry, and Dave Archibald. The meeting will close with a beautiful candlelight service in Ripley Chapel to be conducted by Betty Ann Parker and Janet Archibald. The Forum choir will sing. The supper is being planned by a committee headed by Doty Parker and Marjorie Zinn assisted by Mrs. Robert Bayles and Mrs. Isaiah Bullard.

Next week-end is International Week-End when Forum members are inviting into their homes guests from foreign countries. They will enjoy a supper and party at the church on Saturday, the Forum chapel service when Dr. Peter Shih of the Chinese Christian Church will be the speaker, the various homes, and an International Tea Sunday afternoon at 4 o'clock to which the Forum members, their international guests, and any interested adults are invited.

Mr. and Mrs. Robert Kitchin of Charlotte, N. C., formerly of Winchester, are the parents of a daughter, Nancy Elizabeth, born January 21, at Charlotte.

CANDIDATE FOR DEGREE

Ralph B. Coon, son of Mr. and Mrs. James H. Coon, 12 Brookside street, is a candidate for a baccalaureate degree at Syracuse University's 2nd commencement January 29.

Coon is scheduled to receive his degree from the College of Liberal Arts where he has majored in mathematics. He is a member of Theta Chi social fraternity, and Men's Student Government and is a graduate of Winchester High school.

Sunday evening shortly after 6 o'clock the Fire Department was called to a home on Governor's avenue to take care of a leaky refrigerator.

CONFIDENTIALLY Mr. Motorist

There's been a lot of MYSTERY about this wheel aligning business—a lot of technical talk about such things as "camber," "caster," "toe-in" and other terms to explain why your automobile steers hard or wears out tires as fast as you can buy new ones. We don't believe in ghosts or mystery stories and that's why we've installed a new John Bean VISUALINER in our Steering Service Department.

The VISUALINER is the first machine we've ever seen that makes driving easier and safer by harnessing beams of light. Checks wheel alignment quick-as-a-flash and projects a "picture" on a screen so that you can see for yourself whether your car needs attention. It's no secret that faulty wheel alignment can cause "wandering," "road weave" and other hard steering symptoms. So, drive in today and let the VISUALINER show you whether your automobile is right for the road.

PARISH PLAYERS GIVE
DRAMA FEBRUARY 9, 10, 11

"Tomorrow the World" will be presented by the Parish Players on Thursday, Friday, Saturday evenings, February 9, 10, 11, in the Little Theatre Beneath a Spire, First Congregational Church, with a special performance on Wednesday evening, February 8, for the

benefit of the Building Fund of the Winchester Girl Scouts. Mr. Harlan F. Grant is directing the play, and Mrs. J. Waldo Bond is chairman of tickets.

In presenting this challenging drama, the Parish Players are joining little theatre groups all over the nation in offering plays that will prove that the theatre today is one of the most potent and

dynamic vehicles for international understanding. Originally, this play was launched at a theatre group meeting conducted by the Panel on Dramatic Arts of the United States National Commission for UNESCO last spring. One of the plays recommended as "an instrument for the promotion of good human relations" is "Tomorrow the World." But more than a play to combat prejudice, "Tomorrow the World" is a splendid drama which will please the audience each night, with an excellent cast and fine direction.

Marshall R. Pihl, Jr. plays the role of "Emil," the German boy, and Dr. Eugene M. Pollard is "Professor Frame," the brilliant but whimsical mid-Western professor who adopts the boy. His daughter, Pat, will be played by Brenda Rowe, and his fiancée is portrayed splendidly by Mrs. Dorothy Ann Mauger. Mrs. Lenore T. Gamage is the sister, and Peter T. Gamage

has a role in the same production with his mother. Also in the cast will be Mrs. Rita Fernald, Robert P. Blake, Terry Tallman, and Daniel F. Blanchard.

Mrs. George E. Connor is chairman of production, and Mrs. J. Waldo Bond and Mrs. Harrison B. Simpson are in charge of tickets for Thursday, Friday and Saturday evenings.

On Wednesday evening, February 8, the cast will present a special performance of "Tomorrow the World" for the benefit of the Building fund of the Girl Scouts. On that evening, the Scouts and their friends will have the entire hall, and a committee is now planning to make the evening a gala as well as profitable one for the camp fund. Mrs. Clarence Roberts, WI 6-1074, or Mrs. G. W. Cary, WI 6-1480, have charge of tickets for this special performance, at the usual rates.

FUEL OIL — Automatic degree-day, metered delivery.

OIL BURNERS — The finest built. Burn the lowest cost, heavy oils.

NIGHT & DAY SERVICE — Most economical and Prompt.

DR. MARIAN W. ROPES
SPEAKS TODAY AT WDA

Dr. Marian W. Ropes, associate physician at the Massachusetts General Hospital and distinguished member of the "Arthritis Group" at that hospital, will speak this afternoon (Friday) at the annual meeting of the Winchester District Nursing Association, to be held at the home of Mrs. William Spaulding, 379 Main street. The meeting will open at 2 o'clock preceded by dessert and coffee at 1:30 o'clock. The public is cordially invited.

Dr. Ropes' subject concerns the present conception and present treatment of arthritis, showing it in all its forms and types, telling her audience of the known treatments today.

Mrs. Vincent Farnsworth, Jr., will preside at the business meeting, with reports from the secretary, Mrs. Edward R. Grosvenor; the treasurer, Mrs. William Spaulding; the executive director, Mrs. Jane Lord; and the nominating committee, with the slate of officers and members to be voted on for 1950-51. Mrs. James Coon is in charge of the dessert.

REHEARSALS IN FULL SWING

Under the sponsorship of Rev. John P. O'Riordan, Pastor of St. Mary's and Rev. Francis O'Neill, C. Y. O. Director, the 4th annual show for the benefit of the youth of the Parish looms as perhaps the best yet with a well balanced cast of young people and groupings. The Chorus is composed of some of the members of the Young Men's Choir, members of the Boys and Girls Junior Choir and others. Recently these choirs have been in the limelight. The Young Men's Choir, under the direction of Dr. Anthony Camuso, has been singing at Church Services and the Junior Choir recently won 1st prize in competition on a radio program. Sister Lelia, of St. Mary's Convent and School, is Director of these younger singers.

Some of the performers are as follows: The Four Johnsons, acrobatic dancers, deluxe; Dorothy Hickey, singer; Maureen and Sheila Cullen, singers; Nevet Purinton, accordionist; Dixieland Jazz Band; Kay Parker and Barry Grace, dance team; Marguerite Derry, tap specialist; Richard Port, radio singer; Dan O'Donnell, Scotch comedian; Mary Lou Rotundi, toe dancer and many others with the End Men and Interlocutor being members of St. Mary's Holy Name Society and the local Council, Knights of Columbus.

The Minstrel Show will be presented twice with the first performance scheduled for Saturday afternoon, February 18, at 2:00 p. m. for children at a special price for them. Groupings who attend will be obliged to pay the groupings charge. It is hoped that all children who can do so will attend the Saturday show to leave Monday's performance for the adults. This latter performance will take place on Monday evening, February 20th at 8:00 p. m. The task of coordinating all of the various committees is the job of Mr. Frank P.

ASKS AID IN STATE TAX PROBLEM

The Massachusetts Special Commission studying the problem of taxation in the Bay State is asking anyone interested to assist in the effort to arrive at a just and equitable system of taxation by sending in to any member of the commission suggestions for improvement in the present system, or by acquainting its members with any phases of the system as it now operates which are objectionable.

There are 22 important state and local taxes collected in Massachusetts, the State collecting 18 of them and the cities and towns, four. In all these taxes yield about \$567,000,000 yearly, and of this amount taxes on property contribute \$342,000,000. Next in order are taxes on business, \$92,000,000; taxes on commodities sold, \$68,000,000; taxes on personal income, \$41,000,000; taxes on inheritance transfer, \$10,000,000 with miscellaneous taxes accounting for \$11,000,000. These are round figures. Exact totals in the various brackets are higher.

The major portion of the tax on property is contributed by real estate, \$298,000,000 of the total \$342,000,000 being contributed by real estate alone. Big items under taxes on business and privileges are: the tax on income and capital which amounts to \$65,000,000 and motor vehicle license fees amounting to \$11,000,000. The insurance tax is next in line with a yield of \$8,000,000, and others in the business bracket yielding over the million mark are the utilities franchise tax, \$4,000,000; and the tax on commercial banks and trust companies, which yields \$1,500,000. Taxes on personal property bring in \$29,000,000 and excise taxes on automobiles, \$15,000,000.

Gasoline taxes bring in nearly \$24,000,000, and the tax on intoxicating liquors, \$18,500,000. Cigarette buyers pay in \$21,000,000 and buyers of meals over a dollar, \$5,000,000. This last item brings in more than the poll tax, which yields just short of \$3,000,000.

The commission studying taxation in Massachusetts is asking everyone where they fit in the picture partially outlined above. How does it affect YOU. Are you as an owner of real estate being squeezed, as a business man being hampered by heavy taxes, or as a consumer paying too much of your daily living dollar in taxes.

Everyone is invited to write in his views to the Commission, the members of which are Senator Richard I. Furbush of Waltham, chairman; Rep. Hollis M. Gott of Arlington, vice-chairman; Norman MacDonald of Newton, secretary; and Senator William D. Fleming, Worcester; Senator Ralph C. Mahar, Orange; Senator William E. Nolen, Hopedale; Rep. Joseph A. Asperio, Worcester; Rep. Michael J. Batal, Lawrence; Rep. Clarence Karelitz, Haverhill; Rep. Arthur E. Mahan, Leominster; Rep. Gabriel F. Piemonte, Boston; Rep. H. Edward Snow, Natick; Rep. Theodore Vattses, Melrose; Carroll F. Hall, Groton; John E. Rogers, Milton; and Leo P. Senecal, Chicopee. Joseph P. Healey is executive director of the Commission with Troy R. Westmoreland of research and Dr. John F. Sly, consultant.

LIBRARY NEWS

Hospital Library Service

The home of the Winchester Hospital Library is on the third floor of the hospital and is furnished with two bookcases and a large book truck. The two bookcases house about two hundred books which stay at the hospital permanently. These are supplemented frequently by books from the Winchester Public Library, so that the collection changes constantly. With funds provided by the En Ka Society the librarian in charge of the hospital service purchases about eighty new books each year. As the books become worn by use or dated they are weeded out because, as with anything else, the physical appearance of the library is an important item.

An average of about 1,200 books are circulated each year. This figure, however, seems unimportant compared with the grateful thanks received by patients who very often say: "I have been waiting for the library to come all day - reading makes the hours go by more quickly." With the help of several En Ka members, the hospital librarian is able to carry on the library service twice a week, rather than just once a week. This schedule has proved very successful, as a patient may not feel up to reading on a particular day, but will welcome books in a few days.

Plastic book covers to go over the book jackets of books are now in use at the hospital. These not only keep the books looking fresh and new, but also should prove valuable in keeping the books from being stained by water glasses, etc. This library service is one of the many fine services of your Public Library. Reading is one of the therapeutic measures applied to doctors for a more rapid and satisfactory recovery of patients. With this in mind, we feel that it is an extremely worthy cause, and we hope to improve and enlarge each year.

Library movies this week, Friday at 7:30 P. M. (Family Night) and Saturday at 10:15 A. M. (for the children):

MEDICAL AUXILIARY MET

The January meeting of the Women's Auxiliary of the Middlesex East District Medical Society was held on Thursday, January 19th at the Bear Hill Golf Club. Dr. Solomon, president of the Commonwealth of Public Health of the Commonwealth of Massachusetts gave a very interesting, and how many channels it must go through before it is finally passed and voted on.

He also stressed the importance of writing to your representative and giving him your ideas on the bills being discussed. The representatives of your district are there to represent you.

Please note these dates, January 29th at Jordan Hall, Boston.
Dr. Condon and Dr. Frothingham will give a talk on Socialized Medicine, March 2nd at Mr. Auburn Hospital, Cambridge, Mass., Dr. Marion Van Waters will give a talk.

PUPILS ATTENDED CONFERENCE

Pupils from the Lincoln and Mystic Schools in Winchester with their teachers attended Boston University's third annual science conference sponsored by the School of Education at the Charles Hayden Memorial Auditorium in Boston last Friday. Prof. John G. Read of the faculty was chairman of the conference.

Pupils from the second grade at the Lincoln School, Alice Green, Jon Horvath, Lawrence Post, Jr., and David Lindsey, attended with their teacher, Margaret Harkins. Frances A. Doherty, kindergarten teacher at the Mystic School, and Esther Laughner, teacher, brought Deborah Nichols and William Edges.

Attractive plastic bridge table covers only \$1.00, at Wilson's Stationer, Star Building, 3 Church Street.

ARCHIBALD MACLEISH

TO SPEAK IN BOSTON

Archibald Macleish, internationally-known statesman and poet, will speak in Boston on February 2, at 8:30 p. m., at the First Church in Boston, 64 Marlborough Street. His subject will be "The Crisis of the Individual." He will also read some of his poetry.

LEAGUE DISCUSSES NATIONAL BUDGET

The League of Women Voters held the 2nd of 11 meetings on the Federal Budget in the Art Gallery of the Library on January 19th at 10:15 a. m. Mrs. Horace Abbott, chairman, introduced Dr. Carl Zimmerman, husband of the League's able membership chairman, and the well-known professor of Sociology at Harvard and author of two outstanding books, *The Family and Civilization* (1947) and *The Family of Tomorrow* (1949), who she told how keenly the League appreciated his giving some of his time and how fortunate the League was to hear a speaker of such authority. He spoke most interestingly on the Agricultural Aspects of the Federal Budget; an agricultural, as well as an industrial and social, revolution is going on and many measures, such as subsidies, put forward by the Budget, are a part of this revolution. An outstanding example is the support of butter and the taxation of oleo; the price of butter has risen so that the reach of the average family's pocketbook and oleo, as healthful as butter should replace it. Women consumers can be a strong force to help this situation; they should protest to their representatives.

Mrs. Guy Livingston then told what the Hoover Report recommends for the Post Office Department. It now operates at a deficit, a situation which is not new, but the report points out how it can be streamlined so that it will be self-supporting. The Postmaster General, in reply to a letter it was in favor of most everything the Report recommended.

The next 2 meetings on the Federal Budget, to be held at the same place and time, will deal with Taxes and Expenditures, February 2nd, and the reports of the different Economy Blocs, February 9th.

BOOK TALK BY MRS. ERSKINE, FEBRUARY 1

Mrs. Margaret Erskine, Reference Librarian at the Winchester Public Library, will present a "Book Review" at the meeting of the Business and Professional Women's Guild, First Congregational Church, Wednesday evening, February 1, at 8 o'clock in the Ladies' Parlor. This meeting is open to all women.

With so many challenging books in print today, and with new books pouring from every press, the reader is often at a loss to know just what he should read, what will be most interesting and profitable. For business women who must budget their reading time, a discussion and review of some of the most current books, fiction and non-fiction, will be helpful as well as enjoyable, and a coffee hour will follow. This book talk and book review on Wednesday evening will interest all women. Miss Emily Greene will preside, and a coffee hour will follow, under the direction of Miss Helen Monroe.

Mr. and Mrs. William M. Selberg are now living at 14 Robinson Park, Winchester, having sold their home at 8 Marchant road.

WINCHESTER HOSPITAL NOTES

For several months architects and engineers have figuratively been taking Winchester Hospital apart, from ridepole to foundation stones, to discover what it is really made of, and how much of it can be put into the enlarged and modernized hospital. Some of its parts are incorporated into the new building with little change, other parts are worn out or ill-adapted to be combined with the new units and must be replaced. As would be expected, much of the piping and wiring falls into this latter category.

All this study and appraisal has led us to think beyond the materials of the hospital to its human elements—its employees who are as truly a part of the hospital as the stones, pipes and wiring. Without these men and women, the hospital would be useless to the doctors, nurses, and their patients whom it serves in the face of disease. On making a few inquiries, we have come upon the astonishing fact that there are several employees who have served the hospital from eighteen to twenty-five years, and who are still vigorously at work in important positions. Thumbnail sketches of these employees reveal something of the loyalty which they represent, and reflect credit on the hospital which has held them.

On November 23, 1925, Head Engineer Edward F. Hart entered upon his duties, and two days later earned the steam heat into the pipes of the Nurses' Home which had been moved down the hill from Highland Avenue. Since that time he has remained in charge of the supply of power, water, gas, and electricity to the constantly enlarging hospital, with a staff

which now includes three daytime senior appointees, one junior, and a night engineer.

When Mr. Hart became hospital engineer, Miss Leah McIntosh (now Mrs. Grimes) was already in the hospital office, where she has carried capably a variety of office responsibilities, including that of medical librarian, admitting officer, and assistant treasurer. She has a wealth of information about the hospital's past, even while she is an active part of its busy present.

In March of 1929, Miss Katharine Lynch joined the housekeeping corps, and has been in charge of the linen supply for these twenty years. Within that period the yearly admissions of patients has increased from 1,200 to more than three times as many, and the annual total of linen pieces used has reached the astonishing figure of 415,000 (i. e., a daily issue of approximately 1,140 pieces).

A mainstay of the care of buildings and grounds since August, 1930, has been Ernest Fitzsimmons, whose abilities range from gardening to painting and cabinet making, and who has a fine sense of personal responsibility for the hospital's material welfare.

Basic in the Hospital's reputation for good food is the long-time service of Mrs. Annie Gaynor, head cook, whose service began in 1931. (We brighter cooks are there than that worn by a good cook?) Near this same date, Annie Gillespie joined the ward maids corps, where she is still one of those workers so likely to be overlooked when appreciation is being expressed.

This glance at the Hospital's past and its present is limited to the non-professional employees. They

are a very important part of the Hospital's resources, and without them it could not function satisfactorily. When we realize that there are a number of other employees who have been at the Hospital for ten to sixteen years, our confidence in its stability is strengthened.

COLORFUL AUTOMOBILE PLATES

All the colors of the rainbow are featured on this year's license plates, according to the Boston Automobile Club, AAA affiliate, which cited the American Automobile Association's annual survey of state motor vehicle registration and license laws.

Colors running the length of the spectrum include: chrome yellow, royal blue, bright green, lemon yellow, silver, cream and straw. Brightest plates in the nation are Nevada's silver on blue, black on lemon yellow for Ohio, blue on orange for Florida, and gold on black for Indiana.

In contrast to these exuberant hues are the more sober license plates used by motorists in New England. Combinations of black and white plates are used in Maine, Massachusetts, Rhode Island and Connecticut, which has black on heeled aluminum. Vermont and New Hampshire are a shade gaudier with white on green plates.

Other plates you may see touring the Bay State are: District of Columbia, chrome yellow on black; New Jersey, black on straw; New York, orange on black; North Carolina, gold on black; Pennsylvania, yellow on blue; Louisiana, yellow on royal blue; Nova Scotia, gloss black on light gray.

WYMAN SCHOOL NOTES

Last weekend sixteen representatives of the fourth, fifth, and sixth grades journeyed to Peterboro, New Hampshire, for two days of winter sports. All the children enjoyed the trip immensely, and many more are signing up for the trip scheduled for the weekend of February 3. These trips are made possible by the Sargent School.

On Tuesday, January 24, at eleven, Helena Hatchell's fifth grade will present an assembly to climax their unit of study, early explorers, in American, English, French, Dutch, and Spanish explorers will be portrayed in "An Explorer's Fantasy."

For the next two weeks, all the children will be kept busy trying to fill the Junior Red Cross gift boxes to be sent to children overseas. The boxes will be filled with small, inexpensive toys and useful articles, such as erasers and pencils and sent abroad as part of a yearly project.

Note: A similar project is being undertaken in each school.

SELECTMEN'S NOTES

The following were drawn for jury duty, to report at Cambridge on March 6th:

Frank W. Horne, 6 Reservoir street — 1st session Civil.

Thomas T. Jones, 10 Chesterford road — 2nd session Civil.

The Board is working with the Metropolitan District Commission in an effort to have the parking area at Wedgemore Station enlarged and has submitted sketches which will in no way interfere with the landscaping and will not be objectionably visible from the Parkway.

MUSICAL FAVORITES OF LEGISLATURE TO BE ANNOUNCED

Most people in Winchester know how our representatives in the General Court, Senator Harris S. Richardson, and Representative Harrison Chadwick, feel about municipal economy, but we soon will also have such vital information about our solons as what are their favorite pop tunes, thrushes and bandleaders.

This information will be released to all constituents this afternoon at 4 o'clock on Roy Clayton's "Boston Ballroom" over Station WHDH. The law-makers' ten favorite songs, male and female vocalist, orchestra and all time favorite song will be announced by Senator John E. Powers, of South Boston, along with Senator Richard Furbush, Waltham; Rep. William Carr, Boston; Rep. William DeSaunier, Lowell; and Edward J. Cronin, Secretary of State, from Chelsea.

As we understand it the favorites announced will be general choices, and this is just as well, for neither Harris nor Harrison liked "Rudolph the Red-Nosed Reindeer" their popularity might slip a cog in Winchester!

ASSISTED AT WOBURN FIRE

The Winchester Fire Department answered the alarms from Box 46 and 47 in Woburn at 4:40 yesterday morning under the mutual aid system. Engine 3 with a crew under Captain Ray Hanson went to Woburn and covered in at Headquarters there while Woburn apparatus was fighting a fire in the house and Nelson Woodworking Mill on Salem street. The Winchester crew returned to quarters at 6:30.

WINCHESTER GARDEN CLUB

Mrs. Frank H. Knight was hostess for the Winchester Garden Club, Thursday, January 26. The mid-winter day was like a Spring day—the hostess presented in her home a theme of Spring in flower arrangements and appointments to complement this ideal day. The long serving table was gleaming with its choice silver service and Royal Doulton of silver and pink. This color-scheme was evident in the two silver candelabra with its pink twisted candles; also on the table were choice miniature birds of Royal Doulton. Blending into this harmonious Spring-theme was a creative arrangement of Scotch heather, pink and white sweet peas with fern in a silver bowl. Mrs. William H. Gilpatrick poured.

Mrs. Herbert T. West's table setting for this month was a dramatic Valentine Day setting. An unusual arrangement of white freesia, anemone, sweet peas, red and white variegated carnations, pussy willows and huckleberry in a crystal container was in the center of the table. Red-tinted covered cigar, cordial and match pack were at the left and on the right were red hearts and red colored orange peel in miniature containers. Italian linen was used with a service plate of Royal Doulton, silver and water glass. A red heart with "Winchester Garden Club" lettered on it was the unique place card. A small red heart rested on the napkin. Two ballet dancers of crystal were in front of the service plate with strings of tiny hearts on their arms.

Mrs. William W. Goodhue, president, presided at the business meeting. Miss Mildred Stone gave an interesting report of our Christmas gift project. Mrs. Willard Hudson, Program Chairman, gave notice that Mr. Alexander Heimlich will speak on "Rock Gardens" at

the February meeting, substituting for Dr. Peter De Jager. The president, in behalf of the club, welcomed Mrs. Frederick A. Russell who has just returned from England. A greeting came from Mrs. Burton Gale, an honorary member, to the members of the club. Mr. Norman W. Butterfield, the speaker for the afternoon gave an illustrated lecture on "Annals for Your Garden." Mr. Butterfield is Research Professor of Floral Culture at the Waltham Field Station and an authority on this important subject. He stressed the fact that nature is one of the best things to give good health. The illustrated lecture on "Annals for Your Garden" are heavy feeders. He presented "step by step" the preparation of the soil, the planting and care, demonstrating the procedure by use of a small seed flat. This informative talk brought many questions from the members and personal garden problems were solved.

The pictures of rows of Annals with their varied hues added a poetic note in this very illuminating discussion on a mid-winter Spring day.

CUB PACK ONE

The first pack meeting of the newly organized Cub Pack One was held at the American Legion Hall, Tuesday, January 24 and was under the direction of Cubmaster Larry Burke and assistant Cubmaster Tom Jones. Vice-Commander Lester Gustin, Jr. of the American Legion spoke briefly to the Cub Scouts. The pack with two flags which were given by the Winchester Rotary club, Mr. MacFadyen, Scout Field Executive, and Robinson S. Whitten, Scout Neighborhood Commissioner, were present.

Cub Chief Guerry Eaton led the pack and the following Cub Scouts received their Bob Cat awards which were pinned on by their mothers:

Den 1

Ronnie Burke
John Burnham
Jamie Downes
Jack Gibbons
Andy McFarland
Dick Scott
Bob Watkins
Lester Whittaker

Den 2

Bill Burrows
Carl Mias
Lou Meade
Dick Lewis
Bill Silley
Chris Simpson
Billy Wilson

The Cubs sang their favorite songs, Cookies and Triads were served for refreshments. Every Cub was represented by a parent in spite of the stormy weather.

HON. EDWARD C. STONE TO ADDRESS WOMEN'S REPUBLICAN CLUB

The Women's Republican Club of Winchester will meet at the Masonic Hall on Wednesday, February 8, at 2:30 p. m. The president, Mrs. J. Stanley Barnes, will preside. The Hon. Edward C. Stone, Senator from the Cape and Plymouth District, will speak on the subject "Some Little Known Facts about the Gettysburg Address." Senator Stone was born in 1878 in Lexington where he went to school. He graduated from Boston University Law School in 1900. He was a member of the law firm of Sawyer, Hardy, Stone and Morrison from 1908 to 1948, and was active head of Employers Group Insurance Companies from 1924 to 1947. The Insurance Brokers of New York gave him an award for outstanding work in 1944, and he was chosen man of the year in Insurance in 1945. Boston University presented him with an honorary degree, Magna Cum Laude, in 1944.

He is an ex-president, and a present member, of the Salvation Army Advisory Board. At the present time, he is also a vice-chairman of the Board of Trustees of Boston University and a member of its executive committee.

He served one term in the General Court, 1907 to 1904, as representative from Lexington. He was elected to fill an unexpired term as Senator from the Cape and Plymouth District in February, 1948, and was re-elected to that office in the 1948 election. His chief interest as Senator is "Conservation."

A reception will be held after the meeting for Senator and Mrs. Stone. Mrs. Robert B. L. Singer and her very able committee will serve refreshments. Mrs. John W. White, daughter of Senator Stone, and Mrs. Horace P. Abbott, Jr., will be the pourers.

BROTHERHOOD TO HEAR MR. SWANSON

The men of the First Baptist Brotherhood will hear Mr. Martin S. Swanson at their regular Sunday morning meeting in the Social Hall of the Church at 9:30 o'clock, February 5th. All men are invited.

Some time last Friday night a Ford radio, valued at \$69, was stolen from a 1948 Ford sedan at the Winchester Motors lot on upper Main street. The Police were notified.

ANNUAL MEETING OF DISTRICT NURSING

Mrs. Henry Moffette
New WDNA President

Mrs. Henry E. Moffette was elected president of the Winchester District Nursing Association last Friday afternoon at the Association's annual meeting, held at the home of Mrs. William E. Spaulding, 379 Main street. Mrs. James Coon was named vice-president. Mrs. Richard J. Johnson, recording secretary. Mrs. Leo V. Manoli, corresponding secretary. Mrs. William E. Spaulding, treasurer. Miss Helen Monroe, assistant treasurer.

The complete slate of WDNA officers for 1950 is as follows:

Finance Committee
Mrs. Helen Monroe, chairman
Mrs. Mary E. Dunton, Jr.
Mrs. Harry E. Moffette, Jr.
Mrs. Mary E. Muffin
Nursing Committee
Mrs. Gay P. Livingston, chairman
Mrs. Alexander P. Aiken
Mrs. Charles Greene
Mrs. Ward E. Thompson
Educational Committee
Mrs. Richard J. Johnson, chairman
Mrs. William N. Rogers
Mrs. Theodore P. Browne
Mrs. Virginia Harmon
Publicity Committee
Mrs. George E. Connor, chairman
Mrs. George W. Baker
Mrs. John C. Willis

Reports Given

Mrs. Jane Lord, executive director, presented her annual report which told of the local district Nursing Association's fifty years in the community, of its present service and of the many aids given to the nurses by local organizations and groups. Mrs. Vincent Farnsworth, retiring president, spoke on the year's work, and Mrs. Edward R. Grosvenor, retiring secretary, gave her report -- as beautifully written and excitedly told as any report -- which embraced the activities of all the committees for the year. Changes in the by-laws, affecting the public relations committee, nominating committee and medical and business advisory committee, were adopted.

The business meeting followed a delightful luncheon and coffee hour served by Mrs. James Coon and her committee.

Dr. Ropes on "Arthritis" Dr. Marion W. Ropes of the Massachusetts General Hospital, member of the Arthritis Group there, presented a very challenging talk on "New Developments in Arthritis." Her audience listened with keen personal interest and showered her with questions at the close of her talk, for the disease is one common to many, and one of which little is understood.

Patients from 8 months to 88 years have, to Dr. Ropes' knowledge, had arthritis. In telling of the disease, Dr. Ropes made one point again and again -- "that the picture for arthritis sufferers is not discouraging, not hopeless" -- in view of present day treatment. She scorned the idea that "nothing can be done if you have arthritis," an idea so commonly held by many doctors and many patients.

Arthritis, an actual infection in the joints, is common today, she stated. "Rheumatoid arthritis is 4 times more common today than 12, 12 times more common than cancer. It causes more loss of work than any other disease -- yet it does not cause death. It varies from slight stiffness in the joints to actual crippling. It starts slowly -- first becoming evident in loss of weight and fatigue, then stiffness, and it comes upon one at a time of lowest resistance. Arthritis may involve the eye, heart and liver -- but contrary to the prevalent belief it does not progress to a bitter end. It does heal, although it may take years and years.

"Arthritis comes in cycles, each one less severe," Dr. Ropes went on to say, cautioning patients not to be "too quick to try every cure friends might recommend." The many "cures" of today, such as sulphur in shoes, copper bracelets, snake venom, etc., are only myths. Treatments with gold have not been wholly disproved, but they are expensive, often dangerous.

"Conservative treatment for arthritis includes bed rest, emotional rest, exercises in bed to flex the joints in the joint. Deformities in joints are due to tightening of one group of muscles, relaxing of the others.

"As to diet -- no food is harmful to an arthritis patient. If that food agrees with him generally. Nor is any food especially beneficial. Other than it helps him as a whole.

Dr. Ropes expressed the fervent hope that one day soon, there would be decent facilities in hospitals for arthritis patients, for bed rest is a first and vital step in the treatment. Today, there are no facilities for this treatment, no beds available except occasional ones here and there. There are no facilities for experiment in the disease, and no funds for it. Nor are there any provisions for rehabilitation of arthritis patients who should be using their muscles and learning while recuperating. She looked forward to the possibility of a new state hospital, which would have about 200 beds for arthritis patients.

Hormones -- much discussed in magazines these days -- as treatments in arthritis cases, were explained by Dr. Ropes, particularly cortisone and ACTH. She stated that after or in conjunction with medical science feels that these drugs are valuable. But they are not the whole story, and if the treatment is stopped, the effect they produce does not last. We feel it will be months, years before a real cure for arthritis is discovered.

HEARD OVER LAWRENCE STATION

Miss Maureen Cullen, daughter of Mr. and Mrs. John P. Cullen of 284 Cross street, has heard Sunday afternoon on the "Opportunity Hour" over Station WLAW in Lawrence.

Many Winchester friends of Maureen heard her performance of the favorite "Danny Boy," which to judge by the applause was the most popular of any of the numbers presented.

Maureen has sung often in Winchester at concerts, entertainments and at church. Among her admirers are the Maureen and members of the "family" at the Home for Aged People where the talented Maureen and her small sister, Sheila, sing at a Christmas party each year. Maureen was happy to know that her friends at the Home were listening to her on the air last Sunday.

HOME CHURCH GUILD OF THE FIRST CONGREGATIONAL CHURCH

The Home Church Guild will meet at the First Congregational Church on Tuesday, February 7th, at 2:15 p. m. Mrs. Frank H. Knight, Director of the Guild, will preside, and Miss Margaret M. Copland will conduct the devotional period.

Miss Eleanor Anfanitic, director of the club of the high school, will present the High School Octet in a musical program. Mrs. Margaret Reed will be the accompanist and Miss Dorothy Brandt, a member of the Senior Forum, will act as soloist. Other members of the Octet are Shirley Cary, Joan McFarlane, Jamie McArthur, Fay Carroll, Nancy Dove, Phoebe Greenwood and Rebecca Jackson. Tea will be served by Mrs. William L. Martin and Mrs. Loring Nichols.

VETS COMMENCE PARTIES FOR CHILDREN

Aberjona Post 3719, V. F. W. activities are picking up since the opening of its new quarters at the corner of Arthur and White streets. On Friday, February 10th a

whist party will be held in the knotty pine room and a cordial invitation is extended to all to attend. The Committee in charge will be helped toward what is hoped to be a weekly party by Mrs. Wilson, mother of George Wilson, who is an old hand at card party functions.

On Saturday morning, February 11, at 9:30, also in the knotty pine room, the Post will hold a party for all children. This party will take the place of the Christmas party the Post had to forego this year for lack of quarters, and is not limited to children of members but to all children able to attend. Arrangements have been made to have movies which will include comedies for children and also a color film from the New England Confectionery Co. showing the processes of manufacturing candy. This film has been a hit with children all over. An appropriate

seasonal memento, plus refreshments, will bring added pleasure for each child.

On February 11 and 28 regular business meetings of the Post will take place. On February 14 nominations for officers will be the order. On February 28 State Department Service Officer Williston will be present to offer advice on any Veteran's problem. A member of the School Committee Building projects will also address the Post. Arrangements are also being made to show a film which depicts the scenery in Europe taken by a GI who returned to the Continent and filmed the places to which "Uncle" had taken him. Seeing this film on February 28 will be a treat for every vet.

March 21st has been designated as the night the Post will hold its first social night, details of which will be headlined later.

The woman's wrist-watch picked up on Thompson Street last week by School Superintendent Forbes H. Norris was claimed Saturday evening at Police Headquarters by the owner, Mrs. Elena Bergstrom of 28 Pine Ridge street, Medford.

Winchester BOY SCOUT NEWS

WINCHESTER DISTRICT MONTHLY MEETING

The following Scouters attended this monthly meeting at Scout Headquarters at South Borden road on Wednesday, January 18th at 8 p. m. with coffee and doughnuts served afterward: Scout Executive Ed Nelson; District Chairman Ben Gowen; Staff Rogers, Leaders and Training and Explorers; Elmer Ripley, Park 7 Baptist Church; Sy Bingham, Chairman of Cubbing; Oleott Hooper, Scoutmaster, Troop 1, Baptist Church; Al McDougall, Chairman of Committee, Troop 1, St. Mary's Church; George Thompson, District Commissioner; Lynn Barnham, Committeeman, Troop 3, Congregational Church; Phil Savage, Chairman, Cubs, Pack 12, St. Mary's Church; "Doc" Millen, Scoutmaster, Troop 4, Baptist Church; Capt. Atken, Sam Ward Ship 6 Committee; Ed Hitecock, Skipper, and Bob Hitecock, Mate, Ship 6, Rotary; "Doc" Spinnery, Troop 3, Congregational Church; Committee: Jack Aubrey, Leadership and Training, and Vin Echard, Winchester Publicity. This was the regular Scouters and Cubbers Round Table and discussions took place on many items such as the forthcoming "Valley Forge" Jamboree in the summer, the extended trips which Staff Rogers conducted last summer to The White Mountains and Mt. Katahdin, the plan to have scouts and cubs wear their uniforms to school during Scout week, February 6th to the 11th, the May 20th parade, and many other topics, with Veteran Scouters Staff Rogers urging all leaders of troops to take the training course which headquarters offers at no obligation. It is essential, many Troop and Cub Pack problems were discussed. It was a highly enjoyed meeting.

On Saturday morning, January 28th Senior Patrol Leaders Thomas Gallagher and Robert Thorne and First Class Scout Laurence Erhard went into the C. Y. O. Headquarters on Commonwealth avenue to take part in an oral examination which culminated their efforts of the past several months toward earning the

"Ad Altare Dei" Catholic award of Scouting. Over 200 boys from the entire diocese of Boston and vicinity took the examination, bringing affidavits of the many tests and projects which they had undergone or completed as required. On February 12th these boys will convene at the Cathedral in Boston to be officially presented with the award they have won by Archbishop Cushing himself, in a special ceremony with the scouts to be escorted into the office by the Degree Knights of Columbus.

For a change we can report an event near home, a news item which the local papers carried but which some of you readers may have missed. It concerned the rescue of a young boy by two Scouts.

The rescue was effected after a youth had fallen through the thin ice in Waldo Pond in Brockton. Scout Stanley Gould sat down with the blades of his skates dug into the ice while his pal, another Scout, Robert Sherren, age 13, stretched out on his stomach and held his hockey-stick outstretched to rescue Daniel O'Connor, a near tragedy victim. One previous attempt at rescue sent Scout Sherren into the water with Scout Gould luckily being able to fish him out. The boys moved further away from the ice. Right boys? The Scouts mentioned above were from Troop 16 of the Franklin Methodist Church.

James B. Willing, 16 Ledyard road, has been appointed to the committee on credentials of the American Institute of Accountants, national professional society of certified public accountants. The appointment was announced at Institute headquarters in New York City. A graduate of Dartmouth College, Mr. Willing is a partner in the firm of Patterson, Telle and Dennis in Boston.

CIVIL AIR PATROL NEWS

Appointment of Air Chaplain Lt. Colonel Robert C. Taylor, a survivor of the Bataan Death March as National Chaplain of the Civil Air Patrol was announced by Major General Charles L. Carpenter. This is the first time the Civil Air Patrol, Auxiliary of the U. S. Air Force, has had a regularly appointed chaplain.

The appointment presages creation of a nationwide organization of voluntary air chaplains throughout the Civil Air Patrol. While Colonel Taylor will maintain permanent headquarters at National Headquarters of the Civil Air Patrol in Washington, D. C., he plans to spend a great deal of time with the various wings, or state units of the C. A. P.

One of his first projects will be to visit each of the 52 wings in Continental United States, Alaska, Hawaii and Puerto Rico to arrange for the selection of a chaplain at each wing, usually a local pastor with wartime experience.

The new C. A. P. chaplains will have similar duties to those performed by the chaplains of the regular Armed Services. Their province will be the spiritual and moral welfare of senior and cadet members of the C. A. P. both at home and in the case of the cadets, while away from home at summer encampments or on one of the various trips which are part of the C. A. P. routine, such as trips to drill competitions, or on exchange trips to foreign countries.

As a chaplain in the 31st Infantry, Philippine Division, Colonel Taylor took part in the Bataan Death March, and remained with the troops in the hands of the Japanese until they were freed. He was in the Philippines with the detachment, and only one other chaplain reached Japan alive.

Colonel Taylor was born in Henderson, Texas. He was graduated from Baylor University, Waco, Texas, and attended the Southern Baptist Theological Seminary at Fort Worth receiving his degree of Doctor of Theology in June, 1939. He entered on active duty as a chaplain in the United States Army, September 1, 1940, with duty at Barksdale Air Force Base, Shreveport, La. He was transferred to the Philippines in May, 1941, and served with the 31st Infantry until Pearl Harbor.

He was in the Mukden Prison, in Manchuria, at the time of liberation, in 1945.

Since returning to the United States in November, 1945, he has held assignments as Air Chaplain with the Air Training Command, Barksdale AF Base and Mater Air Force Base, and Headquarters Air Materiel Command, Dayton, Ohio. Colonel Taylor deeply regrets the loss of two of his most faithful members, Lt. Lillian Vander Car of American Plain, who is in training in San Antonio, and the young W. A. F. and Staff Sgt. Gloria W. Hayes, who is in training at the Household Nursing Association of Boston. The flight wishes good luck and all success in the days to come.

The Cadets attending Medford Flight from Winchester are Sgt. Jacqueline Fitch and Sgt. Henri Dellacher.

THREE FIRES SATURDAY

The first of three alarms last Saturday was at 12:45 p. m. for a brush fire in the West Side Wall Field off Brantwood road. At 5:35 there was a grass fire off Parrott street near the Eastern Bell Mill. At 6:15 the Central Station was notified that a truck was on fire on Main street near Chestnut street. Upon arrival the men found the machine was a Dodge sedan, owned by John Farina of North Warren street, Woburn. A short circuit in a battery cable was found to be the cause of the trouble and the fire did little damage.

A Classified Ad in the Star brings Results.

GIRL SCOUTS

A group of the Black and Blue Trail Blazers of the Reading and the Intervale Valley Inn, many of our Senior Scouts, and some of the parents had one of the most successful ski week-ends ever. Nine teen Senior Scouts, as well as five girls had plenty of skiing and fun. Saturday evening ski movies were shown and the girls picked up some pointers which we feel sure helped them and the others on Saturday morning. There being nothing to twenty-four inches of snow up there, and two boys working, our girls had plenty of skiing and fun. Saturday evening ski movies were shown and the girls picked up some pointers which we feel sure helped them and the others on Saturday morning.

Mr. Boun, the "Original Yankee Auctioneer" was here to meet the Auction committee to help in the exposure of several girls who have earned the right to represent us, going to England. Thursday and Friday, Mrs. Metcalf attended the American Camp Association meetings in Boston. One day she will attend special meetings for Day Camp instruction, which should enhance our Day Camp program considerably. Also the Leaders meeting was held at the First Congregational Church on Wednesday with Blanche McGowan of the Boston Recreational Center teaching us new games and dances. It was fun.

Next week, a special meeting will be held at the office of Mrs. Edna Page of Arlington will demonstrate new Brownie crafts at 1:30 p. m. on Tuesday, February 14th, and served with Mrs. Page will work with leaders of Intermediates.

Later in the afternoon, weather permitting, the Junior Camp publicity committee will meet with Mrs. Barbara Metcalf at the Scout Cabin. Every leader is urged to stir their troop representative in there! Girls, the day is Tuesday, the date is February 7th and the place is the Girl Scout Cabin!

On February 10th the girls will be held at the office of Mrs. Edna Page of Arlington will demonstrate new Brownie crafts at 1:30 p. m. on Tuesday, February 14th, and served with Mrs. Page will work with leaders of Intermediates.

On the first Wednesday of each month, the volunteers of the various services in the Winchester Chapter will go into the Center to assist in carrying out the Blood Donor drive there.

On February 11, Mrs. Edward M. Prosser, Mrs. George, Mrs. John Graves and Mrs. Whitely Wright, Gray Ladies; Mr. Kenneth Metcalf and Mrs. Dunbar Standish, Red Cross; Mrs. W. L. Lunnell, Staff; Mrs. George Stark, Mrs. Harriet V. Nutter, Mrs. Hollis Dyer, Mrs. Harry Easton, Mrs. Robert Fowler, and Mrs. George Field, Nurses; Mrs. Ray Mowser, Mrs. Demet Twiney-Tilson, and Mrs. Alan Howard, Gaiters, went into Boston as the first group from Winchester Chapter to staff the Center.

Since the establishment of the first regional blood center at the Blood Donor Service of the American Red Cross in green and giving medical benefits to thousands. All this would have been impossible without the time and talent, the energy and the unflinching hard work of the thousands of Red Cross volunteers who have assisted in this great program.

Why the Kinfergarten? A subject of vital interest to almost all women and especially those with young children and babies, will be discussed by Dr. Forbes Norris when he speaks to the Dr. Mrs. Guild of the First Congregational Church next Tuesday evening. The subject of Dr. Norris' address will be "Why the Kinfergarten?" The Guild will meet in the Ladies Parlor on Tuesday, February 7, at 7:45 P. M.

Because it is felt that there will be a great many who will want to hear Dr. Norris, this will be an open meeting and everyone who is interested in most cordially invited. A social hour will follow the talk. Mrs. Lawrence Palmer, Mrs. Benjamin Gowen, Mrs. Otis Jason, Mrs. Donald H. Lewis, and Mrs. William Mook will serve refreshments.

Last Friday morning Officer Thomas Parsons picked up a Medford boy on Forest Circle, who investigation disclosed was playing "hookey" from school. He was taken to Headquarters and held there for the Medford Attendance Officer.

THE PARISH PLAYERS

will present

"TOMORROW THE WORLD"

a challenging play of our changing world presented in the Little Theatre Beneath

a Spire

Thursday, Friday and Saturday evenings

Elbie Fletcher, Veteran National Leaguer

ELBIE FLETCHER IN ST. MARY'S MINSTRELS

Lending a rare and novel twist to a minstrel show, Elbie Fletcher, veteran Major League ball player, has willingly accepted an invitation to participate in the forthcoming Minstrel Show for the benefit of St. Mary's C. Y. O., to be held at Town Hall on Saturday, February 18, at 2:00 p. m. for children and on Monday evening, February 20, at 8:00 p. m. for adults.

Fletcher, who will appear in the Monday show, came up from the sandlots of Milton and Milton High School to play ball for the Boston Braves and later for the Pittsburgh Pirates. Last Spring when the Braves were beset by injuries they were fortunate in securing Elbie Fletcher again and he played steadily, dependable ball. He batted over 200 most of the season and in team-home-run leadership was second to Bob Elliott who hit 18 homers, with Fletcher's total being 11. His runs batted in was a creditable total also.

Elbie will take part in a skit on baseball and will address the audience which will prove interesting to those who have the interest of the Braves at heart. That this veteran first baseman, recently turned Sportscaster, alternating on WBZ nightly at 6:15 with Rump Hadley on sports in general, will prove interesting is a foregone conclusion, what with his fourteen years of major and minor league experience and fine speaking voice and manner.

Told that this minstrel show was for the benefit of St. Mary's C. Y. O. groups, Fletcher was pleased at the opportunity to take part in the show which will be a well rounded affair including music, dancing, comedy and sports, with both adults and youngsters taking part. Mrs. Leo V. Manoli, hard working ticket committee chairman, is leaving no stone unturned to facilitate distribution of tickets.

GUEST SPEAKER AT SECOND CHURCH

Reverend John William Cook will be the guest preacher at the Second Congregational Church next Sunday, February 5. Mr. Cook is being recommended to the church by its pastoral committee to succeed Mr. MacCallum.

Mr. Cook, who is ordained in the Methodist Church, holds his A. B. degree from Union College, Kentucky, and his S. T. B. from Boston University. He has done graduate study at Southern Methodist and Boston University.

Mr. Cook's pastoral experience has included churches in Cuttyhunk and Whitman, Mass. and Frakes, Kentucky. For two years he has taught Biblical Literature at Wood Junior College in Mississippi.

Mr. and Mrs. Richard W. Wilson (Janice A. Rogers) of Greenwood terrace, R. 1, and Brookline are the parents of a second son, Paul Edmund Wilson, born January 25 at Richardson House. Grandparents are Mrs. Ethel Rogers Limbach of Brookline, Mr. Russell A. Limbach of Winchester and Athol, and Dr. and Mrs. Edmund I. Wilson of Auburndale.

ORIENTAL RUGS

We offer you the benefit of 38 years experience in the rug business in helping you select rugs best suited for your needs. In our choice stock you will find a large selection of Antique, Semi-Antique, and Modern rugs in varied sizes and prices. All rugs have been carefully selected for beauty and quality of workmanship which will add beauty and individuality to your home.

JUNIOR HIGH SCHOOL NEWS

A review of the Home Room Activities at the Winchester Junior High School during the last few weeks shows that every minute of this period counts.

Rooms 102, 103, 204, 301, 302, and 304 have engaged enthusiastically in contests of wits, covering the fields of music, spelling, science, geography, and current events in both the United States and Europe. Whatever the outcome, everyone enjoyed himself and laid plans for "next time."

Rooms 204 and 205 entered into regular group discussions on practical topics related to Responsibility, Honesty, Leadership, and Reliability. Everyone in 303 took part in sharing with the group memories of places he or she had visited. At another time group discussion in 303 centered about "Mobiles in Art."

Room 201 has been carrying on a political campaign for new officers. In the recent Red Cross Drive, the boys competed against the girls; the boys completed a 100% contribution first, so the girls are preparing a Variety Show for the boys.

Students in various rooms have presented interesting entertainment. Edward McLean illustrated his talk on "Important Places in Western Europe" with pictures, maps, and souvenirs. Room 204 has truly enjoyed the piano playing of Jack Willis and the fine singing of Louise Orgettas and Kent Wright.

The entire Eighth Grade participated in a Hobby Show in Room 101. Under the very able chairmanship of Judy Higgins was a very active committee: Bill Kelly, Roxanne Joyce, Barbara Harrigan, Peter Jones, and Sheila Gullivan. Tommy Green and Bill Kelly, as ushers, made it possible for every eighth grader to visit the show and ask questions - all within twenty-five minutes.

Participants and their hobbies were: Stephen Dunn, Electric Trains; Stanley Mullin, Dummy Making; Judy Higgins, Campaign Pins and Stuffed Birds; Bill Kelly, Stamps; Mary Lou Armstrong, Figurine Hobbies; Sandra Wittet, Figurine Roosters; Peter Jones, Leathercraft; Bruce McIntyre, Automobile Folders and Sketches; Florence Newton, Oil Paintings; Polly Kroell, Story Book Dolls; Grace McPeake, Story Book Dolls; Patti Page, Imported Figurines; Roxanne Joyce, Cane; Vivian Bullard, China Kittens; Jane Lynch, Travel Folders and Postcards; Betty Ann Joyce, Hand-made Ear-rings; Sheila Scanlon, Textile Paintings; Eddie McLean, Model Cars and Trucks; Ted Johnston, Model Trucks; Alison Hersey, Statuettes of Horses.

A valuable elbow-knood, owned by Alvin G. Smith of Everett road was struck and killed last Friday afternoon on Main street near the Junior High School by an automobile driven by William A. Sullivan of Rogers avenue, Billerica. Sullivan notified the Police of the accident.

Mr. and Mrs. Guy F. Merenda of 65 Nelson street, with their son, Robert, leave Saturday by motor for a month's stay in Sarasota, Fla. Their daughter, Carolyn, and son and daughter-in-law, Mr. and Mrs. Charles Merenda, will join them in the south the following week.

A Deputy Income Tax Collector will be in the General Committee Room of the Town Hall on February 8 from 9:30 a.m. to 1:00 p.m. and from 2 to 4 p.m. for the convenience of the general public. 6-15-51

Miss Helen M. Smith, former member of the staff at the Winchester Public Library has been appointed librarian at Worcester State Teachers' College. Daughter of Dr. and Mrs. Harold E. Smith of Athol, Miss Smith graduated from University of Massachusetts and studied at Simmons School of Library Science. She goes to Worcester from Mt. Vernon School where she had been assistant librarian for the past nine months.

Mrs. Roger W. Haven (Gladys Marchant) of Overlook Way underwent an operation at the Phillips House last Friday. Her condition is reported as very satisfactory.

For experienced service or repairs on all makes of sewing machines or vacuum cleaners, call E. W. Clark, Winchester 6-1417.

The Fire Department was called at 3:10 Wednesday morning to the home of Mr. Guetano LaMara, 9 Sheddfield road, where the attic of the house was found to be full of smoke. The firemen found that an overheated refrigerator motor was responsible for this trouble.

Painting and Decorating. Inside work. Reduced Prices. J. D. Sullivan, 23 Oak street, Winchester 6-2458.

CHILD EXPERT AT WASHINGTON SCHOOL

Mrs. James Sever, Director of Public Relations at the Children's Hospital and the Children's Medical Center, with special interest in "Psychological Problems of Children of the Middle Years," on Tuesday, February 7th, at 2:45 p.m. in the auditorium of the George Washington School.

Mrs. Sever, former Winchester resident, and mother of five children, who grew up in Winchester, is well qualified to speak on any problem confronting children, both as a mother and a grandmother.

In 1947, she was chosen Massachusetts Mother of the Year. She is a qualified child psychologist with degrees from both Smith and Radcliffe. In the past, she was Consultant in the Parent Education Division of Child Hygiene, State Department of Public Health, and has been on the staff of the Judge Baker Guidance Center.

The George Washington School's Association feels fortunate indeed to have Mrs. Sever as guest speaker, and hopes many mothers, particularly those with children of grade-school years, will avail themselves of this opportunity to hear her speak on "The Psychological Problems of Children of the Middle Years."

FORUM SUNDAY, JANUARY 29TH

Last Sunday was a very eventful Sunday for Forum. As soon as everyone arrived at 5:15, we started singing songs in the Ladies' Parlor. New Pilgrim Fellowship song books were handed out and they proved very worth while. Janet Macaulay played the piano, and did a fine job. Then came the supper. It was under the direction of Mayo Zinn and Doty Parker assisted by Mrs. Baylies and Mrs. Bullard.

The Forum orchestra under the direction of Priscilla Stone and Ed. Tarr, played as we ate. Next came the business meeting. We heard the treasurer's reports from Herb Skerry and Dave Archibald. It was voted to give \$20 to China missions for orphanages, \$15 dollars went to the North Carolina College for Negroes. We also voted to buy Latin devotional books for each member of Forum. Last but not least we agreed to sponsor a social giving during Lent to raise \$100 for the state Pilgrim Fellowship goal for missions. The group went up to the third floor rooms for discussion groups. Elaine and Nancy Dotson talked on Holland, Germany was represented by Mr. Michael Moravcsik and his daughter, Mrs. Shelia Job. The evening ended as Wendy Wood and Dave Snow handed out the Forum Flashies at the door as the people left. All agreed that they certainly had a good time.

MOTHER IS A FRESHMAN
Mr. Thomas Morse, director of "Mother is a Freshman," Mr. Val Juel, and part of the cast appeared before the Rotary Club at their weekly luncheon on Thursday. Mr. Juel was led by Betty Ann Parker and Janet Archibald. The evening ended as Wendy Wood and Dave Snow handed out the Forum Flashies at the door as the people left. All agreed that they certainly had a good time.

All agreed that they certainly had a good time.

On February 15, two days before their own play opens, the cast will be presenting "The Passion Play," which is being presented at Emerson College.

Ted "Muscles" Covert of Highland avenue, former demon manager at Winchester High School, arrived home Wednesday to enjoy a brief vacation after the midyear examination period at University of Massachusetts. He plans to be on the bench tonight when Winchester meets Reading, and will be ready to assist Trainer Lou Goddu with advice in the event any unusual injuries develop during the game.

"TOMORROW THE WORLD"

"Tomorrow the World" will be the winter production of the Parish Players in the Little Theatre Parlor, New Pilgrim Fellowship, on Thursday, Friday and Saturday evenings, February 9, 10, and 11, preceded by a special performance on Wednesday evening, February 8, for the benefit of the Building Fund, Winchester Girl Scouts. Mrs. George W. Cary and Mrs. Clarence Roberts are in charge of arrangements and tickets for Wednesday night, while Mrs. J. Waldo Bond and Mrs. Harrison B. Simpson are chairmen of the tickets for succeeding nights. Dress rehearsal will be given on Tuesday evening, and guests on this night will include many young people and their teachers from the Perkins Institute. Special musical special buses. Guests will also include the Home for the Aged and many elderly people, as well as representatives from Little Theatre groups in other communities.

"Tomorrow the World" has a single set, arranged by Mrs. Wilbur B. Lunsford, Mr. Ferdinand Hawley, Mrs. Dorothy Osborne and Mrs. Ruth Albee. Costumes will be directed by Miss Frances Peirce and Mrs. Daniel Roop, make-up by Mrs. Florence Grant, and hair effects, Kendall H. Spencer. The stage crew includes Raymond J. Carter, George E. Connor, George H. Govey, Dr. Seymour Russell, Ferdinand Hawley, and Marshall R. Phil. Jr. Mrs. George E. Connor is chairman of production for the winter production of the Parish Players.

Mrs. Howard J. Chidley and Mr. and Mrs. R. Ashley Lewis are in charge of the pointers, hostesses and ushers for the regular performances. Pouters on Wednesday evening at the coffee hour will include Mrs. George W. Cary, Miss Constance Lane, Mrs. Maxwell R. McCreery, Mrs. James B. Willing, On Thursday night, pouters will be H. Raymond J. Carter, Mrs. Carter R. Dwyer, Mrs. Marshall R. Phil. Jr., Mrs. Carl J. Sittinger, Friday, Mrs. Edward V. French, Mrs. William H. Gilpatrick, Mrs. Willard Hudson, Mrs. Albert K. Hinkley, Saturday, Mrs. Lester H. Armstrong, Mrs. William G. Chapman, Mrs. Dana Doten, Mrs. Nathan Thum.

The small but excellent cast includes: Dr. Eugene M. Pollard, Brenda Rowe, Dorothy A. A. Mauger, Rita M. Fernald, Lenore T. Gamage, Peter T. Gamage, Marshall R. Phil. Jr., Daniel F. Blanchard, Terry Tullman, Robert P. Blum, R. Phil. Jr. The pointers and the play will be especially done by Suzanne Gleason.

Mr. and Mrs. John Dewart Byrne (Sally Snodgrass) of Marblehead are the parents of a son, Robert Thompson Byrne, born January 20 at the Winchester Hospital. The paternal grandparents are Mr. and Mrs. George M. Byrne of Copley street.

HOUSE OF COLONIAL CHARM Built by a prominent architect for his own home, assuring top grade materials and workmanship as well as fidelity to the Colonial period. Not a large house but skillful design allows a spacious master bedroom, bath and three smaller chambers, a comfortably large living-room with fireplace and a good sized library or den also having a fireplace. A dining-room of good proportions and size. Compact kitchen and a good screened porch off the dining-room. The house will fully justify any expense to refurbish and give the purchaser a home of exceptional charm and character. The location is very central and only a short walk from the Station, the Library, High School, etc. Price \$17,500. Shown by appointment only.

YOURS FOR \$12,000 An excellent six room house with really unusual basement game room paneled in natural pine. Steam heat with oil burner. No garage. Lebanon Street.

WEST SIDE HILL Charming Cape Cod with deceptively small but yet has a spacious living-room with antique fireplace and inviting dining alcove of ample proportions; all knotty pine woodwork throughout including two bedrooms. Modern kitchen and bath. Unfinished insulated attic for expansion. Hot water heat with oil. Breezeway and garage. Over 17,000 sq. ft. land. \$16,500

INTERNATIONAL WEEK-END
AN OUTSTANDING SUCCESS

The Senior Forum of the First Congregational Church undertook a big project in international understanding and good will last week, with its International Week-End, and carried it through very successfully. Over 100 young people and many parents worked on the project in some way, entertaining guests in their homes, transporting them to and from their homes or college dorms, working on the supper or tea committee, donating food for the supper, playing in the orchestra, mimeographing the chapel bulletin, sending out notices to Forum members, preparing name tags for Forum members and guests, cleaning up the hall, telephoning for supper reservations, buying flowers for guests, and many other details. It was the excellent teamwork of so many people which made the week-end such a memorable event.

(Continued on Page 4)

OBSERVED 92ND BIRTHDAY

An item of local interest is the 92nd birthday of Mrs. Daniel P. Morse, Sr., of Southport place, which she observed yesterday, February 9. Mrs. Morse's maiden name was Zairuskie, Terhune, of Hackensack, N. J. She has one brother living, Mr. Charles W. Terhune of Hackensack, and one of her three sons has been a local resident since 1931. In addition she has nine grandchildren and thirteen great-grandchildren.

Mrs. Morse became a permanent resident of Winchester in 1939 when she came to live with her son and daughter-in-law, Mr. and Mrs. Daniel P. Morse, Jr., here. Previously she had a country place on the Northport Harbor, on the north shore of Long Island, N. Y., for many years.

On her 92nd birthday she is still active and enjoys her daily game of bridge. The Star extends hearty birthday congratulations. Mr. James P. Hopkins of 230 Forest street left town January 27 for a business and pleasure trip through the State of Florida. Mr. Hopkins, who has been stopping at the Mayflower Hotel in Washington, D. C., and is to attend the Red Cross Luncheon at the Capitol in the end of next week at the Orange Court Hotel in Orlando.

CHARLES MCCLELLAN

The funeral of Charles McClellan, a veteran of World War I and brother of James F. McClellan of Water street, was held last Saturday morning from the Lane Funeral Home. Requiem high mass was celebrated at the Immaculate Conception Church by Rev. Fr. Frederick M. Walsh. Interment was in Mt. Hope Cemetery, Boston.

Mr. McClellan died Thursday, February 2, at the Boston City Hospital after a long illness. He was 53 years old, a native of Boston and had been living in Winchester since 1945.

Mr. McClellan was a member of the American Legion, of Boston. Besides his brother in Winchester, he leaves a brother, Murdock McClellan of Boston.

TOWN MANAGEMENT

In response to Winchester's new initiative in the new and coming having a Town Manager, the League of Women Voters is sponsoring a series of 4 discussions on Town Management under the temporary chairmanship of Mrs. Henry Delcher, head of the League's department on Structure and Administration of Government. The first meeting is to be held at 10:15 a. m. in the Art Gallery of the library on February 16th. Mrs. Delcher has been a member of the League's executive branch and has been well informed on this subject, will give a detailed analysis of Winchester's present town structure. The public is cordially invited.

FORUM INTERNATIONAL WEEK-END CANDIDS
SGT. DOLAN HONORED AT DINNER

Nearly two hundred friends and admirers of John J. Dolan, newly appointed sergeant in the Winchester Police Department, gathered at a dinner held in his honor at Waterfield Hall last Saturday evening. Many present and past town officers attended the affair. Wilfred Prue acted as toastmaster and seated with him and Sgt. Dolan at the head table were Justice William Henchey of the Worcester District Court, Police Chief Charles J. Harrold, Fire Chief James E. Colahan, Francis Delan, and Thomas Dolan of Rockport, brothers of Sgt. Dolan; George Young, past district deputy of the Knights of Columbus; Former School Committee Chairman Leo F. Garvey and Edward P. McKenzie, Winchester representative of the Worcester Daily Times.

All of those at the head table took bows, and in addition to his own brief tribute to Sgt. Dolan, Chief Harrold read a letter of greeting from the Board of Selectmen. Justice Henchey spoke interestingly and praised Sgt. Dolan as a police officer and a man.

Mrs. Garvey was the last of the speakers. In the course of his remarks he pointed out that Sgt. Dolan, with his background of athletics, and military service, and his pleasing personality, is in a position to assist greatly with the increasingly important work which Police Departments are being called upon to do with young people.

Sgt. Dolan was presented with a gold pocket badge and the sum of \$125 for gold equipment of his own choosing. The new sergeant and former Winchester High and senior baseball player, expressed his thanks in a way that left no doubt of his appreciation.

The committee in charge of arrangements included William Cantwell, Tony Seminare, James E. Flaherty, Stanley Mullen, Gleason E. Young, James J. Smyth, Michael J. Foley, William J. Haggerty, Charles J. Flaherty, Fred McCormack, Chester Thibault and Wilfred Prue.

The committee wished to thank all those whose interest and efforts made the affair such a great success.

MICHAEL L. BRUNO

Michael L. Bruno of 24 Chester street, a veteran of World War I, died early Wednesday morning, February 8, at the Marine Hospital in Brighton, after a short illness. He had a taxi business in Boston and had been living temporarily in Charleston.

Mr. Bruno was the son of Vincenzo and Francesca (Pocarile) Bruno. He was born March 23, 1897, in Salerno, Italy, but came to Winchester as a child and attended the Winchester schools, working as a young man for Kelley and Howe Express Company as a driver.

During World War I Mr. Bruno served in the Infantry, and in the Coast Artillery with Battery E, 33rd Company, being stationed at Fort Andrews in Boston Harbor and at Camp Eustis in Virginia.

From the convalescent and public buildings were displayed at half staff in his honor.

Mr. Bruno is survived by three brothers, James M., Anthony V., and Angelo M. Bruno, all of Winchester; and five sisters, Mrs. Edmund T. Nuttle of Woburn; Mrs. Josephine Migliacci of Wrentham; Mrs. William Chick and Mrs. James Migliacci, all of Winchester.

The funeral will take place Saturday morning from the late residence, 24 Chester street, at 8 o'clock. Military honors will be accorded at the solemn requiem high mass to be celebrated at St. Mary's Church at 9 o'clock. Interment will be in Calvary Cemetery.

SMITH — MOORE

Miss C. Marie Moore, daughter of Mr. and Mrs. Edward P. Moore of Forest street, was married to Kenneth J. Smith, son of Mr. and Mrs. Ralph D. Smith of Lebanon street, at a simple ceremony, performed on Sunday afternoon, January 29, at St. Mary's rectory by the pastor of St. Mary's Church, Rev. Fr. John P. O'Riordan.

Miss Moore wore a blue-white crepe gown with a lace bodice and an overskirt of gathered lace draping gradually toward the back. Her soft neckline veil was caught to a lace flower in her cap which was lined with lace worn by the bride's grandmother, Susan Moore, and her great-grandmother, Hannah Buckley, at their weddings. Instead of a bouquet the bride carried a white prayer-book with a pure white orchid and streamers of Stephanotis.

Mrs. Ewart Bairistow of Winchester was the bride's only attendant. She wore a floor-length dress of Chinese pink with insets of lace at the square neckline and a draped skirt. A multi-colored headpiece of flowers, and silver accessories completed her costume. Ewart Bairistow of Winchester was Mr. Smith's best man.

A reception was held after the ceremony at the Hunt Road of the Town Line House in Woburn. Mrs. Moore, mother of the bride, wore peacock blue trimmed with bronze beads and cinnamon accessories. Mrs. Smith, mother of the bridegroom, wore accessories complementing her gown of hunter's green.

Mr. and Mrs. Smith went to New York for their wedding journey. Upon their return they will make their home in the Concord Apartments at 383 Broadway, Somerville.

The bride was graduated from Winchester High School and the Wilson Stenotype School. Mr. Smith, who is associated with the M and M Transportation Company, graduated from Winchester High School and spent four years in the Army's service, two years in Panama and two years in France.

HARRISON F. LYMAN, JR.
FOR SELECTION

In announcing my candidacy for election to the Board of Selectmen I wish to set forth the qualifications which I hope will recommend me for your interest.

My intense interest in town affairs prompts me to seek further participation in them.

I was born in Winchester, attended the public schools and, except for a four year period in the army, have lived here all my life. Part of my army service consisted of work with the military government in Japan. I am a graduate of the Harvard Law School and have studied problems of state and local government at the Littauer Center of Public Administration. At present I am practicing law with the firm of Nutter, McClellan and Fish in Boston and am director of the Massachusetts Gear & Tool Company in Woburn.

For the past three years I have been a full time member from my precinct.

I am anxious to serve the whole town as a member of its Board of Selectmen and am ready to give to that office the long hours and vigorous effort which I know it will require.

Harrison F. Lyman, Jr.
77 Grove street

NEW SUBSCRIBERS

New subscribers this week:

Mr. John Beaton, 19 Myrtle street.

Mrs. G. K. Withrow, 28 Sheridan Circle.

Roger Creelman, Amherst College, Amherst, Mass.

Mrs. Harris G. LeRoy, 36 West street, Stoneham.

House of "Charm, 1 Mt. Vernon street.

Miss Nancy Newhall, Mary Washington College, Fredericksburg, Va.

Miss A. M. Thompson, 70 Grove street.

GOOD CATCH BY OFFICER
FLAHERTY

Young Soldier Caught After Holding Up Taxi Driver in Woburn

A 20 year-old soldier, who Police said was a taxi driver in North Woburn, Tuesday afternoon and robbed him of his cash and wallet, was picked up by Patrolman James E. Flaherty of the Winchester Police Department within four hours of the time the holdup occurred.

Special Headquarters was notified shortly after 1:30 in the afternoon by the Woburn Police that Claudio Mosca, 25, of 74 Forest street, Woburn, had been held up at the north of a gun on Pearl street in North Woburn by a young soldier in uniform who made off in the black and yellow taxi, owned by Charles's Watertown Taxi Service, which Mosca was driving, taking along the chauffeur's wallet, containing his license and other papers and \$8.

Mosca told the Police he had picked up his passenger at the Watertown-Newton line and had driven him to Woburn, following his directions after getting to that city. On the way the pair had an argument over the \$8 flat rate fare asked by Mosca, who called his firm by radio and was authorized to reduce the charge to \$5.

After stopping at a store in Woburn, the young soldier got into the rear seat of the cab, instead of the front seat, in which he had been riding. When the cab reached Police Drug Company, the soldier pressed a gun against Mosca's back and informed him that he was being held up.

In response to the gunman's orders the driver got out his wallet, after handing over his car, leaving the motor running. The soldier then drove off toward the Winchester Police, who immediately broadcast the alarm, which was picked up by the Winchester Police Headquarters at 1:42 p. m.

Local officers and patrol cars were alerted and at 5:25 Officer Flaherty, on duty near the Winchester Police Company, noticed a young soldier walking along Common street toward the Station. He stopped the young man, questioned him, and then took him into custody.

At first the young soldier denied being involved in the holdup, but Ramsey, Police Officer, said Flaherty was taking him into the Station. He gave his name as Private Frederick D. Ramsey, 20, of 100 Forest street, Woburn, N. J., and having no money, Police said he had been a State ward and had lived in numerous homes, the last being in the State of New York.

As a result of information divulged during Ramsey's questioning Sgt. John J. Dolan went to the Winchester Police, where, after a young soldier had been found under one of the back seats an empty revolver of foreign manufacture.

Previous to Ramsey's being picked up by Officer Flaherty, the Police received a tip that the stolen car was in Winchester. It was found at the home of a friend and Alfred Poole on Church street near School street, parked with several other cars.

The young soldier's revolver was turned over to the Woburn Police. The youth appeared in Court Wednesday morning, when he was held in \$500 for appearance before the Grand Jury. In lieu of bail he was locked up at East Cambridge.

JOHN J. MACDONALD

John J. MacDonald of 13 Kendall street, resident of Winchester for nearly half a century, died Saturday morning, February 4, at his home, after a few days illness that had a long period of failing health.

Mr. MacDonald was born September 1, 1872, in Port Hood, N. S., the son of John and Christine (MacIsaac) MacDonald. During the active years of his long residence in Winchester, before his retirement, he was well known as a carpenter and builder. He was also some years ago for a time sexton of St. Mary's Church. He was a member of St. Mary's Holy Name Society.

Mr. MacDonald's wife, Mrs. Annie B. MacDonald, died in 1939. He leaves a daughter, Miss Isabel Hinds, who is now a nurse.

The funeral was held Monday morning from the M. G. Moffett Funeral Home. High mass of requiem was celebrated at St. Mary's Church by Rev. Fr. William Walsh. Bearers were four nephews of the deceased, Joseph MacDonald of Boston, Archibald MacDonald of Winchester, Malcolm MacDonald of Stoneham and John MacDonald of Winchester. Interment was in Calvary Cemetery.

MRS. AGNES HINDS SOLOV

Mrs. Agnes Hinds Solov, widow of George Solov, died Sunday afternoon at the Winchester Hospital. Mrs. Solov, a native of Winchester, was 82 years old at the time of her death. She resided at 1 Maple road.

Mrs. Solov graduated from Winchester High School and attended Boston University, in the class of 1901. She was a member of the firm of Solov-Hinds in Boston but had not been actively engaged in the business in recent years.

Mrs. Solov is survived by her sister, Miss Elizabeth Hinds, of Boston, and by Mrs. Henry Hochberg and Mrs. David Scher, her daughters; by Mrs. Roger Burton, her niece; and by Mrs. George Squier, her nephew.

Services were conducted at the Bennett Chapel, Wednesday afternoon by Mrs. Alice Leech, Christian Science reader, of this town.

ELOISE TONG

HIGH SCHOOL GIRL TO SPEAK
AT FORUM

Eloise Tong, a student at Newton Center High School, will be the speaker at Ripley Chapel of the First Congregational Church at the Senior Forum worship service Sunday morning.

The pupils of Eloise were missionaries in the Philippine Islands for ten years before the recent war. During the war Eloise and the members of her family were taken prisoners by the Japanese to be interned for the duration. Her father was in one camp while her mother, brother, sister and herself, were in another. They were imprisoned for three years.

The subject of the address will be "Friends in the Far East." Bob Burnham will be the chaplain and Douglas Hawkins, assistant chaplain. The ushers will be Bill Sipp and Henry Hooper; the deacons, Bob Wilk and Dick Singer. The offertory will be a flute solo, "Ave Maria," by Schubert to be played by Diane Nason.

LET'S FACE FACTS

Nineteen Hundred forty-nine witnessed tremendous expansion in school facilities throughout New England. Towns and cities on all sides of us had building programs the same size as the largest cities. Cost per class room between our buildings and theirs is astounding. Next week I intend to publish actual comparisons and I ask you, please, examine the facts so that your concern may be as justified as mine.

We, the taxpayers, of Winchester, have paid almost double the price per class room that other towns have paid. For their expenditure, they have sturdy, fire safe buildings with floors of concrete and steel. We do not have this but rather in the case of the Park Street School and the Myrtle School, addition what is known as wood joist floor construction. These are not considered fire safe! This, remember, at nearly twice the cost of non-combustible floor construction in other towns.

I have been advised by many who wishers that to bring these facts out is not politic, it will make too many people angry. That risk I will gladly take in the name of common sense, obligation to our children and a sincere desire to see in this town adequate school facilities with the least possible effect on our tax rate.

We taxpayers, who have a School Building Program ahead, the necessity for which we cannot question. Our facilities must become adequate and modern, and this can be done economically as they are done in other towns because we are going to pay the bill.

CABARET AUDIENCE
APPLAUDS "STOP, LOOK, AND LISTEN"

With the soothing blast of a hydrogen bomb and all the dulcet tones of a twenty-one gun salute, the latest edition of the Winton Club's annual benefit shindig poured into town last week with a heart-tapping musical show that featured all types of town talent and marked the return to the boards of two well-known troupers, Esther Clarke and Georgia Farnsworth. Gator, who drew a through traffic at a standstill when the 1950 show, written by Anne Burnham and Elinor Hughes, and fired into the audience by Dorothy Gharindan, puffed into Winchester with a full head of steam. Mrs. Thomas R. Aldrich, Jr., was the general chairman of the show, which was directed by Peter West as director of the show.

In a revue entitled "Stop, Look, and Listen" almost anything can happen. The cue to jinks came in Act I Scene 2, when members of the fire department fought among themselves to rescue three beautiful ladies from the basement. In Act II Scene 2, when Winchester doctors Abbott and Reynolds gamed up on Ellie Butler in an accident, substituted by Dorothy Gharindan, followed by a nurse and patient routine in hospital jinnies and laid bare feet. In the first of these two scenes, the show was followed by a nurse and patient routine in hospital jinnies and laid bare feet. In the first of these two scenes, the show was followed by a nurse and patient routine in hospital jinnies and laid bare feet.

Music and dancing are the elements that carry a show into the over, and in this department the talents of Dorothy Gharindan, author of the show, and her husband, followed by a nurse and patient routine in hospital jinnies and laid bare feet. In the first of these two scenes, the show was followed by a nurse and patient routine in hospital jinnies and laid bare feet.

WINCHESTER HIGH SCHOOL AND JUNIOR HIGH SCHOOL

Last Tuesday evening in the High School auditorium parents of Winchester heard Professor James A. Wylie speak on family recreation. His talk was very thought-provoking and in addition to telling in detail of his study of 504 families and their activities he asked his audience some very pertinent questions as to their own programs. "Are they spontaneous or planned? What are you personally doing about your own family recreation? Are you tired or are you lazy?" He pointed out that the family is really the backbone of civilization, therefore something must be done about strengthening the relationship as in many cases "only the biological aspect of the family remains." As he pointed out, "The family that plays together, stays together."

In opening the meeting Mrs. Ralph Jope, president of the Junior High School Parents Association, spoke briefly. Mrs. Jope stressed the unity of the two organizations and their value as a basis for cooperation between parents, teachers and students. Tuesday evening was an excellent example of this in that the entire program was jointly sponsored by the two parent organizations and arranged by a committee consisting of Mrs. S. Mortimer Ward, chairman, Mrs. Raymond Dickman, Dr. Charles Miggins, Mrs. Ralph Jope and Mrs. George Marks, representing the Junior High School, and Mr. Wade Grindle, Mrs. James Conon, Mr. Ragnar Brandt, Mrs. Mortimer Jovney and Mrs. Paul Lamb for the High School. The two art departments under the direction of Miss Hatch and Miss Goodrich made the attractive posters announcing the

entertainment posters being painted by John Swazey, John Merritt and Andrew Robertson of the Junior High School and Jean Nealey, Phyllis O'Neill and Elvira Babalack of the senior High School. Student cooperation was further emphasized by the participation of the Girls' Glee Club, which Margaret Reid, as accompanist and Annette Barbara playing a violin obligato with one of its members. Miss Anfantis' skill in training was evidenced not only by the polished performance of the entire Glee Club in its rendition of "The Snow, Trees, and Oklahoma," but in the amusing and finished singing of "Till Tombs, Peter Piper and My Hero the Odelette."

Mrs. Conon reviewed briefly the organization of the new High School association, from its beginning last June when Mr. Grindle asked that such an organization should be formed, through the activities thus far, to the annual meeting which will be held in the late Spring. This is to be a round-table discussion between faculty and parents. She urged those present to let any member of her board know topics they should like to have discussed, eliminating, of course, anything to do with the school curriculum or administration which she pointed out were questions to be taken directly to the School Department or School Committee. (For the convenience of those who have suggestions, Mrs. Conon listed the members of the board: Mr. John Donovan, Mrs. Joseph Derro, Mrs. Edward Stacy, Mr. Harry Easton, Mrs. William Kugler, Mrs. Walden Hersey, Mrs. Joseph Tansley, Mr. Gordon Bird, Mrs. Mortimer Downey, Jr., Mr. Ragnar Brandt, Mrs. Robert Singer and Mrs. Paul Lamb.)

HEART WEEK FEBRUARY 12-18

Harry A. McGrath, Jr., is chairman of the local committee working in connection with the State-wide observance of Heart Week February 12-18.

Governor Paul A. Dever has issued a proclamation, declaring next week Heart Week in the Commonwealth, and pointing out that Massachusetts is a principal target for America's Number One Killer. He urges all civic, social, scientific, fraternal and religious bodies, business houses and schools to "observe Heart Week through appropriate ceremonies and the fullest contributions possible."

During the month of February the Massachusetts Heart Association's 1950 Heart Campaign seeks \$350,000. The national goal for the country-wide drive is being conducted simultaneously by the American Heart Association is \$6,000,000.

NEW BADMINTON CHAMPS

Last Sunday afternoon all three of the Winchester 'B' players who entered, played in the finals of the Massachusetts 'B' Tournament at the University Club, and all came home with the winner's trophies. Barbara Hicholson and Lois Landi won the women's doubles championship by defeating Peggy Ryan of Poona Club and Arnelita Martinez of Shady Hill. All four girls played an excellent game but Lois and Barbara's teamwork was far superior to their opponents' and though the match went to three games, our representatives didn't appear pushed at any time. Art Hills and his partner, Red Roberts of Shady Hill, then ran away with the men's doubles. They were both in top form and in two short games they outsmarted their somewhat erratic opponents. At the end of the afternoon all were presented with handsome prizes from a table of sparkling silver-ware.

Touching the less glorious side of Winchester's badminton, we've come to the 'D' League matches. To date three mixed doubles matches have been played, and from this vantage point it seems no need to put the results in print. We have had several very close finishes but our opponents have come out on top in two of the three matches—we hope to get our revenge in the return games and at least will continue to have fun trying, but meanwhile will look to Ed Williams and his men's doubles team to bring victories in their League to Winchester.

BOY SCOUTS AT FIRST CONGREGATIONAL CHURCH

Sunday will be observed as Boy Scout Sunday at the First Congregational Church at the morning worship service at 10:45 when the Cubs, Boy Scouts and Explorer Scouts will be guests at the service.

The Scouts will assemble in the Social Hall of the Parish House at 10:15 and march into the church at 10:30 to take their seats, place the flags and give the flag salute. The service will be conducted by the Rev. Donald B. Tarr whose sermon will be entitled, "I Dare You." The public is invited.

FIRST CONGREGATIONAL CHURCH SCHOOL TO HAVE "OPEN HOUSE"

Parents and friends of children enrolled in the First Congregational Church School will have an opportunity to see the school in action on Sunday. They will observe the worship service of the department in which they are particularly interested, go to the class session, and after the children are excused for a movie, meet the child's teacher and department superintendent.

At 9:30 a. m., parents of Junior High children are invited to the worship service. The children will remain in the worship room for an excellent film, "The Color of a Man," while the parents go to the classrooms with the teachers and discuss the courses of study and aims for the year, or ask any questions they may have. The session will end in time for parents and young people to attend the morning church service where Boy Scout Sunday will be observed. Mr. Tarr will preach on the theme, "I Dare You."

At 10 a. m., the kindergarten will demonstrate its work for parents and friends. At 10:35, visitors will be invited to attend the morning church service while the children remain for the regular kindergarten session until church is dismissed.

At 4 p. m., Primary, Kindergarten, and Junior Departments are holding Open House for parents and friends. It will include a brief worship service, a class session, an opportunity to meet and talk with the child's teacher while the children are seeing a movie, and an assembly of parents in Ripley Chapel where a skit will be presented, "An Afternoon in the Church School Office." At 5:10, parents will join the children in the Social Hall for refreshments.

Nursery children will have no demonstration since the Nursery age child does not respond well to visitors. Small children who attend in the afternoon will be cared for, and Nursery will have its regular session in the morning at 10:45.

An offering will be taken in Ripley Chapel to defray the expenses of the meeting. The public is invited.

MAIRIE NORRIS MAKES ROLLINS HONORARY

Libra, women's honorary society at Rollins College, has announced the pledging of Mairie Norris, daughter of Superintendent of Schools and Mrs. Forbes H. Norris of Church Street.

"Mairie," the former Winchester High School all around athletic star, had the distinction of being the only girl "tapped" for Libra, which at Rollins is comparable to the national honorary society, Mortar Board. She will be president of Libra next year as a senior.

"Mairie" is a member of Kappa Kappa Gamma sorority, serving as pledge trainer and activities chairman of the group. Besides maintaining a straight "A" average in her three years at Rollins, she is also a member of the "R" Club and of the varsity tennis, basketball, hockey, volleyball, softball and girls sports editor of the college paper and is a member of the Phi Society, International Relations and Pan American Club.

COUNTRY CLUB TO HOLD ANNUAL MEETING

The annual meeting of the Winchester Country Club will be held at the club house on Tuesday evening, February 4, at 8 o'clock, preceded by dinner at 6:30.

In addition to the usual business officers for the ensuing year will be elected. The following nominations have been made:

President, Ralph Bonnell
Vice-President, Alan F. Howard
Treasurer, Raymond Holdsworth
Secretary, Herman F. Pike
Directors, Evander French
(3 years) William F. Morton

BAPTIST STEWARDSHIP ADVANCE MEETING

The final Wednesday evening meeting in the Stewardship Advance campaign of the First Baptist Church will be preceded by a Pot Luck supper for the whole church family at 6:30 p. m., February 15th. Immediately following the supper the sound film "Salt of the Earth" will be shown.

At 8 o'clock a general discussion of the goals set up and the program to achieve them will be led by Mr. Harry A. Gilman, prominent Boston layman, and the Stewardship Advance chairman, Mr. Lewis M. Foster.

Due to illness, Mr. Gilman was unable to be present at the meeting on February 1st, as had been anticipated. The church is fortunate indeed that out of his brief life Mr. Gilman is able to find time to come on the 15th and bring his convictions from his wealth of experience.

These Stewardship Advance meetings have been well attended with a spirit of deepening consecration to the work of the Church pervading the whole series. The whole church family is joining in this final meeting of the campaign series.

WINCHESTER LEGIONNAIRES AT TESTIMONIAL

A delegation of Winchester Legionnaires, headed by Commander Robert F. Murphy of Post 97, and Mrs. Murphy attended the testimonial banquet given Commander William H. Flanagan of Cambridge Post, 27, in the University City Tuesday evening.

Music for the occasion was provided by Winchester Post and rendered by an orchestra composed of Herbert Cleary, William "Butch" Anderson and James Reynolds.

REPUBLICAN 21 CLUB

The Republican 21 Club will hold a meeting this Friday night at 8 p. m. It will be a business meeting and will be held at the home of William A. Wilde, 9 Edgemoor road.

GRATEFUL TO DR. NORRIS

Editor of the Star:

I am deeply grateful to Dr. Norris for his letter in the Star last Friday, about the reports of damage done by the school pupils.

We are unfortunate enough to live in the path of boys in junior and high school classes -- boys who live from Herrick street to the Symmes corner area (and on streets of Main street there) -- boys from good homes, seemingly. Each week, often several times a week, I am obliged to go out with clubs and wash my front windows of the most revolting spittle these very boys deposit on our windows, and on the front door. They throw disgusting things at the windows. They bent upon the glass, some times knocking off my pieces of prized old glass. And then they run, thinking it is a big joke. Or these same boys will stand outside our door, shouting epithets and off-color comments to us inside.

These are not children who are supposed to be Young Men in high school, and they are Boy Scouts. On a very recent occasion they defaced the front of our house badly by hurling rocks at it.

We are at the very end of our patience, with no cooperation in sight from the boys' parents. I just wonder how some of these mothers, from Herrick street to Symmes Corner, would enjoy my job of washing spittle from their windows each week. For such a town, with its beautiful sites and its many splendid people, these actions are a disgrace.

Sincerely yours,
E. Harriett Connor
(Mrs. George E. Connor)
403 Main street

FROM MR. JOHNSTON

Editor of the Star:

May I have space in your paper to thank all those who interested themselves in my brief candidacy for election to the Board of Selectmen.

Increased business pressure has made it seem impossible to stand my candidacy, and for that reason I have done so, with regret, particularly in view of the activity of my friends in my behalf. I appreciate their interest and efforts, and will continue to hope that some day I may have the privilege of serving Winchester as Selectman.

With best wishes to the candidates remaining in the contest for the Board.

Sincerely,
Robert A. Johnston
83 Washington street

WINTER WEATHER

During the past week Winchester experienced the coldest temperatures thus far this winter, with the days mostly fair and except for a slight sleet storm Tuesday forenoon, more sun than clouds. Saturday and Sunday saw cold days with the glass not above the 20s either day. Monday was cloudy with the glass in the low 30s and rain during the afternoon and evening. Tuesday was cold and Wednesday morning opened at zero with a clear day. However, the glass went up steadily until dark when it reached the low 30s and Thursday opened with rain and sleet with promise of clearing by night.

All in all, the past week was the nearest to the old winter weather we have yet had, such storms as appeared being rain, which caused the snow of the previous week to continue to dwindle.

TO ALL MEN

We realize, before it's too late, that we have left At Elliott and the Rotary Club out on a limb, by dedicating the Girl Scout cabin before the actual work was completed. For the next two weeks ends we need men to stain the interior of the cabin. It's been located inside now. So come early Saturday or Sunday and help us finish the cabin by Washington's Birthday. Winchester Girl Scouts

GEORGE WASHINGTON SCHOOL MOTHERS ASSOCIATION

On Tuesday afternoon, February 7th, at the George Washington School, Mrs. Jabra St. Louis, Director of Public Relations at Children's Hospital and the Children's Medical Centre spoke on Psychological problems of children of the Middle years.

Mrs. Sever held the rapid attention of the mothers and teachers while she, herself, day by day, took a grandmother, spoke of the problems facing parents today -- problems not met with in an earlier time, and which are the result of the modernization of today. She deplored the lack of comparative study of children's problems by parents and teachers, although being a parent is one of the most important professions in the world, it is the one for which we train least.

Mrs. Sever talked on The Great Needs in Bringing up Children. The Need for Standards and Consistency.

Many parents insist on a child following a traditional pattern, often merely to satisfy a whim of the parent, with the disregard for the ability or choice of the child. Hence many children, she finds, are railroaded into careers to such an extent that you very often end up with mental and physical breakdown. To produce a child who has a special social adaptation is much more than merely producing a genius. And above all Mrs. Sever stressed that we find a child's inherent qualities and disclose and cultivate them.

Discipline.
Mrs. Sever prefaced her talk on discipline by saying that the children of today are bringing up the parents, instead of the other way around. The children, she finds, do not know how to conform and are not being taught proper respect for law and order, particularly respect for "old age."

From her observation and study of European children, Mrs. Sever thinks we must learn a great deal from European parents in their bringing up of the children. Answering the question "Why are our children negligent?" she hotly placed the blame on the parents, citing as a specific example the time it took them each morning to clean up debris thrown carelessly about our beautiful Public Garden by no less than the parents themselves. This utter lack of conformity when the order is evidenced in the staggering figures on juvenile crime -- and they are increasing.

Situations for Problems of Discipline.

- Find ways of enforcing discipline not necessarily by punishment.
- Have consistency in punishment, i. e. what is wrong to-day is wrong tomorrow and requires the same punishment.
- Decide what discipline is worth enforcing and stick to it. Eliminate so many "don'ts."
- Punishment to be effective must be given when the order is committed -- not saved for "when your father comes home."
- Commend child legitimately for things well done.
- Children need more outward signs of affection with the insecurity he feels in the world to-day.

Summing up, Mrs. Sever said discipline Mrs. Sever advised a maximum of authority in infancy and a minimum in adolescence.

Explain the hazards of a wrong choice of action to child -- but let him make his own choice.

Children's worries, particularly those of report cards, popularity, and sex are the worries of the people who brought them up.

Mrs. Sever closed her unusually thorough and interesting talk by naming --

The Most Dangerous Types of Parents:

- The Domineering -- the one who knows all the answers.
- The Indifferent -- the one who does not care.
- The Over-protective parent who can produce a hypochondriac right in the home.

The rearing of children Mrs. Sever classes as Life's greatest and most difficult job, in which we win the approbation of our children only by deservng it.

Following was an interesting problem discussion took place. Dainty refreshments were served following the meeting by Mrs. Paul Carver, Chairman of the Social Committee, and her assistants.

METHODIST YOUTH SETTING UP RECREATIONAL ROOM

The young people of the Methodist Church are doing work on the redecoration of a room in the church for recreational purposes. It is a volunteer project under the leadership of its president, Victor Griffiths.

When the room is finished, they plan to have 2 ping-pong tables, a baseball table, and other equipment for recreational enjoyment.

LEAGUE STUDIES FEDERAL BUDGET

The League of Women Voters held the 3rd of 4 meetings on the Federal Budget in the Art Gallery of the Library on Thursday, January 26, at 10:15 a. m. After an introduction by the able chairman, Mrs. Horace Abbott, Mrs. William Spaulding spoke on Social Security and Conservation; she demonstrated that Social Security benefits have become inadequate because of the present-day high cost of living with the result that recipients are turning instead to Old Age Assistance. The Hoover Report believes that this agency is of such importance that a post should be created combining Social Security and Education and the man heading it made a cabinet member. On the subject of Conservation, she was most interesting; three different departments, Internal Affairs, the Army, Engineers and the Bureau of Reclamation, now handle conservation which results in wasteful competition and great duplication of effort. The Hoover Report recommends complete revision but this would be difficult to do because these 3 agencies combine to make the biggest pork barrel in the country. Miss Helen Monroe spoke on the Reconstruction Finance Corporation and pointed out the Veterans' Emergency Fund. In a short talk on Military Expenditures, Mrs. Harold Hall explained why they are higher this year and that the general consensus of opinion is that there will be no reduction on them this year.

The last meeting of this series, held at the same time and place, on February 9, dealt with the proposed budgets of different Economy Bills.

WINCHESTER GIRL REIVES PERSONAL ACHIEVEMENT AWARD

The University of New Hampshire's student newspaper announced today it has presented its first Personal Achievement Award to Norma Farrar of Winchester, 21-year-old high junior.

She was selected "as the student whose outstanding personal achievements and contributions to her community are most conspicuous and are most indicative of the highest ideals of the University." The New Hampshire said.

Mrs. Farrar attended the Perkins Institute for the Blind for two years before enrolling at New Hampshire. A popular student, she is president of the women's club, chairman of the Catholic Action committee of the Newman Club, personal campus relations officer of the Student Christian Movement and active in other musical organizations.

The achievement trophy was presented to Miss Farrar last night by Lee E. Leighton, retiring editor of the campus weekly, at a staff banquet in Kittery, Me. She was selected for the award by the editorial board of The New Hampshire.

Majoring in applied music, Miss Farrar is the daughter of Mr. and Mrs. Charles and Mary of 12 Mrs. Farrar plans to enter professional nursing in the Girl Scout movement when she graduates from the University.

LEAGUE OF WOMEN VOTERS

On Wednesday, February 1, at the home of Mrs. Thomas M. Hennessey, 37 Cabot street, members of the League of Women Voters heard a most illuminating talk on International Trade by Dr. John B. Rae, associate professor of history at M. I. T. After a brief business meeting and introduction by Mrs. Harold Hall, president, Dr. Rae spoke in considerable detail on the many phases of the subject. He stressed the fact that many varied pressures kept the United States from realizing the ideal of free trade and yet the United States would benefit by free trade because it produces more than it needs and because it is impossible to have a free domestic economy, which we want without free world trade.

The International Trade Organization, an expression of this ideal of free trade under the United Nations was drawn up in 1946 but has been ratified by only the small nations; it has been shelved by the U. S. Senate for the last two years. Free trade is difficult to accomplish but worth it because peace has a better chance in a prosperous and well-fed world. Afterwards, Mrs. Frank Hawkins and her able committee served delicious refreshments.

HON. EDWARD C. STONE ADDRESSES WOMEN'S REPUBLICAN CLUB

Many members of the Women's Republican Club enjoyed an inspiring meeting at the Masonic Hall last Wednesday afternoon. The president, Mrs. J. Stanley Barnes, presided and introduced the speaker, Hon. Edward C. Stone, Senator from Cape and Plymouth District.

Senator Stone gave a very inspiring talk on "Some Little Known Facts about the Gettysburg Address." He spoke of the many contradictions in the stories of eye witnesses at the scene of the dedication ceremonies at Gettysburg. He quoted from Lincoln's Gettysburg Address and said that today there are those among us who are saying to the people with the proposition that all men are created equal, putting up a hard fight to undermine our institutions of freedom, and testing whether any nation so conceived and so dedicated can long endure. He concluded with a stirring appeal to the audience that it always be keenly alive to these words of Lincoln: "That this nation shall have a new birth of freedom, and that government of the people, by the people, for the people shall not perish from the earth."

Mrs. William C. Cusack, president of the Massachusetts Women's Republican Club, gave a brief resume of a trip to Washington which she took in the company of thirty-two Republican women.

The trip was promoted by the Massachusetts Women's Republican Club and among those taking the trip were three Winchester women, Mrs. J. Stanley Barnes, Mrs. James P. Hopkins, and Mrs. Cusack. Their busy day in Washington began with an audience with Gov. Calkins.

They then attended a Senate floor gathering, where the Massachusetts senators and their wives and the Congressmen and their wives were present, the party proceeded to the White House where the Republican Party \$100 box supper was held. There in an atmosphere much like a Republican Convention eleven thousand enthusiastic Republicans enjoyed a most inspirational program. Mrs. Cusack pointed out that the party was in sharp contrast to the \$100 a plate dinner of the Democrats held in Boston this week. The women were impressed by the ovation given Senator Taft when he appeared in the Arena. That was the day that President Truman decided to use the Taft-Hartley Act against the coal miners.

Mrs. Warren C. Whitman, legislative chairman, gave a very interesting and informative talk on some current legislation, including socialized medicine. The Club is looking forward to Mrs. Whitman's talk at the next meeting.

Mrs. Robert B. L. Singer and her social committee served tea at the meeting. The powers were Mrs. John W. White, daughter of Senator Edward C. Stone, and Mrs. Horace P. Abbott, Jr.

Dr. and Mrs. Richard Sexton of Rochester, New York are the parents of a second son, William Warren, born February 5th at Rochester, New York.

MRS. J. STANLEY BARNES ATTENDS REPUBLICAN PARTY BOX SUPPER IN WASHINGTON

Mrs. J. Stanley Barnes, president of the Women's Republican Club of Winchester, returned Tuesday morning from a trip to Washington, where she attended the \$100 box chicken supper of the Republican Party. Mrs. Barnes accompanied a group of thirty-two women from the Massachusetts Women's Republican Club, which was in Boston street, Boston. Other Winchester women in the party were Mrs. William C. Cusack, president of the Massachusetts Women's Republican Club, and Mrs. James P. Hopkins.

Mrs. Cusack described the many interesting events of the trip to the Women's Republican Club meeting Wednesday afternoon. Mrs. Barnes stated that for her, one of the highlights of the trip was the audience with each of the Senators and Congressmen representing us in Congress. She was impressed by the fact that each one of the Senators and Congressmen stressed the importance of the women and stated that they look to the women for their help and support in straightening out the political turmoil. Just before boarding the train at the Washington depot, Mrs. Barnes had the pleasure of meeting Harold Stassen.

TOWN BASKETBALL LEAGUE

Standing	13	1
Bonnell Motors	13	1
American Legion	9	5
Sons of Italy	8	6
Winchester Appliance	8	6
Mercurio Insurance	7	7
Yanks	2	11
All-Stars	1	12

The undefeated streak of the Bonnell Motors came to an end on Wednesday night when an inspired Sons of Italy team upset them 34-32 in a thrilling overtime contest. The score was close all the way with never more than three points separating the two teams. Art Howard tied the score at 28-28 with only eight seconds left to play to send the game into an overtime period. In the extra period baskets by Pete Provinzano, Sam Thibault and Joe Amico gave the Sons of Italy a well deserved victory.

In another exciting contest on the same evening the American Legion pulled out a last-minute victory over the Mercurio Insurance by a score of 25-23. A clean steal for a basket by Chucker Roeh and a diving-in lay up shot by Ken Donaghy pulled the game out of the fire for the Legionnaires. As in the other contest this game was close all the way with only one point separating the two teams at the end of each of the first three quarters.

The games are certainly getting close as five teams are battling furiously for the four playoff positions. Next week's schedule promises to further scramble the League standings and bring grief to the losers. The feature of Monday night's schedule will bring the Bonnell Motors and the American Legion together in what promises to be a close game. There should be two good games on Wednesday night when the Winchester Appliance plays the Bonnell Motors and the Sons of Italy meet the Mercurio Insurance.

Next Week's Schedule

Monday
Mercurio Insurance vs Yanks
Sons of Italy vs All-Stars
Bonnell Motors vs Am. Legion
Wednesday
Win. Appliance vs Bonnell Motors
Sons of Italy vs Mercurio Ins.
All-Stars vs Yanks

Winchester Over Concord AT GARDEN

Winchester High won their second game at the Boston Garden this season when they defeated Concord High by a score of 44-26 on Tuesday afternoon. The Red and Black had a surprisingly easy time in defeating a Concord team that has been the surprise of the League this year. Coach Bartlett was able to give several of his second team players some valuable experience in playing on the spacious Garden court.

Winchester started off in good fashion by rolling up a 17-8 lead by the end of the first quarter. There was much less scoring in the second quarter but the Red and Black held a 23-15 lead as the teams left the floor at the half. The third quarter was pretty sloppy as both teams were erratic but Winchester increased its lead to 27-17 at the end of that period. The locals got rolling again in the final period to score 17 points before the regulars were taken out and the second team finished the game.

Big Walter Murphy was the star of the game as he scored 15 points, most of which came on rebounds as he cleared both backboards very effectively. The Winchester scoring was nicely distributed as all six regulars had a hand in the scoring total. Captain Dennis Sanford and George Tansey came through with their customary efficient performance as they limited the Concord forwards to a total of three baskets.

CHAMMOIS SKI CLUB

Tomorrow members of the club will move north for a weekend at Mt. Peru Lodge in Plymouth, N. H. The best snow cover in the state is to be found in nearby Waterville Valley. There is a beginner's slope in the backyard of the lodge and intermediate and expert slopes at the Frontenac ski area in Plymouth. All three of these areas are serviced by upskis. On Saturday night those who wish may take in one of the local square dances, twenty-five miles distant by car from the lodge. If you have not made plans to go, it still isn't too late to call Roy Nault at W1 6-0996-M. He or Charlie Koch at the Winchester Sport Shop can supply you with last minute dope on the plans.

The race with the Wakefield Skis and the Lynn Snow Chasers is still scheduled for Bridgton, Me., but this will in no way affect the plans of those who wish to stay at Mt. Peru until Sunday afternoon.

There will be no meeting tonight at Chlanders' barn.

WINCHESTER GIRLS TOPPED BELMONT

Last Ditch Baskets by Chase and Neiley Brought One-Point Win

With the score 22-19 in Belmont's favor, and only seconds remaining in the game, the Winchester girls' varsity came triumphantly through last Friday to win 23-22 at Belmont with Marilyn Chase and Jean Neiley making the two winning baskets. The one point margin appeared to be the vague as Winchester's second team was defeated 17-15.

Belmont's varsity averaged a three point lead throughout the game despite the combined efforts of Winchester's forwards and guards. Top-scorer Marilyn Chase sank the only free throw out of ten possible for the varsity.

The sophomore forwards, playing with the regular second team guards in the final quarter, pulled Winchester out of a 15-6 hole making the score at the final bell, 16-17.

The game was a challenge to both Belmont and Winchester who are very evenly matched and both deserve credit for their skillful playing and good sportsmanship.

MELROSE HERE TONIGHT

Still smarting from a bitter one-point defeat at Melrose three weeks ago, Winchester High is seeking revenge tonight on these same Red Raiders of Melrose High at the local high school gym. Melrose has the tallest team in the League and combine their height with very aggressive play. In fact, the Red and Black are convinced that laxity on the part of the officials enabled Melrose to outshoot the locals to a victory in their first encounter. Melrose has been an inconsistent team this season but is capable of playing the best ball in the League when right and do possess the highest scorer in the League in the person of center Dick Jones.

Only one game is carded for the Red and Black next week and that is the final Middlesex League contest of the season at Belmont next Friday night. Depending upon what happens in tonight's games, Winchester still has a chance to catch Belmont for the League title if they can upset them at Belmont next Friday. This is a large order but the teams are capable of doing it. Regardless of what happens tonight, it will still be a good game and a large Winchester delegation will be on hand.

League Standing	11	1
Belmont	11	1
Winchester	9	3
Wakefield	5	7
Concord	5	7
Melrose	4	8
Lexington	4	8
Stoneham	4	8

The Star received word this week from Mr. and Mrs. Max Mayer, who are traveling in Mexico. They report they are having a wonderful trip.

WINCHESTER GIRLS TOPPED SARGENT TEAM

The Winchester lassies outlasted the Greyroft house team from Sargent College 28-11, in an unofficial game with them here last Tuesday.

The Sargent girls, all of them seniors, made a colorful entrance in their gym tunics with college banners attached and huge straw hats. The good sportsmanship and friendliness exhibited by both teams, as well as the rapid play, made the game a pleasure to observe as well as participate in.

Marilyn Chase, local center forward, was high scorer for the afternoon, accounting for 17 of Winchester's 28 points.

Following is the summary:

ARLINGTON GIRLS WON

Arlington High girls' basketball team edged Winchester, 37-33, in a closely contested game at Arlington Wednesday afternoon. The Arlington seconds outscored the Winchester seconds, 39-21.

Arlington held a single point advantage at the half, 18-17, but outscored the local girls, 31-26, over the final two periods. The clubs were knotted at 6 points each at the quarter mark.

Both teams had 15 baskets from the floor, but Arlington had the edge in shots from free tries, making 7 of their 12 tries good. Winchester had only seven free tries and sank four of them.

Marilyn Chase, Winchester's right forward, led both teams in scoring with 17 points.

GUID OF THE INFANT SAVIOR

Just a reminder of our Valentine Silver Ten and Holy Show to be held in Lyceum Hall beginning at 2 p. m. on next Tuesday and to let you know that there is still ample time to decide to exhibit your button collection or that lovely piece of needlepoint you struggled over for years. Simply contact Mrs. Coran H. Hintin, chairman of the show, or her committee members, Mrs. Robert H. Cavanagh and Mrs. John Lennon and let them know your intentions—they will be delighted to hear from you.

Tables will be set up in the hall on Tuesday morning and members may bring their exhibits and arrange them for display anytime from noon on. Anyone needing transportation for large collections or unwieldy pieces may have the same by contacting Mrs. Carl Thomas at WI 6-1916.

Co-chairmen for afternoon tea will be Mrs. Hugh McFarland and Mrs. Vincent L. Scanlon and tea will be served all afternoon for the convenience of members and friends who will be able to visit for only an hour or so.

Everything possible has been done to make this a worthwhile and interesting afternoon for everyone. All that is needed now is the promise of a few more displays and we know we can count on our members for these. May we expect to hear from you, and we do mean you?

WINCHESTER UNITA BONSPHEL WINNER

The Winchester Country Club rink, skipped by John Joy, won a signal honor at the recently concluded international bonspiel at Utica, N. Y., winning The Country Club Cup by defeating Ganouque, Ontario, 14-8; Detroit, 13-9; Brockville, Ontario, 7-4; and Montreal, 11-10 in 13 ends.

Comprising the Winchester rink were Howard C. Eteson, lead; Daniel P. Morse, 2; Geoffrey C. Neiley, 3; and John H. Joy, skip. In addition to bringing home the coveted Country Club Cup the local curlers added fine new medals to the collections worn on their bonnets.

Thirty-one rinks from the United States and Canada participated in the Utica bonspiel which closed with a big bonspiel banquet at the Hotel Utica. Rt. Rev. Malcolm E. Tealady, Bishop of the Central New York Diocese of the Episcopal Church, made the invocation and there were toasts to the President of the United States and His Majesty the King of England.

Your cricket, your boudin, your bowler, are you? The King of a sports is the grand fourth game.

The many friends of Mrs. Louise Gaun, wife of Mr. Albert F. Gaun of Washington street, will regret to learn that she is seriously ill at the Metropolitan State Hospital in Waltham.

FINANCE COMMITTEE ADVISES 1950 TAX RATE TO CONTINUE IN 1950

Recommends Allocation of \$115,000
From Excess and Deficiency
Account

A 1950 tax rate of \$36 per thousand, the same as in the past two years, can now be expected, according to Walcott B. Thompson, Chairman of the Finance Committee. This announcement follows completion of the Committee's deliberations on the budgets and allocations involving the expenditure of money.

Although approved budgets for all departments this year represent a total increase of approximately \$161,000 over last year, increased revenue from state and local sources has softened the impact of such an increase.

However, Mr. Thompson advised, in order to keep the tax rate at \$36, it will still be necessary to allocate approximately \$115,000 from the Excess and Deficiency Account toward capital expenditures and the maintenance of certain town services from which revenue is derived. This sum of \$115,000 is approximately \$8,000 less than was allocated last year. If such a sum were not allocated from the Excess and Deficiency Account, the estimated tax rate of about \$39 would be inevitable, Mr. Thompson stated.

It was explained that Finance Committee estimates at this time are subject to the action of the Representative Annual Town Meeting in March and to the exact calculation of the Board of Assessors which is based upon figures established at that Town Meeting.

In the opinion of the Finance Committee, it is desirable to keep the tax rate the same, at \$36, and that diligence will be necessary in this regard in order to avoid a higher rate.

GEORGE — SMITH

Mrs. Dorothy Wellington Smith and Alexander Richard George were married on Saturday afternoon, February 11, at the home of the bride, at 625 Centre street, Newton. The Rev. Ray Anderson, Eusebian of the Eliot Congregational Church performed the four-act ceremony, which was attended only by members of the immediate families.

Daughter of the late Mr. and Mrs. Harry E. Wellington, formerly of Highland avenue, Mr. George is the widow of Judge Clarence C. Smith, Associate Justice of the Massachusetts Land Court. She has been actively interested in the Eliot Church and in the Boulevard School of Physical Education. A graduate of the Department of Hygiene and Physical Education at Wellesley College, Mrs. George also holds a degree from the College of Liberal Arts, Boston University and a member of Phi Chapter of Kappa Kappa Gamma. She graduated from Winchester High School in the class of 1919 and is the sister of Mr. Kenneth M. Cunningham (Barbara Wellington) of Rochester, N. Y., and of Marshall S. Wellington of Fort Haven, Conn.

Mr. George has been for many years on the staff of the Associated Press in Washington, D. C., as a special writer. He has one son, Richard B. George, who is studying at George Washington University Law School.

Mr. and Mrs. George will make their home at 3384 Gunton road, Parkfairfax, Alexandria, Va.

MASSACHUSETTS BENEFITS IN HEART RESEARCH

Harry A. McGrath, Jr., Winchester chairman in charge of the town's participation in the State-wide campaign to raise \$350,000 toward the American Heart Association's national drive for \$6,000,000 during the month of February, has announced that 38 percent of all money allocated on a national basis during the year by the American Heart Association for research was granted to Massachusetts. In addition, 18 percent of all money which has been given as fellowships throughout the country has been given to doctors working on research programs in Massachusetts. These research studies are so important that they must be continued so that the State's Number 1 Killer can be more and more effectively held in check. Money raised in Massachusetts will be used to continue research and for a comprehensive program of education and community service. All are urged to give as generously as they are able.

MRS. LOUISE M. GAUM

Charles Atherton Gleanon
Veteran Town Official Succumbed
To Heart Attack

Mrs. Louise M. Gaum, wife of Albert F. Gaum of 63 Washington street and head nurse at the Metropolitan State Hospital in Waltham, died there early Saturday evening, February 11, after a five-week illness. Her death is attributed to a recurrence of a malady for which she underwent an operation a year and a half ago, when she had apparently recovered.

Mrs. Gaum was the daughter of John and Hester (Hard) Morley. She was born January 14, 1901, in Portland, Me., was graduated from Ashland, N. H., High School and from the nursing school at St. Joseph's Hospital, Nashua, N. H., in the class of 1922. She completed the Laboratory Course at Boston University School of Medicine in 1932 and in 1935 completed the X-ray Course at the General Electric Company. For ten years, from 1925 to 1935, she was a registered nurse at the Brookline Hospital, New England Baptist Hospital, Massachusetts Women's Hospital, Parkhurst Hospital and the Winchester Hospital.

From 1932 to 1941 Mrs. Gaum was a laboratory and X-ray technician at the Almy Hyde Hospital, Malden, N. Y., Barrister's County Sanatorium at Pocomtuck and the Day-Kimball Hospital, Putnam, Conn. She was an X-ray technician at the Chelsea Memorial Hospital from 1941 to 1944.

During World War II Mrs. Gaum did Army Hospital work as a nurse for the Corps of Engineers, AUSA, at Lathrop, Cal., and then as an X-ray technician at Lowell South Hospital at Fort Devens. From 1945 to 1948 she was head X-ray technician at the Boston Dispensary before going to the Harley Hospital in Boston as head X-ray technician and X-ray technician. She had been head nurse at the Metropolitan State Hospital in Waltham for two years.

Mrs. Gaum was a member of the Massachusetts Society of X-ray Technicians and of the American X-ray Technologists. She and Mr. Gaum were married by the Rev. George Hale Reed, former minister of the Unitarian Church, at his home October 17, 1931. They worked together at the Metropolitan State Hospital and were often seen together during time off in the summer at the Mill Pond feeding the ducks. Mrs. Gaum was a member of the Winchester Arch Chapter and a former member of the Winchester Country Club. He was a member of the old "Calm Club" and was a former director and member of the Security Committee of the Winchester Co-operative Bank. The diversity of his work was a major part of his life with large numbers of persons and he was widely known in Winchester among people from all walks of life.

In the local political arena Mr. Gleanon was well known. He served on the old Appropriations Committee, which preceded the Finance Committee, filed his nomination in the latter year was elected to the Board of Cemetery Commissioners. He served continuously since that year as a member of the Board of the Board since May 2, 1910. He was the dean of town officers and had been a member of the Winchester Board of Health since the inception of this form of Government, often participating in the debates on the floor of the Town Meeting.

Sixty years ago Mr. Gleanon married Mabel E. Walton of Everett, who died April 28, 1941. He leaves two sons, Loring P. Gleanon, of Woburn, and Charles A. Gleanon, Jr., of Billerica, ten grandchildren and five great-grandchildren.

Funeral services were held on Thursday afternoon at Ripley Memorial Chapel of the First Congregational Church with the Rev. Donald R. Tarr officiating. Interment was in Wildwood Cemetery.

HOUSE CAMPAIGN FOR
HEART DRIVE

Harry A. McGrath, Jr., of Rangley Ridge announced this week that the local group assisting the State campaign of the Massachusetts Heart Association for funds for continued medical research in the field of heart disease will conduct a house-to-house drive in Winchester on Sunday, February 19.

Mr. McGrath, who is chairman of the Winchester committee in aid of the State effort, has announced that Mrs. William E. McDonald, of Winchester, will be the woman in charge of the drive.

MARRIAGE INTENTIONS

Leonard Warren Clark, 12 Colson street, North Billerica, and Alice May Price, 111 Cambridge street.

VOTERS OF WINCHESTER

We shall have the opportunity on March 6th of electing to the Board of Selectmen a young lawyer who was born and brought up in Winchester, who has done graduate study in problems of local government, who has served ably for three years as a town meeting member and who is eager to take an active part in the type of public service which has helped to make this town such a fine place in which to live.

Hope that on election day we will make a special effort to go to the polls and elect Harrison F. Lyman, Jr. to the Board of Selectmen.

GIRL SCOUTS AT WINCHESTER HOSPITAL

On Thursday evening, February 16, the newly decorated living room of the Winchester Hospital Nurses' Home was the setting of a Girl Scout ceremony marking the completion of thirty hours of hospital service by thirteen of the Scouts. Receiving their caps at the hands of Miss Laura Rogers, Superintendent of Nurses, were Florence Caterino, Nancy Chamberlain, Joan Donlon, Nancy Dowling, Eugenia Flaherty, Catherine Goss, Helen Herzig, Donna Macaulay, Judy Mawn, Mary Parcellio, Mabel Shoemaker, Becky Smith, and Arlene Weaver. Two of the Troop, Nancy Dowling and Catherine Goss, received in addition the insignia G. S. H. A. (Girl Scouts Hospital Aide) to mark their finishing fifty hours of service. The chairman of the evening, Mrs. d'Elzeux, Troop Leader of the Hospital Aide Scouts, presented Mrs. James B. Willing, Commissioner of the Winchester Girl Scouts, who spoke briefly. Mrs. d'Elzeux then introduced Miss Rogers, who preceded the cap ceremony by commending the girls for their good performance of the duties they have carried since they began work in November. The speaker of the evening was Mrs. Dorothy Hayward, Assistant Director of Health in the Hospital and Medical Care Division of the United Community Services. She gave the girls a vivid glimpse of a possible future profession in speaking of "Nursing, a Career For You."

Sunday afternoon the Police were notified that boys had broken a window in a house on Florence street. Sgt. Thomas P. Cassidy and Patrolman James E. Flaherty rounded up four boys living in the neighborhood who the Police say admitted breaking the glass. They agreed to make restitution.

COLLEGE CLUB ART GROUP

A most enthusiastic meeting was held at the Public Library Friday morning, February 10, under the auspices of Mrs. John Chipman and her committee. The subject of study this month is the Fogg Museum in Cambridge. Mrs. Chipman introduced the group to the Fogg by saying that this museum, connected with Harvard University, is truly a teaching Museum, and has the largest and most useful collection of teaching material in America. The Director of the Fogg is Mr. John Coolidge.

Mrs. Waldo Bond gave a brief history of the founding of the Museum, and listed the four most prized possessions. These latter are:

1. Saint Francis Receiving the Stigmata School of Giotto

2. Holy Family, by Nicholas Poussin

3. The Apotheosis of Anceus, by Tiepolo

4. Neptune Raising from the Waves, by Rubens

These treasures will be seen when the group visits the Fogg on February 24.

Mrs. Robert Metcalf gave a most interesting talk about the Fogg Library. She stressed the fact that this is a working library, containing 20,000 books, 60,000 photographs of works of art, and thousands of slides. It is the ultimate aim here to own a photograph of each item in the collection of every museum in the world. — and the Fogg is well on the way toward accomplishing this.

Mrs. Frank Gundry discussed the Conservation Department of the Museum. She said that the delicate and watchful care they take of their possessions. Mr. Gettens in this department is a world authority on pigments. Through chemical tests, X-ray, and various other means the Fogg is a world-recognized source for determining the genuineness of paintings. The most noted and thrilling project taking place in this department at the present time is work on one of the ancient scrolls found in 1917 by a goat herder on the shores of the Dead Sea. This scroll is probably the apocryphal book of Lamech, the father of Noah, and may be of importance in the field of Biblical history and literature. The Fogg authorities are working with the utmost care to unroll the scroll. The process may require six months or longer, because of the way in which the parchment and leather have fused into a glue-like substance.

Mrs. Henry K. Spencer gave the final talk of the morning on the current exhibition at the Fogg. This includes the work of Laszlo Moholy-Nagy, a modernist belonging to the school of constructivism.

Moholy-Nagy was a Hungarian by birth, but lived and worked in Holland, England, Germany, and before his death in 1946, in America. He is considered by authorities as among the most versatile of the contemporary artists; he was a painter, sculptor, photographer, engineer, teacher, — and because of these unusual gifts he is sometimes spoken of as a modern Leonardo da Vinci. The works of Moholy-Nagy at the Fogg may be puzzling and not easy to understand by those who have no knowledge of him or of his philosophy. The pictures are in the field of the abstract, with the emphasis upon the organization of the picture — plane from the standpoint of design, color relationships, interpenetrating planes, and the element of space. He was conscious of the speed-age in which we live, and thought of space-time as a fourth dimension in painting. He was co-founder of the group known as the constructivists.

Mrs. Spencer so winned the curiosity of the group that they were most anxious to see these Moholy-Nagy paintings. Then, as a fitting climax and complete surprise, Mrs. Chipman delighted the audience by displaying four large "original" Moholy-Nagys which she had made herself! And Mrs. Bond contributed a small original which she had made!

Everyone is looking forward with eagerness to the Fogg Museum visit. The group will meet at the Fogg Museum (Quincy street, Cambridge) at 11 A. M. on Friday, February 24. From 11 to 12 o'clock one of the staff will speak and conduct the group through the building. At 12 o'clock we are to be honored by having a short talk from Mr. John Coolidge, the Director of the Museum.

There are good places nearby for luncheon. It is hoped that after lunch many will return to enjoy the Museum, and to contemplate Moholy-Nagy at their leisure.

CONTAGIOUS DISEASES

The following list of Contagious Diseases was reported to the Board of Health for week ending Thursday, February 9:

Whooping Cough 4
Chicken Pox 2

LOCATED IN WINCHESTER CENTRE

MONDAY, QUITE A DAY

Untoward happenings about town Monday commenced at 12:30 in the morning when a Chevrolet sedan, owned and driven by Russell P. Mead of 21 North Hancock road, Lexington, while turning left from Church street onto Cambridge street, struck and knocked down a traffic sign, owned by the State. Officer William T. Haggerty took care of the sign and the State Highway Commission was notified of the damage.

Later in the morning the Police were notified that several snow-stakes had been ripped from the grounds of a residence on Central street and a mail-box overturned on that street. Some time Sunday evening or Sunday night after the agent had left Winchester station, two gunshot machines there were broken into and a small amount of money taken.

Alfred Elliott reported to the Police on Monday that some time over the week-end some one had entered a house in process of construction on Andrews road and stolen hardware valued at \$50. Access was gained by breaking a rear window.

Another builder, William Wolsey reported that a radiator had been stolen from a new house on Jefferson road over the week-end, with 40 pounds of rolled lead and the same amount of zinc.

Monday afternoon a man was caught stealing from the poor box at St. Mary's Church, and the day ended with the reported theft of two bicycles from Pete Provino's Pontiac, parked on Main street near the Parkway while the Town League basketball games were in progress at the high school gymnasium nearby.

BAD FIRE NIPPED AT VINE STREET HOME

The Fire Department arrived in time to prevent what might have been a serious fire at the home of Mr. Harris Parker, 62 Vine street, last Sunday afternoon.

A telephone call at 12:34 sent apparatus to the house where it was discovered that a hot fire was in progress in the cellar. Capt. J. Edward Noonan had Box 411 sounded at 12:37.

The fire apparently started from spontaneous combustion in some pants' clothes stored under the cellar stairs. The stairs were burned and in one small section the fire worked up into the dining room of the house. Except for this one spot the fire was confined to the cellar.

Thick smoke and heat made the work of the firemen difficult. Captain Noonan sustained a cut on the palm of his left hand while fighting the fire and Fireman John Nash burned his left hand. Chief Callahan characterized the fire as potentially serious and the stop, a good one.

In addition to the fire at the Parker home the Department answered two false alarms Sunday. The first was at 2:07 a. m. from Woburn Box 55, a mutual aid box located just above the town line on Main street. The second was from Box 555 located near the Wyman School. The Police went to work in this latter alarm and questioned several boys in an effort to locate the guilty party.

MYSTERIOUS FIRE

Local firemen were at a loss to account for a fire which broke out Saturday evening in a divan at the home of Mr. Chester Dyson, 17 Lebanon street.

In this case the usual smoking was not the cause of the fire which broke out near a wooden stand under the springs of the divan which had been newly upholstered. Chief Callahan has asked the Fire Marshal's office to investigate in an effort to see whether some type of inflammable material caused the blaze, which fortunately did little damage.

In addition to this fire the Department was called at 9:28 p. m. to Pike's Garage on upper Main street where the heater boiler had overflowed to flood the cellar. The firemen corrected the trouble and pumped out the basement.

Mr. and Mrs. William Botter of Sheffield road are in New York for a few days. They are registered at the Hotel George Washington.

WINCHESTER HOSPITAL NEWS

The personable young man whose picture is given above is the three-day-old Thomas Jeffrey Howe, born February 5, son of Mr. and Mrs. Thomas II. Howe and brother of Nancy Alice Howe, 92 Cabot street, Winchester. He is the grandson of the late Mr. and Mrs. Lyman J. Bowler of Waltham, and of Mr. and Mrs. Thomas Walter Howe of Volney. This photograph is one of the first taken with the newly installed baby camera in the Winchester Hospital Nursery.

Another Winchester baby whose photograph is being developed as we go to press is Deborah Reed McLean, daughter of Dr. and Mrs. John D. McLean of 29 Seneca road, born in the Winchester Hospital on February 13. Deborah is the granddaughter of the late Nathan Barker and Mrs. Reed (Ella May) of Walpole, and of Dr. and Mrs. John A. McLean of Somerville. Deborah's is the first picture taken by the camera of a "daughter" of En Ka, the society sponsoring the photo service in the Winchester Hospital Nursery.

POOR-BOX THIEF CAUGHT AT ST. MARY'S

Monday afternoon at 2:30 Francis T. Farrell of 16 Lebanon street, a janitor at St. Mary's Church, noticed an elderly man come into the church while mass was being sung near the vigil lights. The man evidently did not see Farrell for he went to the church poor-box and commenced to extract coins from it, using a long thin strip of metal.

Farrell went quietly out to get Janitor Edward Dalton of Water street, but before the two could get back to the church the Rev. Fr. Thomas F. Bennett entered, frightening the man who ran from the building toward the center.

The two janitors gave chase, but were unable to catch up with the man before he had entered the town hall. Farrell entered the building by the front entrance while Dalton went around to the rear of the building, catching the man as he sought to escape by a rear door.

Dalton and Farrell took the man to Police Headquarters where he was questioned by Chief Charles J. Harvold. He gave his name as Albert Gustine, 76, of 421 West Newton street, Boston, and stuck to that address despite the fact that there is no such number, according to the Police.

Gustine at first denied taking any money at St. Mary's, but finally admitted he admitted having taken \$3.18 from the poor box there.

Police say that when they searched him they found wound around the inside of his hat the long thin strip of black metal which he used to get the coins from the poor-box. In an aspirin box in his pocket the Police found a sort of paste which they say he put on the end of the metal strip, causing the coins to adhere to it so that they could be pulled from the box. In a tobacco-box in another pocket was found a cloth treated with some sort of chemical, which according to the Police he used to clean his hands.

Gustine was locked up charged with larceny. He appeared in court at Woburn Tuesday morning, at which time he was sentenced to three months in the House of Correction at Billerica. He was committed after trial.

If you listen to the fine Tele-
phone Hour program on the radio
Monday evenings, you hear stressed
as often as anything by the an-
nouncer the courtesy of Telephone
Company personnel. We had a
good illustration of both considera-
tion and courtesy on the part of
a Telephone service truck driver
Wednesday as we shopped and slid
through the center on the way to
police and fire headquarters. We
were about half way across with
no cover to jump on and we saw
the truck approaching and braced
ourselves for the usual baptism of
ice water and slush! It didn't
come, and opening our eyes, we
saw the Telephone truck driver had
stopped his machine and was mo-
tioning us across his bows, WITH
a smile. We in turn removed our
hatted hat and waved him on his
way, our faith in human nature
again revived by another kindly
deed!

HYDRO-ELECTRIC POWER IN
THE HIGH BRASS

Editor of the Star:

A recent issue editorial in the
Boston Herald brings out Power
Politics in the New England
Hydro-Electric scheme of the Fair
Dealers.

The New England Council re-
port made by the Charles T. Main
Engineering Company (the late
Charles T. Main and his son in the
firm) is both a warning and a chal-
lenge. It shows that there is about 200-
600 kilowatts of potential power,
but the Federal Power Commission
say there are 100,000 kw. Senator
Lodge, with Senator Saltstall's
backing, introduced a bill in
Congress, calling for a detailed survey
by the Army engineers to deter-
mine without bias who is right.

The New Fair Dealers could not
let him get away with that; so
they, through Senator Green of
Rhode Island, have introduced a
bill of their own, plus Mr. Truman's
green light, to include about every
department or bureau that has an
interest in water power development
(Forestry, Soils, Cows or Pigs) to
take a hand in the survey.

Behind all this Fair Deal soli-
darity for cheap power for poor
New England, should they convince
Congress it is necessary, lies the
desire to have created two or so
River Valley Authorities, like
T. V. A. or Columbia River, with a
three-man commission to tell all
the citizens living behind the dams
that they damn well will have to
then own private affairs as we
say - move your belongings out of
flooded areas, get a new farm area
and take it or leave it. The same
to the railroads, villages and the
graveyard inhabitants!

This scheme is the first step in
New England for the National
state here. These River Valley Au-
thorities reach out to the head-
waters of the main stream and all
its tributaries. If both, or all, of
rivers in New England that have
power possibilities are included,
then practically all of the six states
might well come under the say-so
of these Three-Man Tycoons.

I have had a copy of the Federal
Power Commission's report for
some time, and it is too long to re-
print in the Star, for it includes the
St. Lawrence River scheme and the
Quaddy thing, that we already have
spent millions on, and which was
one of F. D. E.'s pet projects.
Perhaps you remember!

The Boston Herald pointed out
that this proposed cheap power for
New England is cheap politics on
the part of the Administration and
to head off Republicans Lodge and
Saltstall from doing anything.
The Fair Dealers are the great
benefactors here, there, every-
where.

What they really are after more
than anything is to get control of
the water power in the State of
Maine, since they claim there is 65
percent of New England water-
power in that state, and that Maine
will not let that power go out of
the state, come hell or high water.
The state constitution says so, and
so, "if you want to get rid of
to make noise traps or 'fals' out
of spuds, come on down and we will
furnish the power." There is a
fucker in the whole thing, in that the
Fair Dealers say we can finance
this pet scheme at three percent

WHY WOMEN ARE NEEDED

In 1920 a special Committee of
the Town brought in a report, rec-
ommending that the School Com-
mittee be increased from three to
six members, two of whom should
be women. This report was
adopted and its recommendations
have been followed ever since, ex-
cept for 1938-39 and for 1948 when
Mrs. Chandler ran to fill an
expired term, and two other women
candidates were defeated by two
men.

Today Mrs. Chandler is the only
woman member. Yet through
daily contacts with the schools, a
mother knows more about
what teaching methods are being
used, what work is being done, and
what other mothers are thinking
about the schools. Mothers neces-
sarily go to a woman on the com-
mittee about school problems. Teach-
ers talk more freely to a woman
member.

I was fortunate in having been
Chairman of the Central Mothers'
Association's production of "Teach-
ers on Parade." I met almost every
elementary teacher in Winchester,
and I also met some of the par-
ents. I worked with Mothers groups
from all of the schools. I have
been to every school in town since
I know many of the problems of
the particular schools, and I know
the problems of school planning
which concern the town as a whole.
I realize keenly the need of inte-
grating the school planning with
careful financial planning. As a
Town Meeting member in twenty
years service I have missed at-
tending only one meeting, includ-
ing our several special meetings. I
know full well our problems of a
rising population and a rising tax
rate. As a housekeeper and moth-
er I know the need of careful bud-
geting.

8 Lagrange street

A NOTE FROM "P. T."

February 10, 1950

Editor of the Star:
I just received the weather re-
port dedicated to me in the Star
February 3. Thanks, as that is
always vital subject matter when
you are in the south!

My pal and I have had a very
fine last trip to Jamaica and we
sure are enjoying our stay here;
plenty of good food and rest, loads
of sun and nice warm water for
swimming!

Myself and leave Kingston the
next day for a nine day trip by
water to Miami, via Ciudad Tru-
illo, and Nassau, arriving in
Miami March 2nd. At that time
I will cast my ballot for our town
election. After a motor trip to
the west coast of Florida I expect
to be home about March 10th and
to settle down for another year.

We are having a great time
handling English money and driv-
ing on the left side of the road.
We have an Austin car, right hand
drive; the roads are very narrow
these natives go like H - I - so you
must watch out, or else! Hope to
see you soon.

P. T. Foley

CHAPTER 90 FUNDS
ALLOTTED TO WINCHESTER

Winchester is listed among
Massachusetts cities and towns in
the tentative allocation of \$7,189,-
000 for secondary roads under the
provisions of Chapter 90. The
General Laws which provides that
the State pays one-half the cost of
such roads with the cities and coun-
ties each paying one-quarter.
Governor Brewer has sent a special
message to the Joint Ways and
Means Committee of the Legisla-
ture requesting appropriation of
another million dollars to meet
the demands for projects and be-
cause of this message there is a
strong possibility that a total of
\$8,200,000 will be available for
such roads, the largest ever ap-
propriated.

State engineers are rushing
specifications so that bids can be
asked in the early spring, opening
the usual late starting of Chapter
90 projects in August during the
dog flow of summer traffic.

Winchester's Chapter 90 Project
is for the reconstruction of High
Road at a cost of \$244,000. The
State will pay half of this, with
Winchester and Middlesex County
each paying \$61,000. Volume is also
listed among nearby cities and
towns sharing in the Chapter 90
funds, receiving the largest al-
location of \$18,000, to be spent on
Merrimack and School streets, Way-
mouth, Westford, Weston and the
Mington and others to receive
funds.

Mr. and Mrs. E. Jackson Brown-
ing (Carol Randall) of Drexel
Hill, Pa., are the parents of a son,
David, born February 1, Philadel-
phia. Grandparents are Mr. and
Mrs. Rex T. Randall of Wildwood
street, and Mr. and Mrs. Carlton
P. Browning of Ellington. Mr. and
Mrs. Kate Long of Winchester and
Mrs. C. T. Browning of Norwich, Conn.,
are great-grandmothers.

NEWSPARAGRAPHS

Dr. and Mrs. Philip J. McManis
sailed last week on the Mauretania
for an 18-day cruise to the Car-
ibbean and West Indies. They will
return March 5.

"TOMORROW THE WORLD"

A play by James Gow and
Arnold, directed by
Harlan F. Grant, produced Febru-
ary 9, 10, and 11, with special per-
formance for the Girl Scout Build-
ing Fund February 8, by the Parish
Players of the First Congregational
Church in the Little Theatre
Beneath a Spire, with the following
cast:
Patricia Frame, Brenda Bove,
Jessie Frame, Lenore T. Gamage,
Freda Frame, Rita Fernald,
Michael Frame, Eugene M. Tallard,
Leona Richards, Dorothy Ann
Manger.

Mr. and Mrs. Robert P. Blake
Dennis, Daniel F. Blanchard,
Barter, Peter T. Gamage,
Tommy, Terry Tallman.

Whether or not you liked "To-
morrow the World" you had to
admit that the Players did a
thoroughly good job. The play is
a revealing play which has been rec-
ommended by the Panel on Drama-
tic Arts of the United States Na-
tional Commission for UNESCO.

The plot deals with the efforts
of Michael Frame, a college pro-
fessor, and his fiancée, Leona Rich-
ards, a Jewish teacher, to save the
mind of Michael's nephew, Emil
Bruckner, a war orphan come to
live with his uncle, from the
principles inculcated during his
war years. The play is well written,
gripping in spots, with several well
drawn characters and little touches
of humor to relieve the tension.

No amateur group will get far
with this play unless they have the
right boy in the part of the trans-
planted young Nazi. He must be
convincing without overplaying or
barbarizing the exaggerated be-
havior of the regimented youth of
the Third Reich. If he can't con-
vince the audience of the necessity
for his complete regeneration, the
whole play falls rather flat, with
only the love interest of Michael
and Leona to hold it together.

In Marshall Phil, Jr., the Players
had a corking Emil who played the
part with a lot of depth, whose
superiority was beautifully assumed
and who was very successful in getting
across his complete acceptance of the Nazi
regime.

His perfect impersonation of the
youthful indoctrination. His car-
riage and pantomime were both ef-
fective, and so beautifully was he
acted that the audience forgot his
numerosity which with less
sincere handling could easily have
been ludicrous.

His brief lookback before his
final capitulation and the expres-
sion of bewilderment which gradu-
ally broke through his attempted
repetition of his father's implied
disgrace were mighty well done
for anyone, let alone an inexperienced
boy! How effectively he did his
final bit of stage business with
the picture! Thanks to a director
who can get such a response from
a boy!

Equally fine was the playing of
Pat Frame, the Professor's daughter,
by the youthful Brenda Bove.
Here was a performance full of
candor, entirely without the affec-
tation which children so often
consciously assume upon the stage.
The audience took her to its heart
at once and it is hard to see how
anyone could have improved on
her handling of her role. With no
character shield to hide behind she
did a fine bit of straight-forward
acting with no touch of self-con-
sciousness.

The play was invariably well
cast. We mention the more youth-
ful members first because seldom
will you find youngsters playing
with such poise as Marshall and
Brenda.

Dr. Pollard turned in a very con-
vincing portrayal of the hard-nod
professor, interjecting those little
dryly humorous cracks that are
peculiarly his own, yet handling
the deeply emotional scenes at the
end of the play with a sincerity
that was most effective. The good
doctor still needs to remember that
all the audience does not sit in the
front rows, but this criticism does
not apply only to him. Mrs. Manger
dropped her voice a bit too far at
times and occasionally the youthful
Mr. Phil quite understandably per-
mitted his lines to run away with
him.

Aside from the very occasional
difficulty in hearing her, Mrs.
Manger was a real delight in the
part of Michael's Jewish fiancée.
Her's was a very sensitive hand-
ling of the role and she showed her-
self entirely capable of portray-
ing all the varying emotional facets
written into the part. Few have
made a more auspicious debut in
the Little Theatre.

Mrs. Fernald as Frieda, the Ger-
man maid, was responsible for

Dr. Charles P.
Donahue

OPTOMETRIST

NATIONAL BANK BLDG.

13 CHURCH STREET

n.a.s.f.

much of the comedy relief and did
a very finished job.

Mrs. Gamage was a very satis-
fying Jessie Frame, the slightly
jealous Professor's sister; and Mr.
Blake was equally good as the Ger-
man janitor, though to be sure he
might have been a bit more sinister.
Daniel Blanchard, Peter Gamage
and Terry Tallman as the hired
guests at the birthday party were
quite all right. Mrs. George E.
Connor was production chairman.

MOTHER IS A FRESHMAN
TONIGHT AND SATURDAY
NIGHT

The junior and senior classes of
Winchester High School proudly
present "Mother is a Freshman" a
comedy in three acts, at the High
School Auditorium tonight and to-
morrow night at 8:15.

The cast, starry-eyed from LIFE
photographer Yale Joel's timeless
pictorial review, is as follows:

Mrs. Abigail Abbott Marcia Kraft
Susan Abbott Anne Farnham
Mrs. Miller Louise Kuder
Diane Gulaker
Diantha Lamb
Pay Carroll
Felicia Mezacappo
Susan Graves
Dorothy Parker
Thomas Dee
David Archibald
John Borden
Richard Joslin
John Roeray
Professor Michaels John Power
Director Thomas Morse

TOWN MANAGEMENT

In response to Winchester's new
interest in the pros and cons of
having a Town Manager, the
League of Women Voters is hold-
ing the second in a series of 4
meetings on Town Management on
Friday, February 24, in the Art
Gallery of the Library at 10:15
a. m. Mrs. William Minot V., a
most excellent speaker, is talking
on Proportional Representation.
She was instrumental in getting
proportional representation for
Cambridge and was recently ap-
pointed to the Recreation Commit-
tee of Boston and is political di-
rector of the Massachusetts Rep-
ublican Club.

"A LOAN
PUT ME
BACK ON
THE BEAM"

"It was slow work trying to pay up the doc-
tor, the hospital and other bills. I was worried
and upset until a friend suggested that I talk over
my problem with our 'home-town' bank. They
quickly put me back 'on the beam' with a cash
loan that took care of all the bills. Now, I'm re-
paying easily in monthly installments."

When you need financial help, remember that
this friendly "home-town" bank is glad to make
low-cost loans to help responsible people with
steady employment to budget their way out of
debt. Amounts from \$50 to \$1,000 or more are
furnished quickly, easily and privately, and you
repay in monthly installments to fit your pocket-
book. You need no bank account or "intro-
duction." Why not stop in now?

Cub Pack 7 Reporting

Pack 7 celebrated Scout Week with a Blue and Gold Banquet, Thursday evening, February 9th at the First Baptist Church. The Banquet was attended by 65 Cubs and 120 adults. It was planned and carried out by the following Den Mothers: Mrs. D. R. MacArthur, Mrs. S. P. Bingham, Mrs. E. D. Ripley, Mrs. D. T. Chane, Mrs. K. W. MacArthur, Mrs. Robert Low, Mrs. S. G. Seaver, Mrs. George Erickson, and Mrs. R. Wright. After the enjoyable dinner made possible by these Mothers, Mr. N. R. Howe played the piano and everyone joined in the singing of popular songs. Cubmaster Walter Josephson and Mr. Elmer D. Ripley, chairman of the Cub Committee, conducted the Pack meeting which included an advancement ceremony and skits presented by the Cubs themselves. Den 1 under the supervision of Mrs. C. E. Credo and Mrs. King presented their theme in keeping with this month's recommended theme of Knighthood. The Cubs were dressed in shining armor forged not doubt out of silver paper. Den 2 conducted by Mrs. Donovan and Mrs. Wakefield put on an excellent puppet show depicting Hansel and Gretel. The puppet narrator was dressed in a Cub Uniform. The advancement awards presented by Commissioner George Thompson are as follows: Den 1: Robert pin, Richard Crawford, Bobby Fellows, Douglas Thompson, Christopher King, 1st Fort Wright, Donald Wyman, 1st Gardner, Bruce Bonard Thompson attain badge, Den 2: Joseph Alf Gold and Silver, nes Kennedy, Wolf ow, Douglas Gowdy, w. John Conkey, Wolf and 2 Wolf Silver Arrow Morse, Wolf Gold Arrow, 3: Wolf Badge to Roy Kim Harris, Albert DuRichard Huff, Allen McKenneth Erh and Ken or, Den 4: Alfred MacGold and Silver Arrows for Bear Badge, Gold and Silver Bear, Denner Stripe; Ronald acArthur, Wolf Badge and Gold Arrow for Wolf; Paul Stevenson, and Edward Lynch, Wolf Badge and Gold Arrow for Wolf, Roy Post, Gold and Silver Arrows for Wolf, Bear Badge, Harold Ekstrom, Gold Arrow, and 2 Silver Arrows for Bear, Service Star with

whom they can see, how can they obey a God whom they cannot see. He urged the boys to take advantage of God's gifts of Nature, the fresh air and to refrain from incessantly going to the movies, particularly when there are objectionable pictures there perhaps. Another admonition was Thrift and finally a warning of had companionship as something to avoid and a request that the scouts pray hard for success whether it be in the Priesthood or some secular occupation. That the Scouts and Cubs enjoyed their visit was evidenced by their outspoken enthusiasm on the journey home.

Troop 12 had a Valentine Party at the meeting, February 10th, with ice cream, cakes, pop corn and cakes. Parents were invited and awards made to the following: Scouts Bees and DiBona, tender-

foot badges; Scout Erhard, First Class and Music Merit Badge, Patrol Leader stripes; Scout Thorne, 1 year Service; Scout Doucette Patrol Leader Stripes; Scouts Power, Quill and Winn Asst. P. L. Stripes. Tom Gallagher is way ahead on the Individual Point Contest. Rev. Fr. O'Neil Troop Chaplain spoke briefly as also did Committeemen McDougall and Vangel. Scout's DiBona and Sullivan did monologues while Laurence Erhard and Alan McDougall entertained on the piano.

John A. Volpe of Winchester, widely known in fraternal and communal affairs, has accepted the general chairmanship of the home for Italian Aged Fund Drive to be conducted throughout the commonwealth.

Cadillac

presents

FOUR NEW SERIES OF CARS...

The Series Sixty Special Sedan

..All Dramatically Restyled...and Powered by

Cadillac's Sensational New Engine !

TODAY, we are presenting, for your consideration, the finest, most beautiful motor cars we have ever been privileged to announce.

They are the new Cadillacs for 1950—and we want you to come and see them.

We not only want you to see them—but we think you should see them. For to see and inspect these wonderful creations will make you a sharper judge of all cars—and increase your motor-car wisdom in every respect.

There are four entirely new series of cars—all with wholly new bodies, and all completely restyled. We think you'll agree that nothing so sleek and dynamic and beautiful has ever been

seen on the world's streets and highways. They are arrestingly and breath-takingly gorgeous—and all are *distinctively* Cadillac.

And not only are they advanced in beauty—but their *performance* is finer in every way.

Cadillac's great new high-compression engine is even smoother; it is actually quicker in acceleration; and it runs so quietly that only the indicators reveal when it is in action. It is simply wonderful to drive.

And—difficult as this will be for owners of 1949 Cadillacs to believe—the 1950 cars are *even more economical to operate*. Gasoline mileage really approaches that of the smaller, lowest-

priced cars. It is no less than amazing that cars so big and luxurious should run so far on a gallon of gasoline.

Comfort and handling ease are also remarkably advanced. There is far finer road balance and over-all steadiness at all driving speeds. Steering is softer and more positive. Brakes are more efficient and longer-lived. The over-all satisfaction of driving—from every standpoint—is simply "out of this world."

Truly, here are cars so fine and beautiful that they deserve your personal consideration.

Make your plans now to come in and see them. You will be cordially welcome at any time.

street is a member of the commit-
tee in charge of arrangements for
the annual concert of the Tufts-
Jackson Chorus under the direc-
tion of Dr. Thompson Stone, to be
held Tuesday evening, February
28, at 8:30 o'clock at John Hancock
Hall in Boston. The Tufts Dental
Women's Committee of the Tufts
Dental Alumni Association is spon-
soring the concert which is to
benefit the Tufts College Dental
School Scholarship and Philan-
thropic Funds.

Dr. and Mrs. Dickson are among
the Winchester patrons and pa-
tronesses for the concert, others
being Dr. and Mrs. John R. Wal-
lace of Bruce road.

The Tufts-Jackson Chorus is ex-
pected to present an interesting
and musically rewarding program
under its distinguished conductor,
Dr. Stone, long known and admired
in Greater Boston for his direction
of the Handel and Hayden Society
and the Apollo Club.

The Tufts Dental Women's Com-
mittee in the past five years has
built up a permanent scholarship
fund, has loaned several hundred
dollars to students, has obtained
money for work in prosthetic de-
partment of the Tufts Dental and
Medical Schools.

Proceeds from the concert on the
twenty-eighth will help to further
these and similar projects.

MAUREN CULLEN RADIO WINNER

Miss Maureen Cullen, daughter
of Mr. and Mrs. John P. Cullen of
284 Cross street, won the January
award for the most popular per-
former on the radio show, "Op-
portunity Time" over Station
WLAW in Lawrence.

Miss Cullen, a singer whose voice
and personality have won her many
friends in and around Winchester,
appeared on "Opportunity Time"
only a short while ago, her sing-
ing of the beautiful ballad, "Danny
Boy," making a big hit. The monthly
winner of the contest is determined
by the votes of those in the studio
audience and those listening to the
program in their homes. Inciden-
tally Miss Cullen received a large
number of votes.

A beautiful trophy from the station
and what pleased her even more,
many letters from listeners near
and far. Those who have heard her
in broadcasts or concert appear-
ances predict a fine future for her.

V. F. W. AUXILIARY NOTES

The Auxiliary to Abernethy Post,
V. F. W., 3719, is conducting a
membership drive and a cordial in-
vitation is extended to all eligible
to become members. Contact Sue
Fiore, Auxiliary president, Win-
chester 6-158-M, or Mary Fitz-
gerald, membership chairman,
Winchester 6-048-M.

The Auxiliary is holding another
of its popular whist Monday even-
ing, February 27, at the new Post
Headquarters on White street.

Auxiliary President Sue Fiore
recently attended a conference of
Post Auxiliaries, held in Prov-
idence, R. I., at which Prof. George
Demeter of Boston gave an inter-
esting and instructive address on
parliamentary procedure.

JESUIT ADDRESSED ST. MARY'S R. N. S.

With perhaps the largest group
in a long time for a regular month-
ly meeting, excluding the special
Communion Breakfast affairs
which are always well attended,
the Holy Name Society with St.
Mary's Boy Scouts and Cub Scouts
as their guests, highly enjoyed
Rev. Leo P. O'Keefe, who is a mem-
ber of the Jesuit Order, New Eng-
land Division of their Mission
Band. Fr. O'Keefe is stationed at
the Jesuit Retreat House, "Cam-
pion Hall" in North Andover.

It being Scout Sunday, the
Scouts occupied a special section at
the 8:00 a. m. Mass with the Holy
Name Men, Den Mothers of the
Cub Scouts, and Leaders of the
Cub Scouts and Pack were present also.
The Scouts marched in with
church with colors and Rev. Wil-
liam Walsh, Spiritual Director of
the Holy Name Society, welcomed
the scouts while announcing that
three of their number would be
honored by the Archbishop in the
afternoon in the Cathedral at Bos-
ton where they were to receive the
"Ad Altare Dei" (Catholic award of
Scouting). All of the Scouts and
Cubs were to journey there in a
body also.

After Mass, Communion and
Benediction, the Men and boys ad-
joined to Lyceum Hall where
light breakfast was served with
Mr. Michael J. Connolly and his
committee in charge. Mr. Newell
Purinton and Mr. Herbert
Cleary presented musical numbers,
the former playing his beautiful
piano-accompanied and the latter ac-
companying him on the piano.

Announcements and reports were
made by Mr. Croughwell, Pres.;
Mr. Hall, Vice-President; Mr.
Cantwell, Secretary; Mr. Johnson,
Treasurer; Mr. Bennett, Sick and
Vigil; Mr. Murphy, Membership;
Mr. Connolly, Communion Break-
fast Committee; Mr. Erhard, Min-
strel Show Committee; and Fr.
Walsh, who also introduced the
Speaker.

Fr. O'Keefe made an instant hit
with the youngsters and called
upon the three "Ad Alt

WINCHESTER DISTRICT NURSING ASSOCIATION

January 1950 proved a busy one for the three-nurse staff of the Winchester District Nursing Association, with 124 admissions, 47 visits, according to the report given by Mrs. Jane Lord, executive director, at the meeting of the Association last Friday in the General Committee Room, Town Hall.

Mrs. Lord also called the board's attention to the many sick-room articles which may be rented or borrowed from the District Nursing Association, at the meeting of the Association last Friday in the General Committee Room, Town Hall.

Mrs. Henry E. Moffette, newly elected President of WDNA, officiated in the chair at this first meeting of the 1950 board, and welcomed two new members, Mrs. Vaughn Harmon, Mrs. Charles Butler. She named the following members to the Hospitality Committee: Mrs. Harvey Macaulay, Mrs. Valcott Thompson, Mrs. William Rogers, Mrs. Edward Grosenor, Mrs. Charles Butler.

Letters were received and read from the Social Agencies Group, putting forth a plan to have quilters and recreation for residents in Winchester over 60 years of age. Delegates to this open meeting in Town Hall Monday night were Mrs. George E. Connor and Mrs. James Conn, representing the Nursing Association.

The Public Relations Committee plans to have the Association well represented in the 100th anniversary of the town on April 29, with a float depicting the work and community-wide service of the nursing staff and its board.

The board considered a letter from the Parish, with its plan for a club house for women in the town. WDNA expressed enthusiastic approval of the plan, but would be unable to offer support, as an organization. For many years now, it has been the hope of the nursing association that if a new town hall were erected, WDNA might have quarters near the public health department.

A letter from the Boston City Hospital begged for blood donors and for women to work one day a week as gray ladies, taking down patient's information, serving coffee.

In keeping with the Association's custom of opening the first meeting of the year with reports of the standing committees, to familiarize new members with the work of each branch, Mrs. Moffette called for such reports, and as each one was presented, new members were given the opportunity to ask questions.

THE WINCHESTER STAR

VOL. LXIX NO. 27

THE WINCHESTER MASS., STAR, FRIDAY, FEBRUARY 24, 1950

PRICE SEVEN CENTS

CANDIDATE FOR ASSESSOR

CARL L. EATON

Winchester Voters:
The undersigned endorse the candidacy of Carl L. Eaton, a resident of Winchester for 25 years and a Town Meeting member for two terms, for election to the Board of Assessors.
Since graduating from Wesleyan University in 1917, he has been engaged in the real estate business in Boston except for seven years in military service as a Lieutenant in the Army in the first war and a Commander in the Navy in the last war. Until 1942 he was associated with C. W. Whittier & Bro., a prominent real estate brokerage and management firm and since 1947 has been in business under his own name. He is a member of the Boston Real Estate Board, has completed courses in real estate appraising sponsored by the National Institute of Real Estate Appraisers at B. U. and has no close contacts with local real estate to prejudice his opinions of value.
It is our opinion that inequities in real estate assessments can best be avoided by the election of a candidate trained and experienced in real estate.

SEEKS RE-ELECTION

Voters of Winchester:
I am a candidate for re-election to the Water and Sewer Board, of which I have been a member for the past 16 years.
I shall be pleased to continue to serve the town as a member of the Board, and if my technical education, business training and years of experience in the office appeal to you, I will be glad of your support at the polls on March 6.
Elwood R. Butterworth

BAPTIST WOMEN'S LEAGUE

Following the White-Cross sewing from 10 o'clock until noon on Thursday, March 2nd, luncheon under the chairmanship of Mrs. Frank McCullough will be served to the Women's League of the First Baptist Church. The afternoon program, which begins at 1:15, will feature a report on Home Missions arranged by Mrs. Hilda Ekblad. Mrs. W. J. Ekblad will lead the devotional period. The Love Gift offering will be taken. All women are welcome.

CANDIDATE FOR SELECTMAN

LESLIE A. TUCKER

To the Voters of Winchester:
As I am a candidate for the Board of Selectmen, the following may be of interest to you.
Winchester has been my home for over twenty years, and for the past twelve years I have been a Town Meeting member. I served on the Finance Committee in 1945, 1946 and 1947, and was Vice Chairman in the final year. During the three years on the Finance Committee I served on the Sub Committees dealing with the budgetary requirements of the Highway, Police and Fire Departments, and in the final year was Chairman of this Sub Committee.
Other Town Committee work includes Public Works Committee, and I am presently serving on the High School and Enlarged Junior High School Building Committee. I served as Deputy Chief in the Auxiliary Police and was commanding officer of the Winchester company, Massachusetts State Guard.

Your vote will be appreciated, but whatever your decision may be, please exercise your franchise on Election Day.

Leslie A. Tucker

REV. EDWARD S. SULLIVAN

GUEST SPEAKER

The guest speaker for the next meeting of the Blessed Virgin Sodality of St. Mary's church is to be the Reverend Edward S. Sullivan, nationally known as the "circuit chaplain." Father Sullivan's interest in the circles and those associated with it dates from his boyhood connection with the Retreat Annual Fair at Natick, N. H., and similar organizations, and since his ordination, five years ago, has devoted part of his time each year administering to the spiritual welfare and guidance of those connected with the various churches touring throughout the country and in high esteem by all regardless of creed or race. Father Sullivan's talk will be supplemented by interesting moving pictures taken at winter quarters, behind the scenes, as well as of the pomp and splendor of actual performances at various places including the Borden Garden. At the present time Father Sullivan is pastor of the Sacred Heart Church, Lanesville, Mass., and prior thereto was curate at St. Peter's Cambridge.

All members of the Sodality and their friends, as well as members of the Holy Name Society of St. Mary's, are cordially invited to be present at this social meeting which is to be held at Mary's Church, on Tuesday evening, February 28 at 8 o'clock.

Kenneth Brandt, son of Mr. and Mrs. Raynor Brandt of Thornton road, is attending Bardett College. Mr. Brandt is enrolled in the two-year Business Administration Course.

MURPHY

ANNIVERSARY MARSHALL

Commander Robert F. Murphy of Winchester Post No. 97, American Legion, has been appointed by Winchester's One Hundredth Anniversary Committee to be Chief Marshal of the Centennial Parade on Saturday afternoon, April 29. Commander Murphy's aides will be announced soon, and meanwhile the committee on Parade Floats has been formed, to include Carl H. Thomas, Marshall W. Symmes, Thomas Quigley, Jr., President Charles A. Murphy of Winchester Rotary Club and Ralph H. Bonnell.

Winchester District of Felland Council, Boy Scouts of America, is the latest contingent to sign up for the Parade, with both float and marchers. Local musical organizations participating will include Winchester High School Band under the direction of Fred M. Feltner, Jr. and the Drum and Bugle Corps of Immaculate Conception Church, which he and his family became well known in town.

Mr. Downes came to Winchester in 1925, purchasing "Aigremont," the beautiful estate of the late Owen C. Sisson on High Street, a show place of the town. During his residence there his home was a focal point for many social gatherings and he and his family became well known in town.
Mr. Downes sold his home on High street two years ago and since that time he had made his home in the former Remick house at 81 Cambridge street.
On September 20, 1941, Mr. Downes married Miss E. E. Egan of Rosindale, who survives him, with a daughter, Mrs. Herbert W. Arnold of Arlington and four sons, Thomas, Mark and Philip G. Downes of Winchester, and J. Edward Downes, Jr. and Richard H. Downes, both of Boston. There are also three grandchildren.

The funeral was held Thursday morning from the late residence with solemn requiem high mass, celebrated at St. Mark at 10 o'clock. Rev. Fr. Thomas F. Sennott was celebrant. Rev. Fr. William Walsh, deacon, and Rev. Fr. Francis O'Neill, subdeacon. The Requiem Mass was sung with Alice McKenna and Arnold Callahan, soloists, and Mary A. Callahan, organist. After the mass, Mr. Callahan sang "Gone with the Wind" from the "New World Symphony" by Dvorak.

Honorary bearers were John Moran, Frederick Johnston, James Baldwin and Charles McLeahy, all of Brookline; John Reagan of West Medford, Farnham Smith of Concord and Frank Whitty and Vernon Hawkins, both of Boston.

WINCHESTER DOG DIED AT SHOW

Litchfield's Great Dane Won Best Award Before Death

Ballerina of Stony Hill, a Great Dane, owned by Mrs. Alvin M. Litchfield of Niles Lane collapsed and died on Washington's Birthday as she reached her bench after winning the "Best American Bred Female" in the Eastern Dog Club's 37th Annual Dog Show at Mechanics Building. The big dog, 2½ years old, died of a heart attack, according to show officials. Daughter of champion Neill of Bay Tarn and champion Kirsten of Dune Tarn, she had never been ill and Mrs. Litchfield stated that there was no indication at the time of the show that she was suffering from a heart ailment. She collapsed immediately upon reaching her bench after being adjudged a winner and died before a veterinarian could reach her.

Ballerina's daughter, Foray's Antoinette, bred by Mrs. Litchfield and owned by Mrs. Lester T. Sawyer of Leominster, took the "winner's bitch" award, and Mrs. Litchfield's Foray's Fluff of Maryland placed second in the big open class.

THE WEATHER

During the week past Winchester has had some real winter. Dull, cloudy weather held during Thursday, Friday, Saturday and Sunday with the glass in the 30's and 40's, never below 30 and Mrs. Weather cleared and the glass went down and on Monday morning with a high cutting wind we had some real zero weather. The glass registered from 8 to 10 below, and with the wind, the day was easily the worst thus far this winter. The low temperature continued through Tuesday and on Wednesday snow appeared, falling during the day and through the night with about eight inches of snow falling by Thursday morning. Sleet continued through Thursday with the glass around 20. But spring is just around the corner.

JAMES EDWARD DOWNES

James Edward Downes of 84 Cambridge street, president of the Downes Lumber Company and widely known in Boston lumber circles for many years, died late Sunday night, February 19, at the Peter Bent Brigham Hospital, following a two months illness.

Mr. Downes was the son of Michael and Rose (Puffa) Downes. He was born March 1, 1879, in Boston and commenced his education in the schools of that city, attending Boston English High School for a year before going to work in the lumber business. He finished his high school course at night, while working days, and then furthered his education while continuing in business by attending the first evening classes of the Boston University School of Business Administration. The drive and ambition of these early years were characteristic of Mr. Downes' entire career, enabling him to work his way on a \$2.50 a week apprentice to the dean of Boston's lumber dealers.

At the age of 20, in 1899, Mr. Downes founded his own business, the Downes Lumber Company, which last year observed its 50th anniversary. The business prospered under his leadership and expanded until the firm recently built on South Bay avenue in Boston the largest lumber shed east of New York City.

Besides being president of the Downes Lumber Company he was president of the Mason Lumber Company of Malden and of the Godfrey Lumber Company and the Downes Realty Corporation, both of Boston.

Mr. Downes was a past president of the Lumber Trade Club of Boston, past director of the Rotary Club of Boston, former chairman of the fiduciary committee of a University Club of Boston and a member of the Algonquin Club and the Winchester Country Club.

He was also grand knight of Mt. Bowdoin Council, Knights of Columbus, of Boston, past director of the Lincoln House, Boston, and a proprietor of the Union Savings Bank of Boston.

Mr. Downes came to Winchester in 1925, purchasing "Aigremont," the beautiful estate of the late Owen C. Sisson on High Street, a show place of the town. During his residence there his home was a focal point for many social gatherings and he and his family became well known in town.

On September 20, 1941, Mr. Downes married Miss E. E. Egan of Rosindale, who survives him, with a daughter, Mrs. Herbert W. Arnold of Arlington and four sons, Thomas, Mark and Philip G. Downes of Winchester, and J. Edward Downes, Jr. and Richard H. Downes, both of Boston. There are also three grandchildren.

COUPLES CLEAR PLANS SPRING DANCES

The Couples Club of the Unitarian Church, having successfully presented its Christmas and Valentine Dances, is in the process of planning the next two dances, scheduled for Saturday evenings, March 11 and April 15. The March dance will be a Shamrock dance and the April dance will be with Mechanics Building. The big dog, 2½ years old, died of a heart attack, according to show officials.

Ballerina of Stony Hill, a Great Dane, owned by Mrs. Alvin M. Litchfield of Niles Lane collapsed and died on Washington's Birthday as she reached her bench after winning the "Best American Bred Female" in the Eastern Dog Club's 37th Annual Dog Show at Mechanics Building. The big dog, 2½ years old, died of a heart attack, according to show officials. Daughter of champion Neill of Bay Tarn and champion Kirsten of Dune Tarn, she had never been ill and Mrs. Litchfield stated that there was no indication at the time of the show that she was suffering from a heart ailment. She collapsed immediately upon reaching her bench after being adjudged a winner and died before a veterinarian could reach her.

Ballerina's daughter, Foray's Antoinette, bred by Mrs. Litchfield and owned by Mrs. Lester T. Sawyer of Leominster, took the "winner's bitch" award, and Mrs. Litchfield's Foray's Fluff of Maryland placed second in the big open class.

FOR SELECTMAN

BURNHAM G. PRESTON

Voters of Winchester:
I wish herewith to announce my candidacy for election to the Board of Selectmen on March 6.
Burnham G. Preston
12 Madison avenue
Political Advertisement

TO THE VOTERS

In submitting my candidacy for the office of Selectman, I am well acquainted with the town, its departments and its problems. I feel elected to the board I will give these problems my whole-hearted consideration; always keeping in mind what is best for the town and its citizens.
I have lived in Winchester the greater part of my life. I was for twenty-eight years a member of one of the largest local milk concerns, which still bears my name and is successfully conducted by my two brothers. Three years ago I retired as a member of said firm. I am a former Rotarian, former Grand Knight of the Knights of Columbus, Past Chief Ranger of the Elks, and a member of the Lodge of Elks, and served two terms as Selectman of the Town of Winchester.

As a home-owner and taxpayer I will do all in my power to hold down the tax rate and current town expense.
If elected I shall ask for co-operation and economy from all town departments and their heads; thus enabling us to keep within the debt limit for the future.

Because of my training and experience I ask your consideration and support at the Town election on March 6, 1950.
For transportation to the polls call Winchester 6-1941-R.
Thomas F. Fallon
H. Vime street

We the undersigned heartily endorse the candidacy of Thomas F. Fallon for Selectman.

MRS. NELLIE F. GRANT

Mrs. Nellie F. Grant, wife of George R. Grant of 41 Grove street, died early Tuesday morning at her home following several months illness.

Mrs. Grant was born in Boston 65 years ago, the daughter of Eugene and Nellie (Mahoney) Grant. She was educated in Boston and lived in Boston and before coming to Winchester eight years ago, made her home in Milton.

Besides her husband, she leaves a brother, Rev. Fr. Joseph F. Bonner, pastor of St. Mary's Parish, Melrose; and two sisters, Miss Stella Bonner and Sister Mary Claver, a member of St. Joseph's Order stationed in Newton.

The funeral was held from the late residence Thursday morning with solemn requiem high mass celebrated at St. Mary's Church. Rev. Fr. Francis O'Neill was celebrant with Rev. William Walsh, deacon; and Rev. Fr. Thomas F. Sennott, subdeacon. Many priests and nuns attended the service.

Arnold Callahan, lyric tenor, sang the mass with Mrs. Mary Callahan as organist. Four cousins of the deceased, Dr. Richard, Dr. Charles and Dr. George Mahoney; and Dr. Lewis Walsh were bearers. Interment was in Holy Cross Cemetery, Malden.

BAPTIST BROTHERHOOD BREAKFAST

The monthly breakfast of the Men's Brotherhood of the First Baptist Church at 8:45 Sunday morning, February 26th will provide another opportunity for good food and fellowship for the men of the Church and their friends. The speaker at the Men's Bible Class following the breakfast at 9:30 will be Dr. Herbert Lamson. All men are welcome.

CANDIDATE FOR ASSESSOR

ERNEST B. DADE

To the Voters of Winchester:
As a candidate for the Board of Assessors, I wish to present my qualifications for your careful and impartial consideration.
My decision to seek election to this important elective Board is motivated by a sincere desire to continue serving the townspeople as a member of our Town Government.

I have been a resident and taxpayer in Winchester for the past twenty-one years, living at 1st Hillcrest Parkway with my wife and two sons. Civic problems and local government have been of vital importance for many years as evidenced by my service as a Town Meeting member for 18 years, a member of the Finance Committee for 3 years, and a member of the Board of Selectmen for the past 3 years, completing my term as Vice-Chairman of the Board. This varied experience has familiarized me with the mechanics of all of our Town departments, including the Board of Assessors. I am a Director of the Winchester Hospital, Past President of the Trust Company, serving on their Executive and Investment Committees, and appraising valuations of real estate in connection with applications for mortgage loans. Also, I am a member of the Massachusetts Mechanics Charities Association, Director of the Winchester Hospital, Past President of the Winchester Rotary Club, and President and Treasurer of J. H. Winn's Sons, local manufacturers.

My business situation is such that I can give the required time to the office of Assessor, and if you feel that my background of service and experience is of real value to the citizens of Winchester, I earnestly solicit your vote.

Yours respectfully,
Ernest B. Dade
144 Hillcrest Parkway

TOWN MANAGER PLAN

The League of Women Voters held the first of a series of lectures on the Town Manager Plan on Thursday, February 16, at 1:15 a. m. in the Art Gallery of the Library. Mrs. Henry Decker, the able chairman, introduced Mrs. Robert Long, who heads the Legislative Committee of the League. In a most illuminating analysis of Winchester's present form of government, she pointed out many interesting features, among them that there are 55 elective posts and well over a hundred appointive posts. Mr. Edmund C. Sanderson, one of the Winchester Board of Selectmen for 34 years and its present chairman, gave a brief history of his department and then discussed the merits of the Town Manager Plan, which he felt was an example of the intelligent use of which Winchester now runs its town. This Council, formed in 1947, is composed of the Chairman of the Selectmen, Chairman of Park Commissioners, Chairman of Water and Sewer Board, Chairman of Cemetery Commissioners, and the Town Engineer. It is proposed to be coordinated the purchasing and use of implements in the different departments, thus cutting down waste and duplication of effort. Mr. Sanderson's talk was thoroughly enjoyed and the League keenly appreciated his giving them some of his valuable time.

PROF. WHATMOUGH ELECTED TO IMPORTANT POST

Professor Joshua Whatmough, a resident of Winchester and professor of Comparative Paleontology at Harvard University has recently been elected a member of the Permanent International Committee of Linguistics. This committee, composed of only ten members chosen from countries throughout the world, is charged with the organization of workers in the organization of the international congresses of linguists, is responsible for cooperation among the linguists of the different countries in consultation with UNESCO, and guides a series of linguistic research undertakings on an international basis.

ATTENTION WINCHESTER VOTERS

HARRY E. CHIEFFALO

Monday, March 6, is election day in Winchester. It is not just an ordinary day; it is a very important one. It is the day when Winchester residents, exercising their prerogative as voters, elect fellow-residents to positions of trust and to offices of responsibility in town government.

Mr. Harry E. Chieffalo of 2 Grayson road is a candidate for the Board of Selectmen. By virtue of his record, he is well qualified for the position he seeks. Mr. Chieffalo, a life-long resident of the town, was born in Winchester and graduated from its schools. Two of his children also have attended Winchester schools. For the past twenty years, he has been the proprietor of a plumbing and heating business located in Winchester. During these years, the nature of his work, both on alterations and new constructions, has brought him into intimate contact with most of the town's departments and, as a result, not only is he well versed in their methods of operation, but he has acquired a thorough, practical knowledge of town affairs. Having served on the Finance Committee for the past three years, he is fully conversant of the town's immediate problems. In addition, being a substantial taxpayer, he has a keen interest in the town and its future development.

Mr. Chieffalo's intense desire to serve the town stems purely from the unselfish notion of perpetuating better town government. He is ready, willing, and able to meet the demands that the Office of Selectmen will make upon his time and talents.

He earnestly asks you to cast your vote on Election Day. Promote and elect Harry E. Chieffalo, an experienced, qualified and soundly soundly servant to the Office of Selectmen.

MRS. ELIZABETH ROGERS

Mrs. Elizabeth Rogers, widow of Dr. G. G. Rogers and mother of Chester R. Weidon of Park road, died Friday afternoon at the home of Axel Heide on Mt. Vernon street following an illness of six weeks. She had been a member of the family at the home for the past seven years, previously having lived for some years on Wilmington road in Burlington. She was twice married, her second husband, Dr. Rogers, having practiced dentistry in Woburn and later in Winchester with offices in the White Building. He died in 1939.

Mrs. Rogers was born in Moncton, N. B., October 17, 1869. She was educated in Moncton and was married there to William H. Weidon, with whom she came to Woburn as a young woman, coming from that city to Winchester more than 50 years ago. At that time she and her husband lived on Mt. Vernon street. Mr. Weidon, a tailor in Winchester for many years, died in 1922. Years ago Mrs. Rogers was a member of the then Pilgrim Fathers Society in Woburn.

Besides her son in Winchester, Mrs. Rogers leaves three grandchildren and three great-grandchildren, also two sisters, Mrs. Fannie Gross of Staten Island, N. Y., and Mrs. Ella Tebeau of Lowell.

Funeral services were held on Monday afternoon at the Bennett Funeral Chapel on Elmwood avenue with Rev. Walter Lee Bailey, pastor of the First Baptist Church, officiating. Interment was in Chestnut Hill Cemetery, Burlington.

Ann Mathewson is a member of the basketball team at Lasell Junior College in Auburndale. A senior, she is a student in the total training course. She is the daughter of Mr. and Mrs. Robert H. Mathewson of 18 Glen road.

HEIDER — GEOTHEGAN

White carnations decorated the altar of the Immaculate Conception Church on Sunday afternoon, February 19, when Miss Florence Alexander Geothegan, daughter of Mr. and Mrs. Michael Geothegan of White street, became the bride of William Augustine Heider, Jr., son of Mr. and Mrs. William A. Heider of Kent street, Brookline, Rev. Frederick Walsh officiated at the 3 o'clock ceremony, for which the bridal music was played by Mrs. William McManis, church organist. Miss Patrick Geothegan, sister-in-law of the bride, was hostess.

Given in marriage by her brother, Thomas Geothegan, the bride wore a gown of white marquisette with matching finger-length veil and carried an ivory covered prayer-book with a white orchid and streamers of Stephanotis.

Mrs. Anthony Abreu of Woburn was her sister's only attendant. She wore a pink tulle dress with matching hat and carried a bouquet of mixed flowers.

Francis Kearney of Brookline was best man for Mr. Heider, who is an automobile trimmer with the Boston Kinney Company in Boston, graduated from Brookline High School and the North Bennett Street Industrial School in Boston.

AT FORT LEAVENWORTH

Maj. Vazken N. Baghobyan, 2 Pond street, is now attending the Command and General Staff College at the Army's highest level school located at Fort Leavenworth, Kansas.

Major Baghobyan is one of a group of 175 Reserve and National Guard officers selected to attend the 1950 Associate Course of the College.

During World War II, Major Baghobyan participated in the New Guinea, Leyte, and Luzon campaigns. He entered active duty as a Captain in September 1940 and has been employed as a mechanical draftsman since his separation from the Army in February 1946.

BERGERON — EBENS

Miss Marjorie Joan Ebens, daughter of Mr. and Mrs. Frank J. Ebens of High street, was married to Clifford Edward Bergeron, son of Mr. Eugene Bergeron of Jackson street, Cambridge, and the late Mrs. Bergeron, at the Church of the Epiphany on Saturday afternoon, February 19, when Rev. Dwight W. Hadley, read the candlelight service at 3:30 o'clock in an attractive setting of ferns and white snapdragons.

Miss Ebens was given in marriage by her father. She wore a gown of ivory satin with long sleeves and a train. Lane trimmed the sleeves and matched the lace ruffle trimming the net yoke of the bodice of the gown, and her finger-length veil of illusion was caught to a coronet of lace and orange blossoms. Instead of the conventional bouquet she carried a white-covered bible with a matching orchid and a shower of white hyacinth blossoms.

Miss Shirley Zirkel of Winchester was maid of honor, and the bridesmaids were Miss Nancy Phelps of Belmont and Miss Carol McLean of Medford, cousin of the bride.

The honor maid wore a satin dress of copper-brown with matching feather hat and carried an old fashioned bouquet of yellow carnations, sweet peas and marguerites. The bridesmaids wore tulle dresses with feather hats to match and carried old fashioned bouquets of yellow roses, sweet peas and acacia.

Russell Thompson of Medford, brother-in-law of the bridegroom, was best man, and the ushers were Richard Ebens of Winchester, brother of the bride; and Donald Buquette of Cambridge.

Snapsdragons and palms were the decorations for the reception which followed the service and was held at the State Hall, 55 Bacon street. Assisting in the receiving line were Mrs. Ebens, mother of the bride; and Mrs. John Dady, sister of the bridegroom.

Mr. and Mrs. Allen H. Freeman of Old Greenwich, Conn., are the parents of a second child and first daughter, born February 15. Mrs. Freeman is the former Betty Winslip and the maternal grandparents are Mr. and Mrs. Walter W. Winslip of Warren street.

EVANS — PLUNKETT

Miss Patricia Plunkett, daughter of Mrs. William L. Plunkett of Bacon street, and the late Mr. Plunkett, became the bride of Franklin S. Evans, Jr., son of Mr. and Mrs. Franklin S. Evans of Woodside road, Friday evening, February 17, at a ceremony performed at 7:30 o'clock in St. Mary's Church by the pastor, Rev. Fr. John P. O'Riordan. White carnations and white snapdragons decorated the altar, and the bridal bouquet was played by Miss Mary Callahan, church organist. Miss Norma Farrar, soprano, sang Pans Angelicus by Cesar Franck, and the Ave Maria by Schubert.

Miss Plunkett was given in marriage by her brother, Robert W. Plunkett. She wore a gown of ivory satin with a Peter Pan collar encrusted with seed pearls. Her veil of illusion was caught to a tiara of seed pearls and white satin and she carried a bouquet of white orchids with streamers of white hyacinth blossoms.

Miss Patricia Adams of Jamaica Plain, a college classmate of the bride, was maid of honor, wearing an American Beauty off-the-shoulder dress with a fitted bodice and full skirt. Her bouquet was a large sword peas and red roses and she wore a headpiece of the same flowers.

The bridesmaids, Miss Janet Morrison of Winchester, and Miss Carol Cole of Salem, William Daley, Theodore Hultgren, Charles Irving and B. Thomas Preston, all of Winchester.

A reception was held after the ceremony at the State Hall, 55 Bacon street, where a buffet supper was served, followed by dancing with music by Brad Kent's Orchestra. Mrs. Plunkett, mother of the bride, wore a beige crepe gown and carried a bouquet of white and pink carnations.

The bride is a graduate of Winchester High School, attended Edgewood Park Junior College at Edgewood Manor, N. Y., and was graduated from the Chandler Secondary School, Mr. Evans, who is associated in business with the Frank S. Evans Company, also graduated from Winchester High School and attended Northeastern University where he was a member of the Phi Beta Alpha fraternity.

WOMAN'S AUXILIARY OF THE AMERICAN SOCIETY OF MECHANICAL ENGINEERS

The Woman's Auxiliary of the American Society of Mechanical Engineers, Boston Section, will hold a luncheon meeting at the Harvard Faculty Club on Friday, March 4, at 1:30 P. M.

Mrs. Ernest Lundstrom, National Sponsor of the Boston Section, will give a reading of her poems.

BUILDING PERMITS

The following Building permits were issued for week ending, Thursday, February 16:

New dwelling at 19 Wendell street.

Alterations to building at 966 Main street.

ATTENTION - MEMBERS AND FRIENDS OF WOMEN'S REPUBLICAN CLUB OF WINCHESTER. The Club will honor Senator and Mrs. Harris S. Richardson with a Testimonial Dinner at the First Congregational Church on Saturday, March 18.

Reception at 6:30 P. M. and dinner at 7:00 o'clock. Tickets are \$5.00, tax and gratuity included, and they may be secured from Mr. W. Allan Wilde on Thompson street, Mr. Ralph Bunnell of Bonnell Motors on Main street, or call Mrs. Kingman P. Cass, WI 6-0228.

CLARK — PRIDE

Standing under a rose-covered arch at the home of the bride's parents, Miss Alice May Pride, daughter of Dr. and Mrs. Cecil W. Pride of 111 Cambridge street, and Leonard Warren Clark, son of the Rev. and Mrs. P. C. Clark of 12 Colson street, North Billerica, were married at 4 o'clock on Saturday afternoon, February 18. The bridegroom's father assisted the Rev. Walter Lee Bailey, pastor of the First Baptist Church, in performing the ceremony and Donald Marshall of Medford played the wedding music. Franklin Pynn of Winchester was soloist.

Given in marriage by her father, Miss Pride wore a gown of white marquisette, fashioned with a low scoop neckline, cap sleeves and a train. Her veil was a sheer shoulder-length veil caught to a headpiece of orange blossoms. Her flowers were an old-fashioned bouquet of white carnations.

Miss Muriel L. Pride of Winchester was her sister's only attendant. She wore a dress of pale yellow marquisette with cap sleeves and low scoop neckline. Her gloves matched her dress and she wore an orchid flower headpiece carrying an old-fashioned bouquet of mixed spring flowers.

John H. Clark of Ocean Park, N. J., was best man for his brother-in-law. He wore a tuxedo and carried a sword. Mr. Clark, a car of North Billerica, ushered, with Cecil W. Pride, Jr., brother of the bride. Edward Pride of Woburn, a car of North Billerica, and Steven Minko of Fitchburg, brother-in-law of the bridegroom.

The maid of honor and best man assisted in the receiving line at the reception which followed the ceremony. After a motor trip through New England Mr. and Mrs. Clark will live in Winchester at 111 Cambridge street.

The bride is a graduate of Winchester High School. Mr. Clark, an optician, is a graduate of Old Orchard Beach High School.

FOLEY — BOYLE

Miss Marjorie Ann Boyle, daughter of Mr. and Mrs. Edward F. Boyle of Russell road, was attended by her sister, Mrs. Lillian Boyle of Woburn, at the Immaculate Conception Church on Friday evening, February 17. Rev. Fr. John K. Driscoll, pastor of the church, performed the 7 o'clock ceremony, and the wedding music was played by Mrs. William M. Gaudin, church organist. Mrs. Steven Boyle was soloist.

The bride wore a taupe crepe dress with a lace bodice and a headpiece of fresh flowers. She carried an old-fashioned bouquet of pink carnations. The matron of honor wore a taupe dress and hat, with dark brown accessories, and a yellow orchid corsage. John Dwyer was best man.

A reception was held after the ceremony at the Town Line Cafe in Woburn, with the mother of the bride and Mrs. James Donovan, sister of the bridegroom, assisting in receiving. Mrs. Boyle was groomed in navy blue and Mrs. Donovan, in taupe.

After a wedding journey to New York City Mr. and Mrs. Foley will live at 6 Oak street in Woburn where they will be at home after February 26.

The bride is a graduate of Winchester High School. Mr. Foley, son of the late Mr. and Mrs. William Foley, is a graduate of Woburn High School and associated with the Monsanto Chemical Company.

The bride was given several pre-nuptial showers by relatives and friends, including a party in her honor given by her co-workers at the Town Line Cafe.

The annual costume dance of the Winchester Country Club, always one of the red letter events on the club social calendar, will take place tomorrow evening commencing with hors d'oeuvres at 7, dinner at 8 and dancing from 9 until 11. Ruby Newman's Orchestra will play. The club's big Formal takes place on March 25, and already plans are well under way to make it another complete success.

WINCHESTER WON GAME IN NEW HAMPSHIRE

Winchester High traveled to Conway, N. H., last Saturday to defeat Kennett High of that town 38-31 in a well-played game. This was no minor achievement by the Red and Black for Kennett is enjoying one of their best seasons and has been selected for the State Class B Interscholastic Tournament. The game was close all the way and the locals did not assure themselves of a victory until the final three minutes of play.

The Red and Black opened up a slender 8-6 lead at the end of the first quarter. Fred Hale started to hit for Kennett during the second quarter and the teams left the floor at the half tied at 18-18. Winchester opened up a four point lead in a hard-fought third quarter and led 27-23 at the end of that period. The final period was nip and tuck.

and at the end of the five-minute mark Winchester held a narrow 32-29 lead. The locals cemented their victory over the final three minutes on vital baskets by Dennis Sanford and George Tansey while limiting Kennett to one basket over that stretch.

Kennett showed the locals one of the finest centers they have seen this year in the person of Fred Hale who scored 20 of his team's 31 points, many on one-handed slam rebounds. Captain Arnold Quint of Kennett has scored 305 points thus far this season and is rated one of the best basketball players in New Hampshire but a combination of an off-night and effective guarding by Dennis Sanford limited him to one basket. Kennett has averaged 52 points a game in 17 contests to date this season and so it can be seen that the locals did a good job in holding them to their lowest scoring output of the season.

Captain Dennis Sanford and George Tansey were outstanding for Winchester as they scored 11 and 10 points respectively to lead the Red and Black to victory. In addition to their offensive contributions, they starred on the defense as they restricted the Kennett forwards to a total of two baskets. Sanford doing a particularly effective job on the high-scoring A. Quint. As has been the case so often this season, Winchester scored more points from the foul line than their opponents, both because of a higher shooting percentage and because they usually

commit fewer fouls than the opposition in spite of aggressive play. The summary:

Winchester H. S.		Kennett H. S.	
Waltch, Jr.	15	Waltch, Jr.	15
Mathews, Jr.	10	Mathews, Jr.	10

As mentioned last week the meeting on next Tuesday, February 28th, will be an important one and our president, Mrs. Chester J. Powers, has asked that all our members make an extra effort to attend. There is a change in the by-laws to be passed upon and plans will be discussed for the communion breakfast and spring bridge.

Remember the meetings now start at 2 p. m. and we'll be expecting you.

Dr. and Mrs. William L. Davis of Central Green have returned from a visit with their daughter, Mrs. Neal Whitman at Wilmington, Del.

TOWN BASKETBALL LEAGUE

Standing	
Bonelli Motors	15 1
American Legion	9 9
Sons of Italy	9 9
Mercurio Insurance	9 9
Winchester Appliance	8 7
All-Stars	2 12
Yanks	2 13

No games were played in the Town Basketball League during the past week as the high school gym was not available. With only three playing nights left in the regular season, the competition remains keen for the four playoff positions. The Bonelli Motors have clinched first place, the American Legion second, the Sons of Italy third, the Mercurio Insurance and the Winchester Appliance will battle right down to the final game for the other two playoff positions.

The League will resume activities next week with the customary set of three games each on Monday and Wednesday evenings. The feature game of Monday's schedule will match the Sons of Italy against the Winchester Appliance in a game that neither team can afford to lose. On Wednesday night the Winchester Appliance will participate in the feature game of the program when they play the American Legion.

Next Week's Schedule

Monday

Sons of Italy vs. Win. Appliance

Yanks vs. American Legion

All-Stars vs. Bonelli Motors

Wednesday

All-Stars vs. Mercurio Insurance

WINCHESTER GIRLS WON FINAL FROM WATERTOWN

The Winchester girls ended their basketball season on a triumphant note, defeating Watertown's varsity and second teams in closely contested games 18-15 and 11-12 respectively, here, on Thursday, February 16.

The local first team was trailing 11-9 at the half, but picked up in the third quarter to lead 12-11. Marilyn Chase, Winchester's center forward, sank three baskets in the final quarter giving Winchester the game 18-15. Marilyn, high scorer of the day, accounted for 14 of Winchester's 18 points.

Winchester's second team was locked at a 3-3 tie in the first quarter, but Ducky Baldacci sank two free throws and Betty Kennel and Mary Anne Damon scored two points apiece, giving their team a 12-5 lead at the half. Marilyn Chase and Betty Kennel each made a foul shot to account for Winchester's only points in the second half.

This game ends the season for the lassies whose first team record is four wins against three losses. The second team fared slightly better, winning five and dropping two.

The summary is as follows:

Winchester I		Watertown I	
M. Chase, Jr.	15	M. Chase, Jr.	15
B. Kennel, Jr.	10	B. Kennel, Jr.	10

WINCHESTER AT WOBURN

Winchester High travels to Woburn tonight to meet their traditional rival in the first game of their annual two-game series. On the basis of the season's records of the two teams the Red and Black would be a strong favorite to take this contest. The Tanners have been improving rapidly, however, and have looked good over the last half of the season. Beating Woburn on home ice is no easy assignment and the Winchester warriors will need to be at their best in order to return home with a victory.

Next week the Red and Black will complete their schedule with two home games. On Tuesday afternoon Winchester will entertain a strong Wintrop quintet as they attempt to avenge a 35-28 defeat handed to them by Wintrop back in December. Next Friday night the locals play their return game with Woburn in a contest that should again pack the local gym to capacity. The Red and Black cannot afford a let down in any of these three contests as they are under consideration for a berth in the Eastern Massachusetts Interscholastic Tournament and a defeat now would prove disastrous to their hopes.

FINAL LEAGUE STANDING

COAL SHORTAGE NOT AFFECTING WINCHESTER SCHOOLS AT PRESENT

Because of numerous inquiries about the effect of the soft coal shortage on Winchester Public Schools, Superintendent of Schools Forbes H. Norris has announced that adequate fuel is available for the use of the schools.

Two of the schools are heated by oil fired boilers and the Junior High School is reasonably well assured of an adequate supply of coal suitable for the stoker used there.

Miss Jennie Elliott, daughter of Mr. and Mrs. Theodore Elliott of 11 Herick street, is a member of the official Mount Holyoke College ski patrol. The patrol, organized by the department of physical education, teaches extra-curricular skiing on afternoons and weekends, and helps to promote safety on the campus ski slopes.

CHAMOIS SKI CLUB

With the advent of snow once more, local spots have lost that glazed look, while north country slopes have received enough of a white stuff to report excellent skiing.

The new Blue Hills area got a big play over the holiday from capacity crowds skiing on four to six inches of new snow over an old base. Nearby towns are operating ski lifts and the slopes are a good take-in if you haven't been there. Twin ropes service two slopes and a trail. It's just off the road to the town of Ayer and is visible from the road.

Nearby Horn Pond mountain was the setting for a frigid scene on Wednesday afternoon when the Innituts of Woburn played host to the Scandinavian Ski Club of Worcester and the Gardner Hunting Club on the jumping hill. Despite light cover, the hill was in good shape and the take-off fast. Ted Michael of Worcester walked off with top honors running up a total of 141 points with jumps of 128 and 95 feet. Joe Moore of the Gardner club and Jim Weaver of the Hunting Club finished second and third with totals of 138 and 129 points respectively. The affair included American flags draped in the trees at the top of the hill along with about fifteen kids and canned music out on Pond street. About a hundred and fifty people watched the meet taking time out now and then to fortify themselves with hot coffee at the foot of the hill. Swampy Paris patrolled the area and pointed it up when the hordes of youngsters threatened to overflow on the slope.

A contingent consisting of the Innituts of Woburn and the Gardner Hunting Club will join with other members of the club in Bridgeton on Sunday when we will once again compete. The affair will be an informal get-together at Chandler's barn tonight to formulate plans for the weekend. Charlie's is the best clearinghouse for ideas.

NOONAN SCHOOL NEWS

On Friday afternoon, February 17, the fifth grade presented a program entitled "Life in Early Virginia". The program was the outgrowth of a social studies unit. It consisted of talks with slides and an original play. Stage properties were made by the children. Illustrated talks were given by the following:

George Chalot
A Colonial Kitchen
Michael Callahan
Lorraine Amio
Eleanor Paquette
Raising Tobacco

Trade
Alfred MacArthur
Early Schools
Marie Bruno
Early Churches
Maureen Downey
Punishments
Donald Flynn
Home of a Rich Planter

The following cast performed the play which took place in the Adams Cabin: Mother, Brenda McGowan; Father, Michael Callahan; Alice, Patty Bond; Bob, Robert Lincoln; Shoemaker, Dick Moran; Trapper, Donald Flynn and Alfred MacArthur; Neighbors, Maureen Downey, George Chalot, Marie Bruno, Robert Skerry, Mary Macdonald, Eleanor Paquette, Lorraine Amio, Mary Ann LeBlanc, and Carol Thomas. Alfred MacArthur announced the program and Dick Moran operated the curtain.

WINCHESTER COCKER WINS AT EASTERN DOG CLUB

At the Eastern Dog Show this week, in Boston, the largest all breed show in New England, a Winchester dog provided an upset for spectators. Haljan's Splash, a black and white cocker, owned by Mr. and Mrs. Harold S. Lewis of 27 Canterbury road, struts his way to Best of Winners, defeating the male and female cockers who had previously won the Westminster. Y. show. The verdict was pleasing to the crowd, who were pulling for the local dog to provide an upset.

ATTENTION - MEMBERS AND FRIENDS OF WOMEN'S REPTILE CLUB OF WINCHESTER

The Club will have its Semi-Annual Dinner at the First Congregational Church on Saturday, March 18th. Reception at 6:30 P. M. and dinner at 7:00 o'clock. Tickets are \$8.00, tax and gratuity included, and they may be secured from Mr. W. Allan Wiley on Thompson street, Mr. Ralph Bonnell of Bonelli Motors on Main street, or call Mrs. Kingman P. Cass, WI 6-0228.

WINCHESTER NIPPED BELMONT IN OVERTIME

Winchester High won its greatest basketball victory of the season by defeating Belmont High at Belmont last Friday night by a score of 36-34 in a thrilling overtime contest. Belmont had previously beaten the locals four weeks ago at Winchester by a score of 36-28 and it was almost too much to expect them to return to turn the tables away from home. This present Winchester team has plenty of courage, however, and a knack of rising to the occasion and they came through with flying colors in the tense overtime period.

The game started very slowly as both teams were coping closely but Winchester pulled away to an 8-3 lead at the end of the first quarter. The teams were all even during the second quarter scoring 12 points apiece. With the locals 20-15 lead as they left the floor at the half. Knowing that Belmont would come out fighting mad in the third quarter, the locals were just as determined and gained two points during that period to hold the 20-22 lead as the teams entered the last quarter.

The locals were a pretty tired group of boys by this time and Belmont gradually began to creep up on the Red and Black and finally caught Winchester in the final minute of play to tie the score at 32-32 at the end of the regulation time. The situation looked pretty dubious for Winchester going into the overtime period as Belmont seemed to be surging while the locals seemed to be fading over the closing minutes. Winchester just would not be denied, however, and the Red and Black entered the overtime period with more spirit and determination than Belmont could muster. Nelson sent Belmont converted 32-32 with a successful foul conversion but Walter Murphy countered with a charity toss a moment later to tie the score again. Thus the stage was set for Dick Mathews to become the Winchester hero as he sank a pretty one hand shot from fifteen feet out to win the game. There were several bone-deepening moments left but the Red and Black prevented Belmont from scoring again and clinched a well deserved victory.

This victory put Winchester under consideration for an invitation to the Eastern Mass. Interscholastic Tournament as the locals finished second to Belmont in the Middlesex League with a record of 11 wins and 5 losses as compared to Belmont's record of 12 wins and 3 losses. In addition to breaking a Belmont streak of 11 straight victories, this was the first Middlesex League defeat for Belmont since their home floor in four years and the first time the Red and Black has beaten Belmont at Belmont since 1932. This was essentially a team victory and it would be unfair to single out individuals for praise but Dick Mathews with his 11 points and the winning basket, Walter Murphy with his 12 points, and Walsh with his scintillating defensive rebounding were standouts for the locals. Once again accuracy from the foul line proved a victory for Winchester as they built up their winning margin on successful foul conversions.

The Winchester seconds almost duplicated the splendid victory of the varsity but after leading for three quarters of the game, they weakened in the final quarter and the Belmont Seconds pulled out a close 43-41 decision. The scoring was well distributed as eight of the local performers mustered at least one point.

The summary:

CUMMINGS FLOREST PLANT BADLY DAMAGED BY FIRE

The office and showroom and several greenhouses of Cummings the Florist, whose local shop is on Thapson street, were destroyed early last Friday morning by a fire estimated as having done \$50,000 worth of damage to this well known local enterprise.

The fire is believed to have started in the boiler room and had a good start before a passing motorist discovered the blaze and sounded the alarm.

The showroom with newly remodelled and refurbished offices and refrigeration plant was destroyed along with the boiler room and greenhouses adjacent to the showroom extending along a frontage of some 240 feet. A record crop of carnations and early spring flowers, including Easter lilies, for which Cummings are famous, perished in the fire.

Though the loss to the Cummings Brothers, who have been market gardeners and flower growers for generations, is staggering, they do not despair. Cummings had insured their main plant other greenhouses serviced by a separate boiler plant. These houses and the flowers in them were not affected and will enable the firm to handle a percentage at least of the immediate demands of their business.

Cummings Brothers have done business in Winchester 17 years. Their many friends and patrons will regret their great loss, but they will be pleased to learn that they are still "open for business."

Sally Lou Kriner, daughter of Mr. and Mrs. Clarence Kriner of 329 Main street, is on the Dean's List at Bucknell University. She is a member of the senior class and of the Delta Delta Delta sorority.

SUBSIDIZING FARM CROPS

Editor of the Star:

The Truman-Labor socialist govern-

ment, up to the end of November,

1949, had taken \$2,100,000, of

the people's money to maintain

high prices of farm crops through

federal loans and outright pur-

chases. Loans outstanding on farm

crops as of that date totaled \$1,

638,094,000, according to the Com-

modity Credit Corp., and crops ac-

tually owned and in the hands of

the C. C. C. were valued at \$1,712,-

395,000.

Edward Hughes and Kenneth

Scheibel, correspondents of the

Wall Street Journal, write in the

February 2 issue of that paper,

"Imagine one long freight train,

filled with wheat and corn stretch-

ing from Miami to Seattle; a pile

of eggs big enough to furnish

breakfast for everyone in Chicago

for more than a year; and a mass

of butter sufficient to fill New York

City's needs for the same period."

The C. C. C. holds in inventory

or pledged under loan, nearly 475

million bushels of wheat, 100 million

bushels of corn, 100 million bush-

els of soybeans, 100 million bush-

els of cotton, 100 million bush-

els of turpentine and other products

are each supported by government

subsidies from 25 to more than 400

million dollars.

Secretary of Agriculture Charles

F. Brannan, told a news conference

according to the Boston Herald of

February 4, that the government's

policy has cost the government \$500,-

000,000 in the past several years.

Potatoes that cost the government,

that means that people, \$1.25 per

bushel, the Secretary is selling

back to the farmer for one cent a

hundred pounds. He favored

doubling the surplus to 100,000

bushels because, it is

cheaper to do that, he said, than

to pay for transporting them,

which cost the government \$25,-

000,000 last year. He said he

would dye the potatoes blue so

people would not eat them and they

could be used by the farmer as cat-

food. When he proposed that he

dye the blue potatoes, wouldn't they

give blue milk? If some of the

dye soaked into the earth, wouldn't

the earthworms turn blue and

would that spoil the trout and sal-

mon fishing for the farmer's boys?

May I suggest that some of the

potatoes be dyed red and sent to

President Truman for his "red

berring" communists.

The government is spending

millions of dollars to keep the

price of potatoes high so the

farmer's sake with no thought for

the poor housewife who must pay

for a peck of potatoes to be thrown

away every time she goes to the

home consumption. Senate major-

ity leader, Scott Lucas, Democrat,

of Illinois, Senator Thomas, also a

Democrat, demand removal of the

price props for the potato growers,

and so do all clear-thinking pa-

triot. The Boston Herald of Feb-

ruary 10 quotes Prof. Black of

is spending several hundred mil-

lions to pay farmers to build up

their crop yields per acre; order-

ing cutbacks in the production of

the major farm commodities and

at the same time bringing in

production many thousands of new

acres.

Some day the good people who

were beguiled by subtle propa-

ganda into supporting the mis-

named "Fair Deal" will learn,

when it is too late and they are

crushed by high taxes, that they

were victims of a raw deal, the

unbelievable creation of selfish poli-

ticians.

Daniel C. Donnett, M. D.,

7 Washington Street

FROM THE PARKHURST

SCHOOL COMMITTEE

To the Editor of the Star:

Two political advertisements

have appeared in recent issues of

the Star setting forth certain al-

leged facts relating to the Parkhurst

School. This committee, having

built that school, is cognizant of

these articles and has no com-

mentable thought and study.

We are aware of the implications

in these articles and are also aware

of the damage to the community

which they are doing. We are

convinced that the committee

used. We realize that the implica-

tions are serious and feel that the

town is entitled to the true picture.

Therefore we are preparing some

articles which will present to the

town in the next issue of the Star.

The Committee:

Daniel C. Donnett, M. D.,

Alvin M. Littlefield,

Emily H. Marks,

Walter A. Redding,

William J. Speers

TO THE CITIZENS OF

WINCHESTER

Among the excellent candidates

for the office of Selectman there is

one who arrests attention, for rea-

sons which seem to me unique.

As has been traditionally true in

this fortunate town, all the can-

didates deserve deep respect, and

their interest in town affairs is suf-

ficiently proven by the fact that

for this unpaid and burdensome

office, Mr. Lymann, Jr. has been

selected. They seem to me to merit

our thoughtful attention.

His plan and purpose are to en-

ter politics, as opportunity may

be presented, and to make the pub-

lic service his life's work. For this

"career", regrettably so unattrac-

tive to many, he is admirably fitted.

Based on the conviction that a

"public office is a public trust",

blessed with the example of a dis-

tinguished father who rendered

notable service to this community,

I believe that Mr. Lymann, Jr.,

already a thoughtful and courageous

member of our representative town

meeting, he is in my humble judg-

ment, one of the best citizens we

intelligently and ably as Select-

man, and of proceeding therein

to larger fields of policy and gov-

ernment, his training and calibre is

so critical.

If it is suggested that membership

in the Finance Committee would

first be desirable, it may be

answered that in Winchester the

Honor Rolls of public service are

studded with the names of men

whose service to the town has

been the benefit of the town.

Experience, have rendered and are

rendering to all of us outstanding

service. Such service is the pur-

pose of the town's public service.

For the good of all of us I

hope he will now be given his first

large opportunity to render it.

In defense of the law this let-

ter must, I suppose, be labeled a

"political advertisement", but its

intent is more than that. It is the

expression of the hope that Mr.

Lymann, Jr., makes his first attempt

in peace to embark on a life of

public service, and that he will

render not only this snug little

harbor but the troubled sea beyond,

will join in wishing and in voting

him "God-speed".

RAINBOW ASSEMBLY

ENTERTAINED BY

SWEDISH DANCERS

A group of sixteen girls and

boys ranging in age from six to

seventeen, gave a most interest-

ing and well-rehearsed program

of Swedish folk dances to the

members and friends of the Rainbow

girls of Winchester Assembly No. 50,

on Friday evening, February 10th,

after the closing of the assembly

meeting. These young people, dressed

in colorful native costumes of Swed-

en, gave a delightful program of

various types of folk dances.

The group consisted of a number

of young people, many of whom

were wearing traditional wooden

shoes and especially en-

tertaining were six teen age boys

who danced in two circles, the

youngest in the center and the

oldest on the outside. The dances

were very skillful and displaying

perfect rhythm. In addition there

were recitations and popular num-

bers played on the accordion ac-

companied by the piano.

This group came from Cam-

bridge and are pupils of Mrs. Mar-

tine Lagergren, who has been

teaching Swedish folk dancing

for many years. There was much

applause throughout the evening

and high praise given to the directors.

Refreshments were served.

DARTMOUTH WOMEN'S CLUB

The Annual Dance held by the

Dartmouth Women's Club for the

benefit of its scholarship fund will

take place on Friday evening,

March 3rd, at the University

Club, Boston, from nine to one

with Brad Kent's orchestra playing.

Prior to the dance many mem-

bers are entertaining at dinner at

the Club house. Mrs. M. L. Egle-

son of Pine street are among the

patrons and patronesses for the

dance, others including John Sloane

Dickey, President of the Dart-

mouth Club, and Mrs. Dickey; Ernest

Martin Hopkins, President-Emeri-

tus of the College, and Mrs. Hop-

kins; and Governor Channing

Cox and Mrs. Cox.

WARDS OF THE

GOVERNMENT

The Constitutions of former

American slave states generally

specified that the masters must

provide their slaves with adequate

housing, food, medical care and

old-age benefits. The Mississippi

Constitution contained this addi-

tional sentence:

"The legislature shall have no

power to pass laws for the emancipa-

tions of slaves... (except) when

the slave shall have ren-

dered to the State some distinguished

service."

The highest honor that Missis-

sippi could offer a man for distin-

guished service to his country was

personal responsibility for his own

welfare! His reward was freedom

to find his own job and to have his

earnings, freed to be as respon-

sible for his own housing, free-

dom to arrange for his own

medical care, freedom to save for

his own old age. In short, the re-

ward was the individual opportu-

nities — and the personal respon-

sibilities — that have always dis-

tinguished a free man from a de-

pendent slave.

What higher honor can any gov-

ernment offer?

The Rights of a Slave

But many present-day Ameri-

cans are trying to avoid this per-

sonal responsibility that is free-

dom. They are voting for men

who promise to install a system of

compulsory, government-guaran-

teed "security" — a partial return

to the old slave laws of Georgia

that guaranteed to all slaves "the

right to food and raiment, to kind

attention when sick, to main-

tenance in old age..." And the

arguments used to defend this

present-day trend toward the bon-

dage of a Welfare State are essen-

tially the same arguments that

were formerly used to defend the

bondage of outright slavery.

For example, many of the slave-

holders claimed that they knew

CHAPIN IN ON PATENT

On February 7, 1950, the United States Patent Office granted patent number 2,500,576 on a "Knife Sharpener" to Bernard L. Chapin, Winchester; Noble L. Davis, Melrose; and Thomas H. Cabot, Jr., Boston, Mass.

As is generally known, numerous types of hand-manipulated knife sharpeners have been devised during the course of the years. For example, in some models, the rack and forth movement of the blade between a guide and a rotatable grinding wheel, by means of a turn and effect the desired sharpening action. In other instances, the blade is reciprocated with respect to a stationary abrasive element or vice-versa, to accomplish the desired result.

This invention of Mr. Chapin and his associates pertains to sharpeners of the latter class and, as such, it constitutes an improvement over a prior construction for which a patent application was filed by the same inventor in 1945. In this earlier arrangement, two sharpening elements were disposed in V-shaped relation with respect to each other and were secured by a frame by means of a welding, soldering, brazing or similar operation. Although the contrivance was satisfactory for its intended purpose, nevertheless, it obviously did not permit the ready replacement of worn-out or otherwise unsuitable sharpening elements.

Thus, in the present device, Mr. Chapin and his co-inventors overcome this limitation by the simple expedient of mounting the sharpening parts in a frame-piece so that they still set up the aforementioned V-shaped aperture, and then slipping a casing or cover snugly over the assembly thus formed. It should be noted that this cover is of such material and design that it holds both the sharpening elements firmly against relative movement.

As an additional feature, the casing may be provided with a so-called "striker-plate" having a groove with convex edges of soft material along which the blade of the knife travels after completing its sharpening stroke. As a consequence, it does not lose its fine edge.

This patent has been assigned to New England Carbide Tool Company, Inc., Cambridge, Mass.

WYMAN FASHION SHOW

It may be zero weather outside, but spring will bloom forth in its glory at the Wyman School on March 3rd, when "Town and Country, Inc." of Belmont will show the very latest in spring fashions, glamorously presented by the charming Harriettes, Marjorie Williams and her commentators, and her assistant, Miss Corinne Mead. "Fashionwise" promises many interesting revelations.

The final arrangements for the event, sponsored by the Wyman Mothers' Association, were completed at a morning coffee held at the home of the chairman, Mrs. William Sumner for her committee. Mrs. Seymour Bingham - Tickets Mrs. Robert Fletcher - Chances Mrs. James H. Thayer - Properties Mrs. Laurence H. Thayer - Dessert Mrs. R. Ronald Wyman - Decorations.

Mrs. Herbert T. Wadsworth - Publicity.

Have you your tickets for this Spring Intercity? If not a few are still available. Call Mrs. Seymour Bingham, WI 6-4541-M to insure a chance at selecting your ticket to summer loveliness through these top new creations.

And to top it all off Mr. Jack Rotholz of "Town and Country" is offering a \$50.00 merchandise certificate to the holder of the lucky number.

Dessert will be provided by the Committee, with table mints generously furnished by courtesy of the "Goodie Shop" of Belmont.

All that is necessary for your perfect enjoyment on March 3rd is to be with us. So plan now to attend!

WINCHESTER CUB PACK 3

A demonstration by the Boston Fire Department was held Tuesday, February 21, at 2:00 P. M. in the First Congregational Church. All boys in all dens were invited to this demonstration.

On February 27 the Pack committee will make a trip to the Boston Public Library where Miss Corinne Mead, the librarian, will tell about the history of Winchester and will explain the new laws.

At a meeting of the Pack Committee it was decided to organize a Court of Honor to pass upon all boys in the pack who are ready to come up for cub awards. The court of Honor will meet at the time of the Pack Committee meetings, well ahead of the regular monthly Pack meetings. The first session of the Court of Honor will be held March 7, at 7:00 P. M. at the First Congregational Church. Boys who have been indicated in the den to be ready for awards should meet with the Court of Honor at that time, so as to be ready for the awards to be given at the next Pack meeting.

Pack meetings will be held on the following dates: March 16, First Congregational Church, 7:00 P. M. This will be exhibit and game night. April 28, First Congregational Church, 7:00 P. M. The annual skit night will be held. Den mothers are asked to tell Mr. Edward Little by March 16 what the skits will be. May 19, First Congregational Church. The annual banquet will be held. Awards will be made at this time.

RUMMAGE SALE

Thursday, March 2nd

Shore Road - next to T. V. Radio Mart (formerly Kelley's Toy Shop)

HOSPITAL CONTRACT SIGNED

In the office of James H. Ritchie and Associates, architects, on Friday, February 17, the contract for enlargement and modernization of the Winchester Hospital was signed by Edward H. Kenehan, President of the Board, and Harold B. Richmond, Chairman of the Building Committee, with the architect, Mr. J. Administrator, witnessing the signatures. For the Daniel Cunningham Construction Company, Inc. For the Hospital, the contract was signed by the Board, and Harold B. Richmond, Chairman of the Building Committee, with the architect, Mr. J. Administrator, witnessing the signatures. For the Daniel Cunningham Construction Company, Inc. For the Hospital, the contract was signed by the Board, and Harold B. Richmond, Chairman of the Building Committee, with the architect, Mr. J. Administrator, witnessing the signatures.

The Hospital has received approval from the Division of Hospitals and Construction, Massachusetts Department of Public Health, of Part Four of the application for Federal funds. This approval assures the receipt of a grant covering 39% of the cost of the project.

A building permit is now being sought from the town of Winchester and it is expected that ground will be broken and work actually begun in the near future.

MAYBE INDIA HAS SOME ANSWERS

The Men's Club of the First Congregational Church, following out its program of promoting international good will, and studying world conditions, had Mr. Shiv K. Shastri of India as guest speaker at their ladies night dinner Thursday evening, February 16.

Mr. Shastri, Director of Information, Indian Embassy, Washington D.C., a newspaper writer on Indian subject, a prominent Indian lawyer, and one of the most authoritative speakers on Indian affairs in the world today.

India's greatest domestic problem is to lift the economic level. India has great potential wealth and great latent strength but not enough present wealth to develop these assets rapidly. They believe in private enterprise but the government must help not only until money is plentiful but also to protect all business from ruthless leaders.

Universal education is another problem which is being tackled. India is not only aware of threats from the outside and now maintains not a large but an efficient army, which however, consumes a large part of their budget.

Following Mr. Shastri's speech, Mr. Howard Bartlett of the special town committee on education, the Junior High and High School situations discussed the many angles to this problem. It is believed that the various other considerations, not related directly with these schools, but involved in the problem, can be made by any such committee until a complete long range town planning job is undertaken.

LEAGUE OF WOMEN VOTERS

The Annual Legislative Luncheon of the League of Women Voters will be held on Wednesday, March 1, at 12:45 p. m. in the Parish Hall of the Church of the Epiphany. Mrs. Rodney W. Long, chairman of Legislation, and her committee are in charge of the luncheon. The program will be given by Mrs. Maxwell McCreery assisted by Mrs. Don S. Greer in charge of the luncheon. Mrs. Theodore Robinson and Mrs. Marshall Phil are in charge of decorations, and Mrs. Carl Zimmerman is in charge of waitresses among whom are Mrs. M. G. G. Traut, John McIntyre, Sears Walker, Thomas Hill, William Bosters, A. M. Hatch and Ross Cunningham.

The program will be given by Mrs. Maxwell McCreery assisted by Mrs. Don S. Greer in charge of the luncheon. Mrs. Theodore Robinson and Mrs. Marshall Phil are in charge of decorations, and Mrs. Carl Zimmerman is in charge of waitresses among whom are Mrs. M. G. G. Traut, John McIntyre, Sears Walker, Thomas Hill, William Bosters, A. M. Hatch and Ross Cunningham.

ERNST MAKECHNIE HONORED

Former Winchester Teacher First Federation President

Ernst Makechnie of Burlington, former teacher of music in the Winchester schools and first president of the Massachusetts Teachers' Federation, was guest of honor last Saturday at the luncheon marking the Federation's 39th anniversary at the Hotel Somerset.

Makechnie, now 80 years of age, sat at the head table and heard President Grace A. Buxton laud his efforts in organizing the Federation in 1911 and his untiring labors in the field of teaching.

"The alertness, ability and devotion of this one man," Miss Buxton declared, "has been the foundation and success of the Federation, and his program for good schools taught by good teachers, working under good conditions, is still the watchword of all of us."

Hugh Nixon, executive secretary of the Federation told of the organization's founding at a dinner in Somerville, with eight affiliated groups. The organization now includes 253 associations.

At the time he was organizing the Federation Mr. Makechnie was teaching music in the Winchester schools, his span of service here being under two superintendents, the late Robert Metcalf and Schuyler Heron, now living in South Royalton, Vt. He was an accomplished violinist and well known teacher of that instrument.

Many in Winchester who got their early music training under his guidance remember him accompanying the pupils on his violin as they sang in the class-rooms, and how as a special treat for a good performance he would play for the children, throwing in some double-stopping for good measure.

Several Winchester youngsters began the study of the violin under Mr. Makechnie and after he left Winchester he occasionally came to town for a recital. He was an accomplished ensemble player at the home of the late Arthur T. Downer, who played clarinet himself and whose children were all musical, his son Roy, playing cornet; Charles, playing violin; and his daughter, Marguerite, being an excellent piano player.

COMMITTEE FAVORS FIRE HOUSE FOR WEST SIDE

Authorized to Choose Site. Selects Land on High Street

The Committee on the West Side Fire Station Site, authorized at the last March meeting, comprising Vincent Farnsworth, Jr., John J. Gorman, Kenneth P. Pond, Morris Kerr and J. Joseph Tansey will report to the town at the committee meeting next month with the recommendation that the town purchase, or take by eminent domain, a plot of ground near the corner of High street, Manomet road and Squanto road, containing approximately 33,285 square feet for the site of a new West Side fire station.

The committee, of which Mr. Kerr is chairman, is unanimous in its choice of this site and in addition recommends that the town acquire the selected site this year, also recommending that the town appoint a building committee with authority to select a site for a new station and cost estimates for consideration at next year's town meeting.

In a discussion of the problem of a West Side fire station the committee, before stating its selection of a site for such a station, goes into at some length the need, as the committee sees it, for a fire house situated west of the railroad tracks.

State reports herewith its statement, which will also appear in the town report:

Examination of a map of Winchester shows approximately one third of our total land area is found west of Cambridge street, and nearly three quarters of the total lies west of the Boston & Maine Railroad.

The delaying of fire apparatus by trains passing through the center continues to present a very real threat to the safety of persons and property west of these tracks.

Among the larger spots of this area are Mayfield Academy, Parkhurst, Wynum and Noonan Schools; Episcopal, Methodist and Congregational Churches; and Winchester Country Club. For these many added filling stations, apartment houses and a large segment of our assessed valuation of residences. The assessed valuation of residences in the area exceeds \$18,000,000.

Fifty-one new building permits were granted in precincts 4, 5 and during the year 1949.

A previous committee investigating fire protection for the west side and reporting to the town fifteen years ago, in 1934, emphasized the danger of the obstructed grade crossing and pointed to the future development of house lots on Andrews Hill, which has now become an actuality.

A combination of heavy snows, automobile traffic and a blocked crossing can create a very real and a disastrous fire and loss of life, which only good fortune seems to have thus far prevented.

The mid-winter meeting of the Winchester Fire Club was held on Wednesday afternoon, February 15, at the home of Mrs. Joseph W. Worthen on Wedgemoor avenue, with Mrs. Albert D. Swagley, president of the club, presiding at the meeting. Mrs. Ralph T. Jope, chairman of the 1949 series of Mornings of Diversion, gave a report on the club's activities, and announced that over \$825 was contributed to the Wellesley 75th Anniversary Fund as a result of the Mornings last fall.

Mrs. Frederic E. Aike, who had just returned from Almatine, C. S. U. at the college, gave a vivid account of the stimulating weekend she spent at Wellesley as the delegate from the Winchester Club. Mrs. Aike, who had been in the Parish Hall of the Church of the Epiphany, Mrs. Rodney W. Long, chairman of Legislation, and her committee are in charge of the luncheon. The program will be given by Mrs. Maxwell McCreery assisted by Mrs. Don S. Greer in charge of the luncheon. Mrs. Theodore Robinson and Mrs. Marshall Phil are in charge of decorations, and Mrs. Carl Zimmerman is in charge of waitresses among whom are Mrs. M. G. G. Traut, John McIntyre, Sears Walker, Thomas Hill, William Bosters, A. M. Hatch and Ross Cunningham.

water is available on Ridge street northwest of High street further emphasizes the need for additional protection in that vicinity.

The committee took into consideration the mutual aid system with both Arlington and Woburn departments, which affords some additional protection, but may not be relied upon in the event their apparatus is involved with local fires.

A survey of neighboring communities shows the following number of fire stations in use:

Lexington	2
Arlington	3
Belmont	3
Woburn	3
Reading	2
Melrose	3
Concord	3
Woburn	3
Medford	5
Andover	3
Wellesley	3

In view of the foregoing, your committee unanimously voted that immediate need exists for a fire station on the west side of Winchester, and that rapid development of home building on Andrews Hill and adjacent areas requires favorable action on the subject at the annual town meeting this year.

Site. In selecting a site for the proposed fire station, the committee carefully examined the entire west side area in the light of both present and future development of the town. In this they were assisted by Mr. Percy Bugbee, Winchester, General Manager of the National Fire Protection Association, and Mr. Percy Charnock, Med

CANDIDATES' QUESTIONNAIRES

As a voters' service feature the League of Women Voters of Winchester with the generous cooperation of the STAR has again this year prepared a questionnaire for candidates for town office. By this means the League makes available to all citizens for guidance the basic facts and background information about candidates for contested offices. The large number of candidates has made it necessary to limit answers to the last question to 50 words.

Candidates for uncontested offices are as follows:

Board of Health, Harry L. Benson, M. D.

Board of Public Welfare, Nellie M. Sullivan.

Board of Cemetery Commissioners, John P. Carr.

Commissioner of Trust Funds, H. Wadsworth Hight.

Moderator, Philip P. Wadsworth.

Park Commissioner, Frederick M. Ives, Jr.

Planning Board, Franklin J. Lane.

Recreation Commissioner, John W. Smith, Jr.

Treasurer of Public Library, Ralph T. Hale, Francis E. Smith.

Following are the contesting

candidates' questionnaires:

Selectman
Name: Burnham G. Preston.
Address: 12 Madison avenue.
Present Occupation: Manufacturers Representative.
What are your qualifications and what is your particular interest in this office?
I have been proud to serve the third generation to live on Madison avenue.
A Naval veteran of both World Wars I have been proud to serve my country in time of need. My interest, long residence, knowledge of the town fit me to render a valuable, impartial and impersonal service.

Selectman
Name: Harrison F. Lyman, Jr.
Address: 77 Grayson street.
Present Occupation: Lawyer (general practice).
What are your qualifications and what is your particular interest in this office?
I should welcome the opportunity for constructive service as Selectman. Residence in Winchester since birth and three years' town meeting membership have acquainted me with civic problems, and I sincerely believe that a lawyer's training in analysis would be of value to the Board in the administration of town affairs.

Selectman
Name: Leslie A. Tucker.
Address: 54 Hillcrest Parkway.
Present Occupation: Resident Manager, C. J. Devine & Co.
What are your qualifications and what is your particular interest in this office?
Town Meeting member since 1938.
Public Works Committee.
Finance Committee 1945-46-7.
Vice Chairman Finance Committee, 1947.
Presently serving on High School and enlarged Junior High School Building Committee.
Resident of Winchester for 20 years.
Home owner.
To continue in active participation in Winchester town affairs.

Selectman
Name: Thomas G. Fallon.
Address: 41 Vine street.
Present Occupation: Chauffeur.
What are your qualifications and what is your particular interest in this office?
Served two terms as Selectman. I was a member of a large local milk concern for twenty-eight years. Lived in Winchester the greater part of my life.
By business and political training I am well qualified to vote on any business which comes before the Board.

Assessor
Name: Carl L. Eaton.
Address: 5 Grayson street.
Present Occupation: Real Estate Broker.
What are your qualifications and what is your particular interest in this office?
Boston Real Estate Broker since graduation Wesleyan University 1917, except seven years military service both World Wars - Member Boston Real Estate Board - Completed Real Estate Appraisal Course at Boston University - Winchester resident since 1925 - Two terms Town Meeting Member - Believe experience qualifies for impartial performance of duties of this office.

Assessor
Name: B. Thomas Preston.
Address: 1 Grayson road.
Present Occupation: Insurance sales.
What are your qualifications and what is your particular interest in this office?
Since World War II, may veterans have purchased homes in Winchester. I feel that it is only fair to have them represented on the Board of Assessors. I have been very interested in town affairs, especially real estate, having sold a great deal of insurance in relation to mortgages of homes.

School Committee
Name: William J. Speers, Jr.
Address: 2 Fernway.
Present Occupation: Lawyer.
What are your qualifications and what is your particular interest in this office?
Such qualifications as I possess rest upon training and experience as a lawyer, and upon experience gained in service upon the Board of Selectmen and upon the School Committee for three years each. I seek re-election hoping such experience may contribute toward solving wisely serious problems facing the Town.

School Committee
Name: Lester C. Gustin, Jr.
Address: 11 Wildwood street.
Present Occupation: New England Representative - Macomber Steel.
What are your qualifications and what is your particular interest in this office?
Our shortage of school facilities can be solved for less cost per unit. Such a premise will validate requests of the School Department. Following a detailed study of school under construction in New England last year, I wish to help direct our expansion toward excellence with economy thereby fulfilling our requirements.

School Committee
Name: Sara C. Woodward.
Address: 12 Slocfield road.
Present Occupation: Housewife.
What are your qualifications and what is your particular interest in this office?
There should be two women on the Committee as there have been for 27 of the past 30 years. As a mother, Town Meeting member, an active community worker, I know our town problems and would represent the interest of all the town as an impartialist.

School Committeeman
Name: Richard M. Rash.
Address: 6 Woodside road.
Present Occupation: Retired.
What are your qualifications and what is your particular interest in this office?
1. Entertained economies.
2. Emphasis on basic education with as much enrichment as pupils

can take without forgetting how to add and spell.
3. Leveas to pay to keep Winchester safely competitive for the best teachers with other comparable communities.
4. Immediate building committee for addition to George Washington School.

Constable
Name: Thomas J. McKee.
Address: 50 Wendell street.
Present Occupation: Chauffeur.
What are your qualifications and what is your particular interest in this office?
I was elected last year and found the work most interesting and would like to be re-elected this year.

Constable
Name: Francis W. Tansey.
Address: 81 Nelson street.
Present Occupation: Painter.
What are your qualifications and what is your particular interest in this office?
I am seeking re-election. To be of service to the Public at all times.

Constable
Name: Laurence Humphrey.
Address: 10 Elmwood avenue.
Present Occupation: Meat Salesman.
What are your qualifications and what is your particular interest in this office?
Life resident of the Town. Attended Winchester Schools, Burdett College. Town Meeting member three years. Experience with duties of the office - my grand-father, Edward F. Maguire, was Constable of the Town from 1912. I assisted him for many years preparing his Civil process and legal notices concerned with the town's affairs.

PARKHURST SCHOOL FEATURED AGAIN
Winchester's Lewis Parkhurst School is the subject of an illustrated article in the February issue of the SCHOOL BOARD JOURNAL.

Featuring an architect's perspective drawing, upper and lower floor plans, three interior and three outside photographs of the Parkhurst School, the article is published under the heading "A School Designed for Neighborhood Use."

Outlined as the challenge to be met in planning and creating any school building are the following four items: (1) translating the current educational needs of the community into building facilities which in kind and size will fit the educational program and house the children to be enrolled; (2) providing the structural materials, the permanent utilities, and the mechanical necessities which will make the structure sanitary, safe, and economical to maintain; and (3) fitting the building into its surroundings and satisfying the aesthetic sense of a harmonious, honest use of forms and materials; and finally, holding the building within the ability of the community to support the first cost and the continued operation of the building.

The article then describes the two-level construction, the principal's suite, the corridors with built-in lockers, the work rooms, the adequate storage space in classrooms and in specially planned areas, the exits at grade level, and other characteristics known to Winchester people.

Of special interest were the glass blocks used in the windows of the classrooms which direct the light to the ceiling, and the color scheme designed by Professor George Kepes with special consideration for the psychological and lighting results.

The cost of the school was stated as follows: On the basis of a total enrollment of 175 children, twenty-five in each room, the cost per pupil was \$1,200.00. The cost of the building alone was 68.5 cents per cubic foot; for the entire project including the cost was 82 cents per cubic foot.

"TAKE OFF THAT MASK—THERE'S NO DRY CLEANING ODOR IN THAT CLOSET NOW THAT I'VE SWITCHED TO SANITONE."

Reeking dry cleaning odors that cling to clothes are a thing of the past when you switch to amazing Sanitone Service! Garments are always fresh and clean smelling! And even embedded dirt disappears—colors and patterns snap back to life! Spots vanish! The perfect press stays in longer to keep you looking better groomed! Try us once... you'll never go back to ordinary dry cleaning.

A big promise? Yes, and one you'll find comes true the first time you ride a 1950 Nash Ambassador.

Here is something absolutely new in the design, construction and balance of a fine car.

For here is Airflyte Construction of double rigidity. Note how much steadier it rides rough roads... how much smoother it is, with soft coil springs cushioning all four wheels.

And never was a moving car so quiet... so free of wind roar, thanks to Airflyte design... so free from body-bolt squeaks and rattles.

No, nothing on earth rides like the 1950 Nash Ambassador—nor gives you so much fine-car value. Even a Custom model, tailored to your order and equipped with Hydra-Matic Drive, costs as much as a thousand dollars less than other fine cars. See your Nash dealer.

No Other Car at Any Price Offers What a Nash Ambassador Does

DELIVERED HERE

Steinman Super 2-door Sedan	\$1,793.00
Ambassador Super 2-door Sedan	\$2,130.00

(As illustrated)

State and local taxes (if any), extra Hydra-Matic Drive available on the Nash Ambassador at new low price. With additional cost, Airflyte Reclining Seat and Weather Eye System (if extra cost). Prices may vary slightly in adjoining communities due to transportation charges.

THERE'S MUCH OF TOMORROW IN ALL NASH DOES TODAY

WINCHESTER NASH
7 Shore Road, Winchester

"FROM SEA TO SHINING SEA"
Appearing under the auspices of the Winchester Teachers' Club on Tuesday evening, March 7, at the High School Auditorium will be Miss Sybil Daniels of Winchester High School and Greenwood, who will give an illustrated lecture "From Sea to Shining Sea."

No newcomer to the lecture platform is Miss Daniels for she has given similar lectures for the Massachusetts Audubon Society in 1947, giving her illustrated lecture "Under Blue Skies" at Northampton, Worcester, and Boston City Club. "Adventures on the Nature Trail," "Vacationing in the Mountains," "New England" Garden and "Wild Flowers," and "Color in Our Lives" are other lectures that Miss Daniels has delivered in Framingham, Melrose, Lynn, Boston, and elsewhere.

"From Sea to Shining Sea" is a record in color of the 140 cross country camping tour taken by Miss Daniels, Miss Virginia French, Winchester elementary school art supervisor, and two other teachers. Miss Daniels confesses that she took about five hundred color photographs, but has selected only two hundred as best illustrating the sixty-four miles. Pitching the tent for shelter on thirty-six nights of the journey, the young women found themselves sleeping under the stars.

Miss Daniels, teacher of general science and algebra at Winchester High School, has used her camera to help her teaching as well as to form the basis for an interesting hobby that has been extended into her public appearances.

Her current lecture has been given in Greenwood, Melrose, and Weymouth where Miss Daniels was highly acclaimed.

This meeting of the teachers' Club will be held in the High School Auditorium so that citizens of the town may take advantage of the invitation of the club to come and see and hear. There will be no admission charge.

WINCHESTER HIGH SCHOOL BAND LAUDED

An editorial in the February 12 issue of the United Church Youth, a periodical published cooperatively by the Young People's Society of the United Church of Christ and Congregational and Evangelical and Reformed Churches, lauds the Winchester High School band.

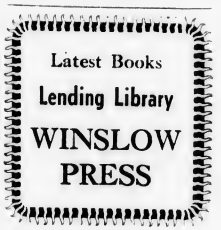

Under the title "A Band on Parade at Half-Term," the editorial extols the performance of the band between the bakes of the February 12 and 13, 1950, at the Winchester Country Club. It tells of the band's dividing itself into two segments, one at either end of the field and representing the respective churches of the United States, playing their native music despite the efforts of the drum major to unite them.

Finally, as football fans will recall, the two branches were reunited, formed a large T. N. on the field, and played in their best form a fortissimo hymn of Thanksgiving.

From the editorial we quote: "Good Work, Winchester High! That was a very fine performance. It's the sort of thing we need to cheer us on our hard and hopeful way toward a world in which discord ends and harmony takes over. One band concert won't do it, but each time we declare our faith in the possibility of a new world, we move one notch closer to the goal."

First Lt. Samuel N. Roberto of the 345th TT Group stationed at Lowry Air Force Base in Colorado Springs, is among the students currently enrolled in the Air University's General Air Inspection Course at the USAF Special Staff School, Craig Air Force Base in Alabama. Lt. Roberto is the son of Mr. and Mrs. Michael A. Roberto of 94 Deatur street, Arlington. He is married to the former Mary Iacona of 156 Swanton street.

JUDGES GATHER: Judges for "Forum For Living" start grading questionnaires and essays submitted by high school seniors of the Greater Boston Area in the preliminary round of the competition for college scholarships sponsored by Casualty Insurance Companies Serving Massachusetts with the cooperation of Registrar of Motor Vehicles Rudolph F. King.

The judges, who will select the 60 best entries, are: back row, left to right; Deputy Chief Edward J. Montgomery of the Boston Fire Prevention Bureau; Frederick J. Gillis, Assistant Superintendent, Boston Public Schools; Albert E. LaBrosse of the Massachusetts Registry; Capt. John P. Sullivan of the Massachusetts State Police; front row, left to right; Edgar F. Copell, President of the Massachusetts Safety Council; Registrar King; Miss Marion Bailey, Instructor of English, Winchester High School; Walter W. Cunningham, City Editor, Christian Science Monitor; and Miss Lucy Wilson, Dean of Students, Wellesley College.

After receipt of all questionnaires and essays from high school seniors entering the competition, the judges will select the 60 participants to appear on the weekly Sunday afternoon safety quiz shows which start February 26 over Radio Station WEEI, Boston. Each Sunday six competitors will match wits and knowledge of safety to earn the right to enter the quarter finals. Quarter and semi-final competition will determine area winners to compete in Boston over a state-wide radio hookup for the scholarships ranging in value from \$2,000 to \$300.

275 PARENTS ATTEND OPEN HOUSE AT THE FIRST CONGREGATIONAL CHURCH SCHOOL.

Sunday, Feb. 12 was Open House for the First Congregational Church School when parents were invited to meet the teachers and superintendents and see the school in session. Kindergarten held its demonstration session at 10 a. m. after which at 10:15 the parents and friends were invited to attend the morning church service where Boy Scout Sunday was being observed. Junior High Department held its worship service at 9:30 a. m. when parents were invited to observe, following which the parents went to the class session to meet the teachers, and the pupils remained in the worship room to see a movie "The Color of a Man". The Junior High choir sang the Negro National Anthem in keeping with the spirit of the day which was Race Relations Sunday.

At 4 o'clock, the Primary, Junior, and Intermediate Departments held Open House to interested parents and friends. Each department held a brief service of worship and a class session which parents could observe. Children were then excused to go to the Social Hall for a movie, while parents stayed in the classrooms to talk with the teachers. Parents and teachers then continued in Riple's Chapel for a slot, "An Afternoon in the Church School Office," ending with a brief service of dedication. Parents then joined their children in the Social Hall for refreshments. Members of the Forum who conducted for the masses of the parents, and took part in the service. Nancy Barnard, Don Cameron, Scott Cunningham, Leon P. Fox, John M. Meigs, Sue McLean, B. C. Hixon, Day S. Hix, Jr., St. Vincent, El Tarr, Tim Tarr, and Nancy Dotson. Also helping with the service were Dorothy, Beth, and Deborah, and Tessa Smith. Carolyn Padelford was the organist for the worship service. Mrs. Harrison B. Simpson, assisted by Forum girls, Anne Barnard, and her committee, cared for the refreshments which came in the afternoon. Refreshments were served to Mrs. Norman Padelford and her corps of Junior High teachers. Following is the staff of the Church School who were responsible for the Open House:

WINCHESTER MINISTERS ENDORSE JAPAN UNIVERSITY AID

The Winchester Ministerial Association has voted to endorse the \$725,000 New England wide Japan International Christian University campaign, it was announced today. Fourteen Protestant denominations are supporting the campaign for the educational project for which more than one-half million dollars already has been raised by non-Christian Japanese including the Emperor and Empress, who made their first contribution to a Christian enterprise.

The clergymen agreed that the Winchester quota for the educational project should be raised on a proportionate basis according to church and membership.

The ministers and churches comprise the Rev. Dr. Howard J. Chidley, First Congregational Church, at which the meeting was held; the Rev. Donald MacCallum, Second Congregational; the Rev. John Snook, Jr., Crawford Memorial Church; the Rev. Walter Lee Bailey, First Baptist; the Rev. Elizabeth W. Hix, Church of the Epiphany; and the Rev. Charles E. Parr, Unitarian Church. Dr. Chidley is president of the Ministerial Association.

The campaign will officially open on Easter Sunday and continue for several weeks. A fund of \$10,000 will be sought throughout the United States and Canada. Land for the new university has been purchased near Tokyo and the institution will be patterned along the principles of the pioneer New England colleges in order to train new leaders for Japan.

Heading the national committee are Gen. Douglas MacArthur, honorary chairman; Joseph C. Grew, former U. S. Ambassador to Japan, national chairman; and the Rev. Dr. Ralph E. Diefenderfer, formerly executive secretary of the Board of Foreign Missions of the Methodist Church, who is president of the University Foundation. The New England chairman is Robert Bradford of Cambridge, former governor of Massachusetts.

SCHOOL DATES

Following is the remainder of the calendar for Winchester public schools: Winter vacation: Week beginning Monday, February 20; schools reopen on Monday, February 27.

Good Friday, April 7 — no school. Spring vacation: Week beginning Monday, April 17; schools reopen on Monday, April 24.

Memorial Day, Tuesday, May 30 — no school.

Graduation — Sunday, June 11. Closing of schools: Originally set for Friday, June 16; now extended into the following week due to loss of school days because of inclement weather.

ter Smith who displayed charts showing the growth of the school, and wrote the edit. Mr. George Gowdy from the Board of Directors. Mr. and Mrs. Thomas Corkey, Mr. Charles Vanner who showed movies for the small children, Paul Leverette of the Forum who showed the movies in the Social Hall, Mr. Herbert Smith, newly-elected Church School Treasurer, Rev. and Mrs. Donald B. Tarr. Other assistants were Mr. Erskine Kelley, Mr. H. Kimball Archibald, and Mr. George Northam, 2nd.

A total of 275 different people attended the Open House in addition to the children who were present. Primary Department was the banner with 111 parents present or 60% of the parents in their department. Kindergarten was next with 94 parents present. Junior Department had 75, Junior High 67, and Intermediate 53. In order to figure the percentage, parents were counted present in all departments in which they had children registered, making a total of 266.

Mr. James Jones showed a short movie to the children of the procession into church on last Children's Day. It was a very successful Open House.

WHAT IS A "SPUN" CAR?

This is an expression that you are not likely to hear, and if you never do again, so much the better. It is an expression used by dealers to describe a car that looks like NEW but ISN'T.

Sometimes a car that is only a few days or weeks old is so badly damaged that it is not worthwhile for the owner to have it repaired. It is bought, given superficial repairs in some "gyp" shop and advertised as a New or Nearly New car. Needless to say the chances of the new owner being satisfied with it are nearly nil, so he disposes of it as quickly as he can, and so it goes "spinning" from one owner to the next leaving a trail of disappointment and dissatisfaction as it goes.

Cars that have been driven as much as four or five thousand miles or more can be camouflaged so that even an expert would have difficulty telling them from new. Those miles might represent tremendous abuse.

The only warranty worth a hoot on a NEW CAR is that furnished by the Manufacturer and the ORIGINAL OWNER ONLY, and no one can furnish any other for them. (And likewise the only warranty worth a tinkers darn for a used car is the REPUTATION of the firm that sells you the car.) A "Spun" car is an unhappy orphan in the auto world.

Another fault that some "Spun" cars have is the fact that their titles are not good. Maybe the original owner financed the car and never paid off the mortgage. In this case the new owner might find himself paying for the car twice, if he wants to keep it.

And yet another, you might find you have a stolen car on your hands, and in that case you just haven't a car and are out the amount you paid for it.

All in all, it is best to buy your NEW CAR from an AUTHORIZED DEALER WHO HANDLES THAT MAKE OF CAR. You will get a New car, a factory warranty, and lots of peace of mind.

If you buy any car from anyone, remember the REPUTATION OF THE SELLER is the most important part of the transaction.

Yours for trouble free motoring.

TEACHERS' VALENTINE PARTY AT PARKHURST

Snow proved to be no deterrent to the attendance as the Winchester Teachers' Club met for the annual Valentine party, this year at the Parkhurst School, on blustery Tuesday evening last week.

A buffet supper was served in the auditorium which was gaily decorated in the Valentine's Day motif. Tables were decorated with colorful tablecloths, and napkins and a huge valentine graced the stage.

Community singing led by Mr. Fred Felmet, with Miss Leonor Rich at the piano, was followed by square dancing during the remainder of the evening.

Miss Jacqueline Donahue, a Saratoga College junior from Schenectady, proved indispensable as instructor and caller for the square dances. Indifferent to the pedagogical talents of the teachers, Miss Donahue ordered them through their paces and they liked it.

Guests of the club were Mr. and Mrs. William Speers, Jr., and the wives and husbands of the teachers and administrative officers.

Miss Elizabeth MacPartlin, chairman of the program committee, was in general charge of the affair, assisted by Mrs. Esther Lauchner, Miss Helen Niedringhaus, Miss Nancy Carroll, and Miss Barbara Haley. Teachers of the Parkhurst School, headed by Miss Martha Cunningham, helped to make the facilities of their building answer the needs of hospitality. Directors of the Club, a representative from each school, assisted mainly by providing or procuring from their buildings large quantities of salad and cake.

Miss MacPartlin had high praise for the leadership of Miss Lydia Whittmore, Club president, and for Mr. Vernon Phinney and Mr. Thomas Drapeau who performed so many errands outside the call of duty and in general made the party possible.

Although driving conditions caused many to be a trifle tardy in arriving, the weather really added to the merriment as teachers explored the many approaches to the Parkhurst school which the highway department was doing its valiant best to keep passable.

CONTAGIOUS DISEASES

The following list of Contagious Diseases was reported to the Board of Health for week ending Thursday, February 16:

Chicken Pox	13
Scarlet Fever	2
Whooping Cough	1
Dog Bite	1

William B. MacDonald, Agent.

MOUNT PERO HOST TO 41 WINTER SPORTS CAMPERS

An explanation is due for the large collection of parents and youngsters who were at the Winchester railroad station early last Saturday morning. It seems that the parents of forty-one boys and girls escorted their youngsters to the special coach that was to bring the campers to a winter sports program at Camp Mount Pero, in Plymouth, New Hampshire.

Herb Goodwin and Bob Lamson presided over the large group on the train, leading in songs and games.

A lot of cars and a baggage truck greeted the sports enthusiasts at the Plymouth station and made the three mile trip to camp just in time for a hot nourishing luncheon. Dad Samoiloff assigned bunk rooms.

The program got under way fast with the entire staff and campers stepping outside to the ski slope where the campers were soon classified according to ability. There were six ski instructors to give the campers a thorough, two-way procedure, and skiing course. Many of the boys and girls had a grand time using their own private ski foot runners.

The afternoon ended with an informal downhill and slalom race. Saturday evening was spent in the spacious rustic lodge. Group games, relays, and songs were the evening came to a close with some tall and wondrous tales by both leaders and campers.

The morning found the campers up bright and early. The Catholic boys and girls went to church in Plymouth, while the other campers attended the service under the direction of Helen Goodwin.

At ten o'clock the group assembled on the ski slope and took a single file on their skis or snowshoes. Roland A. Nault led this file on a cross-country tour half way up Mount Pero. The group stopped first at a big clearing and held informal downhill ski races. They then proceeded up to another clearing, where a spruce forest, and some wild animal tracks were cleared a space for an outdoor meal.

Two huge fireplaces were under the direction of Phil Twombly and Bob Lamson. The campers helped to get firewood. Hot dogs were toasted by each camper, rolls, hot cocoa, and dessert followed. The campers then skied up and the group skied down the long trail back to camp.

Once at camp the rope tow was again in operation and more skiing instruction and racing took place. Those youngsters really learned to go through these slalom poles.

Sunday the campers again assembled in the lodge for a Laurel and Hardy comedy, a 1948 winter Olympics short, and a full length feature entitled, "Haunted Ranch".

Monday the weather went to 12 degrees below zero but the campers did not seem to know it. They skied on the tow slope, while another group went up to the skating pond.

After the afternoon they all decided to stick to the huge fire place in the lodge, bowl in the place's two alleys, playing ping pong, and shuffleboard.

The same crowded condition at the railroad station was repeated Monday night when the proud parents met the happy but slightly weary outdoor enthusiasts. They agreed they had had a wonderful time.

The camp was under the direction of Mr. and Mrs. Roland A. Nault, and ably assisted by Phil and Betsy Twombly, Helen Goodwin, Bob Lamson, Dudley Samoiloff, as well as Sam Papp, Jean Fernald, Pat Potter, and Mrs. Colburn.

Next Monday, when representative Boy Scouts "take over" the running of Winchester station, the afternoon, troops will provide the following officers:

Troop 1
Policeman
Member of Board of Health
Member of School Committee
Superintendent of Streets
Member of Board of Selectmen
Member of Board of Health
Member of School Committee
Town Treasurer

WHY DOES UNGERMAN OFFER THE BEST USED CARS?

The answer is very simple. They are traded for New Chevrolets and Oldsmobiles, and are the best cared for cars in town.

Furthermore, we have the skill and equipment to put them in the best possible condition. As it is good business to have the best reputation, we see to it that our cars make good.

We are selling more New Chevrolets and Oldsmobiles than at any time in our history, so we are sure you will find the right car for your needs among the varied prices and models.

Open Evenings

THE FORTNIGHTLY

The mid-season meeting of The Fortnightly is always anticipated with special interest. This year, as has become customary, it is to be an all-day affair at Masonic Hall on Monday, February 27. The main programs of the day will be preceded by a musical program. Auction Sale at 10:30, in charge of Mrs. Sidney A. Burr. This, with the very enjoyable country auctioneer, Mr. Ephraim Bluffman and his charming wife, Miranda, will be a fun and fund-raising light touch to open the day. It is for the benefit of the important "Club House Fund" and Mrs. Burr, its chairman, hopes all members will contribute articles for auction. If you are bringing such to the meeting, please arrive by 9 o'clock, since the auction must begin promptly at 10:30.

At 11:30, Mrs. Alfred W. Drew, Chairman of Legislation, will present as guest of honor and speaker, Mrs. Warren C. Whitman, past president of The Fortnightly and a Shiloh White Elephant. Legislation for the State Federation of Women's Clubs. Her subject is, "Legislation: Shackles or a Shield?" Mrs. Whitman, past president of The Fortnightly and a Shiloh White Elephant, will present as guest of honor and speaker, Mrs. Warren C. Whitman, past president of The Fortnightly and a Shiloh White Elephant. Legislation for the State Federation of Women's Clubs. Her subject is, "Legislation: Shackles or a Shield?" Mrs. Whitman, past president of The Fortnightly and a Shiloh White Elephant, will present as guest of honor and speaker, Mrs. Warren C. Whitman, past president of The Fortnightly and a Shiloh White Elephant.

The week-end's activity for the Fire Department commenced at 1:55 Friday morning when Engine 3 and a crew under Captain Frank Amico went to Woburn to cover in at the Central Station where Woburn was fighting the big fire at Cummings the Florist's on Cambridge road. The men returned to quarters at 6:45.

At 8:14 p. m. the men answered an alarm from Arlington Box 357, a mutual and box located at Mystic street and Cambridge road. This alarm was for a fire in an automobile, but the fire was out before the arrival of apparatus.

At 9:45 Friday morning the department was called to put out a chimney fire at the home of Mr. James Farley, 12 Ranglely road. The trouble was caused by a backfire in an oil burner, causing considerable soot to issue from the chimney. There was actually little, if any fire.

ATTENTION - MEMBERS AND FRIENDS OF WOMEN'S REPUBLICAN CLUB OF WINCHESTER.
The Club will honor Senator and Mrs. Harris S. Richardson with a Testimonial Dinner at the First Congregational Church on Saturday, March 11th. Reception at 6:30 P. M. and dinner at 7:00 o'clock. Tickets are \$3.00, tax and gratuity included, and may be secured from Mr. W. Allan Wilde on Thompson street, Mr. Ralph Bonnell of Bonnell Motors on Main street, or call Mrs. Kingman P. Cass, W-4-6229.

Temporary Train Schedule
Owing to the strike of the coal miners, many Boston & Maine trains have been ordered eliminated to conserve fuel. The following timetable gives Winchester and Wedgemere trains as they are now running. The Star does not guarantee timetable nor changes or eliminations which may be made.

Further changes or eliminations which may be made.

FORUM TO HAVE GUESTS FROM EVERETT

The Senior Forum of the First Congregational Church will have as their guests at their supper Sunday evening thirty young people from the Congregational Church of Everett who are interested in seeing the Forum in action. The young people will assemble at 5:30 for the supper and sing, with decorations for the tables being planned by the church. True and her committee assisted by Mrs. Carl Richmond, and the supper being planned by Marjorie Zinn and Dorothy Parker assisted by Mrs. P. Milne Blanchard and Mrs. Donald Davis. The orchestra under the direction of Mrs. Carl Thomas will play during the supper and for the chapel service following.

The chapel service will be a service of dedication appropriate to the first Sunday in Lent. Cynthia Morse will lead the service. The speaker will be the Rev. Gordon Kenison, pastor of the First Congregational Church of Everett, whose topic will be "The Power in Us." Mr. Kenison was a leader at the Pine Woods Conference where four of the Forum members were delegates.

Forum will attend the morning church service when Dr. Chidley will preach a special youth sermon, "The Set of the Sail." Those who will be present are: John Richmond, Bouldin Burbank, Ricky Ives, Dick Fernandez, and Peter Coon. The chaplain for the service will be Buzzy Bird. Those who will be Bob Burnham, Herb Clark, Dave Archibald, Don Cameron, Alan Thomas, and Marshall Phil.

MISS TURNBULL ENGAGED TO MR. PHINNEY

Mrs. Barton P. Turnbull of Summit, N. J., announces the engagement of her daughter, Miss Dorothy Macdonald Turnbull, to Arthur Osmond Phinney, Jr., son of Arthur Osmond Phinney of Yale street.

Miss Turnbull, a graduate of Kent Place School and Wellesley College, class of 1948, is teaching at the Short Hills Country Day School. Daughter of the late Barton P. Turnbull, she is a granddaughter of Mrs. Charles H. Goodenough of Summit, N. J., and the late Dr. and Mrs. Theodore Turnbull of Marlboro, Fla.

Mr. Phinney now a student at the College of Physicians and Surgeons, Columbia University, served with the Naval Air Corps. He is a graduate of Phillips Academy, Andover, Harvard College, with the class of 1950, and is a member of the Fox Club.

MISS ELLEN SHOEMAKER ON COMMITTEE FOR SWEET-HEART BALL

Miss Ellen Shoemaker, daughter of Mr. and Mrs. J. Warren Shoemaker, 1 Wilbur street, is on the Refreshment Committee for the Inter-society Sweetheart Ball at Centenary Junior College, Saturday evening, February 18.

Miss Shoemaker, a freshman at Centenary, is a member of the Delta Sigma Sigma Sorority.

Stearns R. Ellis, son of Mr. and Mrs. R. H. Ellis of Madison avenue, is in Athens, Greece, working with the Marshall Plan, E. C. A.

WARDS OF THE GOVERNMENT

(Continued from Page 4)

and to build houses for those who need them. Probably one of the main reasons for the declining influence of the church is that the church is defaulting on many of its own responsibilities by turning them over to government. Many of our church leaders are rendering unto Caesar that which does not belong to Caesar.

But the politicians, periodicals, schools and churches generally reflect the opinions of the persons who support them. Thus the final decision rests on the attitude of each individual American. If enough of us accept the degrading idea of a Welfare State—a Relief State, a Slave State—the process will soon be completed. But if enough individual Americans desire a return to the personal responsibility that is freedom, we can have that too.

The Choice Is Ours

Before choosing, however, consider this: When one chooses freedom, he chooses personal responsibility—he should understand that his decision will not meet with popular approval. It is almost certain that he will be called vile names when he tries to explain the compulsory government "security"—jobs, medicine, housing, and all the rest—is bad in principle and in its total lack of character and strength by encouraging greed and weakness; it destroys the individual's God-given responsibility for self-help, respect, compassion and charity; in some degree, it automatically turns all who accept it into wards of the government; it will eventually turn a proud and responsible people into cringing dependence upon the whims of an all-powerful state; it is the primrose path of serfdom.

No, the choice is not an easy one. But then, the choice of freedom never has been easy. It never will be easy. Since this capacity for personal responsibility—freedom—is God's most precious gift to mankind, it requires the highest form of understanding and courage.

This is the text of a speech delivered before the Convention on Individual Liberty at Billings, Montana, January 20, 1950. The convention was sponsored by the Montana Chamber of Commerce. Dean Russell is a member of the Foundation staff.

TO THE VOTERS

FOR SELECTMAN

FOR SCHOOL COMMITTEE

CARL L. EATON

Voters of Winchester:

Nearly a year ago I was approached by citizens familiar with my real estate background to consider running for Assessor this year. I am now a candidate only because I believe that my long experience in this field, with no close associations or ties with local real estate or institutions, qualifies me for the efficient and impartial performance of the duties of this office. I desire to be of service to the entire town and have no commitments or obligations to any individual or group.

I am grateful for the splendid response to my candidacy in all sections and I ask every voter to consider my qualifications stated on page 6 before casting his ballot. In any event, I urge all voters to exercise their privilege of voting.

The following are among those endorsing my candidacy:

- Harold Bates
- Elizabeth F. Boggs
- Wilhelmina R. Bugbee
- Kingman P. Cass
- William J. Croughwell
- Jeanette A. Colucci
- Louise D. Elliott
- A. Russell Ellis
- John R. Ghirardini
- Ralph T. Hale
- John G. Harder
- Franklin J. Lane
- Alvin M. Littlefield
- Robert F. Lybeck
- Maryrose R. McDevitt
- E. Oher Price
- John R. Russell

SEEKS RE-ELECTION

Voters of Winchester:

I am a candidate for re-election to the Water and Sewer Board, of which I have been a member for the past 16 years. I shall be pleased to continue to serve the town as a member of the Board, and if not of technical education, business training and years of experience in the office appeal to you, I will be glad of your support at the polls on March 6.

Elvett R. Butterworth
107 Cambridge street
Political Advertisement

HARRY E. CHEFALO

Voters of Winchester:

On Monday, March 6, I will seek election to the Board of Selectmen. My reason for seeking this office is a genuine desire to serve the town, in which I was born and have lived all my life, in which I have my home and family, and in which my business is centered. I have every reason, civic, financial and personal, for wanting good government in Winchester, and am eager to do my part toward promoting and perpetuating the best government possible for us all.

As qualifications I offer the business experience acquired in a plumbing and heating business for more than twenty years in Winchester, during which time I have had actual experience with the workings of many of our building regulations and by-laws. Membership on the Finance Committee during the past three years has intensified and added to my knowledge of town affairs and procedure, while giving me a real desire for further public service.

With my business located in town I will be available for immediate service to the community at any time, should it prove necessary. My contribution to the Board of Selectmen would be that of a practically trained business man whose economic has been learned in the hard school of meeting the weekly pay-roll.

I was educated in the Winchester schools and at Wentworth Institute. I own my home and have other considerable real estate holdings in Winchester which intensify my interest in the future of the town and the problem of the individual tax payer.

I would like the privilege of working for Winchester as a selectman. If you think I can make a success of the job I seek, I will appreciate your vote on Monday.

CANDIDATE FOR SELECTMAN

LESLIE A. TUCKER

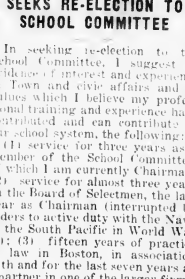

TO THE VOTERS OF WINCHESTER:

As I am a candidate for the Board of Selectmen, the following may be of interest to you. Winchester has been my home for over twenty years, and for the past twelve years I have been on the Finance Committee in 1945, 1946 and 1947, and was Vice Chairman in the final year. During the three years in the Finance Committee I served on the Sub-Committee dealing with the budgetary requirements of the Highway, Police and Fire Departments, and in the final year was Chairman of this Sub-Committee.

Other Town Committee work includes Public Works Committee, and I am presently serving on the High School and Enlarged Junior High School Building Committee. I served as Deputy Chief in the Auxiliary Police and was commanding officer of the Winchester Company, Massachusetts State Guard.

Your vote will be appreciated, but whatever your decision may be, please exercise your franchise on Election Day.

Leslie A. Tucker
54 Hillcrest Parkway
Political Advertisement

WILLIAM J. SPEERS, JR.

THE PROBLEMS facing our schools are many. Good administration, sound curricular planning, an able and enthusiastic teaching staff, all are essentials to a good school system. There is a constant urgency to find ways to make our schools better serve their function of assisting our children to achieve their highest potential as productive members of society and contributing citizens of our Town and our Commonwealth, our Nation, and of this troubled world. In this regard, it is all too easy to lose sight of cost, which must be related to the ability and willingness of the citizens to support our public schools.

I am convinced that Winchester wants a superior school system and that such a system is essential to the preservation of property and other values in our Town. At the same time, we face problems of cost which are serious, and too complex to discuss here in detail. The school building program I only one aspect of the entire school program where this problem is presented, and must be resolved. It is a simply more evident in the building program that progress advanced during the last three years while I have been on the School Committee is, in effect, a mid-stream.

The voters of Winchester, I would like to serve a second term, to endeavor to see many of these current projects nearer completion. I could not seek the office if I did not feel that my experience might assist in achieving some fact by re-evaluation between the best in educational methods and facilities, and the staggering cost of supporting them. Should you honor me with your election, I pledge myself to work toward an intelligent, middle-of-the-road program.

THOMAS F. FALLON

In submitting my candidacy for the office of Selectman, I am well acquainted with the town, its departments and its problems. If elected to the board I will give these problems my whole-hearted consideration, always keeping in mind what is best for the town and its citizens.

I have lived in Winchester the greater part of my life. I was for twenty-eight years a member of one of the largest local milk concerns, which still bears my name and is successfully conducted by my two brothers. Three years ago I retired as a member of said firm.

I am a former Rotarian, former Grand Knight of the Knights of Columbus, Past Chief Ranger of Winchester Court, M. C. O. F. E., Past Exalted Ruler of Winchester Lodge of Elks, and served two terms as Selectman of the Town of Winchester. I have served as a Town Meeting Member for 18 years.

As a home-owner and taxpayer I will do all in my power to hold down the tax rate and current Town expense.

If elected I shall ask for cooperation and economy from all Town departments and their heads; thus enabling us to keep within the debt limit for the future.

Because of my training and experience I ask your consideration and support at the Town election on March 6th.

For transportation to the Polls call Winchester 6-1941-R.

LESTER C. GUSTIN, JR.

BUILDING COMMITTEES' ANTICIPATED STATEMENTS ANSWERED

Voters of Winchester:

Contentions alleging misstatements in my articles of a few weeks ago regarding school construction costs will be found elsewhere in this issue. Regrettably these statements have been delayed until I could have no opportunity to reply to them. Obviously my purpose in publishing them when I did was to welcome criticism and reply thereto. Under the circumstances, I am forced to anticipate and trust I answer all such contentions to your satisfaction. If there are some I have not anticipated and if you desire my comments concerning them, please call me at Winchester 6-0310 (office) or Winchester 6-0802 (home).

THEY MAY CONTEND: No fair comparison can be drawn between schools on a cost per classroom basis.

ANSWER: When the cost of classrooms is compared, the basis of comparison should be cost per cubic foot. Where education is the primary concern and a shortage of classrooms exists, the fair and natural basis for comparison is the cost per classroom. Grouping, as I did, gymnasiums, auditoriums, libraries, cafeterias, laboratories, more expensive than classrooms, and treating them all as classrooms, I gave a distinct advantage to the Park Street School over some of the others described. Offices, storage rooms, clinics, even audio visual provisions were disregarded in being included in cost per new schools. Any contention that I did not consider the school room at all to each classroom at the Park Street School, is a fact that the classroom per cubic foot average, made the comparison of classrooms, such as:

(Continued on Page 6)

ATTENTION VOTERS

A most important and recurring question has been raised by the action of the Board of Assessors.

On the Board at the present time we have two civic minded gentlemen serving with distinction, both of whom have excellent backgrounds, one as an authority on real estate property and real estate taxes, the other as a builder of fine homes.

To keep a well balanced Board of Assessors, it is not for the interest of the citizens to also place a man on this Board who has no experience in town affairs and town finances as well as real estate values.

It would appear that any real estate broker who has any business with local real estate, however "close" that contact may be, cannot find it difficult to serve this highly important Board with his own opinions, somewhat prejudicial.

The logical answer to this question of proper balance may be found in the candidacy of Ernest B. Dade, a successful real estate executive of proven ability with a long record of public service to the Townpeople of Winchester, and a general unbiased source of real estate values as they effect each and every taxpayer in all sections of the Town.

A vote for Ernest B. Dade will accomplish a well balanced Board of Assessors.

Martin S. Swanson
27 Cambridge street
Political Advertisement

ERNEST B. DADE

Candidate
for
ASSESSOR

TO THE VOTERS OF WINCHESTER:

Mr. Ernest B. Dade has presented his name to the voters of Winchester for consideration of his candidacy for election to the Board of Assessors.

Mr. Dade is well-known throughout all sections of the Town, and his interest in town affairs and business experience qualify him in an exceptional manner for service as an Assessor.

Those of us who have an intimate knowledge of him, fully appreciate the fact that he is, and has been, civic and public minded for many years, giving freely of his time and talents for the benefit of our townspeople. His service on the Finance Committee for three years, and a three-year term on the Board of Selectmen, together with eighteen years of experience as a Town Meeting member have given him a broad and thorough understanding of our local Town government.

As a member of the Board of Directors of one of our local banks, he has had a valuable experience in the appraising of real estate in connection with applications for mortgage loans. As President and Treasurer of the J. B. Winn's Sons, local manufacturers, he has had many years of highly successful business administration, highlighted by national recognition with the Navy "E" award during the war years.

If he is elected as an Assessor, I know that he will approach the serious and human problem of fair and equitable assessment of all tax-payers in an intelligent and open-minded manner, and that he will serve you, as he always has, with a high degree of responsibility and efficiency.

Mr. Ernest B. Dade well merits your careful consideration, and you are urged to vote for him as a candidate who will bring valuable experience to the Board of Assessors.

MISS FLORA E. JEPSON

Miss Flora E. Jepson, formerly for 26 years a teacher in the Winchester schools, died Thursday, February 23, in Moultonboro, N. H. Funeral services were held at the Gove Funeral Home in Walpole on Sunday afternoon, February 26, at 2:30 o'clock.

Miss Jepson was born in Walpole September 17, 1877. She was graduated from Walpole High School and from Framingham Normal School in the class of 1908, commencing her teaching that same year in Whitinsville, James J. Quinn, one of the superintendents under whom Miss Jepson served, was a pupil in the school in which Miss Jepson taught there.

Coming to Winchester from Whitinsville in 1905, Miss Jepson was assigned to teach the second grade in the old Gifford School, then located on Main street near where the present Junior High School now stands. From 1905 to 1920 she taught at the Gifford, then spent a year at the old Highland School, torn down in recent years, before being transferred in 1921 to the Wyman School, where she taught the second grade until her retirement at the conclusion of the school year in 1941.

At that time Miss Jepson, who was popular alike with her pupils, teaching associates and the mothers of the children, was given a testimonial tea by the Wyman Mothers' Association and presented with flowers and a purse of money in honor of her 36 years service to the town.

While teaching in Winchester Miss Jepson made her home at 15 Townbridge street in Cambridge, and 350 Harvard street in that city. She had been living recently in Moultonboro.

PARISH PLAYERS HOLD SPRING TRY-OUTS MONDAY

Try-outs for the Spring production of the Parish Players, "Two Blind Mice," will take place Monday evening, March 6, at 8 o'clock in the Ladies' Parlor, Parish House, First Congregational Church, Mt. Vernon. Grant will be the director, and the dates of the play will be April 20, 21 and 22.

"Two Blind Mice" is a new comedy, released this month for amateurs, and the Parish Players will be the first group to stage it. Because of its newness, its mellowness and the good-sized cast, the Parish Players board voted to produce this play in the spring rather than "Miranda," as originally listed. The comedy centers around two delightful old ladies who run a seed bureau in Washington, D. C. — a bureau abolished by the Senate some years ago, but still receiving checks from the Government! In view of the Hoover report about "too many Washington department," this comedy is most timely, providing many good laughs and a little food for current thought.

The cast is large — there are 18 good parts, and a most cordial invitation is extended to all who like to act. An equally warm invitation is given to anyone who enjoys working backstage — stage crew, costumes (modern dress in this play), small properties, setting, electricians.

MARTHA RUGHTER

Miss Martha Rughter, daughter of Thomas McNair Rughter, Jr., and Frances (Downer) Rughter, of 5 Fernway, died early Friday morning, March 2, at a Deaconess Hospital in Boston after a brief illness. At her request her eyes went to the Boston Eye Bank.

Miss Rughter was born in Winchester September 20, 1929. She attended the Winchester schools and was graduated from the Windsor Mountain School in Lenox with the class of 1949. At the time of her death she was a student at the Pierce Secretarial School in Boston.

Best friends, her parents, Miss Rughter leaves a sister, Jane Stuart Rughter, 18; a brother, Christopher Downer Rughter, 12; and her maternal and paternal grandmothers, Mrs. Cutler B. Downer of Winchester and Mrs. Thomas McNair Rughter of Princeton, N. J.

Funeral services were held on Sunday afternoon at 3 o'clock at the Crawford Memorial Methodist Church. The minister, Rev. John Snook, Jr., officiated. Interment was private.

WINCHESTER LODGE NO. 1580 NEWS

The boys of the Lodge had a busy week on Saturday, Sunday and Monday, February 18, 19 and 20. On Saturday night they went to the Junior Division Dance that was being held in the Hotel Bradford. That was an all night affair for some.

On Sunday a delegation from the lodge went to the Parker House where a meeting of all Italian organizations throughout the state, was being held. The purpose of this meeting was to raise funds for the establishing of an Old Folks home for aged Italians. With John A. Volpe of our Lodge as chairman, it is needless to say that there were many from our lodge who pledged to be very active in this project.

On Monday night the Degree Team went to Chelsea where they initiated a class of 25 men and women into the Order. There was also a representation from our Lodge who attended the dance that was being sponsored by the Ladies Lodge of Salem.

On Tuesday, February 21st the second last match of the Bowling league was rolled. The standing of the first three teams are George (1st), Holy Cross (2nd) and Villanova (3rd).

Deedhorse Chetola is still holding onto the lead for High Average by a close margin over Tony Samuels.

The final matches of the bowling season were rolled on Tuesday, February 28. The final standing for the second half was Holy Cross, Georgetown, Villanova, Santa Clara, Boston College, Fordham, St. Mary's, Notre Dame.

The playoffs are scheduled for Tuesday, March 7 with Holy Cross against Fordham for first place; Georgetown against Santa Clara for second place and Villanova against St. Mary's for third place.

Harry Chetola's High Single of 131 and his High 3-string of 326 was knocked off by his brother Tony in the last match. Tony rolled a 3-string for 337 including a single of 132, beating his brother out by one pin in both cases.

The playoffs promise to be rough as each team will be in there with everything they have. Don't forget — the playoff will be Tuesday, March 7 at the New Bowladrome on Skanton street.

YOUTH NIGHT AT UNITARIAN CHURCH

Sunday, March 5, 6:30 to 9:00, at the Unitarian Church, will be Youth Night, a chance for the young people of Winchester's churches to unite in a union service and a social evening.

The service will be conducted by representatives from each of the participating churches. Following the service, refreshments will be served and there will be an evening of good fun and fellowship.

The purpose of Youth Night is, of course, to further a better understanding and co-operation among these groups of teenagers throughout the town. To make this project a success, a large attendance is necessary, and all high schoolers are urged to make this date a must on their calendar.

MISS ALLEN ENGAGED

Mr. and Mrs. James Sidney Allen of 333 Highland avenue announce the engagement of their daughter, Elizabeth, to Bradley Ewing Gage, son of Mr. and Mrs. Frank LeRoy Gage of South Amherst, Mass.

Miss Allen is a graduate of the Winchester schools and Westbrook Junior College.

Mr. Gage graduated from Amherst College in 1948, where he was a member of the Chi Phi Fraternity. He is now attending the Harvard Graduate School of Business Administration.

During the war he served three years with the Army Air Forces, much of the time as a Communications Officer in Alaska and the Aleutian Islands.

REV. ALFRED DIXON HEININGER TO ADDRESS WOMEN'S ASSOCIATION

The Women's Association of the First Congregational Church will meet in the Social Hall on Tuesday, March 7, at 2:00 P. M. The President, Mrs. Clarence R. Wickerson, will preside and Mrs. Donald B. Tarr will conduct the worship service. The Mission Union Guild will be the hostesses. Mrs. Clarence R. Wickerson and Mrs. Frederic B. Withington will pour at the tea which will follow the meeting. The Rev. Alfred Dixon Heininger, Superintendent of the Walker Missionary Homes, Auburn, Mass., and formerly of Fenchow, North Carolina, will speak on the subject, "What of the Church in China Today?"

Mr. Heininger first served in China for ten years (1927-37) under the American Board of Foreign Missions. In 1945, he answered a call for emergency service and returned to North China where he worked under very difficult conditions near the Communist controlled area for three more years. He did relief and reconstruction work and carried on special religious and educational duties.

At present, Mr. Heininger is the Superintendent of the Walker Missionary Homes, in Auburn, Mass. These Homes are a group of six houses which since 1908 have sheltered hundreds of children, missionaries on furlough and retired foreign veterans of the Cross.

DR. DAVIS BUILDS AT CAPE.

At the beach end of Davisville road, on the west side, Dr. William L. Davis of Central Green, Winchester is building a nine-room summer house. Dr. Davis has summered for many years at his home on the other side of the road. The new house now under construction will be for the use of his son-in-law and daughter, Mr. and Mrs. Neil Whitman and their family. Plans call for a summer home without cellar to be heated by a heatolator, a special apparatus inside the brick work of the furnace which supplies warmth in cool or chilly weather. The dwelling will contain nine rooms and three bath rooms; four bedrooms and bath upstairs; five rooms and two baths on the first floor. The 25 x 14 foot living room on the south and east will have a large fireplace and two picture window units. Dining room on the south will also have a picture window.

Outside the house will be of wooden shingles, the roof of asphalt shingles. As yet Dr. Davis has not decided whether he will have a garage built.

ENGAGEMENT

Mr. and Mrs. Henry A. Sadler of 43 Cherry street, Swampscott, announce the engagement of their daughter Miss Barbara Sadler to Richard S. McCormack of 21 Winchester place, son of Mr. and Mrs. Thomas McCormack.

Miss Sadler is a graduate of Swampscott High School, and now is with the Pulpit Digest Publishing Co. in New York. Mr. McCormack graduated from Winchester High School and Franklin Technical Institute of Boston.

BLOOD BANKING HOURS

Mobile Unit at First
Congregational Church
Wed. Mar. 15, 1 to 7 P. M.
Call W1 6-1287-M, or W1 6-2300

DID YOU KNOW

Red Cross Blood Is FREE.

Your Blood May Be Processed Into ANTI-HEMOPHILIC GLOBULIN — A hemophilic "bleeder" can bleed to death from a cut. But with this new blood product, a bleeder can have any operation performed with no danger of excessive bleeding.

RED CROSS BLOOD
DONOR DAY MARCH 15

"Here, again, is your opportunity to save a life."
This is the underlying theme of Blood Donor Day, to be held Wednesday, March 15, from 1 to 7 P. M. in Parish Hall, First Congregational Church. The quota is 100 pints of blood. For appointment, call Mrs. James B. Coon, chairman, W1 6-1287-M, or Red Cross, W1 6-2300.

Many residents still do not realize that this Red Cross Blood program is a COMMUNITY program. The Winchester Hospital used 350 pints during its last fiscal year, much of it supplied by the Red Cross blood bank, and some from its own bank which is kept filled from donors in this town. Forty Winchester residents, patients in hospitals outside the town, were supplied with much-needed blood from the Red Cross Blood Center. In figures of black and white, this tremendous life-giving service is impressive; it is still more impressive when reckoned in the life of a neighbor, a relative, or one's own small child. None can tell when the sudden need for whole blood may strike — and none would be willing to see the Blood bank un-

WINCHESTER GIRL SCOUTS

Many, many thanks are due to these wonderful friends of Girl Scouts:
Harry Chafalo, for all he's doing for the Cabin plumbing, and the several contributions he has received to help out the costs.
To Northern Floors for their fine job.
And to Staff Rogers for the Trefoil he designed to scale for the front of the fireplace.
To Bill Chang for his electrical work and fixtures.
Thanks, too, to Mr. Agorita of the Oldfield Woodworking Co. of Sausalito for their kitchen cabinets. Then there's the Rutherford and H. J. Lunt who have given us such a wonderful piece of our kitchen equipment.
To Mrs. Parker for the Parlour counter tops.
To Texaco and Charley Murphy for the 1000 gal. tank.
To Hillside Paint for the stain.
Thanks to the C. Y. O. at St. Mary's for the curtain material.
To Lester Moulton for making the curtains.
Many thanks to Gordon Peckham for the curtain rods, putting them up... and slip cover material.
And last, but not least, Charley Murphy, Al Elliott, and Sid Elliott for that "something new which has been added" in the Lodge Room!
Having fun, the girls of the Girl Scouts who wandered after Mrs. Parsons' troop, Ginny Dyer, Mary Ann Damon and Carolyn Edgar during their tests for third class rating in the U. S. Eastern Ski Association, at Waterville Valley, while Mary Ellen passed her 4th grade rating. A nice job for a freshman!

EDWIN A. HORST

HORST FORM SPEAKER

The speaker on Sunday morning at the service of the Senior Forum at Ripley Chapel of the First Congregational Church will be Edwin A. Horst, Vice-President of the Massachusetts Pilgrim Fellowship. His subject will be, "The Pilgrim Fellowship, the Church of Tomorrow."

This young man is a freshman at Amherst College. He holds membership in the H. Y. DeMolay and the National Forensic League. For three years he was a member of his High School swimming team. The chaplain will be Howard Uffelder. Theodore F. Elliott, Jr., and William Doughty will be the ushers. Neil Muncester and Edward Tarr will receive the offering.

A group of young people, their Director of Religious Education, and advisors, from the Second Congregational Church, Attleboro, will be guests of Forum. After hearing about the outstanding work of Forum at a class at the Boston University School of Theology, the Rev. Mr. Culbertson made arrangements for his youth group to visit here. They will attend the Chapel service and meet with the officers and advisors of Forum to learn how the Forum program is conducted. Last Sunday evening a similar youth group from the First Congregational Church, Everett, visited Forum.

Hutchins' Harmonizers provided the music with Ditty Brandt doing the vocal work, and as usual doing a fine job to everyone's enjoyment. "Flicka" Mezzacappa made her debut, singing "Charlie My Boy," and everyone thought she did a swell job.

As usual, cups were sold, Dave Snow, Buzz Bird, Nancy Barnard, and Judy Geertz doing the dispensing to the dancers. Tickets at the door were handled by Nancy Kittell, Tina Tonon, and Bob Runk.

The hall had been beautifully decorated with intricate, lady designs for snowflakes, and icy-blue balloons. Everyone had a swell time, and the dance was certainly a success.

DR. MIRIAM VAN WATERS TO ADDRESS WIVES' CLUB

The Women's Republican Club of Winchester will hold an open meeting at the Masonic Hall on Wednesday, March 8, at 2:30 P. M. The president, Mrs. Stanley Barnes, will preside. After the meeting, Mrs. Robert B. L. Singer and her social committee will serve tea, and Mrs. Frank R. Crookman and Mrs. Fred W. Acet will assist as waitresses. Dr. Miriam Van Waters, Superintendent of the Massachusetts State Reformatory for Women, and an international penitentiary, will be the speaker. She will address the audience on the subject "Community Responsibility for the Woman Offender."

Dr. Van Waters has won a worldwide reputation for conducting an institution in which the forces of science and religion have been fused by humanity into an agency for rehabilitation rather than of blind punishment. Her beliefs and policies were vividly brought to light last winter when she was summarily removed from office by State Commissioner of Correction and completely vindicated by the commission appointed by Gov. Deane to review the case.

Dr. Van Waters earned her M. A. at the University of Oregon, and received a Ph. D. in anthropology at Clark University, Worcester, Mass., in 1913. Returning to Oregon in 1914, she established a unique camp for delinquent boys and girls. Shortly afterward, she became Superintendent of the Los Angeles Juvenile Detention Home, resigning from this post in 1930 to become consultant to the Winchester Commission on juvenile delinquency.

She has served as director of the juvenile delinquency section of the Harvard Law School case survey, working for ten years with Dean Bruce Pound and Justice Felix Frankfurter. For a number of years, she has contributed yearly articles to the Encyclopedia Britannica dealing with juvenile delinquency and its treatment. Dr. Van Waters has the distinction of being the only woman member of the United Nations Committee on Penitentiaries, headed by Sanford Bates. She is the author of two well-known books, "Youth Crime" and "Parents on Probation." She was appointed superintendent of Reformatory for Women, Framingham, in 1932 and has served with great distinction for seventeen years. The extraordinarily successful results of her policies have made Framingham unique. Clinics and a parole work is done there by students from various schools and seminaries, including Harvard University.

COMMUNITY CONCERT ASSOCIATION MEMBERSHIP DRIVE

To insure outstanding concert attractions for Winchester during the 1950-51 season, the Community Concert Association, under the auspices of the Winchester Smith College club is planning details for the annual membership drive which is scheduled for March 27-April 1.

Subscribers may renew their memberships and purchase new ones during that week for next season's concerts, and it is anticipated that memberships will be sold out very quickly due to the immense popularity of these concerts, which benefit the Smith College club scholarship fund. If anyone is interested in purchasing a membership and plans to live away from Winchester during the week of March 27-April 1, he is urged to call Mrs. Melville L. Hughes at Winchester 6-2195 or Mrs. Tapley at Winchester 6-0570 right away, so as not to miss the opportunity of subscribing to this excellent series.

The final concert of this present season will be given on Thursday evening, March 23, when Nicole Henriot, the celebrated French pianist will appear. Watch the STAR for further details.

Ann Mathewson is among the students at Lowell Junior College in Andover, whose names have been placed on the Dean's List for the first semester. Miss Mathewson, who is a senior in the retail training course, is the daughter of Mr. and Mrs. Robert H. Mathewson of 18 Glen road, Winchester. She is President of the Athletic Association, and a member of the Modern Dance Club, Soccer Team, Hockey Team, and Basketball Team.

WINCHESTER GARDEN CLUB

Mrs. William H. Gilpatrick was hostess for the Winchester Garden Club, February 25. The storm did not deter the usual good attendance and the members appreciated friendly hospitality and an excellent program. Mrs. William W. Goodhue poured. Red and yellow tulips and blue iris in a crystal container, on the serving table, made an attractive arrangement. In the living room a Spring arrangement of jonquils, iris, freesia, snapdragons and tulips presented a symphony in yellow, white and blue.

The president, Mrs. William W. Goodhue, presided at the business meeting. Mrs. Goodhue reported that Mrs. Norman M. Mitchell who will represent the Winchester Garden Club in an exhibit at the Spring Flower Show, has been invited by the Garden Club Federation of Mass., to exhibit in the "Invitation Class" for the Winchester Garden Club at the Spring Flower Show. Mrs. Mitchell is the arrangements committee. The president reported that Mrs. William H. Gilpatrick and Mrs. John B. Willis will be hostesses at the following Show, Sunday, March 12, from 7 to 9 P. M. Mrs. Herbert T. West was appointed by the president as chairman of the arrangements for the club's participation in the Town's 10th Anniversary.

Mrs. Donald G. Crosswell's table setting and center, colored with dignity with beauty. Cream-colored Lenox with gold band was used. A sea-green etched glass dessert plate on the table served as a centerpiece. The dessert plate was a venetian glass with a gold-rimmed fruit cup with fluted plate to match. One of a set given to Mrs. Crosswell by her mother. A sea-green stemmed goblet, read and butter plate, pottery ash tray, Chinese peacock egg case, sparkling silver. The beautiful arrangement of violet-red and white blossoms of cineraria with its soft green leaves and a white cyclamen in a gold-flecked oriental container, blended harmoniously in this formal setting.

Mrs. Goodhue presented the speaker Mr. Alexander H. Heimlich who after a short informative talk took the members on a very pleasant journey by the way of a recorded tape by Mr. Heimlich on "Alpine Wall Gardens" with motion pictures in color and sound. The tape was a background of a "step" stone ground, giving a "step" stone preparation of the soil and planting then showing the result in beautiful gardens. Negative surroundings where a red brick building seemed to predominate, were made into a place of flowering beauty.

Many gardens in Winchester and other towns and cities were shown. The tape was a background of a "step" stone ground, giving a "step" stone preparation of the soil and planting then showing the result in beautiful gardens. Negative surroundings where a red brick building seemed to predominate, were made into a place of flowering beauty.

Among the Winchester gardens shown were the Willard Hudsons' garden, the "Wall Garden" of the beautiful Alpine Wall Gardens. We recall that the 1948 Year Book of the Mass. Horticultural Society had a picture of an outdoor living room with the caption: "Mass. Horticultural Society presents Silver Medal to the Willard Hudsons for the skillful development of the outdoor living room type of garden."

The Ralph T. Damons' beautiful garden was shown. This garden was in the list of the Winchester Garden Club's first "Small Garden Show" some years ago. The Harold F. Nichols' gardens of Grove street were shown where the Alpine Wall Garden's incomparable beauty reign in ideal surroundings.

We are grateful for this pleasant journey to one who is an authority on Landscape Gardening, a master craftsman in his profession and an expert photographer. Mr. Heimlich has received much honor among the highest award in the United States, the Albert C. Burrage gold vase award from the MacHorticultural Society for the most outstanding exhibits shown during the year 1948 in Ledge gardens.

Fitch's "Poem" played by Andre Kostelanetz and orchestra one of the selections played on the journey will always recall "Alpine Wall Gardens" - beauty in its highest form.

Richard H. Young, son of Mr. and Mrs. Wallace Young of Wynn Court, has been pledged to the Sigma Alpha Epsilon fraternity at Norwich University, Northfield, Vt.

WINCHESTER HOME AND GARDEN CLUB

In the Library on Tuesday afternoon, February 21, the Winchester Home and Garden Club held their regular meeting, postponed from the previous Wednesday on account of the storm.

There was a short business meeting, during which Mrs. Frank J. Robinson, the President, announced that the Garden Club is planning to secure advance Flower Show tickets at a reduced price, and that members could contact her (WI 6-137-W).

The Horticultural Chairman, Mrs. Norman Mitchell, gave more details of the Flower Show and Mrs. Kirkwood's part in it. She also said that this was the time for pruning grapevines, etc., but to spare the early flowering shrubs until after they had blossomed. "Garden Treasures" was the title of the afternoon's program, in charge of Mrs. Herbert T. West and Mrs. William W. Goodhue. Mrs. Mitchell is greatly and gratefully indebted to them for one of our best programs and to Mrs. Hudson, who kindly and efficiently showed the 150 lovely pictures in its project. Our special thanks go to Mrs. West for her untiring work in selecting and arranging the beautiful program, which included lovely spots in many Winchester gardens, as well as those in summer homes at the shore and in New Hampshire. The Fenway Garden, shot by the Kirkwoods taken at the 1949 Garden Pilgrimage around Boston, the DuPont Garden in Delaware, and the Garden of the Flowers in Florida and Bermuda. Mrs. West's comments made the pictures all the more interesting. We wish to thank the following who shared their lovely slides with us: Mrs. Roger Binyame, Mrs. David Thorne, Mrs. Preston Gray, Mrs. William Goodhue, Mr. H. Wadsworth Light, the Willard Hudsons, the Samuel Kirkwoods, Mrs. Curtis Nash, Mrs. Walter Rice, Mrs. Marshall Spence, Mrs. H. T. West, Mrs. Carl Wood, as well as Mrs. Gibbs and Mrs. James Jones.

WINCHESTER HOSPITAL NEWS

The marriage is announced of Miss Dorothy L. Smith and Mr. Charles F. Coleman on Sunday, February 26, at St. Patrick's Cathedral, New York. Miss Smith has been a Head Nurse on the Second Floor at the Hospital, and will be much missed. Mr. and Mrs. Coleman will make their home at 11 Richardson road, Stoneham.

On Saturday, February 25, Mr. Horan L. Paine, Jr., Administrator of Winchester Hospital, sailed from New York on a week's trip to Bermuda. Last summer hospital matters prevented Mr. Paine's enjoyment of a vacation, and he has been looking forward to a brief winter absence as soon as the contract for the new wing was an accomplished fact. He is hoped to make the round trip by the Queen of Bermuda of the Furness Line, but has the choice of a longer stay on the island and a return trip by air. The frequent planes make the trip in three hours and fifteen minutes.

FLORENCE CRITTELOW SPRING PARTY

The Winchester Circle of Florence Crittello League will hold its Spring Party on March 22nd at 1:30 p. m. in the Metcalf Hall of the Catholic Church.

This annual party is a social event which is always anticipated with pleasure by the friends and members of the League. There will be a sale of home cooked food. Mrs. William A. Sweet, chairman, and her committee have planned a delectable dessert.

This is our only project of the year to raise funds to carry on the important work being done by our Circle and the Committee on that all members plan to attend and support the Florence Crittello League.

COMMITTEE OF SAFETY CHAPTER D. A. R.

Mrs. Cutler Downer of 39 Everett avenue opened her home for the February 20th meeting of the Committee of Safety Chapter, Daughters of the American Revolution.

Mrs. Earle E. Andrews, Regent presided and the opening exercises included a reading of the National Miss Grace Pound and the Chairman, Corvett Use of the Flag, Mrs. John B. Willis.

The President General's message was read by Mrs. Paul Stoneman. Mrs. Clifton Hall, Chapter Chairman of National Defense read an important letter from the National Defense Committee in Washington asking the members of the Chapter and their friends to write to their Representatives and express to Congress their support for the Federal Government.

Announcement was made in the charges of the March 20th meeting of the Chapter from the home of Mrs. Kingman Cass to the Ladies Parlor of the First Congregational Church. The Guest Speaker to be Mrs. A. Warren Stearns, Mrs. Cass and Mrs. Andrews Hostesses, with Committee.

Delegates elected to the Annual State Conference March 30-31 to be held at the Copley Plaza Hotel Boston were: Mrs. William Goodhue, Mrs. Raymond Simpson, Mrs. George Peckham and Mrs. Paul Stoneman. Mrs. Goodhue, Mrs. Simpson, Mrs. Peckham and Mrs. Stoneman will represent the Chapter at the State Conference. Mrs. Goodhue, Mrs. Simpson, Mrs. Peckham and Mrs. Stoneman will represent the Chapter at the State Conference. Mrs. Goodhue, Mrs. Simpson, Mrs. Peckham and Mrs. Stoneman will represent the Chapter at the State Conference.

Eleanor Stockin Sears of Newtontown presented in "Southern Mountain Melodies" a unique program of mountain ballads. "Aunt Sal" she brought to her audience the charm of the Kentucky mountain folk, singing the old songs which she learned from them, and told stories of those who sang them. She accompanied herself on the dulcimer, a quaint native instrument.

"Homespun and Harmony" brought a picture of Kentucky mountain life, with special emphasis on the old arts of hand-weaving and vegetable dyeing. Mrs. Sears who taught weaving for two years in the Kentucky mountains, showed lovely examples of weaving and dyeing.

A social hour followed the meeting. Miss Mary Alice Fitch and her friends served refreshments. Mrs. William Goodhue, Vice Regent and Chairman of the Hostesses' Committee, with Mrs. Harold Twombly, Mrs. William Pardy and Mrs. Fred Seales assisted Mrs. Downer in receiving at the door.

TO POIR AT TECH TEA

Mrs. Ronald H. Robnett of Cambridge street was one of the hostesses for the tea given by the Technology Matrons, wives of M. I. T. staff members, Thursday, March 2, in the Emma Rogers Room at the Massachusetts Institute of Technology.

A moving picture, "Tech at Mid-Century", including scenes from the Convention last March, at which the Hon. Winston Churchill and Harold Stassen spoke, will be shown, and the Institute's president, Dr. James R. Killian, Jr., will address the group.

Richard Foster, Troop 7
Donald MacFeeley, Troop 7
Police Department - Chief, Samuel Berry, Troop 3
Cecil Price, Troop 7
Thomas Grace, Troop 12
Donald J. Palladino, Troop 6
David McManus, Troop 1
School Department - Superintendent, Trevor Smith, Troop 3

Robert Lawry, Troop 3
Dana Sawyer, Troop 7
Stanley Mullen, Troop 7
Dennis Doucette, Troop 12
Theodore Elliott, Jr., Troop 6
Niles Nelson, Troop 1
Public Library - Librarian, Robert Murphy, Troop 7

Malcolm Johnston, Troop 3
William Johnson, Troop 3
Allan Osborne, Troop 7
George Goodwin, Troop 12
Henry Quill, Troop 1
Edward Powers, Troop 12
John Becker, Troop 6
Water Department - Superintendent, Henry Hooper, Troop 6

Asst. Supt., Robert Thorne, Troop 12
Board of Health - Timothy Sullivan, Troop 12
Neil K. Muncester, Troop 6
Robert Queen, Troop 1

Mr. and Mrs. Joseph Farrell of Woburn are receiving congratulations upon the birth of a daughter on February 23 at the Chateau Hospital in Woburn. The paternal grandparents are Police Officer and Mrs. James E. Farrell of Lebanon street.

GOVERNOR DEVER TO SPEAK AT K OF C BREAKFAST

Governor Paul A. Dever will be guest speaker Sunday morning, March 26, at the 33rd annual Communion Breakfast of Winchester Council, 210 Knights of Columbus Building. The Council will receive communion in a body at the 8 o'clock mass at St. Mary's Church, after which breakfast will be served at the town hall.

Members of the Council will assemble at the Council Rooms in the center and march to the church, also parading to the hall after the service by way of Washington street and the Parkway. Main street and Mt. Vernon street.

Grand Knight Walter Prue of Winchester Council is supervising plans for the breakfast with Deputy Grand Knight Harry Boyle as chairman of the committee in charge of arrangements and William Walden as parade marshal.

Soldiers of the committee are: Mass and Shers, Charles L. Haggerty, chairman, Richard A. Nihan, John W. Lane, Jr., Daniel O'Donnell and Sam Vogel; Breakfast, Louis C. Thibault, chairman, Bart T. Conlon, Eric W. Johnson, James F. Mawn, Michael A. Ponta and James H. Wharf; Entertainment, Henry P. Murray, chairman, Francis Dolan and William J. Keary; Tickets, William J. Cantwell, chairman, Alfred W. Bernal, J. Harry Bennett, Mrs. M. Bruns, William E. Duley, Thomas Drapeau, Frederick W. McCormack and John D. Mulrenan; Hospitality, Vincent F. Erhard, Robert J. Barrow and Antonio L. Semantore; and Speakers, George E. Young, chairman, and Francis E. Rogers.

ANOTHER TRAIN FOR WINCHESTER

By the addition of a stop at Winchester, patrons of the Boston and Maine Railroad will have the advantage of an extra mid-morning train, it was announced by the road today.

Starting March 1st, Train No. 310 from Concord, New Hampshire to Boston will make a stop at Winchester, daily except Sunday, at 10:55 A. M. and will arrive in Boston at 11:10 A. M.

This service will continue through the present coal shortage emergency.

ELKS HELD PAST EXALTED RULERS' NIGHT

New Home Open First Time

Winchester Lodge of Elks held its annual Past Exalted Rulers' Night at the Washington Building at the Lodge Hall in an effort to build up the attendance and prevent some of those scheduled to officiate from participating in the meeting. Incidentally Howard A. Brownell, P.E.R., came from out of state to serve as treasurer in the officers' lineup, arriving late because of storm, but getting a great hand for his interest and effort.

The following Past Exalted Rulers served as officers for the meeting: Exalted Ruler - Archibald J. Macdonald.

Estimated Leading Knight - William H. Holland.

Estimated Lecturing Knight - Frank P. Hurley.

Secretary - Fred H. Clement.

Treasurer - Howard A. Brownell.

Inner Guard - Joseph R. Peol.

After the meeting the Lodge members adjourned to their new home on Elmwood avenue, opened for the first time that evening. An oyster stew was served by the Board of Stewards, headed by Archibald Macdonald and there was music by Next Purlington's accordion as the Elks moved around through their new quarters, admiring the rooms and spaciousness of the home with the many facilities which quarters all on one floor can not afford.

The consensus was that the new home will prove a distinct asset to the Lodge, all the comments heard at the opening being complimentary.

The Lodge is planning a big home coming event this spring for the week during which the town will observe the 10th anniversary of its incorporation. A real effort will be made at that time to get as many of the old timers as possible to return to the lodge for a reunion.

Mr. and Mrs. John Lynch of Curtis street have just returned from a three weeks trip to Belle Air, Florida.

FORUM IS HOST TO YOUNG PEOPLE FROM EVERETT

Last Sunday evening the Senior Forum of the First Congregational Church held its monthly supper meeting in the Parish Hall of the church. The young people gathered at 5:30 and were given nametags by Jackie Sturtevant and entertained while the crowd gathered by Susan Melanson, Ed Tarr, and Ricky Ives, piano and trumpet. Pictures were on display of the recent International Week-End and the splash party and the Farrington work project.

Supper was served at 5:45 by the supper committee under Dotty Parker and Marjorie Zinn and assisted by Mrs. F. Milne Blanchard and Mrs. Donald Davis. Mildred True's decoration committee had decorated the tables with fruit arrangements.

Twenty-three young people and four adult advisors had come from Everett to see the Forum in action. They were introduced to the Forum by the President, Leon Fernandez. Barbara Macaulay gave a report on the offerings brought by the Forum during this year, and Dave Archibald reported on the cost and income from social events. Betty Ann Parker read an amusing jingle, "An Ode to the Forum Lenten Self-Denial Offering," showing where the world needs are and how Forum members can help by denying themselves some luxury during Lent and giving the money to the Pilgrim Fellowship project which is raising funds for Japan, migrant labor in U. S., and other projects. Singing was enjoyed

with Janet Macaulay at the piano. Between courses, the Forum orchestra composed of Susan Melanson, Priscilla Stone, Jennifer Meigs, Scott Cunningham, Ed Tarr, and Robert Traut furnished background music. Scott Cunningham reported on the work project at Farrington.

Following the supper, the young people adjourned to the chapel for a Lenten service conducted by Cynthia Morse and Virginia Bulard. The Forum choir helped by their presence and the Forum orchestra under the direction of Mrs. Carl Thomas played a beautiful number by Gluck. Carolyn Paddock played the organ for the prelude and the orchestra number and Marjorie Morse officiated for the hymn singing and the postlude. Calendars had been mimeographed by Bette Nelson and her committee, and flowers for the altar had been arranged by Janet Macaulay and Harris MacDonald. Ushers were John Richmond and Ricky Ives.

The speaker was Rev. Gordon Kenison from the First Congregational Church in Everett, and he gave an address on "The Power in the Word" which was deeply moving and thought-provoking.

Mr. and Mrs. John C. Rafferty of Middlesex street are the parents of a daughter, Rita Louise, born recently at the Winchester Hospital. Mrs. Rafferty is the former Rita Douette, daughter of Mr. and Mrs. Charles Douette of this town. Mr. and Mrs. John Rafferty of Woburn are the paternal grandparents.

LECTURING AT TEACHER'S COLLEGE

Mrs. Marguerite L. Loftus of Rangleley, is one of three lecturers, who are conducting a Course in Speech Improvement, at the Boston Teacher's College.

Work included in the course includes: voice mechanics; definition and diagnosis of organic, functional and emotional speech disorders; methods of effective correction of speech disorders; and correlation of work in Speech Improvement. Classes with regular grade activities.

Mrs. Loftus conducts classes in Speech Correction in the Boston Latin School, English High School, Girls' High School, Boston Trade and the Prince School.

LENTEN MUSICALS

There will be special Lenten music at the Winchester Unitarian Church. The Senior Choir and the direction of Mary Ranton Witham will sing from Brahms' "Requiem," Debussy' "Seven Last Words," Haydn's "Passion," and Gounod's "Gallia." The Junior Choir will sing March 12th and April 2nd alone and combined with the Senior Choir.

In addition to the Lenten Music for Sunday Services, the Unitarian Choir is in rehearsal for the Lenten Choral Vespers which will be held at the Unitarian Church Sunday, March 19th at 4 P. M. All Winchester residents are cordially invited to attend this service.

PLANS FOR CENTENNIAL WEEK IN WINCHESTER

Plans for Centennial Week in Winchester April 23 - 30 now include a Parade Poster Contest which will commence shortly, open to pupils of all Winchester schools. Supervising the contest will be a committee composed of Miss Pauline F. Goodrich, Ernest Dudley Chase and Mrs. Elizabeth M. Loring. Regulations will be issued regarding preparation of posters and award of prizes, and will be published in the newspapers and placed in the hands of all school principals to be read in each school. Much interest is being shown among the young artists of the town.

The float section of the April 29 Centennial Parade is growing steadily and already well-known local organizations have entered floats and designated their own float chairmen as follows:

American Legion and Auxiliary
Commander Robert F. Murphy
and President Ruby S. McKee
American Red Cross, Winchester Chapter

Mrs. Ruth E. Hilton
Committee of Safety Chapter,
Daughters of the American Revolution

Mrs. Earle E. Andrews,
Regent and Mrs. William Goodhue
Felliland Council, Boy Scouts of
America, Winchester District
Earl G. Carver and Robinson
Whitten

Second Congregational Church
Miss Laura B. Tolman
Winchester Art Association
Mrs. Marshall W. Symmes
Winchester District Nursing Association

Mrs. George E. Connor
Winchester Emblem Club
Mrs. Marion Nowell
Winchester Historical Society
Clara R. Russell, Curator
Winchester Women's Republican Club

Mrs. Kingman P. Case
The fifty present and former
Selectmen of Winchester are being
invited to participate in the Parade
and Review, and it is interesting to
note that forty-six of these gentlemen
are living right here in Winchester,
indicating their continued
devotion to this town as an
unparalleled residential community.
A Centennial Proclamation is to be
issued before the anniversary
occasion by the Board of Selectmen,
and we understand that reciprocal
greetings are being exchanged with
Winchester, England.

Since last week's announcement
has been made of the Annual Ball
of Winchester Women's Relief Association, which will take place
during the Centennial festivities,
on Wednesday, April 26, the
American Legion Auxiliary will
sponsor a Centennial Tea for men
and their friends at the Legion
House on Sunday, April 23. Post-
master Gilman reports a large
delegation of marchers from the Post
office for the Parade, and altogether
the 100th Anniversary of
Winchester, sound: Bie quite a
show at this point.

LIBRARY MOVIES

The Winchester Public Library
takes pleasure in announcing an
especially good program of educational
films for the showings this
week Friday evening and Saturday
morning. The films to be shown
include: "MEXICAN CHILDREN,"
"SO YOU WANT THRILLS, THE
GREENE" (Displaced persons),
"SNOW SPEE" (Winter sports),
and another film to be announced.
The film program will be given
at 7:30 Friday evening for families
and adults. There will be a
reduced section for Junior High
School boys and girls who are
admitted by ticket only. Every
Friday night is FAMILY NIGHT AT
THE LIBRARY.

Saturday morning film showing
for children is held every Saturday
morning at 10:15. Free tickets for
the Saturday morning programs
may be obtained in the Boys' and
Girls' Library during the week.
Seating capacity is limited so tickets
go quickly.

Library Hours

Adult Department 10 A. M. to 9
P. M. Saturdays 10 A. M. to 6 P. M.
Boys' and Girls' Department 10
A. M. to 12 noon, 1 P. M. to 6 P. M.
Tel. Winchester 6-1106

MYSTIC SCHOOL NOTES

Two new rooms at Mystic School
were occupied for the first time on
Monday, February 27th. The rooms
comprise the new front wing. Miss
Gladys Wood and her fifth grade
moved into the upper room and
Mrs. Esther Laughner and her first
grade into the lower room. Moving
the original kindergarten available
for Miss Doherty and class to occupy
once again. The kindergarten
has been using the assembly hall
for a class room since school
opened in the fall.

After the classes were settled
in their new quarters, Mr. Joseph
Forte, principal of Mystic and
Lincoln Schools, escorted each of
the other classes and their teachers
on a tour of these new rooms.
Attention was drawn to the
acoustical ceilings, indirect lighting,
work space including a sink,
convenient cupboards, emergency
stairway and exits, and other details
of interest to teacher and
pupils alike.

UNITARIAN VESPER SERVICE

The vesper service at the Unitarian Church on Sunday afternoon, March 19, is to have a particularly interesting program. Mrs. Mary Ranton Witham, music director, will present, through her choir and the Mary Witham Singers, selections appropriate to Lent in historical sequence. Beginning in historical sequence, the later centuries will be represented by such composers as Purcell, Handel, Mozart, Brahms, Debussy and Tchaikovsky, and the service will close with a powerful number by Thiman.

Besides Weston Brannen at the organ, Ralph Stevens will provide timpani in certain of the selections. Dr. Charles Park will be the minister presiding.

PHILIP CHITEL

Philip Chitel, veteran merchant tailor and proprietor of the Philip Chitel Men's Shop on Mt. Vernon street, died early Tuesday afternoon, February 28, at the Pratt Diagnostic Hospital in Boston of a blood ailment that had bothered him for several months. He had been seriously ill since the first of January, entering the hospital on January 6, and later being transferred to the Pratt Clinic.

Mr. Chitel was born March 15, 1885, in Odessa, Russia. He learned the tailor's trade in the shops of his native land and grew up and married Ida Sherman while living in the vicinity of the Black Sea. Their first child, Harry, was born there and came as a baby with his parents to Boston in 1905. In Boston Mr. Chitel was one of the master tailors in the old MacArthur, Parker tailoring firm, now Rogers, and before coming to Winchester to establish his own business in August, 1911.

Mr. Chitel's first tailor shop was at the corner of Thompson street and Waterford road in the location of the present Vernon Shoe Clinic. Later he was on Main street in the store now occupied by Coviola's. Before moving across the street into the building which was torn down for the erection of the present Lowville Building, Mr. Chitel had moved to the Mt. Vernon street address where he had been for some years and where he had in recent years the assistance of his son, Jack.

For a time Mr. Chitel conducted strictly a tailoring business, making men's custom clothing, many of which he sold in the local market. He was a member of the life of the community being long numbered among his regular patrons. While located on Main street he enlarged his business to include ready-to-wear clothing and in recent years had added a complete line of haberdashery, offering his merchandise to the public in an attractive modernized shop. He was a member of the Merchant Tailors' and Designers' Association of Boston and of Winchester Lodge of Elks.

Mr. Chitel first lived in Winchester on Elmwood avenue, later moving to Thompson street and at the time he left Winchester for Brookline in 1934 he was living at the corner of Washington and Eaton streets. He had recently been living at 12 Blaisdell road in Medford. His friends in Winchester were numbered among persons of all walks in life.

Mr. Chitel's first wife, widely known in Winchester, died in 1938. He is survived by his second wife, Bertha, by a daughter, Mrs. E. Rollins of Dorchester; three sons, Harry and Benjamin of Brookline, and Jack Chitel of Brighton, all by his first marriage; and by his second marriage, a brother, Nathan, of Los Angeles, Cal., a sister, Mrs. Ann Smith of New York City, and seven grandchildren.

Funeral services were held Wednesday afternoon at the Solomon Funeral Home in Brookline. Burial followed at the Newton cemetery. Interment was in the Prides of Boston Cemetery in Montvale. The Chitel Men's Shop was closed all day Wednesday for the remainder of the week. Friends who wish to do so may send contributions in Mr. Chitel's memory to the Pratt Diagnostic Hospital, Cancer Clinic, in Boston.

COLLEGE CLUB ART STUDY GROUP

Despite the hazardous road conditions, and fewer trains, over forty intrepid members of the Art Study Group met on Friday, February 24 in Cambridge at the Fog Museum.

Two young members of the Museum Staff, Mr. Turner and Mr. Elliot, guided us through the galleries, pausing briefly to point out to us some of the more famous paintings hanging there. Our main objective, for which we had been so adequately prepared by Mrs. Chinn and her committee, was the exhibition of Laszlo Moholy-Nagy. While still puzzling to some, this was a rare opportunity to study a recognized master in the field of the abstract.

The morning was brought to a restful conclusion with a visit to the beautiful, Art and Crafts, over Naumberg road, where Mrs. Macaulay of the Staff welcomed us to the Museum, and invited us, and our friends, to the opening of the opportunity of using the Museum whenever possible. It is maintained, not only for the students and faculty of Harvard University, but also for the general public.

The next meeting of the Study Group will be held at the Winchester Library at 10 a. m. on Friday, March 10, under the chairmanship of Mrs. Langley Keyes. Oriental Art, with particular emphasis on the current outdoor exhibition of Persian Art at the Boston Museum of Fine Arts will be the subject.

Attention is called also to the exhibition currently being held at the Worcester Art Museum, continuing until April 2. Recent works of art by resident artists are displayed. They include abstractions, landscapes, seascapes, portraits, still-life, and still-life figures. Sculpture, pottery, textiles, furniture, jewelry and other types of work are included.

OXFORD SCHOLARSHIP WINNER

Miss Elizabeth B. Fenno, daughter of Mr. Richard F. Fenno of 75 Church street, has been chosen to receive the scholarship going to a Wheaton student for study at Oxford University in England during the coming summer.

Miss Penno, a graduate of Winchester High School, is a junior at Wheaton and a member of the Phi Kappa Phi Honor Society. She is also a member of the college paper.

JESSE GOULD

Jesse Gould, who made his home with his sister, Mrs. Fred Bacon, at 24 Central street, died Wednesday, March 1, at the Winchester Hospital, following a brief illness. He had lived in Winchester for the past 25 years, having previously resided in Cambridge.

Mr. Gould was born 67 years ago in Chelsea. He came from a family prominent in Chelsea, his parents having been in the shoe business. He was the son of John Gould and his wife, Mrs. (Bryden) Gould, and his uncle, James Gould, having been a prominent figure in the shoe business in Chelsea.

Mr. Gould was educated in the Chelsea schools and as a young man worked for his father in the shoe business. At an early time in his life he was associated with the firm of Jesse Gould & Son in Chelsea, founded by his grandfather, and one of the oldest insurance firms in New England. He was widely known in Chelsea and prominent in Masonic circles there, before coming to Winchester in 1925, to establish his own business in Woodlawn Cemetery.

Besides his sister, Mr. Gould leaves four nieces, Mrs. William Wood of Winchester, Mrs. Henry Wood of Winchester, Mrs. Parker of White Plains, N. Y., and Mrs. Elizabeth Powell of West Englewood, N. J.

Funeral services will be held Saturday afternoon at Woodlawn Chapel in Everett at 1 o'clock. Interment will be in the family lot in Woodlawn Cemetery.

MRS. WILHELMINA GRASSICK MATHER

Mrs. Wilhelmina Grassick Mather, widow of Andrew Mather and a former resident of Winchester, died early Wednesday morning, following an illness of two weeks with pneumonia. She had been living in a home on Pleasant street in Somerville.

Mrs. Mather was born in England, trained there to be a nurse and a nursing school in England. She came to this country with her husband, Andrew, lived for a time on Eaton street, her husband being a printer and then located in Boston.

After her husband's death, in 1918, Mrs. Mather lived on Church and around Winchester she was for a time nurse at Camp Wyandake, a time nurse at Camp Wyandake, a time nurse at Camp Wyandake, a time nurse at Camp Wyandake.

Patrick J. Martin of 169 Playstead road, Medford, well known riding master and former resident of Winchester, died at the Newton Sanitarium, following a brief illness. He was 72 years old, the son of John and Bridget (Kenney) Martin. He was for many years a horseman, running a stable on the edge of the city. He had a stable and riding school at 250 Playstead road in Medford for the past 20 years. He was a member of the Holy Name Society of St. Raphael's Parish in Medford.

WINTER WEATHER

Winchester experienced typical winter weather during the past week, snow, sleet, rain and cold being well interspersed.

The sleet and snow of Thursday was followed by fair and milder weather Friday, notwithstanding the "Man's" prediction of snow. Saturday was fair with low temperatures, and the glass being in the 20's as it also was on Sunday. Monday opened at three below, the glass not rising above eight above all day, and Tuesday morning, Wednesday opened fair with the glass rising till it hit the low 40's during the middle of the day, and light snow and sleet mixed with rain, lasted till sundown. Yesterday opened fair and cold with the glass at 15.

MISSION UNION LENTEN STUDY GROUP

The second meeting of the Mission Union Lenten Study Group of the First Congregational Church will be held on Wednesday, March 8 at the home of Mrs. Frank E. Gumbly, 12 Manchester road. Coffee will be served from 9:45 until 10:15, the opening of the study hour, which will be led by Mrs. Clarence R. Wicker. In the development of the general study topic, Japan, she will sketch the history of the Japanese people, speaking on "How Japan Came to This Way." All members of the church are cordially invited to the meeting.

Theo Whitnough, who is a sophomore at Radcliffe College, was one of the six girls chosen to represent Radcliffe in the Varsity A. Play Day held on February 18, the girls remaining the weekend at Vassar. Last week she was chosen to represent Radcliffe in the Varsity A. Play Day and next week she will go to Pembroke to play on the Radcliffe Basketball team.

STILL WANTS TOWN MANAGER

Editor of the Star: The Town Reports and the Warrent for the Annual Town Meeting are now in the hands of the citizens. It is appropriate for those who are interested in the town to have certain controversial articles to make our proposals open to public discussion.

By unanimous vote of the last town meeting (adjourned session, March 24), a committee was voted to investigate the Town Manager Plan or other reorganization of the town. For the record, I was the only town meeting member to speak for the motion along with the original motion.

The committee did not organize until June 24, a loss of three valuable months, and we find in their interim report that the claim not to have had sufficient time to complete their study. A point that will be enlarged on later.

By unanimous vote in town meetings and in a general way of town government activity through the past ten years it appeared that the Town Manager Plan was an efficient administration to the benefit of the taxpayers, without the loss of the invaluable service rendered by the outstanding citizens over the years.

It was to that end that I filed a petition in the General Court, for legislative action to enable voters to decide on a plan of Town Management. This is House Bill No. 2076. It is the Sausage plan and it is the Sausage plan and it is the Sausage plan.

After filing the bill on the final day for petitions, I requested a meeting with the Town Manager Committee. On December 9th, we discussed the Manager Plan, the present government and the problem of bringing a fair appraisal of the subject to town meeting. I explained how the bill as filed could be changed in any manner or form that would be acceptable to the town.

Before passage by the legislature, it was my opinion that the report, now part of the Town Reports, could have been made public at that time, and a public meeting should have been held in January, to keep the citizens informed of the progress and facts concerning reorganization. This points out a weakness in our present system, but this is not the subject of this article.

Again on January 19th in a letter in the Star, I asked that a public meeting be held. To this request, now part of the Town Reports, I received a letter from the committee stating that they were unable to press my views, but this time in writing, which I did, enclosing a tentative draft of House Bill No. 2076, which had been formulated since our last meeting. I received a letter from the committee stating that they were unable to press my views, but this time in writing, which I did, enclosing a tentative draft of House Bill No. 2076, which had been formulated since our last meeting.

Briefly this draft is as follows: Five Selectmen elected for two year term.

Eighteen members appoint Library Trustees, Board of Appeals, Registrars of Voters, Election Officers and the Manager for a term of five years, renewable by the voters. The Manager appoints all other boards, commissions, officers, and employees, subject to Civil Service where applicable.

Provision is made to keep the Town Collector and Treasurer separate individuals, in line with town vote.

Town election will be on the Third Monday in January, and the Town Meeting on the Third Monday of March.

This bill can become operative in 1951 if accepted by a majority vote, at a special election held for that purpose.

There are seven articles in the warrant that would change in whole or in part, some section of the present government. They are Articles 28 - 29 - 32 - 36 inclusive.

Under Article 29 and House Bill No. 2076 all of the desired changes may be had if the town should so desire.

Abolition of the Recreation Committee as requested by the Park department would be accomplished by the manager plan.

Change in the time of election and town meeting is provided above.

The manager plan will give the town modern business administration and long range planning under the supervision and direction of a trained professional business manager.

Policy is still determined by the elected selectmen and school committee. In the development of the general study topic, Japan, she will sketch the history of the Japanese people, speaking on "How Japan Came to This Way." All members of the church are cordially invited to the meeting.

There is no cause for any town officer or employee who is performing his service to the town, to fear that the manager plan would endanger the security of his continued employment. Seniority and seniority rights would continue unchanged.

Boards and Officers would continue to have statutory powers and duties subject to the direction and supervision of the manager.

COMMUNICATIONS

The present system of appointment of finance committee has not been discussed in the Star. It is my hope that this suggested plan of Town Management will cause other interested citizens to express their views on the entire subject.

Thank you very much, Sincerely, Arthur J. Hewis, Jr., 91 Swanton street

FROM THE PARKHURST SCHOOL COMMITTEE

Editor of the Star: In political advertisements appearing in your paper a candidate for school committee has drawn certain comparisons between the Parkhurst School and schools in certain other towns.

As members of the building committee who were responsible for the construction of the Parkhurst School we feel we must defend our school against such irresponsible and ill-founded criticism.

The town will recall that this job was advertised for bid, had a long list of bidders, and the low bid was accepted.

We believe any attempt to compare school building costs on a "cost per classroom basis," is fallacious. For example, the eight room school the candidate mentioned in Reading at a per classroom cost of \$26,500 obviously carries a lower per room cost than the Parkhurst School with seven classrooms. This is simply because the more rooms you add to necessary building costs, the more the total cost.

In the same vein, it is very possible to add classrooms to an existing building such as was done in the Hardy School in Arlington at a low classroom cost.

Our criticism of this Hardy School addition in Arlington, but neglected to include the fact that the school in the same town was a somewhat comparable with the Parkhurst School. The reason for the omission was obvious, for the cost of the Parkhurst School was \$57,087. This is a per classroom cost of \$19,029 against a \$40,000 room cost computed by the candidate.

As a Committee our first task consisted of selecting an architect and submitting preliminary plans to the town. The cost of the proposed construction. This we did and the Town approved the preliminary plans. The sum required for the proposed construction of the Parkhurst School was \$57,087.

Our second task consisted of selecting a contractor by competitive bidding and assuring the town that the addition is constructed according to the plans approved.

We do not intend to take issue with the cost figures quoted by the candidate or the method used in determining the cost per room for the buildings referred to. But in fairness to the voters we feel that the candidate should furnish additional information so that we may all have a clear picture and the complete facts.

Of the cost of construction were the ten buildings for which the costs were presented? Our observation is that they were not of fire proof construction, but of fire proof walls, which the candidate says he will work for in future school expansion if elected, but were of fire proof construction.

One building is of a type of construction that the voters of Winchester would not tolerate. The cost of the building is \$100,000. Contrary to the inference made by the candidate three weeks ago, the second floor of the building is not of fire proof construction. The planking used in the roof over the steel trusses comprises the only non-fire safe construction.

What class room does these ten buildings have? What is the type of heating plant used? How adequate is the type of toilet facilities are used? These and many more facts must be given in order to compute an accurate cost of a building.

The Superintendent of our schools requests and shows why he feels we should have large size classrooms. In the addition to the Parkhurst School we complied with this request as best we could. It was also necessary for us to remove the old boiler and replace it with a new modern boiler adequate for the new building as well as the new. We also found it necessary to furnish additional heating to adjust the deficiency that existed.

If one will study the facts as given in the Star two weeks ago he will find that the facts are not presented. It is impossible to compare buildings of different types of construction and varying sizes. Neither is it fair to compare an addition school with a new school to new construction. It is not fair to the architect involved, the contractor, or the town.

Comparison cannot be made by omitting the area or the volume of the building, the room, the principal's office, teacher's room, etc. Cost alone can not be the primary factor in the construction of a school. There are too many important factors necessary to good teaching that must be recognized.

The committee feels that it has provided Winchester with a fine building. We thank the Board of Education for the opportunity of difficult contour without crowding upon the already limited playground area. It is evident that Winchester cannot have obtained this Mystic School at this time at less cost.

The Committee consists of: Marion N. Chandler, Earle F. Littleton, Rowland V. Patrick, John A. Volpe, chairman

PARKING NOTICE

Parallel parking is still required on the street from Thompson street to the Parkway. There has been no change in this regulation as ample parking spaces have been found out. Inclement weather has made it impossible to repaint the parking lines on the street, which could confuse visitors from out-of-town. According to the police, however, civil violators of the parallel parking order are residents of Winchester, who should know better.

WOMEN'S REPUBLICAN CLUB BOARD MEETING

The executive board of the Women's Republican Club met at the home of the president, Mrs. J. Stanley Barnes, on Wednesday morning, March 1st. Final decisions were reached in regard to the Town Manager Plan, the nomination of Mrs. Harris S. Richardson on March 11th. Mrs. Barnes was authorized to engage Mr. George P. Springer, a Harvard student, to play the accordion during the reception.

A committee was appointed to make arrangements for the Annual Luncheon to be held on April 12th at the Epiphany Parish Hall; April 10th was set as the deadline for reservation. Mr. Theodore M. Brownie will head the committee with Mrs. Albert M. Thompson, Mrs. George W. Cary, and Mrs. Charles W. Blumhardt to assist her.

Final arrangements were made for the March 15th current events lecture to be held at the home of Philip J. Woodward, 13 Sheffield road.

A letter from Mrs. Raymond W. Wheeler, Vice-chairman of the Republican State Committee, inviting members of the Women's Republican Clubs to the Second Annual Two-Day Conference of the State Federation of Women's Republican Organizations of Massachusetts, was read. A very interesting program has been planned for both days of the conference, March 15 and 16. Mrs. Theodore Elliot will be the Club's representative but all women are most cordially invited.

The board accepted with regret the resignation of Mrs. Fred W. Aseltine, chairman of the nominating committee. Mrs. Theodore M. Brownie was appointed to fill the vacancy on the nominating committee.

TOWN MANAGER PLAN

The League of Women Voters held the 2nd of 4 meetings on the Town Manager Plan, the pros and cons of which Winchester is now considering, in the Art Gallery of the Library on Friday, February 24th, at 10:15 a. m. Since Propositional Representation is often thought of in connection with the Town Manager Plan - for example, Sausage has both the Town Manager Plan and PR Plan.

William Minot V. who was instrumental in getting PR for Cambridge, spoke to the League on this subject. She gave an excellent and most illuminating explanation of this complicated subject and pointed out that its advantage is that PR gives a more accurate representation of the voters of a town or city in the affairs of that town or city. She felt that PR might be the best thing in Winchester under its present active system.

Because the committee appointed to study the Town Manager Plan is reporting at Town Meeting and the subject matter may be offered for study, the postponement of this group will be postponed until after Town Meeting.

Winchester Knights of Columbus won two out of three matches from Revere College in their tournament here last Friday evening, taking boxing and chess, but lost 15-7. The visitors were the best 45's group seen by the local Knights this season. Winchester goes to Chelsea for matches tonight.

As you will note this method of computation gives you a total of 13 classrooms and using the proper building cost, the total cost of \$905,407, is shown in the town report, the per room cost is \$23,400. There is no sure way of comparing costs of different schools. It is, however, interesting to note that the cost per cubic foot is the best rule of thumb for roughly comparing comparable buildings. Based upon other schools and a per cubic foot content, the Parkhurst School costs approximately \$69 per cubic foot. We have checked the cost of the building in the Parkhurst School and find that it is comparable with schools built in 1917 and 1918 and can say that in every case our cost per cubic foot was four times that of the other schools.

In one of his political advertisements the candidate has gone so far as to imply that the type of construction in the Parkhurst School has exposed our children to a fire hazard. Has he seen the Parkhurst School? With every classroom on a fireproof grade, it is certainly irresponsible to imply that there is any hazard to the safety of the children.

We firmly believe that in the Parkhurst School the town has a building of which it may well be proud, affording excellent although not extravagant accommodations, and that the building is constructed at extremely low costs. We are prepared to defend its cost on any fair basis of comparison.

Daniel F. Barnard, Alvin M. Littlefield, Emily Marks, William J. Speers, Jr., Parkhurst School Building Committee

BROWNIES' SCRAPBOOKS APPRECIATED

The Children's Medical Center Boston, February 10, 1950

Mrs. H. S. Mullen, Brownie Troop No. 25, 8 Park road, Winchester, Massachusetts

Dear Mrs. Mullen: On behalf of The Children's Hospital, I thank you for the Brownie Troop 25 for the very nice scrap books which the girls made. Would you please tell them how greatly the little patients appreciated them.

With renewed thanks, I am Yours very sincerely, Joanne D. Sever (Mrs. James Warren Sever) Director

Public Relations Department, Note: Mr. S. H. Griffin assisted Mrs. Mullen in this work.

ADELE HOOS LEE AT UNITARIAN CHURCH

Tuesday evening, March 14th at 8:00 p. m. Unitarian Church, Metcalf Hall, Mrs. Adele Hoos Lee will give Winchesterites a great deal of pleasure in her review of several plays. Long a favorite with Winchester people Mrs. Lee promises a very entertaining evening. Tickets .50c. Everybody welcome.

TESTIMONIAL DINNER FOR SENATOR AND MRS. HARRIS S. RICHARDSON

The Women's Republican Club of Winchester will honor Senator and Mrs. Harris S. Richardson at a testimonial dinner to be held at the First Congregational Church on Saturday, March 11th. A reception is to be held at 7:00 o'clock. Guests from a number of different states have accepted invitations to attend the dinner. The dinner will be held at 7:00 o'clock. Guests from a number of different states have accepted invitations to attend the dinner. The dinner will be held at 7:00 o'clock. Guests from a number of different states have accepted invitations to attend the dinner.

The president, Mrs. J. Stanley Barnes, will preside and Mr. William J. Speers, Jr., will be the master of ceremonies. Mr. George P. Springer, a Harvard student, will play the accordion during the reception. Mr. Archibald R. Giroux, of Lexington, Mass., will be the guest speaker.

Mr. Giroux was a member of the Lexington Board of Selectmen from 1935 to 1943 and served as Chairman of the Board from 1938 to 1943. He was also a member of the Middlesex County Commission and was chairman of the Republican State Committee from 1946 to 1947. He was a former president of the Boston Stock Exchange and a veteran of both World Wars.

Mr. Giroux is chairman of the dinner committee, Mrs. Marshall R. Pihl is co-chairman, and Mrs. Kingman P. Cass is in charge of tickets. Other members of the committee are: Mrs. J. Stanley Barnes, Mrs. Alonzo F. Woodside, Mrs. William L. Palmer, Mrs. William W. Goodhue, Mrs. George W. Cary, Mrs. Herbert F. Ross, Mrs. Donald F. Connors, Mrs. Wilbert E. Underwood, Mrs. Howard J. Child, Mrs. Robert B. L. Singer, Mrs. Theodore C. Brownie, Mrs. Theodore Elliot, Mrs. Clarence A. Roberts, Mrs. Willard P. Hudson, Mrs. Albert M. Thompson, Mrs. Herbert F. Woodward, Mrs. J. Woodward, Mrs. Warren C. Whitman, Mrs. E. Oler Price, Mrs. J. Alan White, Mrs. Dunbar L. Shanklin, Mrs. Charles W. Cary, Mrs. Charles W. Cary, Mrs. William E. Ramsdell, Mrs. Samuel Cole, Mrs. Jacob Van Vliet, Mrs. George F. Woodward, Mrs. Everett Gray, Mrs. Charles W. Lovejoy, Mrs. Fred W. Aseltine, Mrs. Don S. Greer, Mrs. Wellington L. Caldwell, and Mrs. Charles E. Crede.

LEFT DAUGHTER HERE

Mrs. Sarah E. Givan, mother of Mrs. Harold M. Givan, of Winslow road, passed away at her home, 148 Ponds House Boulevard, Medford, on Friday evening, February 26. Mrs. Givan had been for years an active worker in the Women's Department of the Congregational Church of Somerville.

Dr. Howard J. Childy, pastor of the First Congregational Church, officiated at the funeral service Wednesday afternoon at the Wilson Chapel on College avenue in Somerville. Interment was in Woodlawn Cemetery, Acton.

WINCHESTER ART ASSOCIATION

The March meeting of the Winchester Art Association will be held Tuesday evening at the Library Art Gallery at 7:45.

Paintings by the Boston Society of Watercolor Painters will be on exhibition, and a member of the Society, William M. Jewell, artist, will speak on "Fifty Years of Watercolor Painting." The address, which will in effect be a history of the Society, will be illustrated with colored slides.

OPENING

Saturday, March 4th for its 23rd Season

THE WHITE SPOT

at The Four Corners - Woburn for Luncheon and Dinner

OPEN 11:30 a. m. to 9 p. m.

Two Winchester students, James H. Maroney and Ralph J. Muehlig, are among 75 February graduates at Dartmouth College. A grad-

uate of Admiral Farragut Academy, Maroney majored in mathematics. He played freshman football and is a member of Phi Sigma Kappa fraternity. Muehlig pre-

pared for college at Winchester High School. He majored in government and also played freshman football. He is a member of Phi Sigma Kappa.

WHAT TRUMAN HAS GIVEN US

At a time when most Americans are busy making out their income tax returns, the scope of the present tax problem looms large in the public eye. People realize, or if they don't they ought to realize, that they are paying the highest peacetime taxes in all history. Yet the Truman administration, which is responsible for the present heavy tax load, would pile on more taxes if this were possible.

But what is harder for people to realize is that the taxes they pay directly to the tax collector are only part of what the government takes out of their income. For a large part of this take doesn't meet the eye. It is in the form of hidden taxes on the necessities of life and is included in the prices we pay for these commodities.

That fact would seem to justify Senator Margaret Chase Smith of Maine in centering her address at the Lincoln Day dinner at Portland on the question: What has the Democratic administration given the American people? and then focussing attention on the one item, taxes.

Mrs. Smith then cited some examples of hidden taxes which ought to bring home to the people exactly what the process of federal appropriation of their living income really means. Here are some of these examples:

Were it not for hidden taxes, a quart of milk for which you pay 21 cents could be bought for 14 cents, because now you pay 7 cents in hidden taxes.

A 4-cent can of baby powder

could be bought for 29 cents. A \$2,100 car could be bought for \$1,400.

A \$10,000 house could be bought for \$7,000.

A 15-cent loaf of bread for 10 cents; a 25-cent gallon of gas for 14 cents; and a 50-cent movie ticket for 30 cents.

This list might be lengthened out ad infinitum. But these examples are enough to show the steady stream of dollars that are flowing daily out of your pocket into the federal coffers in everything you buy. When this stream is added to what you pay in direct taxes, the total toll is almost 30 cents on every dollar you earn. Think about that, will you. How long do you want this to go on?

Manchester (N. H.) Morning Union

METCALF APPOINTED VICE-PRESIDENT

Robert K. Metcalf, son of Mr. and Mrs. Robert B. Metcalf of Wildwood street, was appointed a Vice-President of Connecticut General Life Insurance Company, of Hartford, Conn., at the annual meeting of the Board of Directors held this week. Mr. Metcalf is a graduate of Winchester High School and Amherst College, 1921. He joined Connecticut General that same year. He was appointed Manager of the claim department in 1925, Secretary of the Accident and Claim departments in 1943, and Secretary of the Company in 1946. He has been active in the International Claim Association and served as President in 1935 and 1936, and on the Executive Committee for ten years. Mr. Metcalf has been active in the American Red Cross and has served as Chairman of the Hartford Chapter.

THE DEMOCRATS AND THEIR 'PRIZE DINNER'

Democratic leaders are crowing over the size and financial success of their Jefferson-Jackson Day dinner at Washington. Admission was granted to anyone who contributed \$100 to the party coffers, and receipts for the dinner totaled \$530,000. This gives a paid attendance of 5,300 persons. Quite an affair indeed!

But some of the details of this affair will not be so pleasing to the nostrils of many Americans. First, among these details is the clever ruse by which the Democratic party got out of the federal tax usually levied on events of this kind. The law places a 20 per cent amusement tax on all paid dinners held for fund-raising purposes. The Republicans were required to pay this tax on their one dollar admission tickets to their box luncheon at their Lincoln Day rally.

How did the Democrats dodge this tax on a paid dinner which they declare was the largest ever held under one roof? By a plain act of deception that does no credit to a gathering that included the President of the United States and all the officials of his administration whose business it is to enforce the laws. Tickets, we are told, were not sold but given to all persons who contributed \$100 to the party coffers. Therefore it was not a paid dinner but a gathering of invited guests.

Fine going if you can get away with it, and since the whole law enforcement agency of the government was involved in the deception, no one else's interpretation counts for anything. It doesn't smell very good, however, to the people who have to pay taxes, and who are hounded on every corner to see that they cough up every penny, to see the party in power in the administration that levies and collects those taxes use a ruse to escape paying a legitimate tax itself.

One other fact that will not escape public attention is the glaring discrepancy between this \$100 a plate party gathering that pulled in \$530,000, and the pretensions of a group that poses as the party of the underprivileged. It is obvious that there were no underprivileged at this gathering, but that besides party henchmen, it was an assembly of prosperous business people, not all of whom were motivated by party loyalty, but by a desire to get on the government bandwagon. One of the results of any party being too long in power is that it attracts to itself the privileged classes who want to horn in on control on the principles that if you can't lick 'em you join 'em. Thus a party too long in power evolves inevitably into a party of the privileged classes, thereby helping President Truman's repeated boast at the dinner that the Democratic party is today the party of the common people.

A sidelight on this fact was given the other day in a news report citing the leaders American finance and industry who contributed last year to the Democratic National committee. Here are a few representative names in a long list: Jack and Harry Warner gave \$5,000. Sam Goldwyn and Sam Goldwyn, Jr., \$3,500. Emil Schram of the New York Stock Exchange \$1,000. Robert R. Young of the C and O railroad \$1,000. Sherman Fairchild, a director of Pan American \$5,000. G. M. Giannini of International Business Machines \$5,000. Robert F. Six of Continental Airlines \$5,000. Seton Porter of National Distillers \$2,000. And so the record goes.

This is no list of underprivileged, and one may assume that the \$530,000 collected at the Jefferson-Jackson Day dinner did not come out of any empty pockets. And remember that those who pay the fiddler usually call the tune.

Cub Pack 3 News

(First Congregational Church)

Awards were made at the monthly pack meeting and the flags of the various packs were presented at a flag ceremony. The awards were made to the following boys: BOBBY AT: David Stutevant, Edward Mirak, Eric Peterson, Henry Dietz. WOLF: CUB SCOUT: Robert Needham, Robert Cooper, Sumner Burr, Ned Blackwood, Peter Koenig, Richard Robinson, John Telford, Samuel Orth. WOLF GOLD ARROW: Sumner Burr, David Waller, Anthony Larr, Thomas McGrail, Robert Needham, Danforth Scott. WOLF SILVER ARROW: Daniel Gaynor, Robert Needham, Richard Robinson. BEAR CUB SCOUT: Russell Parkin, George Denton, Michael Flynn. BEAR GOLD ARROW: David Levelette, George Denton. The Court of Honor will meet for the first time on March 7th at 7:30 p. m. in the First Congregational Church to examine the boys who are to be presented for awards and advancement at the next Pack Meeting. All boys who expect to be ready for advancement should come to the Court of Honor.

Cub Pack 12 News

(St. Mary's Church)

The highlight of the Pack meeting for February was held at Knights of Columbus Hall on February 17th was a Minstrel Show put on by the Cub Scouts. The idea gathered no less than 100 people. The Minstrel Show recently held. The Cub Scouts proved good entertainers and the parents and guests enjoyed themselves immensely. Mrs. Daniel Deberry's Den were the performers and did a fine job.

Cub Scout Pack 6

(Catholic Church)

Mr. William Davies, Ski Instructor for Pack 6, had a group of his young skiers at Mt. Peru, N. H., Lodge over the week end of February 18th. The following skiers went along: Den 1—Stevenson Davies, Arthur Wood, Stephen Fisher and Joel Peckham; Den 3—Chris Nichols; Den 5—John Preston and Jack Ghittravini. On Tuesday, February 21st, the Cub Scouts of Pack 3 and Pack 6 were given an educational treat at the First Congregational Church in the form of a talk and movies on fire hazards and fire prevention. The program was given under the direction of Fire Commissioner Michael Kellher of the Boston Fire Department. Fire Chief Franklin Sunborn spoke on safety measures to be used in case of fires. His assistant, Frank Gaudette, operated the movie projector and gave a running account on a reel of former Boston Fires. Two other shorts were shown, one on "How Fires Can Start" and the second one was a comedy with a chimpanzee taking the part of the fireman. Seventy-five boys were present with the following Den Mothers from Pack 3: Mrs. S. Hill, Mrs. A. Hertig, Mrs. Paul Roenay, Mrs. P. R. Levelette and Mrs. A. G. Dietz. Den Mothers from Pack 6 were: Mrs. A. Forward, Mrs. A. Adams, Mrs. N. K. Brown, and Mrs. William Hopkins. The affair had been arranged by the Den Mothers of Pack 6. We

THE KENNETT TRIP

Nine members of the Winchester High School basketball team enjoyed a most pleasant trip to Conway, N. H., the weekend of February 18. The main purpose of the trip was to play Kennett High of Conway in basketball on Saturday night but the boys did have an opportunity to see and enjoy a great deal of that recreational area. A former Winchester High athlete and graduate, George T. Davidson, Jr., is the present headmaster at Kennett High and it is through his kindness that the boys have been able to make this trip the past two years.

Under the supervision of Coaches Bartlett and Knowlton the team left Winchester Saturday morning in private cars. Upon arrival at Conway they were greeted by George Davidson and Coach Karl Seidenstuecker and hustled off to the Conway Cafe for a steak dinner. After dinner the boys drove up to Jackson, N. H., and the Thorn Mountain Ski Area, enjoying a trip up and down the mountain on the Ski Lift. The boys were fortunate enough to be able to see some races being conducted by the ski teams of Tufts, Boston University and Boston College. After viewing all the sights at Thorn Mountain the group travelled to North Conway to see the skiing going on at Cranmore Mountain and there enjoyed the famous Skimobile and the facilities of the Ski Lodge.

The boys were then hustled back to Conway where they and the members of the Kennett High squad enjoyed a delicious chicken à la king supper in the high school cafeteria. After supper the members of the two squads had an opportunity to visit with each other before game time. During the game the Kennett High boys continued to be perfect hosts as the locals pulled out a close 38-31 victory.

After the game an informal

dance was held in the high school gym, for which charming hostesses were provided for the Winchester boys. The boys were then taken to the homes of various members of the Kennett squad for a good night's sleep in the invigorating mountain air. After sleeping late on Sunday morning the boys had breakfast with their hosts and re-assembled about noon for the trip back to Winchester.

The boys were most enthusiastic about the trip and especially the kindness and thoughtfulness of George Davidson in anticipating and caring for their every want and need. George had prepared a complete schedule of activities for every minute that the boys were there and there was never a dull moment. The sportsmanship of the Kennett High team and its fans called for special high praise from the Winchester boys. In spite of the fact that their favorites were losing and that more fouls were called on the Kennett boys than on Winchester, the Conway crowd was generous in their applause for a good play by the Winchester team and not once was an objection raised by the crowd to a ruling by an official against the home team. This was the second trip to Conway for some of the boys and the repeaters were unanimous in voting this year's expedition even more enjoyable than that of last year.

Notes of the Trip

The weather was practically made to order for the trip. Saturday was sunny and warm. A little "white gold" fell on Sunday morning but gradually turned to rain as the boys came south.

Sam Tompkins, Jim Kimball and Mal Smith were local skiers spotted by the boys at Thorn Mountain. Needless to say, they received a big cheer from the boys. "Big Sambo" really looked the part and as far as outfit is concerned, at least, would look right at home in the Swiss Alps.

The former Viola Kennett and her husband were testing the slopes at Cranmore Mountain. They offered to lend their skis to Coaches Bartlett and Knowlton but the latter two gentlemen smartly decided that they are indoor athletes. Viola was formerly secretary at W. H. S. and lived on the Parkway. The Kennett coach is Karl Seidenstuecker who played an end for Dartmouth in 1937. Coaches Bartlett and Knowlton stayed with him on Saturday night and the reports were that very little sleep was obtained because of the length of the basketball and football discussions. It is well that he has a large kitchen in which to properly demonstrate pivot play in basketball and quarterback play in football.

Coach Seidenstuecker has done a great job at Kennett. With an en-

rollment of only 290 students, the school has been selected in each of the past five years for the State Class B Tournament. Their record for this year is thirteen victories and five defeats.

George Davidson is doing a grand job as headmaster at Kennett and is extremely well liked in the town. The boys were tremendously impressed by the amount of praise heard about his work and they can't wait to call for a party by the good Squire!

A former Winchester graduate, Arthur Cutter, is now teaching at Kennett High and was happy to get the latest news of the town from Henry Knowlton.

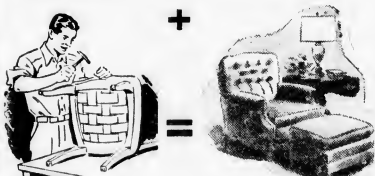

Even Squire George Franklin benefitted from the trip. It seems that Coach Ted Bartlett did not forget the Squire's fondness for a certain brand of cheese obtainable only in New Hampshire. This should call for a party by the good Squire!

CADILLAC SALES & SERVICE PONTIAC

632 Main St.

Winchester, Mass.

TEL. Winchester 6-3133

When Cadillac announces that basic changes have been made in its design, it means the Standard of the World has once again been raised.

And that, of course, is news of the first magnitude.

This year, the number of Cadillac changes is far, far greater than is normally announced.

There is glamorous new beauty. All the bodies have been restyled and redesigned and are simply gorgeous in their line and contour.

The great new Cadillac high-compression engine has undergone refinements which enhance every phase of its performance.

It is smoother; it is quieter; it is more powerful. And it carries you even farther on a gallon of gasoline.

Road balance and handling ease are remarkably improved. Steering is easier; braking is softer; and the car's ability on turns and curves is phenomenal. Almost all the effort has been taken out of driving.

And we feel like saying that the car is longer-lived, for new endurance has been built into certain of its parts. But the full life-span of a Cadillac has never yet been measured—so longer life would be impossible to prove!

Yes—this is a Cadillac "vintage" year—when its engineering and designing and manufacturing have all produced at their superlative best.

Better come in—and see for yourself!

NEWSY PARAGRAPHS

Ernest B. Dade meets all of the requirements necessary to be an excellent assessor.

Political Advertisement
Two little girls were reported selling town reports and warrants in the vicinity of Grove street last Friday. Special Officer Mary McGoff picked up the girls who were getting a dollar apiece for the reports and warrants with two immediate buyers. Their parents were notified and the money was returned to the purchasers.

Call Ed Lynch for prompt removal of rubbish. Winchester 6-2460-W

A three inch pipe of the sewerer system at the Winchester Theatre, located above the stage, burst about 4 o'clock last Friday morning. The alarm bell was heard by Officers William Callahan and Thomas Hannon who notified the Fire Department. The boiler room was well flooded by the time the firemen succeeded in getting in to the building and was pumped out by the Water Department under Superintendent James Halvart.

Some damage was done to the theatre but repairs were quickly made and the theatre was open for shows as usual on Friday.

Real estate assessment of property requires a sound knowledge of real estate values. Ernest B. Dade possesses this knowledge.

LYMAN AND CHEFALO NEW SELECTIONS

Made Wins Assessors' Contest.
Mrs. Woodward and Speers Elected
to School Committee

Harrison Lyman, Jr. and Harry Chefaló were elected Assessors as 1950 assessors. Lyman was elected to the first year and Chefaló to the second year. The town election took place on Monday, Feb. 27, 1950, at the town hall. The voters, despite the fact that there were three contests on the ballot, one of which was for election to the School Committee. Ordinarily a school fight gets out the vote, and it may be that the battle in this contest among William J. Speers, Jr., and Capt. Richard M. Bush, members of the School Committee seeking reelection, and Mrs. Sara Woodward and Harry Chefaló, Jr., new candidates, was responsible for this year's total vote, small as it was, topping that of a year ago, when 447, or less than 50 percent of the list cast ballots.

WILLIAM R. VALENTINE, JR.

TO SPEAK AT FORUM SERVICE

William R. Valentine, Jr., of York, Penna., a student at Boston University School of Theology, will be the speaker at the Forum service at the First Congregational Church Sunday morning at 10:30. Mr. Valentine is a veteran with 10 years' service in the army. For two years he was stationed at Spokane Army Air Field, Spokane, Washington, where he served as Chaplain's Assistant to Rev. Donald R. Farr who is now serving as the Protestant Chaplain on that field. Mr. Valentine is no stranger to the young people, having been present last fall to lead a discussion group.

The chaplain Sunday morning will be John Richmond, assisted by George DeCamp. Officers will be Phil Ives and Dave Snow. The boys receiving the offering will be Peter Coon and Norman MacKeehin. The Forum choir will assist in the service, which has been arranged by the worship committee. Mr. Valentine's topic will be, "How's Your Pronunciation?"

TOIRTELLOTT — MAWDSLEY

Dr. and Mrs. James Warren Sever of 3 Concord avenue, Cambridge, announce the marriage of Mrs. Sever's daughter, Mrs. Carolyn Abbott Mawdsley, to Irving W. Tourtelott of 9 Penn road, Winchester.

The marriage took place Friday evening, March 3rd, at Dr. Sever's apartment with only members of the immediate family present. The ceremony was performed by the Reverend John Leeson of the First Congregational Church, Cambridge.

The former Mrs. Mawdsley of 72 Penn road, attended Skidmore College and the Cambridge School. She later attended the New England Conservatory of Music for three years. Mr. Tourtelott, a civil engineer, is a graduate of Massachusetts Institute of Technology, 1937. He is a member of the firm of Chandler Dry-Back Engineers, Inc. of Cambridge. His parents are Mr. and Mrs. Carl T. Tourtelott of Penn road.

Among those present were Mr. and Mrs. Tourtelott and sons Richard and Carl and Raymond of Winchester. Mr. and Mrs. Charles Currier of Worcester, Mr. and Mrs. Walter Abbott of Winchester, Mr. and Mrs. Capen Abbott of Weston, Mr. and Mrs. Grafton Abbott of Glastonbury, Conn., Mr. and Mrs. William Abbott of Cambridge, Mr. and Mrs. James Warren Sever, Jr. of New York, and Master David Mawdsley of Winchester. Mrs. Tourtelott's son by a previous marriage.

MISS NICHOLS, MR. KEYES ENGAGED

Mr. and Mrs. Malcolm Strong Nichols of Wildwood street announce the engagement of their daughter, Miss Elizabeth Anna Nichols, to John Edward Keyes, son of Mr. and Mrs. Leonard A. Keyes, of Cambridge.

Miss Nichols graduated from Wellesley College in 1944 and received her master's degree from the New York School of Social Work, Columbia University, in 1946. Mr. Keyes, a member of the class of 1942 at Princeton, recently received his M. A. degree at New York University.

An early June wedding is planned.

GEORGE BIGLEY Former Winchester Tailor Died in Brookline

George Bigley, of 11 Carlton street, Brookline, a former Winchester resident, died in Brookline Thursday, March 9, at the age of 74.

A native of Leicester, England, Mr. Bigley came to Winchester in 1902 and for 10 years until his retirement worked in a tailoring business in this town, first located in the City Block, and in more recent years in Waterfield Building. Mr. Bigley was an excellent musician. An army bandman while in England, he had an accomplished character, playing the double bass and clarinet in the old Western Brass Band when that organization was in place in the front rank of bands in the town. During the years he was active musically his services were much in demand in the band and orchestra work throughout Greater Boston and he played with some of the best bands hereabouts. He was a member of the First Baptist Church of Brookline and of the First Baptist Church of Winchester. For many years his home was at 23 Lloyd street. Later, until he left town in 1943, he lived at 22 Myrtle street.

Mr. Bigley leaves his wife, Mrs. Theodora Bigley, a son, George A. Bigley, of Brookline, and a daughter, Mrs. Arthur J. Snow of Stoughton.

Services were held Saturday afternoon, March 4, at the Eastern Union Funeral Home on Beacon street in Boston. Rev. Arthur Snow, pastor of the First Congregational Church of Stoughton and Mr. Bigley's son-in-law, officiated. Cremation took place at the New Town Crematory.

TOWN MEETING, THURSDAY

The first session of Winchester's annual representative town meeting will be held on Thursday evening, March 16, at the town hall, commencing at 7:45.

Although only elected town meeting members can sit in the section reserved for them at the front of the hall, any one can attend the meeting and can speak upon any matter of interest to them. Only town meeting members can vote, or make motions.

This year's warrant contains 12 articles. With the news that the town and Senior High School Building Committee is to ask for an extension of time and report at a special town meeting to be called later, one of the most controversial items on the agenda is the consideration of the current meeting. Parking meters, a fire house for the west side, a proposal to install the same for the government in Winchester, export valuation of town property for assessing purposes, abolition of the Recreation and Conservation Board, enlargement of the Park Board to five members to include two recreation commissioners, the repeal of the by-law that bans fireworks in town, Sunday closing of fireworks stores and certain changes in the dates for the representative town meeting.

It is also a well known fact that the differences of opinion during the consideration of the same article dealing with departmental budgets.

The Finance Committee states in concluding its statement on the warrant that as its report went to press it seemed possible to have the tax rate for the year 1950 maintained at the same rate as the past two years without in any way deviating from the "pay as you go" policy that has been the practice of the town in past years.

MISS RAY, MR. INCHES ENGAGED

Mr. and Mrs. Harold Hopper Blanchard of Calumet road announce the engagement of their daughter, Miss Elizabeth Ann Ray, to Henderson Inches, Jr., son of Mr. Henderson Inches of Chestnut Hill and the late Mr. Inches.

Miss Ray's father was the late Edward Hopper Ray of Norfolk. An alumnus of the Bowdoin and May School and Connecticut College, Miss Ray was a member of the 1945-46 season and that same year was presented to society in Virginia at the Christmas Gorman School as a member of the Junior League and the Vincent Club.

Mr. Inches prepared for college at the Westminster School and was a member of the class of 1944 at Harvard, where his club included the Hasty Pudding Institute of 1770 and the Fly. He is now a student at the Babson Institute of Business Administration. During the war he served for three years with the Air Force in the Pacific area.

A June wedding is planned.

TO WED MARCH TWENTY-FIVE

Wedding invitations are out for the marriage of Miss Brenda Snow Pattison, daughter of Mr. and Mrs. Stanley Brown Pattison of 33 Ledgard road, and Mr. Ray Edward Mauger, Jr., son of Mr. and Mrs. Ray Edward Mauger of Westland avenue. The ceremony will take place on Saturday, March 25, at four o'clock at the Church of the Epiphany and will be followed by a reception in the parish house.

BLOOD DONOR DAY MARCH 15

The third blood donor day, sponsored by the Red Cross and held at the town hall, will be held on Friday, March 15, at 7:30 p.m. The purpose of this day is to encourage the public to donate blood to the Red Cross.

Prof. Howard R. Bartlett, of the English department at M. I. T., was elected to the School Committee in March of 1948 and is currently serving his third year on the Board. He is married, makes his home at 15 Herick street, and has children in the Winchester schools. He succeeds William J. Speers, Jr., who was elected to the Committee for a second three-year term on Monday, Feb. 27, 1950. Other members of the Committee are Mrs. Sara Woodward, new member; Mrs. Marion Chandler, Charles E. Jellison and Daniel T. Chane, Jr.

The young woman returned the letter, wordless.

"I can also show you a letter we received from someone you may know — someone who was on the receiving end of a good many pints of Red Cross blood." The volunteer handed her another letter.

"It takes a long time to receive two pints of whole blood — about three hours. And as you lie there and watch it, drop by drop, it's impossible not to think of those who gave it . . . as you feel strength slowly coming back into your body, there comes a great desire to know the person who gave the blood so you can do something for him in return."

"Then you realize that the donor who gave you blood is not a great, thankless, comes into your heart at this tangible evidence of man's humanity to man; that you can give to someone who needs to give without thought of return to give that which cannot be bought, which only they can give, in order that someone somewhere, may be helped."

"The young woman stood in awe, it certainly looks like, to know that she was a part of something helped by Red Cross blood. I didn't fully realize, but I'll be down to the Mobile Unit at the First Congregational Church on Wednesday, March 15. I'll get a few friends in on it, too."

LIFE HAS WINCHESTER STORY

Winchester people will turn to page 121 of the March 15 issue of LIFE for the beginning of a story of stories, the graphic account of the behind-the-scenes drama of this year's Junior-Senior play. "Mother Is a Treacherous Mother" is the title of the play, reported in these columns a couple of weeks ago.

In choosing Winchester as the setting for a story of this sort, LIFE paid tribute to Dramatics Coach Tom Morse of the high school staff, to the youngsters who were in the play, to Winchester High School, and to the Town. Of free space, LIFE has chosen for this story — about 75 lines of text — which only 30 were used.

COM. LARSON CHOSEN FOR DEFENSE COURSE

Commander Carlton L. Larson, USN(R), of Latham Lane, commanding officer of the Organized Ship Repair Division 1-1 of Boston, is taking two weeks active duty in the Naval Air Station, Chemical Center, Edgewood, Md., and is attending the Chemical Warfare School there in the course of Radiological Defense training for Reserve officers.

With the advent of atomic warfare, it is necessary to indoctrinate members of the Armed Forces in the principles of radiological defense. This means controlling damage from radioactivity, whether the source be an atomic bomb or explosion, an atomic pile, or from any of the many other sources of this hazard. Officers of all services are adapted to general requirements through the advice of Army and Air Force liaison officers attached to the staff.

This is another example of the inter-service cooperation within the Defense Department.

NEW CHAIRMAN OF SCHOOL COMMITTEE

At an organization meeting held Wednesday evening the School Committee elected Prof. Howard R. Bartlett chairman for the ensuing year.

Professor of English at M. I. T., Prof. Bartlett was elected to the School Committee in March of 1948 and is currently serving his third year on the Board. He is married, makes his home at 15 Herick street, and has children in the Winchester schools. He succeeds William J. Speers, Jr., who was elected to the Committee for a second three-year term on Monday, Feb. 27, 1950. Other members of the Committee are Mrs. Sara Woodward, new member; Mrs. Marion Chandler, Charles E. Jellison and Daniel T. Chane, Jr.

MRS. HELEN VAUGHAN

Mrs. Helen Vaughan, wife of Roger Vaughan of 39 Bevere street, Boston, a former resident of Winchester and daughter of Mr. and Mrs. Charles H. Corey (Carroll) Stevenson of Governor's avenue, died yesterday Friday, March 3, at St. Elizabeth's Hospital in Brighton, following an illness of only a few days. She was 77 years old.

Mrs. Vaughan was born in New York City. She was educated in the New York Schools and at the Katharine Gibbs Secretarial School in Boston. For more than 20 years she lived in town previous to her marriage January 18, 1926. Since that time she had been living in Boston.

Besides her parents and husband, Mrs. Vaughan leaves a son, Roger Vaughan, Jr., of Boston, and a daughter, Katherine Gibbs Stevenson of Winchester. Funeral services were held on Monday afternoon at the Bennett Street Church in Boston.

Funeral services were held on Monday afternoon at the Bennett Street Church in Boston. Burial was in Elmwood Cemetery, Needham, N. H.

WALTON DIRECTOR

Paul W. Walton of Foxway is director of the Massachusetts Restaurant Association which will demonstrate a model restaurant in actual operation at the next meeting of the Association scheduled for Tuesday evening, March 14, at the monthly Quince Hall in the New York Hotel in Boston.

The program starts at 8:00 a.m. with a tour of the new dining facilities for the John Hancock Company where about 100 meals are served daily. A chicken dinner will be served at 12:30 p.m. and the two-hour show, "Restaurant Idea Round Up" is scheduled for 7:45. A complete cast and crew of 600 will be on hand for the new motion picture, "The Restaurant Idea Round Up" will be shown. The material used will be shown. The material used will be shown. The material used will be shown.

Miss Dove is a graduate of the Framingham High School, and took her Bachelor of Science degree in Chemistry in 1944 at the University of Massachusetts at Amherst. She is currently working as a chemist in the laboratory of the Winchester Hospital after five years of experience in the laboratory of the United States Hospital in Taunton, St. Luke's Hospital in New Bedford, and the Greenwich Hospital, Greenwich, Conn. Her family home is in Merrimack, Massachusetts.

MISS HALL, MR. BAXTER TO WED

Mr. and Mrs. Harold A. Hall of Washington street announce the engagement of their daughter, Miss Helen Baxter, to Mr. Robert Baxter, son of Dr. and Mrs. Robert Baxter of Hyannis.

Miss Hall is a graduate of the University of Winchester and Mr. Baxter is attending Tufts College.

COMING EVENTS

March 11, 7:30 p.m. — Winchester Women's Service Club, 100 Main street, will give a benefit concert at the town hall. The program will include a variety of musical numbers and a play.

March 12, 10:30 a.m. — Winchester School of Music, 100 Main street, will give a concert. The program will include a variety of musical numbers.

DEPAIR SINGERS BENEFIT WOMEN'S SERVICE CLUB

The Women's Service Club is benefiting from the concert to be given in Symphony Hall, Boston, on Sunday, April 2, by the DePaul's Infantry Chorus, that outstanding group of colored singers who so thrilled patrons of the Community Center series at the high school auditorium last fall. Many who heard them then will welcome this new opportunity to listen to their outstanding performance.

Mrs. Harold M. Boardley of 17 Chase street is the Winchester charge of tickets and arrangements. The concert will be held at 8:00 p.m. and the proceeds from ticket sales previous to March 21 go to the Women's Service Club, located at 104 Massachusetts avenue, Boston.

This club, primarily concerned with the welfare of colored young people, was organized during World War I to work in and of the soldiers. Its members were active in the same way during World War II and since summer 1947 worthy young people have been accepted into the club.

A special meeting of the club will be held on Saturday evening, March 11th, at the town hall. The program will include a variety of musical numbers and a play.

WOMEN'S REPUBLICAN CLUB

A special meeting of the Winchester Women's Republican Club will be held on Saturday evening, March 11th, at the town hall. The program will include a variety of musical numbers and a play.

The program starts at 8:00 a.m. with a tour of the new dining facilities for the John Hancock Company where about 100 meals are served daily. A chicken dinner will be served at 12:30 p.m. and the two-hour show, "Restaurant Idea Round Up" is scheduled for 7:45. Winchester Boy Scout News

Winchester Scouts Operate The Town

According to all reports the scouts of Winchester did a very capable job last Monday, February 27, in taking over the Town functions after school. There are several fine photos mounted on easels at the Winchester Public Library which we urge all townspeople to view. The boys put a good lesson in Town government and it is hoped that the program will be duplicated next year. Photos may be obtained for 25c each at Scout Headquarters.

Club Park 6 News (Unitarian Church)

Last Monday evening the Club of Don 2 visited Tufts College and Professor William Ransom of the Mathematics Department took them up to the Observatory to see the stars. Those who went were Reggie Bradley, Don Lewis, Gerry Patrick, Richard Sears, Richard Niles, David Hopkins, and David Littlejohn. After seeing the moon, Saturn and The Seven Sisters the group toured the Campus and saw the snow sculpturing. On Friday evening the same Don saw the Tufts Freshmen defeat Monson Academy in Basketball at the Tufts Gym. They remained to see part of theVarsity game against City College. Both trips were conducted by Mr. Sears the Don Dad.

ATTENDED LEAGUE OF WOMEN VOTERS CONFERENCE

Among the representatives of the many suburban Leagues attending the State League's all-day Spring Conference at its headquarters, 3 day street, Boston, on Tuesday, March 7, were the president of the Winchester League, Mrs. Harold A. Hall, and her resource chairman, Mrs. Richard Wyman, Mrs. Waldo V. Lyon, Mrs. Charles E. Watson, Mrs. Robert A. Drake and Mrs. William E. Spaulding. After the meetings of the different chairmen, Mrs. Edwin B. Newman, co-chairman of the State's Legislative Committee, reported on the legislation the League is supporting. Mrs. Alan Morse, president of the State League, presided while Mrs. Moses Lurie, chairman of the State League's Economic Policies Committee, presented for discussion the proposed State program for 1950.

THE GREATEST TRIAL IN HISTORY

This Sunday morning at the 10:45 A. M. service, the pastor of the Crawford Memorial Methodist Church, Rev. John Snook, Jr. will bring a request sermon on the subject of events which took place in the trials and death of Jesus. Beginning with the records of Jesus taken as prisoner, his recollections taken before the Sanhedrin and moving to the civic trials before the Roman government, the pastor will climax the message in referring to one of the greatest questions ever debated in history, as uttered by Pilate, the Roman governor, namely "What has Jesus to do with Jesus who is called the Christ?"

WINCHESTER HOME AND GARDEN CLUB

The next meeting of the Winchester Home and Garden Club will be held on Wednesday, March 15, 8:30 a.m. at the home of Mrs. Burton J. Gove, with Mrs. James M. Whitford of Monrovia as chairman in "Planning for a Constant Bloom". They will be served.

One of our most talented members, Mrs. Samuel K. Fitch, is chairman of the 23rd year Show Garden Club Committee on arranging exhibits. She will have an arrangement in the Invitation Class on Sunday and Monday, March 12 and 13. Mrs. Norman Mitchell has also been invited to exhibit in the Invitation Class.

This is an early notice to members asking them to order and save "White Elephants" for our sale May 21 to raise money for Garden Hospital Service, Conservation and other Club projects.

MRS. OSCAR A. AHLGREN VICE PRESIDENT OF GENERAL FEDERATION OF WOMEN'S CLUBS

Will Be The Honor Guest of The Fortnightly on March 13th

Mrs. Harold H. Given, President of The Fortnightly will introduce to the members the 2nd Vice President of The General Federation of Women's Clubs as the Guest of Honor on March 13th and no member should miss this meeting, since Mrs. Ahlgren is a candidate for 1st Vice President of The General Federation, election to be held this year in Boston.

Mrs. Ahlgren is a member of the National Federation of Press Women, the League of American Penwomen and the Indiana Women's Press Club. She is a popular speaker for she expresses herself well and is gifted with a pleasing voice. Her unusual ability to get along with all groups of people, plus much personal charm, make her an asset to any program.

She is Vice President of the Hoosier Art Patrons' Association, member of P. E. O. Sisterhood O. E. S. P. T. A., American Legion Auxiliary, League of Women Voters, Business and Prof. Women, Indiana Civic League, Alpha Delta Psi, Phi Beta and Beta Gamma Upsilon societies.

Her interests are especially citizenship and community affairs. Members do not miss this meeting.

LIBRARY NEWS

Students' Room

On the exhibit table in the Students' Room this week you will find "Stories Told in the First Person."

A few of the novels in this collection are: Farewell Miss Julie Logan by Barrie, Jane Eyre by Bronte, My Mother Enemy by Cather, David Copperfield by Dickens, Green Mansions by Hudson, and Arcturion by Roberts and many others. A book written in the first person is particularly readable and in this group you will find much worthwhile reading.

Program for Friday evening Family Night, March 10 at 7:30 p.m. and Saturday morning (for the children) at 10:15 a.m.: Animals in Modern Life. Flight to Paris. Golden Touch (story of Pinocchio).

Adult Department 10 a.m. to 9 p.m. Saturdays 10 a.m. to 6 p.m. Boys' and Girls' Library 10 a.m. to noon, 1 p.m. to 6 p.m. Tel. Winchester 6-1106

"WE ARE TOMORROW"

"We Are Tomorrow", an outstanding new about women's education in America, will be shown at the Library on Tuesday evening, March 28, under the sponsorship of the Winchester-Wellesley Club. Professionally produced by members of the major film company, it shows the ways in which college trained women are contributing to the contemporary scene in all parts of the world. There is no attempt to show college life at Wellesley in its entirety but rather to create a significant picture of the modern woman's career. It should be of interest to all who have had or are hoping to have a connection with a liberal arts college.

"We Are Tomorrow" was originally scheduled to be shown on March 16, but because of Town Meeting on that night, will now be shown on March 28 at 8 p.m.

PARENT-TEACHERS MEETING

At 7:45 p.m. on Monday, March 13, the Parent-Teacher Meeting of the First Baptist Church School will emphasize the parents and friends of the members of the Church School at 7 p.m. There will be a display of many new toys and activities for the school, and the Kindergarten and 1st grade. All parents are urged to attend and discuss with their child's teacher. All are welcome.

Mrs. and Mr. John S. Blane of 321 Highland avenue, has returned to town after spending the winter at the Kriston Inn.

BRADLEY GRANTED PATENT

On February 14, 1950, the United States Patent Office granted patent number 2,497,557 on a "Film Spread" to John J. Bradley, Jr. of Yale street, Winchester.

In the manufacture of paints, varnishes, lacquers and the like, it is common practice to test such materials for various characteristics such as fastness to light, weather resistance, particle size of the color pigment, etc. For this purpose, it is customary to make up test panels coated with the films of the composition to be investigated. Not only is it essential that these films be uniform in thickness within exceedingly close tolerance limits, but otherwise the results or findings obtained therefrom will not be accurate.

According to Mr. Bradley, the ordinary procedures for applying paint, lacquer and varnish are entirely inadequate for the testing purposes. For example, films formed with a brush will vary greatly in thickness over their area, depending upon the skill of the operator; and the same situation holds true in the case of spraying, roll coating and other methods of application. Moreover, it is practically impossible even for a skilled workman to lay films at different thicknesses in the same thickness even if the paints are identical in makeup.

It is therefore the object of his invention to present a solution to this problem, and thus he has devised a contrivance comprising fundamentally a rectangular block secured at each of its ends to a supporting leg. It should be noted that the bottom surfaces of these supporting legs are somewhat below the base of the block, and to complete the assembly, the latter member is provided with a vertically adjustable blade.

In use, a shim corresponding to the desired film thickness, is positioned under and in uniform contact with the bottom surface of the blade. After being lightened in speed which the shim is the act of freely moving or drawing the device will transform the material into a uniform layer that is equal in thickness to the shim. The act of the blade or, in other words, to the thickness of the shim.

This patent has been assigned to the Bradley Varnish Company, Everett, Mass.

WINCHESTER COUNTRY CLUB FASHION SHOW

A Fashion Show preceded by a concert and coffee will be held at the Winchester Country Club on Wednesday afternoon, March 15th starting at 1:30. Rita Thornton of Cambridge street, Boston will present her newest collection of spring fashions. These will be modeled by members of the club including Mrs. John L. Lynde, Mrs. Edward Boddy, Mrs. Harold Beebe, Mrs. A. C. Boffin, Mrs. Henry Reeves, Mrs. George Blackwood, Mrs. Edward Rogers and Mrs. Maxwell McCreary. There will be some ten new dresses also which will be shown by Deborah French and Jane Lynch. As an added feature there will be table prizes. The dessert purveyors will be Mrs. Ralph Bonnell and Mrs. Horace Ford. Mrs. Charles Weiner is general chairman of the event with Mrs. James M. Beale and Mrs. Forrest Pitman in charge of tickets. Mrs. John Chapman, Mrs. Mrs. Alvin Lathrop, and Mrs. Harold Meyer, prizes; Mrs. George Farrar, chairman; Mrs. Raymond Holdsworth, hostess; Mrs. Thomas Knight, dessert; and Mrs. Bernard Baker, secretary.

BAPTIST YOUTH FELLOWSHIP

The members of the Baptist Youth Fellowship are meeting at 7:30 p.m. at the church on Sunday evening, March 12th, to read a copy of the new constitution. Snacks will be served and a period of fellowship will follow. All young people are invited.

Mr. and Mrs. John S. Blane of 321 Highland avenue, has returned to town after spending the winter at the Kriston Inn.

WINCHESTER OVER WOBURN AGAIN

Indians Finished Season With 54 - 39 Victory

Winchester High clinched a most successful basketball season by rolling up a decisive 54 - 39 triumph over Woburn High last Friday night. A capacity crowd was on hand to see the Red and Black win their seventeenth game of the season as against only five defeat. The selection committee for the "Teh Tournament" certainly faces a difficult task in justifying the omission of this Winchester team which has won the strongest of opponents and which has averaged three of its early season defeat.

The Red and Black went right to work in the opening minutes of the game as they booted the part of real champions in rolling up a

17 - 4 lead at the end of the first quarter. At the intermission Winchester was leading 27 - 10 as they continued to assert their superiority over the Tanners. The locals continued to function smoothly during the third quarter as they piled up a huge 10 - 19 lead at the end of that period. The final quarter was fought in a close battle, but the victory was wrapped up and was content to coast, permitting Woburn to score more points in the last period than they had tallied in the first three periods.

Chief interest in the game after Winchester had pulled away to win an almost positive lead in the first quarter, centered on the efforts of Walter Murphy to lead the record for a season scoring total by a Winchester player, established last year by Ken Donaghy. Going into the game Murphy needed 15 points to tie Donaghy's record and when the fourth quarter was over he was in a basket only to get his 16th point, the capacity crowd gave him a big ovation. Murphy scored 24 points in 22 games for a per game average of 11.1 points while Donaghy had tallied 241 points in 18 games for a slightly higher per game average of 13.4 points.

The Winchester Seconds made it a clean sweep for the evening by winning a 55 - 18 defeat on the Woburn Seconds. The game was close for a half with Winchester holding a 21 - 12 lead at the intermission but the locals really filled the hoop in the second half. No less than twelve players entered the scoring column for the Winchester Seconds.

onds with John Diferio and freshman John Atkinson leading the scorers with 10 points apiece. The summary:

TOWN BASKETBALL LEAGUE

Final Standing

Team	W	L
Bonelli Motors	17	1
American Legion	12	7
Mercurio Insurance	11	8
Sons of Italy	10	8
Winchester Appliance	9	9
All Stars	3	16
Yanks	2	17

The playoffs in the Town Basketball League will start on Monday night with the first place Bonelli Motors meeting the third place Mercurio Insurance and the second place American Legion playing the fourth place Sons of Italy. These semi-final series will be the last two out of three series with the winners then meeting in a two out of three final series for the league championship. The Bonelli Motors, with an outstanding record of seventeen victories and a sole defeat and the American Legion are expected to win the semi-final series and meet in the finals.

The Mercurio Insurance defeated the Winchester Appliance last Monday night by a score of 32 - 27 to clinch third place and shut the Appliance out of the playoffs. The American Legion, in turn, defeated the Sons of Italy 31 - 21 on Wednesday night to take second place. Paul Roche and Ken Donaghy were puzzling in this game as they collected 21 points apiece.

The All Stars defeated the Yanks in an exciting overtime game on Wednesday night to push the Yanks into the cellar. The Yanks led all the way but Dick Bucci threw in a basket with just three seconds to play to tie the score at 27 - 27 and the game into overtime. Joe Migliore sank the winning basket in the overtime to climax a grand uphill fight by the All Stars.

MARYCLIFF GUILD

On Tuesday evening, March 14th at 8 o'clock at the Arlington Academy, The Marycliff Guild will hold an Emerald Tea followed by a Musical.

Miss Mary Kavanaugh, of Cambridge well known Vocalist will render several selections. Her accompanist will be Miss Margaret Hurley of Arlington.

The chairman will be Mrs. Joseph McKenna of Cambridge. She will

be assisted by Mrs. Edmund Buckley, Mrs. James Cassidy, Mrs. Joseph Nicol, Mrs. William Sullivan and Mrs. Richard Walsh. All members and guests are cordially invited.

HOW TO HANDLE THE "PARKING PROBLEM"

The history of great cities is the history of transportation. If our main streets are so congested that trade becomes difficult... workers have trouble in getting to their jobs on time... the free flow of traffic is impeded by too many cars... then a serious situation presents itself.

If you find that your streets are thus congested — **RIDE THE BUS!** One bus takes the place of more than 25 private cars... and... you'll enjoy freedom from worry about time, traffic, and parking... while doing your community a valuable service.

Eastern Massachusetts
STREET RAILWAY CO.

PARKHURST SCHOOL PLAY

The Fifth Grade at Parkhurst School, having written a play entitled **THE FLY AND THE RESCUE**, presented it at an assembly program on Tuesday, February 25. The play got its name from the fact that the February Fairies, who helped Jim find information for his report by taking him to visit famous people who were born in February.

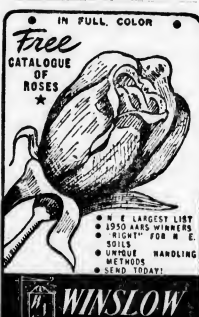

Each member of the Class gained valuable experience in creative writing and profited by working with all other pupils to produce an interesting play. The children learned a great deal about February "heroes" through reading and discussing their lives in order to choose appropriate scenes to enact.

The members of the cast and the characters each portrayed are as follows:
Jim, Ronald Roberts; Nancy, Ruth Ann Leander; The February Fairies, Feb. Jane Bowman, Ary, Jill Shiley; Handel, Norman Parker; Father, David McLean; Aunt Anna, Joan Peabody; Abraham Lincoln, Gregory Downes; Mother, Patlyn Bruno; Thomas Edison, Quentin Roberts; Train passengers, Judith French, Tommy Conlan, James Ruma, Wayne Robinson; George Washington, David Borquist; and Mary Washington, Marjorie Reynolds.

SPRING PARTY, FLORENCE CRITTENTON LEAGUE

Members and friends of the Winchester Circle, Florence Crittenton League are looking forward to the Spring Party to be held on March 22nd, in Metcalf Hall, Unitarian Church at 1:30 p.m.

A delicious dessert has been planned by Mrs. William C. Sweet, Chairman, and her committee. There will be also a sale of home cooked food.

18 Pilgrim Rd., Needham, Mass.

WINCHESTER PUPILS IN STATE MUSICAL EVENT

Winchester High School has more than passing interest in the appearance at Jordan Hall on Saturday, April 1, of the Massachusetts All-State Orchestra and the All-State Chorus. One hundred of the best high school musicians in Massachusetts and one hundred and twenty-five of the best vocalists in the state have already been chosen and Winchester is ably represented.

The following members of the W. H. S. Orchestra will play in the All-State Orchestra: Ruth Halm, horn; Miriam Parker, flute; David Holdsworth, oboe; Edgar Edmund, viola; and Douglas Nason, trombone.

In the chorus will be these members of the W. H. S. Glee Club: Shirley Cary, Joan McFarlane, Susan Norman, Patricia Carroll, Dorothy Brandt, Fay Carroll, Joanne Tofari, Rebecca Jackson, Phoebe Greenwood, Janice McCarthy, Donald McFeeley, Trevor Smith, Kenneth Hiscoe, Michael Noelle, Richard Riga, Henry Hooper, Robert Flaherty, and Bion Francis.

The purpose of these all-state groups is to give the high school students an opportunity to play and sing in groups that are much better than any single high school can produce. For example, the orchestra will have twenty first violins, nine string basses — in short, a complete symphonic group. Similarly, the Chorus will be a fully balanced group with no shortage of tenors, such as often plagues a high school glee club.

The stimulating effect such activity has on the students may be seen by the reaction of one W. H. S. student who was a member of the All-State Orchestra last year. After rehearsing for three days she was asked, "You must be tired?"

Her reply was, "Tired? I wish it could go on for three more days!" The orchestra will be conducted by Francis Findlay, former member of the Boston Symphony Orchestra, and now conductor of the Orchestra of Boston University and The New England Conservatory of Music. Warren Freeman, dean of The College of Music at Boston University, will conduct the Chorus.

DATES SET FOR HIGH SCHOOL VAUDEVILLE

The 18th annual Winchester High School Vaudeville Show will be presented at the high school auditorium on Friday and Saturday evenings, April 14 and 15, with a matinee performance Friday afternoon.

The planning committee for this year's production comprises Ray V. Hayward, Henry T. Knowlton, Helen Jay Carroll, Eleanor Ambrosio, "Dannie" O'Donnell, Margaret DeLo and Terry O'Brien. Tryouts have been held and rehearsals are well under way. Everything seems to point to another excellent show.

COME AND SEE OUR FLORENCE CRITTENTON LEAGUE

The members of Winchester Circle, Florence Crittenton League, are planning a "Come and See" tour of Maternity Home and Hospital and Wellesley House on Tuesday, March 14th. It is hoped that all members who have not had the opportunity to visit the Home and Hospital, as well as members who are interested in seeing the new methods that have been recently introduced, will avail themselves of this opportunity. This is a chance to see the wonderful work you Circle is helping to accomplish. Members will meet at McConaughy's Drug Store at 11:15 a.m. and should bring a box lunch. Coffee will be furnished by Maternity Home. Those wishing transportation may call Mrs. Charles J. Vanno Winchester 6-5768 or Mrs. Charles J. Stuart Winchester 6-1155 W. on Monday night March 13th.

Henry Easton was recently elected President of the "C" club at the University of Maine.

JESUIT HOLY NAME SPEAKER

Sunday, March 12, St. Mary's Holy Name Society will attend Mass and Benediction, receive Holy Communion, join the popular hymn singing and listen to a short sermon by Rev. Fr. William Walsh, spiritual director of the Society. Following Church services the men will adjourn to Lyceum Hall for light breakfast in charge of Mr. Michael J. Connolly. Guest speaker is Rev. Carol J. Bernhardt, S. J., who is a member of the Faculty at Weston College, whose subject is "Laughter".

Father Walsh who has enjoyed Father Bernhardt before, at Swampscott, where he was director of the Holy Name Society, says that the former will deliver a most entertaining address with many laughs, to put it mildly. With the many troubles afflicting the world today, Father Bernhardt's talk should prove to be just what the doctor ordered. It is to be hoped that the entire membership of the society will turn out to hear this wonderful speaker.

Plans are underway for the usual Holy Thursday all night vigil. During this night the men of the Holy Name in every parish keep watch in groups all through the night being relieved each hour by a new group with prayer and recited aloud during each hour's watch. A fine spiritual uplift has been the result of this practice each year and the members will be assigned hours by Father Walsh and William J. Croughwell, president, in the near future.

The officers are still desirous of having every man in the parish a "Holy Name Man". They urge all who have not joined as yet to feel free to come to this next meeting and become a full fledged member. It is not difficult at all, since a simple recitation of the Holy Name Pledge is all that is required. Just before each current Holy Name Sunday the officers and committee men meet at Mr. Croughwell's home, he being President, where discussions take place concerning the Society. These "behind the scenes" meetings serve to prove how concerned the officers are with the success of the Society. Father Walsh and Mr. Croughwell preside at these meetings.

WINCHESTER WOMEN'S COUNCIL

The annual Spring meeting of the Winchester Women's Council will be held Friday, March 17, at 10:10 a. m. at the Library. There will be the annual election of officers and reports of Chairmen of Committees.

The speaker will be Mr. Charles E. Jellison, a member of the School Committee who is serving on the Committee for the High School and Enlarged Junior High School Buildings. His subject will be "Some Conclusions on Winchester's School Building Problem".

The Winchester Women's Council might well be called the Federation of Winchester Women's Organizations. Here Club members bring their ideas and news of activities and in turn take back information which they know will be beneficial to their organizations.

A speaker with a message of interest to all Winchester residents is always presented at Council meetings and therefore all are welcome whether or not they are affiliated with any organized groups. Certainly Mr. Jellison's subject, our schools, is of vital importance and all who can are urged to attend.

ATTENTION ARMED FORCE RESERVISTS

If you have musical talent of any description your appearance on the "Armed Forces Almanac" radio program is requested. This program is a joint Armed Forces Activities and broadcast every Monday over Station WMEX at 8:30 p. m.

If you sing or play any musical instrument please call Mrs. K. B. Toye, Chairman of the Military Manpower Committee, Winchester 6-1895 for further information.

KNOW YOUR NATION - U.S.A. by Pfc. John F. Grimes, USA*

Just one-hundred and fifty years have witnessed the growth of an Indian village to a thriving metropolis whose industries employ twenty thousand people. Representative of the growth of this nation—yours and mine—is... Columbus, Georgia.

The history of Columbus, Ga., is one worthy of attention. At a time when unrest is so prevalent in our nation—we may well strive to emulate the progress made by this city in all phases of industry, social affairs, and education.

The City of Columbus was founded and laid out in 1828 by State Engineers. As a matter of fact, Columbus is the only State—conceived city in Georgia and it is obvious that Columbus is "a plan". Adequate testimony to this fact is the wide, beautiful streets which have been fully utilized by the planning of trees and the smooth flow of traffic over the broad thoroughfares further attests this fact.

The very purpose for which Columbus was founded was the most desirable geographic location available to be utilized. The engineers selected a site at the head of navigation of the Chattahoochee River, at the foot of the fall line, just a little south of what is now the geographical center of the states of Alabama and Georgia.

This ideal geographic location made the new city a "natural" for industrial activity, and from the very beginning this tendency toward manufacturing. While textiles constitute its major industry, the industrial structure of Columbus today is not confined to this activity alone. Rather, a sound, widely diversified industrial picture is presented and its 142 industrial plants employ 20,215 people. Other manufactured products include agricultural implements and machinery; bakery products; candy, cakes, chemicals; clothing; peanut and cottonseed products; hosiery; medicine; millwork; meat products; paving material; refined syrup; venetian blinds; brick, tile and concrete products; mattresses; wooden ware; automobile batteries; jute and bagging; lumber; brooms; brushes; fertilizers; flour; food and dairy products; soft drink syrups. Machine shops and foundries supply parts and castings for cotton mills and other manufacturing plants right at home.

Today Columbus boasts the third largest metropolitan population in Georgia and because of its many natural advantages it is expected to continue to grow. Its strategic location in the very heart of the Southeastern States, for example, render it an ideal distribution center to serve this constantly growing market. Varied and abundant raw materials are available around Columbus, its huge reservoir of native born labor has just begun to be tapped. Outstanding transportation facilities radiate in all directions from Columbus, a wheel.

Favorable climate, good government, friendly people... these factors and many others help in the future growth and development of Columbus and the Columbus area.

The U.S. Army Engineers are in charge of a project which will again make Columbus an important river port. The Corps of Engineers estimate this tri-river project, which involves the Chattahoochee - Apalachicola - Flint Rivers, will be completed by 1953. This will provide a nine foot channel from Columbus to the Gulf and will open up an entirely new field of opportunities to this section.

Columbus is widely known as a trading center and its retail trade area covers twenty-two Georgia and Alabama counties with a total population of 501,800. The wholesale area is several times that large. Local stores, shops and service establishments have kept pace with the rapidly developing Southeast and offer complete facilities to serve this entire section.

No discussion on Columbus would be complete without mentioning Fort Benning which is located at the door of the city. One of the most important military installations in the world, it was established in 1918 and today encompasses an area of over 2000 acres in Georgia and Alabama.

The Infantry Center at Fort Benning, training center for infantry and airborne troops, is one of the most outstanding installations of its kind in the world. Approximately one million officers and men were trained there during World War II and at one time some 100,000 troops were stationed there. At the present time some 15,000 troops besides the famed third division are stationed there.

Points of interest in Columbus include the Oglethorpe marker which was erected by the D. A. R. to commemorate General James Edward Oglethorpe's visit to Coweta Town (just across the Chattahoochee River from Columbus in what is now Russell County, Alabama) in 1739 to treat with the upper Creek Indians. As a result of this visit Oglethorpe concluded, on August 21, 1739, one of the most important

possibly gained its more distinguished feature when Augusta Evans Wilson wrote her popular romance entitled "St. Elmo" from the home itself. The building is intact today and is currently being used as a private dwelling.

Preserved in tradition and yet cognizant of the need for progress and doing something about it is... Columbus, Ga., U. S. A.

Ed. Note—"Jack" Grimes is the son of Mr. and Mrs. James H. Grimes, formerly of Stone Avenue. A former Winchester High School football and track performer, he spent a year at Middlebury College before enlisting. After service in Germany, he is now with the Corps of Engineers at Fort Benning, Ga., where he is official interpreter for the Students' Training Program.

MEETING OF PRECINCT ONE

There will be a meeting of Precinct One in the George Washington School on Monday, March 13th, at 7:45 p. m. to discuss various articles in the warrant for the Annual Town Meeting on March 16th. A large attendance of precinct members and other citizens is urged.

The city is also noted for its many ante-bellum homes, among which is the famous St. Elmo built in 1831 by Seaborn Jones, prominent lawyer and Congressman. Originally called El Dorado, its name was changed to St. Elmo by James Jeremiah Slade who acquired the property about 1875. The home

was later accidentally taken up on an anchor. It was recovered in New York where it had been shipped to be sold as junk and was returned to Columbus in 1884. Columbus was also the site of the last battle of the War Between the States. Due to slow communication, word of the South's surrender did not come until several days later and consequently this battle was fought after the war had been formally declared over.

Due to slow communication, word of the South's surrender did not come until several days later and consequently this battle was fought after the war had been formally declared over.

The city is also noted for its many ante-bellum homes, among which is the famous St. Elmo built in 1831 by Seaborn Jones, prominent lawyer and Congressman. Originally called El Dorado, its name was changed to St. Elmo by James Jeremiah Slade who acquired the property about 1875. The home

was later accidentally taken up on an anchor. It was recovered in New York where it had been shipped to be sold as junk and was returned to Columbus in 1884. Columbus was also the site of the last battle of the War Between the States. Due to slow communication, word of the South's surrender did not come until several days later and consequently this battle was fought after the war had been formally declared over.

Mrs. Frederick N. Polce (Marion), formerly of Winchester, died at her home early Wednesday afternoon, March 8, after a brief illness. She was in her 86th year and had been a resident of Winchester for nearly 10 years.

Born in Washington, N. C., Mrs. White went to Brooklyn as a young woman, returning to North Carolina to marry Oscar Latham. They lived in Providence, R. I., until Mr. Latham's death in 1910, after which Mrs. White came to Winchester and married Richard White, the ceremony being performed at the home of the late Mrs. Martha Schmidt on Irving street. Mr. White died July 1, 1929.

Mrs. White first lived on Church street on the site now occupied by the Star Office building. She had been at 644 Main street since 1918 and had conducted there a board of house and equipment agency.

A deeply religious woman and a kind hearted friend, she was held in esteem by all who knew her. She was a member of the St. Columba's Avenue M. E. Zion Church of Boston, holding membership in the Woman's Federation of the church and in other church organizations. She was the last of her immediate family.

The funeral will be held at the A. H. E. Z. in chapel with the pastor, Rev. A. A. Perry officiating. The time had not been decided upon when the Star went to press.

MRS. CHARITY A. WHITE

Mrs. Charity A. White of 644 Main street, widow of Richard White and one of the last proprietors of old time boarding houses in Winchester, died at her home early Wednesday afternoon, March 8, after a brief illness. She was in her 86th year and had been a resident of Winchester for nearly 10 years.

Born in Washington, N. C., Mrs. White went to Brooklyn as a young woman, returning to North Carolina to marry Oscar Latham. They lived in Providence, R. I., until Mr. Latham's death in 1910, after which Mrs. White came to Winchester and married Richard White, the ceremony being performed at the home of the late Mrs. Martha Schmidt on Irving street. Mr. White died July 1, 1929.

Mrs. White first lived on Church street on the site now occupied by the Star Office building. She had been at 644 Main street since 1918 and had conducted there a board of house and equipment agency.

THE WEATHER

Winchester residents enjoying themselves in warmer climes have every reason to feel satisfied over their change in environment for we have had typical winter weather during the past week. From below zero to nearly 40 degrees in the higher brackets, from sunny to cloudy skies, the change has been typical. Last week's day and Saturday opened with fair weather and the glass about eight above. Sunday was also fair, notwithstanding the "man's" prediction of snow. Monday saw higher temperature and fair weather with the glass around 20, and Tuesday saw a rise in the glass to a low 40. Wednesday was the banner day, and although it was cloudy and threatening, the temperature of a high 50 made the day really spring-like. Yesterday opened after a night of rain and high wind with a falling glass and much of the snow giving way to bare ground. Colder weather predicted for today may not last long, for the sun is now high and melting ice may be found in sunny spots even with the glass around 40 degrees.

MYSTIC GLEE CLUB TO HOLD TENTH ANNIVERSARY DINNER AT THE COUNTRY CLUB TONIGHT

Approximately seventy-five present and past members of Winchester's well established Mystic Glee Club will gather together to celebrate their tenth anniversary dinner with the Country Club. A dinner will be served and a full evening of fellowship, song, and entertainment has been planned by the entertainment committee headed by E. Verne Chapman in conjunction with the 10th anniversary committee headed by Carl Wood, the Club's first President and now Honorary President.

Past members are coming from far and near to join in the gathering and festivities with those who are still active. Bronxville, N. Y., Portland, Me., and Simpsie, N. H. are some of the outlying points to be traversed by older members arriving for the event.

Former Conductors and Accompanists of the Club have been invited as guests. These include Harvey Davies, Donald L. Marshall, Bill Cruger, William Weston, Kenneth Moffatt, and Bill Elmer. Dr. Harold L. Margesson, President of the New England Federation of Men's Glee Clubs, is also to be an honored guest of the club.

At last Monday's rehearsal fifty-five members were present for the taking of the official tenth anniversary picture of the group.

FOR SALE by Stacy

\$14,000 A good looking 5 room brick bungalow occupying an attractive 13,000 ft. corner lot. Modest homes surround it in the Forest Street section of Winchester. Nearly bus stops and short walk to Winchester Highlands station make it convenient for the commuter to Boston. It is in perfect condition throughout and the my opinion is a bargain at the price. It is made of superior materials; has modern oil heat and other good features. If you are looking for sound value with minimum maintenance costs, let me show this property to you.

\$15,500 This is another excellent value, in a popular neighborhood for children and commuters being close to Ginn field playground, the Wyman School, Symmes Chapel bus stops and Winchester Station. It is a combination of convenience and beauty for the average family's needs. The home has 6 rooms and bath, 1st floor lavatory, and very up-to-date electric system, also an air conditioned oil heat. Two car detached garage.

\$18,500 Strikingly attractive white Colonial in superb condition, built in 1910. Wyman School bus stop, 10 minutes walk to Ginn field playground, and Winchester Station. It is a combination of convenience and beauty for the average family's needs. The home has 6 rooms and bath, 1st floor lavatory, and very up-to-date electric system, also an air conditioned oil heat. Two car detached garage.

SPRING PARTY PLANS
COMPLETE

The Florence Crittenton League is planning a Spring Party on March 22nd to be held in Motell Hall, Unitarian Church. Dessert will be served at 1:30 P. M. There will be home cooked food on sale and the committee hopes members and friends will take this opportunity to purchase the family dessert.

The following members of the committee are working hard to make this party a success as this is our only means of raising money to carry on the work of the circle. Mrs. William Street, chairman, with Mrs. Richard Cunningham as co-chairman are planning a delicious dessert. Other members of the committee are Mrs. George W. Blackwood, Mrs. Daniel E. Barnard, Mrs. Colver P. Dyer, Mrs. Charles A. Hart, Mrs. Edward P. Boddy, Mrs. Evander French, Mrs. Willard Slagle, Mrs. John Page, Mrs. Herbert F. Ross, Mrs. J. Warren Shoemaker, Mrs. Everett P. Stone, Mrs. Paul White and Mrs. Arthur C. Pay.

Decorations are in charge of Mrs. Donald F. Connors, Mrs. Frank Goodman and Mrs. Francis G. Chase.

Tickets committee: Mrs. Lester R. Moulton, Mrs. Richard Fisher and Mrs. Lester G. Gustin, Jr., Mrs. Frederick W. Aseltine and Mrs. Herbert Wadsworth will be in charge of the food table.

Mrs. E. Oler Price and Mrs. C. W. Lovejoy are in charge of the door prize.

Waitresses are under the supervision of Mrs. Kingman P. Cass.

THERESA DISERIO WILL BEIGIN AT EXPOSITION THURS. FRIL. SAT.

Before a capacity audience at the Auditorium in Malden, Miss Theresa Di Serio, 20, of 129 Highland Avenue, popularly known as "Miss Mayday," was selected from a group of fourteen finalists to reign as "Miss Mid-Country Malden" at Malden's Exposition to be held this week at the Malden Armory, March 16-17-18. The queen was selected on a basis of beauty, talent, poise, and personality by a talented array of judges consisting of Ward Williams, director of the Ford Theatrical Agency, Dwight A. Mealy, former stage and screen actor, now on the staff of the Leland Powers School, and Phil Sultman, well known pianist and M. C. of the television show "Hometown Varieties."

NICOLE HENRIOT

NICOLE HENRIOT HERE NEXT THURSDAY

The brilliant young French pianist, Nicole Henriot will appear here on Thursday evening, March 23, at 8:30 P. M. in the High School auditorium as the final and outstanding artist in this season's Community Concert Series.

Mlle. Henriot, still in her early twenties, made her American debut in 1948, and appeared with the Boston Symphony in 1949, creating a great stir in critical circles with her brilliant performance. The Winchester Smith College club whose scholarship fund benefits from the concert series, will open the campaign drive for next season's memberships on Monday, March 27th.

WINCHESTER GIRL WINNER

Forum for Living officials reported today that a Winchester girl, Mary C. Corning of 94 Grove street, has been named first place winner of the third quiz competition held Sunday, March 12, rather than a South Braintree girl as was announced earlier.

The change resulted, officials said, when it was learned that the originally announced winner, a Thayer Academy student, was a high school graduate and therefore ineligible for the competition in which high school seniors are competing for college scholarships.

The new winner, Miss Corning, is a senior at Rosemary Academy and originally had placed second in the March 12 broadcast over radio station WEEI, Boston.

The Winchester girl now enters the quarter finals in the competition and another change at the college scholarships ranging in value from \$2000 to \$3000 and being offered by the Casualty Insurance Companies Serving Massachusetts.

WINCHESTER GIRL SCOUTS

Last week was a busy one for Girl Scouts. Many troops and leaders were collecting items for their Friendship School Bags, which troops all over the U. S. are sending to our English and European sister Scouts and Guides. Such thoughtful things as a class picture, or troop snapshot, or the Junior High News and other American magazines are going into those bags, as well as such practical items as all kinds of paper, notebooks, pencils, pens and colored pencils (as crayons might melt). Have you seen the exhibit at Myron Bellow's?

Too, the Council met on Wednesday at the Y. A fine attendance was noted and much was accomplished. Reports from the various committees show that the officers are doing a good job. It was suggested that some of the Council which have not had leader experience should visit different troops and try to get an idea of the leader's problems. So, if one from the Council should drop in, just carry on as usual. She is not there to criticize or inspect, but to observe and learn.

On Thursday, the Leaders meeting was held in Lyceum Hall, because the floor at the Y. had not been laid. Due to the cold weather and you just can't blame anyone but the weather man!

At both the Council and Leaders meetings, Mrs. Kugler gave a report on the progress made in collecting antiques, and all kinds of articles. It really sounded interesting.

She said on March 25, at the Town Hall there will be white rabbits, white mice, old silver and brass, and some small furniture pieces (I saw a darling little doll crib on rockers).

And some cute doll little that any little girl (like to have) I saw some lovely blue Mexican water glasses I'd like to have! Everyone who has seen these things at the Original Yankee Auctioneer in action says that there will be laughs and fun galore.

I for one expect to be there. Lunches will be sold (sandwiches, coffee, cakes, or milk and cookies) at noon in case you are having too much fun to leave!

During the absence of Mrs. Metcalf (she has gone to Northfield for a special Out Door Training course so as to improve our Day camp program) the office will be open each morning, with Miriam Nany in command. If you can imagine her commanding! Any way she is in case you have questions to ask or ladies to order.

The following committees have meetings the next two weeks: Public Relations at 10 A. M. on Thursday, March 23rd; Program, March 30th at 1:30 P. M.; Finance, March 30th at 7:30 P. M.; these all will be held at the Girl Scout Office. Members, please take note.

Friday evening, March 2nd, found the Winchester Country Day School overflowing with enthusiastic parents. With 60 adults helping themselves to a buffet dinner, the school took on a different aspect than the usual school mornings.

The success of the smooth running and well-organized dinner was due to the energetic mothers who took part in preparing the delicious food.

For a short period after eating there was a general gay conversation while everyone got acquainted and the teachers. Mrs. Walter Egan, Mrs. Donald Warren, Mrs. Virginia Scamies and Miss Anne Harris talked to individual parents.

There were two groups held with the parents. One group had an aim strips of Simms-Messers, Child Organization and S. I. D. machine Series and the routines of the school were explained and a few examples were shown to gain more appreciation and understanding of the children's handwork.

The flowers for this Vespers are given in loving memory of J. Robie Cove by Mrs. Paul W. Walton and Mrs. J. Robie Cove.

The above chronologically arranged program presents from many centuries devotional music of great beauty, and it will be a source of spiritual inspiration in this Lenten season. It is to be given in the Unitarian Church, Sunday, March 19, at four o'clock. All are invited.

The singers taking part are as follows:
Unitarian Church Choir: Soprano: Dorothy Perkins, Martha Benson, Beth Reeves, Barbara Mitchell, Diana Mansfield, Sally Blanchard, Laverne Wadsworth, Zola Roberts, Horne, Frances Walton, Joan Wadsworth, Sonna Norton.
After the Vespers singers and instrumentalists are invited to the home of Mr. and Mrs. Lewis L. Wadsworth, Jr., at 54 Wedgemere avenue, where recordings of the program will be played.

WINCHESTER CO-OPERATIVE BANK

The Directors of the Winchester Co-operative Bank have announced that the bank will be open Saturdays from 9 A. M. to 12 noon in addition to the regular hours of 8 A. M. to 3 P. M. Monday thru Friday.

These additional Saturday hours are provided in response to the requests of the members of this mutually owned Co-operative Bank who find Saturday a more convenient day to transact their home financing and systematic savings business.

WINCHESTER REUNION IN "ERISCO"

Two former Winchester young people, Miss Berta Magnusson, daughter of Captain and Mrs. Magnus Magnusson, and Fred Donahue, Jr., son of Mr. and Mrs. Frederick J. Donahue of Mystic avenue, met quite by chance at a party held recently in San Francisco.

Miss Magnusson, currently living at 767 Geary street, San Francisco, is working for the United Air Lines. Her family is living in Bellingham, Washington and like it there very much. Berta and Fred discussed the home town and the Stanford-Harvard game on the coast last fall, with opinions somewhat at odds since Fred is a Stanford graduate and Berta sat on the Harvard side of the stadium.

Fred, living at 2028 Jackson street, San Francisco, is working on the west coast, but is flying home during April to serve as best man at the wedding of his brother, George, former Yale and Olympic hockey star, in New York.

PLAY READING GROUP

The Play Reading Group, Evening Study Division of the College Club, will meet Monday evening, March 20, at the home of Mr. and Mrs. Gerson Taggart, 18 Lloyd street, at 8 o'clock. The play to be read is "Miranda," with Mrs. John MacLellan doing the sketch of the author, leaders of the group are Dr. and Mrs. F. Milne Blanchard, Mr. and Mrs. George Gowdy.

Mr. and Mrs. Roger C. Hadley are spending a few days at the Prince George Hotel in New York City.

SPECIAL SERVICE AT EPIPHANY

Will Present "Seven Last Words" Palm Sunday

On the evening of Palm Sunday at 7:45 in the Church of the Epiphany, Mr. Enos Bell, organist and choirman, will present through his regular choir Theodore Dubois' "The Seven Last Words of Christ."

This well-loved cantata, beginning with the exquisite soprano solo, "All ye people . . . come and behold," depicts in eloquent words and music the last hours of Christ upon the cross. There is a fierce hate of the rabble, in the midst of which, in tenderest melody, comes Jesus' "Father, forgive them."

Then his assurance to the dying thief beside him develops into the fervent chorus, "Lord, do thou remember me." Christ's words to his mother living in a deeply poignant expression of the mother's agony of grief. Jesus' tender concern for others, his moment of despair, his later strong assurance and confidence in his heavenly Father, all are eloquently expressed in the moving beauty of music, and the cantata ends in an exquisite hushed prayer of adoring devotion.

The rector, Rev. Dwight Hadley will preside.

This is a service for the community. All are cordially invited to attend.

MEN'S CLUB

FIRST CONGREGATIONAL CHURCH MEN ONLY

On Friday evening, March 24, 8 p.m., Parish Hall, First Congregational Church, there will be a social gathering in light of the program will be a Barter Shop (Quintet) from Reading. The "Barter Shop" quartet will give a fifteen minute demonstration of "barter shopping" in a professional form. These men are a part of the talented barter shop chorus from Reading which gives performances throughout Eastern Massachusetts. They have volunteered to introduce to you this art so full of fun and entertainment.

In case that you think walking and motoring too slow, and are planning a tour by plane, are at least thinking of it, Mr. George Lindor, a representative of the American Airlines, will discuss air navigation, history of radar, instrument landings, and flying safety, and airport facilities. In addition, he will show "Wings over Vikingland," color film of Norway, Sweden, and Denmark. Refreshments will be served at the end of the program.

All men of the Church and their friends, and members of the Men's Clubs of the other Churches, are cordially invited to attend.

Mr. Joseph L. S. Barton was elected chairman of the Board of Cemetery Commissioners at a meeting of the Board held Monday evening.

AUXILIARY FIRE DEPARTMENT

The postponed ninth annual meeting of the Winchester Auxiliary Fire Department was held in Mason's Hall on Tuesday evening, February 28.

Chief T. P. Clarke presided, and there was a fine representation of members present for the transaction of routine business and election of officers.

The meeting was honored by the presence of the Vice Chairman of the Board of Selectmen, Mr. Ernest B. Dade, who was pleased to officially thank the "Auxies" for the valuable service which they have donated to the Town for more than eight years, and to state the Board's hope for its continuance.

Regular Fire Chief James E. Callahan expressed his personal appreciation of continued assistance so generously rendered to the regular force, and assured us that his entire crew shares his opinion. Chief Callahan gave us a very interesting summary of the proceedings at a State House hearing held that day, regarding important legislation intended to enlarge and improve Civil Defense in Massachusetts. He stated that Winchester is indeed fortunate to possess an efficient Auxiliary fire force which is constantly on call and actually doing fire duty under his command, in accordance with the law set forth in Chapter 719 of the Acts of 1911 and Chapter 13 of the Acts of 1912.

Chief Clarke reported the death of member Robert E. Fay on March 16, 1949. "Bob" Fay was one of our charter members, and he was known far and wide for his good natured, loyal, painstaking and efficient work as a volunteer fireman.

Many of us have been the recipients of pictures of fires and firemen, taken by Bob and his camera. We miss him.

During the year we regretfully received the resignations of eight members. There were three new men appointed by the Board of Selectmen to become members of our Auxiliary Department, so we welcome Robert C. Duckworth, Robert E. Gardner and William H. Brown.

MISS MORRILL'S ACTING PRAISED

Brooks Atkinson, drama critic of the New York Times, spoke well of the work done by Miss Priscilla Morrill, daughter of Mr. and Mrs. Theodore P. Messer of Priscilla Lane, who was a member of the cast in "When the Bough Breaks" produced by the Abbe Practical Workshop, of Riverside Drive in New York last week.

Miss Morrill, a graduate of Winchester High and Carnegie Tech., played the part of a nurse and Mr. Atkinson praised her performance as "quite distinguished, with no stock cant in her portrayal."

Living in New York, Miss Morrill is doing free lance acting in that city.

Winchester residents are warned
 by the police that many appeals
 made to them by ticket buyers for
 entertainments or dances purport-
 ing to aid local veterans are in
 reality rackets, run by private in-
 dividuals for personal gain, and
 aid no veterans, let alone those
 living in Winchester. Household-
 ers or citizens asked to buy tickets
 for veterans make sure they make
 the sanction of the local police to do
 so in Winchester, and also that
 of the Legion or Veterans' Club.
 Foreign Wars in this town knew
 about the party. Unless those sell-
 ing tickets can satisfy you in this
 score, don't buy; at least expecting
 you are helping Winchester veter-
 ans! And it can be you are not
 helping any veterans at all!

Ordinarily Chief Harold of the
 Winchester Police doesn't get
 steamed up easily. A veteran of
 both world wars with many years
 Police service, he has been around
 too long to get excited over
 nothing. So it was quite natural
 for the Star to be curious when
 we found him plainly "riled," as
 a Scituate friend would put
 it, when we called recently on
 Headquarters. In reply to a ques-
 tion he took us into his office and
 showed us five or six revolvers, of
 varying vintage. "My son and I
 took these from Winchester
 high school and junior high school
 boys, who we found have been
 carrying them from school
 and in their pockets most of the
 time. One boy was even said to
 be pointing his gun at the head of a
 teacher while the latter was busy
 at the blackboard! We are still on
 the trail of some more boys he-
 lieved to be carrying guns and hope
 to have the thing cleaned up in a
 short while." Concerned as he was
 with the fact that young teen agers
 are running around Winchester
 with guns in their pockets, even
 though the guns may not be
 loaded, the thing that was ob-
 viously bothering the Chief most
 was the attitude of some of the
 parents he had encountered after
 his officers had relieved them of
 their weapons. Indignation
 seemed more prevalent than re-
 gret that their boys were guilty of
 a serious breach of the law and
 some of the parents seemed much
 more provoked over the fact that
 the Chief is keeping the confiscated
 guns than appreciative that he is
 not taking them and their progeny
 into court. The Chief believes it is
 strictly up to the parents when
 boys are running around town, be-
 lying guns in contravention of the
 law, selling them to each other,
 which is another violation, and finally,
 carrying them more or less
 regularly which is the most serious
 breach of all! He does not believe
 that parents, or police or the com-
 munity should laugh off what these
 boys have done. The guns were not
 loaded when they were taken from
 the boys, true, but the Chief be-
 lieves that each one he took could
 be loaded and is capable of doing
 serious damage. From carrying an
 unloaded gun to getting slugs for
 the weapon is only a very short
 step and once an excitable youngster
 has a loaded gun in his hand any-
 thing can happen. The Chief be-
 lieves that all local parents should
 enter this picture at once and see
 to it that their young teen agers
 are not violating the laws govern-
 ing firearms. Carrying a gun with-
 out a license is serious business.
 So, as selling a gun to a minor is
 permitting a minor to have a gun
 in his possession, let's have no
 more of this sort of thing in Win-
 chester! It isn't "can't," it is "must."
 who get caught in future viola-
 tions of the firearms laws here will
 find out!

MR. CRAIGWELL ON FIREWORKS

Editor of the Star:
 At a recent town meeting
 I called on Mr. Craigwell, who
 was in the audience. He is a
 resident of Winchester and has
 been in the town for many years.

Mr. Craigwell is a very inter-
 esting man and has a great deal
 of knowledge about the town and
 its history. He is a very good
 citizen and is always ready to
 help the town in any way he can.

Mr. Craigwell is a very good
 citizen and is always ready to
 help the town in any way he can.

Mr. Craigwell is a very good
 citizen and is always ready to
 help the town in any way he can.

Mr. Craigwell is a very good
 citizen and is always ready to
 help the town in any way he can.

Mr. Craigwell is a very good
 citizen and is always ready to
 help the town in any way he can.

Mr. Craigwell is a very good
 citizen and is always ready to
 help the town in any way he can.

charge or explode or cause to be
 discharged or exploded any fire-
 works within the town, except that
 on the fourth day of July, commonly
 known as the Fourth of July, fire-
 crackers, toy torpedoes, paper
 caps and articles of similar nature,
 and common illuminating fireworks
 which produce light or color, with-
 out detonation, and do not contain
 peroxide acid pirates, phosphorus
 illuminates or other high explosive
 substance or compound may be
 discharged or set off or at other
 times when in addition to any per-
 mission required by general law
 the Selectmen shall have granted
 general or special permission
 therefor.

Now then, we celebrate the Cen-
 tennial of our incorporation as a
 town next April. In my judgment
 it is an opportune time to display
 a marvelous display of fireworks.
 Some folks appear to have granted
 and assert that the noise emanat-
 ing from fireworks has a tendency
 to disturb the patients at the Win-
 chester Hospital. That assertion
 is wrong.

I know because last summer I
 was a guest at the hospital for 31
 days. Through the kindness of the
 superintendent and the cooperation
 of the doctors and nurses, who are
 efficient, skillful and courteous, we
 patients were able to hear the ball
 games day and night through the
 medium of the radio.

I believe the patients would be
 delighted to witness the heavens
 lighted by the brilliant and color-
 ful fireworks. If the folks who
 reside adjacent to Manchester road
 and Cutting street believe the fire-
 works are a nuisance, we can in-
 stall some of our fire apparatus in
 the vicinity of that section until
 the fireworks are terminated. As
 you undoubtedly are aware, the
 firemen are more numerous than
 the flies on a garbage truck. Many
 thanks to the doctors and nurses
 for their kindness and hospitality.

Please remember the fireworks
 have no bearing whatsoever on our
 tax rate. In fact, the sponsors of
 this proposition pay an enormous
 tax. They are law abiding, in-
 dustrious citizens. In fact, the first
 soldier in Winchester to sacrifice
 his life in the World War in order
 that democracy should not perish
 from the earth was an Italian boy.

For years the fireworks were
 formerly displayed on Manchester
 Road, but since the natural beau-
 ty of the field has been de-
 stroyed we have recently displayed
 the fireworks on Shore road field
 (just east of the highway). Win-
 chester more than a quarter of a
 million dollars and at the present
 time is abandoned.

The sponsors desire to utilize
 the field one day a year; namely,
 the 15th of August, which is a
 holy day of obligation, by attend-
 ing the mass in the morning and
 celebrating with the fireworks in
 the night. Surely we shall not
 deny the sponsors that privilege!

The by-laws have been
 effective since May 24, 1921, in re-
 gard to fireworks. They have
 been in effect since 1936.
 Ladies and gentlemen, think it
 over. Certainly we deeply mourn
 the departures of seven excellent
 citizens; namely, James J. Fitz-
 zgerald, ex-Senate Senator, Fitz-
 zgerald, Edgar J. Rich, Preston
 Bond, James A. Laraway, Charles
 A. Glendon and Theodore P. Wil-
 son, editor and publisher of the
 Winchester Star. They were town
 fathers, philanthropists and bene-
 factors. May they all rest in
 peace.

Goodbye, or in other words,
 "au revoir," until we meet in the
 old town hall!

Thanking you, Mister Editor,
 for the above space.

Very truly yours,
 Patrick Henry Craighwell

GLENNING - CONSERVATION, HYDRO-ELECTRIC VALLEY AUTHORITIES

Editor of the Star:
 "The purpose of the conservation
 movement is to assure the contin-
 uance of the American Standard
 of Living."

"One day last Spring the Hon-
 orable John F. Kennedy, of the
 House of Representatives, took a photo-
 graphic of the Valley-Authority
 dam in 1926, in which he told his
 agents in this country to talk up
 Valley-Authority programs - for
 it is an excellent plan to break
 down the government into seg-
 ments and run the capitalistic
 system."

"People need to know that true
 resource development and flood
 control is not accomplished by
 tons of cement; that the major
 purpose masked behind the
 money is the Valley-Authority
 promoters mean a Welfare
 State controlled by Hydro-Elec-
 tric power, the antithesis of De-
 mocracy. Strongly the Valley-Au-
 thority, the word 'welfare' has
 little or no meaning to the average
 citizen. Consequently he is un-
 aware how vital the Forest and
 Grassland functions are."

Big Government in Agriculture.
 Take a look in your town, county,
 or state.
 "An agricultural County in Illi-
 nois has 178 persons on part or
 full time and were paid from \$8 a
 year up to \$5,500 a year. They
 worked only on the various Federal
 farm service programs inside the
 county."

"The Star says \$86,000,000 in
 money to bring services to the
 County's 2,500 farmers. This did
 not include the Federal portion of
 money received by 55 workers
 in many other counties."
 This county has no R. E. A. Crop
 Insurance Corporation, Forest Ser-
 vice, Reclamation Service, or Soil
 Conservation Service. The Valley-Au-
 thority can set up to give advice to
 farmers in many other counties."

"THINK THIS OVER and mul-
 tiply the cost in tax money in this
 country by the total number of
 counties in the 48 states, and you
 will see what Big Government means
 in Agriculture. The 28 Depart-
 ment of Agriculture has expanded
 its tax take from \$10 million in 1910
 to \$17 million in 1926 to \$26 mil-
 lion in 1940. The 28 years with
 no taxation of employees from \$10
 to more than \$100,000."

mittee for the Hoover Report, 15
 West 40th Street, New York 19,
 N. Y. THIS REPORT IS FREE.
 Read it, analyze it, then write your
 Congressman where you stand.
 This is only one Federal Depart-
 ment give away program.
 Most of those who resist any
 change are the thousands of Gov-
 ernment Employees.
 E. D. Fletcher

WHITHER ARE WE DRIFTING

Editor of the Star:
 When Alger Hiss, a State De-
 partment official, and long-time
 friend of Secretary Acheson, was
 convicted of perjury, stemming
 from espionage charges, the Sec-
 retary said he "could not turn his
 back on him" and later, testifying
 before a Senate appropriations sub-
 committee, said he would "never
 knowingly tolerate any disloyal
 person in his department."

Undersecretary John E. Peurifoy
 testified at the same time that
 202 employees, including "14 ab-
 normal individuals," had been dis-
 charged or permitted to resign
 from the department. They were
 considered "poor security risks be-
 cause their loyalty was doubted."
 Who employed all these abnor-
 mal individuals and poor secu-
 rity risks? Mr. Peurifoy? It
 took him a long time to get any-
 body, spy or Communist, to in-
 filtrate the State Department. Who
 was guilty? For naivete Mr. Peurifoy's
 statement is exhibited, goes
 with the President. "The only
 way I see to balance the budget is
 a higher taxes," a close friend.

The coal miners are back to
 work, the last strike problem un-
 solved, after an unnecessarily pro-
 longed and disastrous strike, John
 L. Lewis, emerging as director of
 the United States and President
 Truman a weak, outmaneuvered
 public servant. The quiet, trusted
 Calvin Coolidge would have set-
 tled the strike in a week's time,
 just as he did the Boston police
 strike when he told Samuel Com-
 pson, labor leader, "Nobody has a
 right to strike against public
 safety anywhere, anytime."

The President stalled, delayed,
 appointed commissions to investi-
 gate the strike and then refused
 to thwart the law of the land, the
 Taft-Hartley law, which he and
 his labor henchmen wanted re-
 pealed. Until the present, an ex-
 ample of administrative incompe-
 tence not pleasing to contem-
 porary. Organized labor in this
 country, favored by the President,
 is using the same tactics that dis-
 rupted France, reducing it to a
 third-rate power and that dismem-
 bered and bankrupted the British
 Empire. Until the present, an ex-

GEOGRAPHIC ODDITIES AND BRIEFS

The Mississippi River has added 50 square miles to the area of Louisiana in the past century.

Tradition says the Japanese invented the folding fan about 470 B. C.

The only territory in the world to straddle both the Equator and the International Date Line is the Pacific Ocean Gilbert and Ellice Islands Colony of Great Britain.

"Bachelor" seals - those too young or too weak to fight for young rights - segregate themselves on a separate island in the Philippines from the harem-commanding bulls. Pelts - about 60,000 a year - are taken only from three-year-olds of the "bachelor" colony in the Bering Sea of Alaska, says the National Geographic Society.

Turtle eggs, no tempting morsel for appetites in the United States, are consumed in South America by natives and Europeans alike. Eggs of the lizard species, the iguana, are considered a great delicacy by gourmets.

Geologists call the molten rock material within the earth "magma," a Greek word which may be translated as "dough." However, from the earth's interior by volcanic action, it is spoken of as "lava," notes the National Geographic Society.

A smaller buckwheat harvest in 1949 means fewer winter breakfasts of buckwheat cakes, although 15 states contribute to the commercial crop of the grain, about two-thirds of it is normally harvested close to the New York-Pennsylvania border.

Descendants of 13 chinichillas brought with great difficulty from the high Andes to the United States in 1923 are now so numerous that they stock hundreds of chinichilla ranches currently operating in this country.

The cattle egret, unlike the rest of the heron family, does not live on water creatures. It catches insects disturbed by the feet of grazing livestock. Well known to parts of Africa and South America, it was first recorded in Australia by the National Geographic Society-Smithsonian Institution Arnhem Land Expedition in 1948.

HAND RAILS - Steel and safety rails. Platform constructed from rails, \$9.25 per pair.

CHAMOIS SKI CLUB

Verplanck, Cary and Gurly raced down a bumpy course set on Bridgeton's Pleasant Mountain last Sunday to finish two three and four in both the A team events and give Winchester the edge over the Wildcat and Winthrop ski clubs. Samoiloff, Smith, Cotton and Breed stacked the chips in our favor in

the B team races to give us a clean sweep there also. The gates were ably set by Bud Cary on a course which although bumpy in spots held the snow well during the entire meet. Winchester was the host club.

Bon Verplanck displayed his usual rubber legged racing style but was unable to better the fast pace set by Horton of the Wildcats

who placed first in both the A downhill and Slalom. Mrs. Horton did a retake in the women's events, finishing first in both. Smith of our B team got a bad break in the B downhill when the timers failed to get the time of his first run. It looked as though he would have topped second place at least which he did in the slalom.

The club was well represented at the race and a large number skied elsewhere on Saturday. The Verplancks, Naults, Phil Dennett and Ginny Dewtemple found good snow at Thorn Mountain in Jackson on Saturday. Al Breed and Mini Meyer skied Cranmore and listened to Uncle Harvey Gibson discuss at the annual bankers' wing-ding. Trott and Kramer were among the missing on Sunday. It has been learned that Bud plans to enter the Widener trophy race on the 15th of this month.

We now have a selectman in our midst in the person of Harry Chetalo, "the neopoli's choice" in the recent town elections. We haven't seen much of Harry this year. He's probably been too busy planning political strategy.

A Downhill
1. L. Horton 32.3
2. Verplanck 33.1
3. W. Cary 35
4. Gurly 35.1

B Downhill
Samoiloff 35.2
Breed 41.2
Cotton 41.3
Bell 41.3
A Slalom
L. Horton 28.1
Verplanck 31
W. Cary 32.1
Gurly 32.1
B Slalom
Mitchell 37
Smith 37.1
Cotton 37.3
Breed 39.4

Women's Downhill
1. B. Horton 38.1
2. Dickey 42.1
3. Cunningham 44
4. Jones 47
Women's Slalom
1. B. Horton 32.2
2. Jones 41.4
3. Dickey 46
4. Cunningham 48

Combined team scores were: A Teams: Winchester, 547.7; Wildcats, 515.2; Winthrop, 383.2. B Teams: Winchester, 564.2; Wildcats, 457.8; Winthrop, 398.3. Women's Team: Wildcats, 524.8; Winthrop, 276.1; Winchester, 157.1. Complete race results are posted at the Winchester Sport Shop. This week's race is scheduled to be held Sunday on Dick Stinson's Intervale slope against the Mass-

achusetts of Malden and the Hochelegers of Lowell. We will need every racer we can put on the hill against these two strong clubs. This is one of the contests that was cancelled earlier in the season because of glacial conditions on the same slope.

The desire has been expressed that we qualify more members to give proficiency tests (Harry Bean is our only man at present) and also more racers for a C racing classification.

The Board of Directors met at Harry's on Wednesday night to pick a date of candidates for next year's officers. These will be announced in the next issue of the Star after the nominees have been contacted. Voting will be held on the next Wednesday of next month after further nominations have been made from the floor.

It was voted to set the date of next year's first meeting on the first Wednesday in October at which time a vote will be taken on the dates of subsequent meetings. Although attention was focused a year ahead, this season is by no means ended. Only the snow bunnies hang up their skis at the end of February, and such spots as Franconia record their deepest cover of the season in mid-March. Tuckerman's Ravine is a late skier's Mecca until sometime in May. Don't hang up those boards just because you hear rain on the roof. Wet corn snow is all velvet.

CONTAGIOUS DISEASES

The following list of contagious diseases has been reported to the Board of Health for the week ending Thursday, March 16:

Chicken pox 7 cases
Whooping Cough 6 cases
Dog Bite 1 case
Measles 1 case

*Maybe This is
the Year!*

A great many people have been saying that if their luck keeps pace with their dreams, they're going to own a Cadillac one of these years.

If you are among them—and we hope you are—this may be the year. Listen...

Cadillac has built a great new car, for 1950, that is just as practical to own as almost any car you would consider buying.

It is the new "Sixty-One"—and it is priced lower than the highest-priced models of a number of other cars you would never think of as in the same class with Cadillac.

Furthermore, this new Cadillac will give gasoline mileage which actually approaches that of the lowest-priced popular cars. And

when it comes to long life and upkeep—well, a Cadillac has such endurance that its full lifespan has never been accurately measured.

Yes—from the standpoint of practicality—you've lost about your last logical reason for waiting any longer to buy a Cadillac.

And, oh, the things that say you ought to buy one—right here and now!

Take beauty, for instance. America's streets and highways have never carried a more handsome and distinctive car than the 1950 Cadillac. Wherever it goes, it is an irresistible magnet for admiring eyes.

And then there's performance. Cadillac's miraculous new engine takes you through

space almost as if the car had automatic propulsion. You ride as if every road were a boulevard. Steering and braking are amazingly easy—so easy they seem but response to your thought.

To sum it all up—the farther you can see down the highway, the happier you are—for distance is positively enchanting when you sit at the wheel of a 1950 Cadillac.

And how proud you'd be, sitting there with your hand on the slender, obedient steering wheel... sitting there as companion to the world's most distinguished people—in unrivalled safety and comfort.

Yes—maybe this is the year. Better come in today—and we'd be delighted to see you.

GORIN'S

TEACHERS AND GUESTS
ENJOYED TRAVEL LECTURE

An appreciative audience attended the illustrated lecture "From Sea to Shining Sea" given last week Tuesday evening at the Winchester High School Auditorium, sponsored by the Teachers' Club and open to the public.

Miss Daniels had on the stage the articles of camping equipment—air mattress, sleeping bags, tent, stove, refrigerator, and a most ingeniously devised kit of cooking and eating utensils which helped to give her words the true ring of authority.

No beginner at traveling, lecturing, or photography, Miss Daniels told of her most recent cross continental trip which embraced a summer-long tour of the country with special emphasis on National Parks.

Illustrated by color transparencies taken with an American made thirty-five millimeter camera and projected by a better-than-

average slide projector the tour lecture, stressed particularly the country less familiar to the New Englander. The itinerary of this trip on which Miss Daniels was accompanied by Miss Virginia French, Winchester Supervisor of elementary school art, and two other young women, also teachers, includes the wide open spaces of the prairies, the natural wonders of the Grand Canyon, Yosemite Valley, the giant Sequoias, The Columbia River, Yellowstone National Park, Hot Springs, Mount Ranier National Park, American and Canadian Rockies, the Bad Lands, Banff and Lake Louise—in short, the places we've heard of.

The two hundred or so slides, selected from the five hundred or so taken, were rich in color as well as interesting in topic. Audience acclaim for the most part was in barely audible but constant gasps of pleasure.

Well accented with personal experiences, Miss Daniels' lecture is a natural for the travel minded and the color photography enthusiast.

THE WINCHESTER STAR

VOL. LXIX NO. 31 THE WINCHESTER MASS., STAR, FRIDAY, MARCH 24, 1950 PRICE SEVEN CENTS

OPENING SESSION OF TOWN MEETING HELD

Firemen's Pay Raise Killed, More Money For Loring Avenue Playground

"Just as I was letting the kids out in front of the Sunday School the Reverend Walker spotted me."

AMUSING, BUT ALSO SERIOUS

The parents in this cartoon are like many others, underestimating the influence of the Church upon their children by dropping them at the Church door on Sunday mornings, without attending Church themselves, let alone becoming Church Members.

In one age-group of fifty-four children in Winchester, old enough to have joined the Church, but who had not, forty of their parents were also not Church Members. In another, still older age-group, 42 had not joined the Church. Of these, forty-two of their parents had not joined the Church.

The implications of these statistics become serious, both for these children, and for the Church, when we consider that for these children, all Protestant Church Members in the United States joined the Church before they were twenty years of age. That these children are slipping through the net indicates that parental influence is on the negative side, as far as Church Membership is concerned.

In this time of world crisis, when every man and woman should come up to the help of the Lord against the mighty, but many of whom are standing "on the other side," these parents should take to heart the saying of our Lord: "Whoever therefore shall confess me before men, I will confess him before my Father which is in Heaven; but whosoever shall deny me before men, I will also deny him before my Father which is in Heaven."

PROTESTANT MINISTERS' ASSOCIATION OF WINCHESTER

Jack Chitel is the new proprietor of the Philip Chitel Men's Shop on Mt. Vernon street, having taken over the business formerly run by his father, the late Philip Chitel, recently deceased.

The Chitel business has been established in Winchester since 1911, first as a merchant tailor's shop and in more recent years as a men's wear shop, handling custom and ready-to-wear clothing and a complete line of haberdashery.

Jack Chitel has been with the business since 1935, excepting for one brief fling at the advertising business and while he was serving in the United States Army Air Forces during World War II.

A native of Winchester, he graduated from Winchester High School and the College of Business Administration at Boston University. In recent years he has assumed much of the management of his father's business and he promises as owner to continue and improve where possible the policies which have made the shop so popular.

FILM SUNDAY CONCERT

The choir of the First Congregational Church will present "The Requiem on Palm Sunday" after the church service at 10:30 A.M. The public is cordially invited to attend the service which will be held in the church auditorium. Mr. J. Albert Wilson, choirmaster and organist will direct the group of 35 voices.

Faure's Requiem is one of the most melodic of modern French liturgical works and is written in the classic tradition. Since it was completed in 1877 it has often been performed in the Lenten Season. Gabriel Urbain Faure was born in 1845 and died in 1924 at Paris. He studied under Saint-Saens and was chief organist and choirmaster at la Madeleine for 15 years, later serving as director of the Conservatoire. Among his pupils were Enesco and Ravel. Faure's compositions are numerous especially in the field of sacred music but he is best known for his songs.

WINCHESTER GIRL SOLOIST

Miss Wanda Whiting, daughter of Mr. and Mrs. W. O. Whiting, 3 Orient street, and Miss Genevieve Terpening, daughter of Mr. and Mrs. Forrest Terpening, 284 Yale Avenue, New Haven, Conn., will be soloists for the folk song "Waters Ripple and Flow" when the Skidmore College Chorus sings in Town Hall Sunday afternoon, March 26.

Miss Whiting, contralto, and Miss Terpening, soprano, are members of the sophomore class at Skidmore College. Hoyt L. Irwin, chairman of the Skidmore Music Department, will direct the choral group for this annual New York event.

Following the concert Sunday, a reception and tea in Town Hall will honor President and Mrs. Henry T. Moore and the Chorus. The Skidmore Metropolitan Area Alumnae Club sponsors the program.

NEW TRAFFIC LIGHTS

The State has installed "stop and go" traffic lights at the intersection of Cambridge, Church and High streets, one of the most congested traffic intersections in town. Cambridge street, which runs county wide, the State would be the agency having the authority to make such an installation.

TOWN MEETING DISSOLVED

West Side Fire Station and Parking Meter Repealed. Appropriations Totaled \$1,714,798.80

With the clock showing only ten minutes to midnight the third town meeting of the year, called by the Board of Selectmen, was finally concluded by the current warrant Monday night at the town hall. No one suggested adjourning and the meeting dragged along as the articles rushed through at express speed as the midnight hour approached. Many votes were taken without even explanation from the Finance Committee or from those who had them inserted in the warrant, but no one seemed to care, the principal consideration being the finishing of the warrant.

For all the articles accepted by the meeting only \$99,931.40 was added to the amount of appropriations to be raised by revenue from the Excess and Deficiency Fund.

This fund took quite a beating during both sessions of the meeting, the transfers from E and D funds totaling \$1,714,798.80, leaving a balance in the fund at the end of 1949 was \$495,923.91.

The total of appropriations to be raised from revenue for both meetings is \$1,713,798.80, to pay for a grand total of expenditures of \$1,713,798.80, making this figure \$1,713,798.80.

Generally speaking the meeting confirmed the details of the Finance Committee's recommendations, so that insofar as the Finance Committee is able to predict the coming tax rate, it should pretty well follow their figure.

With Chairman Vincent championing the proposal and Brother Harold Farnsworth opposing, the meeting voted under way by transferring \$1,150,000 from the Excess and Deficiency Account to pay a salary for combating the Dutch disease.

The meeting also voted to increase the salary of the town manager from \$10,000 to \$12,000, and to increase the salary of the town clerk from \$5,000 to \$6,000.

Mr. Saraco moved to amend the motion calling for the continuation of the committee by adding three members to the committee, the idea of including one of the persons interested in the town manager plan now members of the committee.

Mr. Hewis favored enlarging the committee to four persons, Mr. Saraco's amendment was lost. Mr. Hewis then moved to see that the committee be enlarged to five persons.

THE MIKADO

A comic opera by Gilbert and Sullivan. Produced by the Winchester Staff and Key Society at the high school auditorium March 17 and 18. Directed by J. Hassler.

The plot deals with a Nanki-Poo, disguised son of the Mikado of Japan, who has fled the court to marry a girl named Yum-Yum, only to find her betrothed to her guardian, Ko-Ko, the Lord High Executioner of Titipu.

NOT OPEN SATURDAYS

INCORPORATED 1871

THE FORTNIGHTLY

We are looking forward to Monday, March 27 when an illustrated lecture on Rio will be given by Mr. Arthur Moulton of Malden. Mr. Moulton is well known to many of us, and his previous lectures here have been of a caliber to place him in a class by himself.

A year ago Mr. and Mrs. Moulton spent three months in South America obtaining these beautiful colored films. We are fortunate to have such an early showing of them for they are up to the minute. Mrs. Leathers, chairman of Art, hopes for a fine exhibit of examples of "Hobbies" by our members. Please bring early your hooked rugs, needlepoint, collections of buttons, miniature pianos, etc.

There will be a good sale for the benefit of the Club House Fund. All members are urged to bring breads, cakes, pies, and results of any choice recipes that you enjoy making.

Beginning Friday, March 24 Mrs. Mitchell's Flower Arrangement class will meet, and every other Friday a. m. from 10 to 12 at the Library. Any member interested will be welcomed.

FESTIVAL SERVICE AT EPHRAIM

At the Church of the Epiphany on Palm Sunday evening at 7:45 there is to be a festival service by the choir under its director, Fred Field, organist. The "Victory To Death" of Tosti and Brahms' "How lovely is Thy dwelling place" will be some besides the "Dances of the Seven Last Words of Christ", which is to be presented in full. The solos will be by Sophia Gardner, soprano; J. Raymond Graham, tenor; Fred E. A. Smith, baritone; and Robert Jewell, bass. There is to be organ and piano accompaniment. Mrs. Kenneth B. Hisea at the piano, and Mrs. Robert Loring of Swampscott at the organ.

The pastor, Rev. Dwight Hadley will preside, and all are cordially invited to attend.

METHODIST PASTOR TO GIVE "LIFE OF JUDAS"

The last Union Lenten Service next Wednesday, at the Second Congregational Church Rev. John Shook, Jr., pastor of the Crawford Memorial Methodist Church, will present a dramatic monologue on the life of Judas, the disciple who betrayed his Lord.

The reading is the outcome of a study of the experiences of one who valued his personal safety and security rather than the acclaim as a loyal follower of the Master.

UNITARIAN VESPERS

Last Sunday at the Unitarian Church, Mrs. Mary Stanton Witham presented a Lenten choral vespers service of significant beauty. Her Unitarian choir of thirty-two voices was augmented by the Mary Witham Singers, a group of eighteen women, and the combined voices gave effective balance and power to the selections chosen.

Throughout the ages music has played an immeasurable part in uplifting the spirit of man. By its use in the Christian churches his highest thoughts have been transformed into creations of emotional beauty impelling in their influence toward ever nobler living. Mrs. Witham, from her wide knowledge of the best of sacred music, planned an historical program appropriate to Lent, building from past centuries to the present.

Her first group was of the sixteenth century — Dornus, Palestrina, Arcadelt, invocation, adoration, and appeal, sung a cappella with beauty of tone and devout feeling. The seventeenth and eighteenth centuries were represented by two magnificent choruses from Handel's "Messiah" — "Behold the Lamb of God" and "Surely He Hath borne our Griefs"; and in contrast the well-loved "Ave Verum" of Mozart. For the twentieth century there also was contrast. From Brahms' "Seven Last Words of Christ" the "Sixth Word" was chosen, its beginning expressive, its solo, "Father, into Thy Hands," effectively sung by Edgar Landie, and developing with the chorus into transcendent climaxes. The close of that tender music, the intense and fervent "Behold, All Praise" of Brahms' "Requiem" was sung with glorious power and feeling.

The final group, representing our present century, was composed of five shorter numbers, varied, but all beautiful and expressive. The composers being Tchaikovsky, Robert Schumann, Archaelt, and Thum. The program closed with Thum's "Hymn of Praise," which prophesies a world of nobles when upon this earth and develops as a tremendous and uplifting climax.

Throughout the program the singers responded sensitively to Mrs. Witham's flexible direction which results in fervent eloquence and sincerity. Weston Branch at the organ provided beautiful support for the voices, and his precise, efficient and poised accompaniment was admirably suited to the program. Tympani by Ralph Stevens enhanced the thrilling effect of the accompaniments in the Brahms and Thum numbers.

The address by Dr. Charles Edwards Park brought to a focus the thought and feeling of the music and was impressively helpful.

SPRING LUNCHEON

A spring luncheon and holiday show is planned for Thursday, April 20 at 1 o'clock in the Crawford Memorial Methodist Church.

This affair is sponsored by the Women's Society of Christian Service of the church.

FASTER PLAY PRESENTED BY FORUM DRAMATIC CLUB

The Senior Forum of the First Congregational Church can well be proud of their Dramatic Club, who last Sunday presented in Ripley Chapel an Easter Play "A Cloud of Witnesses," a royalty play by Esther Willard Bates. The play carries a powerful religious message of immortality, and the Forum players caught the spirit of it and presented it so that it was deeply moving. The mood of Easter joy in the resurrection was set by the chaplains, Leon Farnard and Richard Rush, Jr., who conducted the beautiful worship service preceding the play.

The story of the play centered around Helen Roberts, beautifully portrayed by Diane Gulaker, whose fiancé had just died. She had been notified of the Alaskan airplane crash just the night before Easter. She came to the church Easter morning to arrange the flowers and then planned to slip out before the service. While she is busy, the choir comes in to practice, led by Mrs. Elliot, the music director (Janet Archibald), and the minister, Dr. Bryant (Scott Cunningham) comes with her about the Easter service. The minister part of the play was the return to the church for the Easter service of three people "from a far country," not dead, as people suppose, but alive, though invisible to all but the audience. These parts, Mrs. White, Mrs. Bayard, and Porez Hopkins, were played by Louise Kugler, Catherine Goss, and David Archibald. While these three were discussing old times and how they were planning to see their loved ones again at the church, Jeff Rankin, the fiancé of Helen Roberts, enters. It is a dramatic moment as he walks down the church aisle, trying to speak to people he knows, but finding that they do not seem to hear or see him. The four men, who are conducting the visitors, to earn were played by Daniel plan eland, Mary Jane Davis, Trevor Smith, and Joyce Thomas. Herbert Clark, Jr., as Jeff Rankin, a part that was difficult, but was interpreted with a quiet dignity that made a deep impression.

Dorothy Brandt, Roberta Coen, Anne Lindsey, Nancy Ross, Lynn Stevens, Brenda Foxe, and Carolyn Padelford supplied the background music, and Edna Hisea was prompter. The Director was Dr. Eugene M. Pollard.

The play was so beautifully done and carries such an inspiring message that the Forum players have been asked to give it again for the general public. It will be presented in Ripley Chapel on Easter Sunday, April 9, at 5:00 o'clock.

COMMUNITY CONCERT DRIVE FOR MEMBERSHIPS NEXT WEEK

Memberships in the Winchester Community Concert Association for 1950-1951 will go on sale Monday, March 27, when the Winchester Smith College club opens the week's campaign drive with headquarters at Peck & Peck on Main Street.

After last night's brilliant performance by the young French pianist, Nicole Henriot, and the two previous excellent concerts this season by Paul Makovsky, violinist, and the De Pauw Infantry Chorus, there is great enthusiasm for the coming concert next year. This series which benefits the scholarship fund of the Winchester Smith College club has become increasingly popular, not only because of the superior caliber of the artists but because of the unusual privilege, particularly in inclement weather, of attending right here in the High School auditorium and not traveling in town. Since memberships are necessarily limited by the seating capacity of the hall, everyone is urged to purchase memberships early in the week. No tickets are sold at the door the night of the concert. A limited number of student memberships at half price is available and may be purchased at headquarters or by contacting one of the following ticket captains: Mrs. J. Waldo Bond, Mrs. Neil H. Borden, Mrs. Robert A. Drake, Mrs. Edward J. Sturges, Mrs. Robert Roundy, Mrs. Charles H. Tozier, and Mrs. Frederick Walsh.

Officers of the concert association for the coming season are as follows:

President — Miss Adelaide Homer, Vice-President — Mrs. Stanley Neill.

Cochairmen: Mrs. Melville I. Hughes, Jr. and Mrs. Gilbert I. Taggart.

Secretary — Mrs. Harold Farnsworth.

Treasurer — Mr. Davenport Davis, Publicity — Mrs. Benjamin T. Marshall, Jr.

Concert Arrangements — Mrs. Gilbert H. Bond, Jr.

Directors for 1950-51 are Miss Glenn Amfantis, Mr. Robert Carlson, Mrs. Thomas Hennessey, Dr. Samuel B. Kirkwood, Mr. Carroll Knott, Mrs. Charles Livingston, Mr. Benjamin T. Marshall, Jr., Mr. and Mrs. Kenneth Moffatt, Dr. Eugene M. Pollard, Mrs. Leon Sargent, Mr. Arthur T. Rode and Mr. Carl W. Wood.

The campaign drive closes Saturday, April 1, but it is anticipated that it may be a sell-out before that date, as the concert series has grown from a project of the Smith College club to a truly community wide interest.

LIBRARY MOVIES

This week's program of films at the public library: BEACH AND SEA ANIMALS, MEETING THE CHALLENGE (A railroad film), WINGS TO HAWAII and one other film to be announced. The above films will be shown at 7:30 p. m. on Friday night. Tickets are not required for families or adults for the Friday night program. Children are not admitted unless accompanied by adults. Junior High School boys and girls, accompanied by an adult are admitted by ticket only. These may be obtained in the Boys' and Girls' Department up to capacity.

Admission to the Saturday morning film programs is by ticket only. Tickets go so quickly that it is advisable to ask for them early in the week. Tickets are free and available in the Boys' and Girls' Department of the library.

Arthur E. French, Jr., whose father, "Art" French, was an outstanding football and track man at Winchester High and Harvard, played regularly on the Harvard Freshman hockey team this winter. A big boy, "Art Jr." has been out for freshman and varsity football but thus far hasn't equalled his father's stature in this sport. "Art Sr." captained the Crimson and was one of the fleetest halfbacks of his time.

M. S. P. C. A.

Winchester Auxiliary. For all calls phone LONGWOOD 6-6160.

On Tuesday, March 14th at 2:30 p. m. a meeting of the Winchester Auxiliary of the M. S. P. C. A. was held at the home of Mrs. John Gilbert, 6 Stevens street.

It was an interesting and lively meeting with several important matters of business discussed. Mrs. Hildeth and Mrs. Clarke brought up the idea of a "float" for the parade in the celebration of the 100th anniversary of Winchester. Dr. Hanson of the Angell Memorial Hospital, had expressed his approval of the plan and was to be interviewed again in regard to it. The members had various ideas and were most enthusiastic.

At the close of the meeting Mrs. Gilbert served a delicious "Tea" and members enjoyed a delightful social hour.

EPHRAIM COMMITTEES ANNOUNCED

The following committee is assisting Mrs. Edward F. Boyd, superintendent of the primary department of Epiphany Church with the annual Lenten Sale, on Friday, March 31.

Decorations: Mrs. Neil H. Borden, Mrs. James K. Baldwin, Mrs. Joseph H. Beck, Mrs. Walter K. Parkin, Mrs. John S. Swift, Mrs. Harold Russell.

Food Table: Mrs. John W. Bond, Mrs. William N. Beal, Mrs. William H. Mitchell, Jr., Mrs. Kenneth Cullen, Mrs. Stanley S. Ballard.

Candy Table: Mrs. Joseph H. Beck, Mrs. Edwin P. Hall, Mrs. Charles N. Sweetser.

Plant Table: Mrs. Roland Hanson, Mrs. Walter K. Hutchinson.

Tea: Mrs. Robert C. Lewis, Chairman, Mrs. John C. Willis, Mrs. Richard H. Bateman, Mrs. Korn E. Follers, Mrs. Paul J. Roemer, Mrs. Henry K. Fitts, Mrs. John L. Kennedy, Mrs. Frank D. Bates, Mrs. Lee Mason, Mrs. Malcolm Bennett, Mrs. Paul Lamotte.

Waitresses: Miss Mabel Shoemaker, Miss Carol Crockett, Linda Kilbree, Mary Farquhar, Deborah Jones, Joan Patterson, Diana Chase, Lucy Page, Lois McClintock, Bonnie Lee Campbell, Irene Mallen, Marianne Bailey, Candace Marshall, Janet McNelly, Virginia Bateman, Sara Fish.

Porters: Mrs. Dwight W. Hadley, Mrs. Harlow Russell, Mrs. Richard H. Frazier, Mrs. Stephen G. Nichols.

Other Assisting: Mrs. Clarence S. Luntzweiler, Jr., Mrs. William H. Howe, Mrs. Edwin A. Klose, Mrs. Herbert S. Mallen, Mrs. William L. Bailey, Mrs. Herbert O. Fairchild, Mrs. Herbert S. Wadsworth, Mrs. Donald Wilbers, Mrs. Ralph S. Jope, Miss Mary Rostwick, Mrs. Lester G. Wittaker, Miss Barbara Fudge.

Charles Hart, Jr., son of Mr. and Mrs. Charles A. Hart, 3 Folsome street, a student at Vermont Academy, Saxtons River, Vermont, has returned to his home for the spring recess.

IMMACULATE CORPS IN CENTENNIAL PARADE

Boston papers on March 15 carried pictures of the Immaculate Conception Drum and Bugle Corps of Winchester in their white and gold uniforms at the Centennial Parade in Boston. The parade was held on Sunday, March 12, at the Boston Convention Center. The Corps, under the leadership of Rev. Herbert K. A. Smith, pastor of the Immaculate Conception Church, has arranged to have the Corps enter in Winchester's Centennial Parade on April 29. They will be one of the Parade's special features, and will be under the direction of Joseph T. Callahan, official representative.

Float Prize Contest include Fells Hardware, first among local merchants to sign up, and which "Jim" Chisholm and "Jack" Ryan say will have something very special to offer. Also the combined men's and women's lodges of the Sons of Italy, for which James Violante is official representative, are planning a colorful float.

The Masses of William Parkman Lodge, Mystic Valley Lodge and Winchester Royal Arch Chapter have entered a large float which will have the universal globe, depicting the world-wide scope of Masonry, and have appointed Commander H. A. Hall, U. S. N. as official Parade representative. Winchester Auxiliary of the Massachusetts Society for the Prevention of Cruelty to Animals, Mrs. J. H. Clarke, official representative, will enter a specially decorated animal ambulance.

Definite assurance has come from 1st Lieutenant Paul D. Lewis of Company G, 122nd Infantry, Massachusetts National Guard, that his unit, stationed at Woburn Army, and extremely popular in this area, will be in hand for the April 29 Parade. Company G, recruited principally from Woburn and Winchester, is outstanding in the National Guard for drill and marksmanship, holding two firsts all.

ready on the Burke Memorial Trophy at Wakefield State Rifle Range. Wearing the new dress and helmets of the First Army of the East, to which the Regiment is attached as a combat team, they will have jeeps in the Centennial Parade bearing the very latest infantry combat weapon, the famous 57-millimeter recoilless rifle, which is new to Winchester and which will be particularly noted by those interested in military equipment.

1st. Lewis, former infantry officer and paratrooper in the European campaigns, and his company, will carry on the 122nd Infantry tradition which parallels Winchester's history over three hundred years. Officially organized in 1630 as the North Middlesex Regiment, its officers and men fought through the Indian wars, Concord, Lexington and Bunker Hill. Then as the Fifth Regiment at Ball Run in 1861 and in the Spanish War, they continued to win battle honors, and were awarded the Merit-Angone decoration in World War I. Finally, in the 122nd Regiment, they won four battle stars in the Pacific from 1942 to 1945 with the Americal Division, and were awarded battle decorations at Guadalcanal and Bougainville in the Solomon Islands and at Leyte and Corbin in the Philippines. Winchester will be included in a map all the way back in past years. This year it was up and took all the way in both halves.

CIVIL AIR PATROL NEWS

The 1st. Flight of Civil Air Patrol extends hearty congratulations and best wishes to the town of Winchester on its forty-second one Hundredth Anniversary Celebration. We wish to thank Commander Klumpp, P. O. Box 100, for his thoughtful invitation, and our participation in the Anniversary Parade, April 29. On receiving the permission of Winchester, Wing Headquarters, the flight will be most happy to comply.

The new Air Scout recently received and is a gift of the town of Winchester. This Scout will be used to transport the 122nd Infantry, Winchester, to the parade on April 29. The flight will be most happy to display this Scout.

Several cadets have volunteered their services to Winchester. Wing Headquarters, located at the Boston Army Base. They will serve in the capacity of much needed clerical assistants every Wednesday afternoon for an indefinite period of time.

Winchester members of the Modford Flight are: Sgt. Jacqueline Fitch, Sgt. Betty DeBelle, and Russell Nelson.

Winchester Lodge, No. 150, is holding a social affair at the Winchester Hotel, March 24 and 25. The affair will be a social affair for all members and friends of the lodge.

St. Mary's beat Georgetown for second place. St. Mary's beat Villanova for first place. St. Mary's beat Georgetown for second place. St. Mary's beat Villanova for first place. St. Mary's beat Georgetown for second place. St. Mary's beat Villanova for first place.

The St. Mary's committee is holding a social affair at the Winchester Hotel, March 24 and 25. The affair will be a social affair for all members and friends of the committee.

Mrs. Roberts is a past commissioner of the Girl Scouts in Winchester and is currently active in the Jackson College Young Women's Association of which she is a director.

Other members of the committee are Dr. Eugene M. Pollard, secretary, and Dr. John W. Smith, Jr.

The first day of the parade will be on Saturday, April 29. The parade will start at 10:00 a.m. and will end at 5:00 p.m. The parade will be held on the main street of Winchester.

WINCHESTER HOME AND GARDEN CLUB

On the afternoon of March 15 Mrs. Burton J. Foxe made a charming hostess. She opened her very attractive home for the meeting and tea of the Winchester Home and Garden Club.

Mrs. Frank J. Robinson, the President, conducted a most interesting meeting with several announcements. She was proud and happy to report that the strikingly original and dramatic arrangement made by Mrs. Samuel Kirkwood for our club had won the Gold Medal in the 1949-50 season.

The next Club meeting will be on Tuesday, April 18 at the Waltham Ford Station.

The next Club meeting will be on Tuesday, April 18 at the Waltham Ford Station.

TOWN LEAGUE PLAYOFFS

The playoff for the championship of the Town Basketball League is all tied up as the result of the Bonnell Motors and the American Legion winning a game from each other during the past week. They will meet on Monday night in the third and deciding game and a good crowd should be on hand for this one as the teams are well matched and are playing good ball. The Bonnell Motors are making a game effort to repeat as champions, an accomplishment that no team has been able to perform in the past three years.

The American Legion took the first game of the series on Monday night in a close 31-29 battle. The Bonnell Motors led 11-10 at the half but the Legionnaires staged a spirited rally in the third quarter to go ahead 17-11 as they held the Bonnell's scoreless. Ken Donaghy scored 7 points in the last quarter to keep the Legion ahead through the nip and tuck final period. Both teams played very cautiously, controlling the ball very well, and scoring was kept to a minimum.

The Bonnell Motors came back on Wednesday night to even the series as they scored a convincing 45-23 victory. Actually the game was much closer than the score would indicate for the Bonnell Motors led 21-16 at the half and 28-25 at the end of the third quarter. The Bonnell's blew the game wide open in the final period, however, as they scored 18 points in that period to ice the contest. Tall Al Switzer turned in an outstanding performance as he successfully

converted 12 out of 14 foul shots.

The consolation series between the Sons of Italy and the Mercurio Insurance is also all even as the teams split victories in their two games this past week. The Sons of Italy won the first tussle on Monday night by a score of 37-36 in an overtime period. Sam Bellino sank a foul shot in the closing seconds of play to tie the score at 32-32 and send the game into overtime. The Mercurio Insurance bounced back to score an easy 39-27 victory on Wednesday night to even the series. These two teams will meet in the third and deciding game as the preliminary game on Monday night.

SMITH HARVARD WRESTLING CAPTAIN

David Smith, son of Prof. and Mrs. Lyman Smith of Kensington, Md., formerly of this town, was on Tuesday elected captain of the Boston Y.M.C.U. He is the grandson of a season in which he was undefeated.

A graduate of Winchester High School.

School, "Dave" has been a mainstay of the Harvard freshman and varsity wrestling teams for the past three seasons. Last Saturday he won the 145 pound championship in the annual New England A. A. U. competition at the Boston Y.M.C.U. He is the grandson of Library Trustee and Mr. Francis E. Smith of 1 Wolcott terrace.

DOUBT TO CAPTAIN TUFTS HOCKEY TEAM

Scott Doubl, tall winger from Winchester, was recently elected co-captain of the Tufts varsity hockey team for next season.

Son of Mr. and Mrs. E. W. Doubl of Sargent road, Scott is a graduate of Winchester High School, where he won letters in football and hockey. At Tufts he played freshman football and baseball as well as playing a little varsity football as a sophomore. He has played three years of hockey at Tufts, and this year was runner-up for team scoring honors with 16 goals and four assists, matching the team's top-scorer in goals.

Scott has been a member of the Winchester line at Tufts this season, playing with classmates Dave "Moose" Morrow, center, and Bill Dimesell at the other wing. All three will be back next year when it is expected that the Jumbos will improve considerably on their 7 and 9 record of this season, their first formal year of varsity competition.

COMMANDED THE 9TH DIVISION

Brigadier General Ralph A. Palladium, USA, of North Gateways commanded the 9th Division, Organized Reserve Corps of Massachusetts in the recently conducted extensive war maneuvers at Fort Devens. Two hundred sixty-six top commanders of forty units of civilian components in the New England area worked together at Devens, and witnessed the capture of Boston, Lowell and Ayer, supposed to be in the hands of aggressor forces.

RECOMMENDATIONS ON WEST SIDE FIRE STATION CONFLICTING

Editor of the Star:
Now that the annual repre-
sentative Town Meeting for 1950 has
passed into history I would be
grateful to you for permission to
review briefly some phases of the
west side fire station problem. Al-
though it may appear that this
question was settled last Monday
night I am sure you will agree
that it has just been deferred. At
the outset may I say that I hope
sincerely no one will read criticism
of anyone into my remarks. I
have nothing but respect and
praise for the members of the west
side fire station committee and all
who so ably work with them. I
have for all of our other com-
mittees who so unselfishly serve us.
I am one of those who voted
against the west side fire station
but this letter is not intended as a
defense of that position. It is in-
tended simply as an endeavor to
consider some of the reasons why
this proposal was defeated and
what action seems indicated in
determining upon a sound and logical
decision to this highly impor-
tant matter.

The fundamental difficulty
it seems to me arose directly from
the conflicting recommendations of
those to whom we look for facts
and informed opinions based upon
their greater knowledge of the
problem. The west side fire sta-
tion committee was given a job to
do and I believe did it exceptionally
well. This committee strongly
recommended the erection of a west
side fire station on the corner of
Main and Washington streets. I
and, as have an able and highly
respected planning board which is
supposed to review and plan for
all needed projects and the town
sufficiently in advance that they
can be considered, studied and
decided upon in an orderly manner.
The planning board recommended
unfavorable action on the west side
fire station. Our able and efficient
finance committee also recom-
mended unfavorable action. So that
we had divided councils on the part
of those to whom we look for in-
formed opinions with respect to the
basic problem itself. Should we
erect a fire station? Next we had
equally divided opinions with re-
spect not only to the probable cost
of erecting and equipping this pro-
posed fire station but also as to
the annual cost of maintaining it.
Obviously, informed opinion might
with reason be divided as to a spe-
cific location, but not on the fun-
damental question of basic need.
To some of us it seemed that there
ought not to have been such differ-
ences of opinion with respect to
the costs of construction and oper-
ation. It would seem reasonable to
assume that an estimate of the cost
of construction could be obtained
that would be acceptable to all
concerned. And there should be
even less cause for disagreement
on the cost of equipping and main-
taining the proposed station. To
the layman it would seem that the
first step would be to consult the
fire chief and the professional con-
sultants and work out with them
the types and quantities of equip-
ment needed and the number of
men necessary to man the station.
This was a case where coordi-
nated action of the authorities in
involved would have tended to the
consensus and undoubtedly have
contributed much more constructively
to a sound and orderly considera-
tion of the problem.

As a town meeting member
reaching conclusions I have great
weight to the recommendations of
our learned committees. They are
also the planning board for ad-
vice on matters of the kind in
question. Our fire department is
worried about its ability to effec-
tively handle fires on the west side.
The west side fire station com-
mittee and its eminent consultants
have also pointed out the dangers
inherent in the present situation.
But officers who see stations as
worthy of respect have pointed out
that the proposed station which
is a steel structure is not a fire sta-
tion. That we have a fire station
problem is, it seems to me, not subject
to debate. The report of the

side fire station committee and the
discussion which followed its pre-
sentation has very usefully and
constructively centered attention
on the problem. It should be re-
solved as rapidly as possible but
in an orderly and unemotional
manner after a sufficient review
and study of all the facts by those
in a position to have informed
opinions. I would hope our plan-
ning board will publish to the
citizens of Winchester its consid-
ered recommendations with respect
to the long term fire station re-
quirements. What is the pro-
gram toward which we should
work considering the area of the
town, its probable population
growth and the factors of traffic
and local conditions. If this long
range program includes a station
on the west side as recommended
by the west side fire station com-
mittee then the proposal should be
brought up again at the next an-
nual town meeting and given a
favorable action recommendation.
If on the other hand this planning
board long range study does not
include the proposed west side fire
station we should have the sub-
stitute recommendation.

I would also hope and strongly
think that when a subsequent recom-
mendation is brought before the
town meeting the special com-
mittee, the planning board, the finance
committee, and any others involved
will make a special effort to co-
ordinate their thinking and their
estimates, so that orderliness and
constructiveness rather than con-
fusion will prevail.

Sincerely yours,
Clifton W. Bennett

WINCHESTER NOT TOO
SMALL FOR GOVERNOR

Editor of the Star:
A friend of mine, Patrick Henry
Croughwell, asserted that Winches-
ter is too small a town to be the
home of a Governor of Massachu-
setts. That's what you think,
Lester, brother, if a successful
business man makes a success of
selling groceries, is he not en-
titled to be governor of Massachu-
setts? On the other hand if a
man is a failure at selling neckties
is he entitled to be a President of
the United States? I shall let the
readers of the Star decide.

Now, brother, please listen at-
tentively. The most distinguished
leader of the Revolution, perhaps
the most distinguished of all time,
was Colonel John Brooks, who
led the militia and the army of
Massachusetts from 1816 to 1823.
John Brooks was born in the house
which is his grandfather's, Ebenezer,
at Symmes corner in 1782.

The next Winchester Governor
of Massachusetts was Samuel W.
McCall. In 1887 and again in 1888
Winchester was given a job to
do and I believe did it exceptionally
well. This committee strongly
recommended the erection of a west
side fire station on the corner of
Main and Washington streets. I
and, as have an able and highly
respected planning board which is
supposed to review and plan for
all needed projects and the town
sufficiently in advance that they
can be considered, studied and
decided upon in an orderly manner.
The planning board recommended
unfavorable action on the west side
fire station. Our able and efficient
finance committee also recom-
mended unfavorable action. So that
we had divided councils on the part
of those to whom we look for in-
formed opinions with respect to the
basic problem itself. Should we
erect a fire station? Next we had
equally divided opinions with re-
spect not only to the probable cost
of erecting and equipping this pro-
posed fire station but also as to
the annual cost of maintaining it.
Obviously, informed opinion might
with reason be divided as to a spe-
cific location, but not on the fun-
damental question of basic need.
To some of us it seemed that there
ought not to have been such differ-
ences of opinion with respect to
the costs of construction and oper-
ation. It would seem reasonable to
assume that an estimate of the cost
of construction could be obtained
that would be acceptable to all
concerned. And there should be
even less cause for disagreement
on the cost of equipping and main-
taining the proposed station. To
the layman it would seem that the
first step would be to consult the
fire chief and the professional con-
sultants and work out with them
the types and quantities of equip-
ment needed and the number of
men necessary to man the station.
This was a case where coordi-
nated action of the authorities in
involved would have tended to the
consensus and undoubtedly have
contributed much more constructively
to a sound and orderly considera-
tion of the problem.

As a town meeting member
reaching conclusions I have great
weight to the recommendations of
our learned committees. They are
also the planning board for ad-
vice on matters of the kind in
question. Our fire department is
worried about its ability to effec-
tively handle fires on the west side.
The west side fire station com-
mittee and its eminent consultants
have also pointed out the dangers
inherent in the present situation.
But officers who see stations as
worthy of respect have pointed out
that the proposed station which
is a steel structure is not a fire sta-
tion. That we have a fire station
problem is, it seems to me, not subject
to debate. The report of the

mission declared a holiday of moun-
taining when he passed away. We
town laborers attended the services
held at the Episcopal Church on
Church street that was erected in
1892. It certainly was a pathetic
sight to witness the then vigorous
and Democratic ex-Governor
James Michael Curley assisting the
ex-Republican Mayor of Boston,
the Honorable Thomas N. Hart of
North Reading, who was 90 years
of age up to the altar.

Master McCall now sleeps in
Wildwood Cemetery in the Town
of Winchester, the town that he
loved so well. May he rest in
peace.

Yes, dear friend, Winchester is
not too small a town for a Gov-
ernor of Massachusetts to live in.
The Statehouse is none too big for
Harris S. Richardson of Winches-
ter, president of the Massachusetts
State Senate.

Very truly yours,
Patrick Henry Croughwell

MERCHANTS AND
MANUFACTURERS OF
WINCHESTER

We wish it were possible to per-
sonally call upon each one of us
to discuss Winchester's Centennial
Week (April 23-30) and particu-
larly the One Hundredth Anniver-
sary Parade.

To date we have seven bands,
almost two thousand marchers
and twenty-six floats definitely
committed to the Parade. The
Parade will take place on Saturday
afternoon, April 29 at 2 p. m., over a
route extending from the Wolcott
line on Main street to the Square
around the Town Hall on Mt. Ver-
non street, and out to Main street
again, ending at Ginn Field near
Wedgefield Station.

So far, the floats have come al-
most entirely from civic and social
organizations. We want you to
know that we are anxious to wel-
come in the parade if you wish to enter
a float, and we would like to have
at least one section of the parade
assigned to the merchants and
manufacturers of Winchester,
either to display your wares and
products in festive attire, or to ar-
range an historical display under
the name of your business firm.

The Town Hall will be suitably
decorated, and we also hope that
business firms along the line of the
parade and elsewhere in the vicin-
ity of Winchester Square will add
to the occasion by flags or hunting
guns or other displays. Featuring the
100th Anniversary occasion.

Let us know, please, at your
early convenience on a postal
card, and if you wish to have over-
looked any who might be especially
interested in the Parade floats, it
was not intentional, and they are
not intended, and they are not
for the floats, and we know that
Centennial Week will be long re-
membered in this community as an
outstanding celebration.

Very truly yours,
One Hundredth Anniversary

George M. Amerige, husband of
Nelle Hadli Amerige, died in the
Winchester Hospital after a brief
illness on Friday, March 17.
Mr. Amerige was born in Saugus,
the son of the late Judge George M.
Amerige and the late Mary (Port-
er) Amerige, also of Saugus.
He attended the Saugus schools
and was a graduate of Boston Uni-
versity Law School. Mr. Amerige
maintained a law office at 33 State
street in Boston for more than 50
years, was also treasurer of the
Frederick E. Weber Charles Corp-
oration, and trustee of several New
England Trusts.

Mr. Amerige had been a resi-
dent of Winchester for 26 years,
and spent many summers at his
cottage at Deer Isle, Maine. His
wife is his only survivor.

Funeral services were con-
ducted Tuesday afternoon at his home, 125
Cambridge street, by the Rev. Mr.
William Hart of the Old South
Church in Boston. Committal ser-
vice and interment were in River-
side Cemetery, Saugus.

George Morris Amerige
George M. Amerige, husband of
Nelle Hadli Amerige, died in the
Winchester Hospital after a brief
illness on Friday, March 17.

Mr. Amerige was born in Saugus,

SPRING FASHION SHOW AT
GEORGE WASHINGTON
SCHOOL
On Tuesday, March 28th at 2:30
p. m. the Mother's Association of
the George Washington School will
have its official how-to-Spring with
a gala fashion show. The show,
planned and directed by Mrs. Robert
Graham, Jr., Chairman of the
Program Committee, promises to
be a dazzling affair. Youthful
models, mostly the pupils them-
selves, will parade down the soft-
lighted and flower-decorated run-
way to carry out this year's
fashionable style. They will be show-
ing the very latest and most in-
triguing in Children's spring cloth-
ing, from the Young Fry Shop, in
Melrose.

The 3-year-old bathing beauty,
little Becky Pitts, will model some-
thing especially glamorous in bath-
ing togs.

Before the Fashion Show, a Sil-
ver Tea will be served by Mrs.
Frank Carver, Chairman of the
Social Committee, and her assis-
tants.

Preschool children, and children
from the second grade will be
cared for in the kindergarten
room.

The following children will
model:
Pre-School
Dorothy McIntosh
Ann Groedel
Linda Dreyer
Becky Pitts
Barbara Morton

Kindergarten:
Edna Graham
Therese Merewether
Judy Turr
Bonnie Burr
Thalia McCarthy

Boys:
Dougie Dade
Robert Carter
Bobby Gough
Donald Abbott
Billy Lamarche

oration, and trustee of several New
England Trusts.

Mr. Amerige had been a resi-
dent of Winchester for 26 years,
and spent many summers at his
cottage at Deer Isle, Maine. His
wife is his only survivor.

Funeral services were con-
ducted Tuesday afternoon at his home, 125
Cambridge street, by the Rev. Mr.
William Hart of the Old South
Church in Boston. Committal ser-
vice and interment were in River-
side Cemetery, Saugus.

George Morris Amerige
George M. Amerige, husband of
Nelle Hadli Amerige, died in the
Winchester Hospital after a brief
illness on Friday, March 17.

SPRING FASHION SHOW AT
GEORGE WASHINGTON
SCHOOL
On Tuesday, March 28th at 2:30
p. m. the Mother's Association of
the George Washington School will
have its official how-to-Spring with
a gala fashion show. The show,
planned and directed by Mrs. Robert
Graham, Jr., Chairman of the
Program Committee, promises to
be a dazzling affair. Youthful
models, mostly the pupils them-
selves, will parade down the soft-
lighted and flower-decorated run-
way to carry out this year's
fashionable style. They will be show-
ing the very latest and most in-
triguing in Children's spring cloth-
ing, from the Young Fry Shop, in
Melrose.

The 3-year-old bathing beauty,
little Becky Pitts, will model some-
thing especially glamorous in bath-
ing togs.

Before the Fashion Show, a Sil-
ver Tea will be served by Mrs.
Frank Carver, Chairman of the
Social Committee, and her assis-
tants.

Preschool children, and children
from the second grade will be
cared for in the kindergarten
room.

The following children will
model:
Pre-School
Dorothy McIntosh
Ann Groedel
Linda Dreyer
Becky Pitts
Barbara Morton

Kindergarten:
Edna Graham
Therese Merewether
Judy Turr
Bonnie Burr
Thalia McCarthy

Boys:
Dougie Dade
Robert Carter
Bobby Gough
Donald Abbott
Billy Lamarche

Finer services were con-
ducted Tuesday afternoon at his home, 125
Cambridge street, by the Rev. Mr.
William Hart of the Old South
Church in Boston. Committal ser-
vice and interment were in River-
side Cemetery, Saugus.

George Morris Amerige
George M. Amerige, husband of
Nelle Hadli Amerige, died in the
Winchester Hospital after a brief
illness on Friday, March 17.

Mr. Amerige was born in Saugus,
the son of the late Judge George M.
Amerige and the late Mary (Port-
er) Amerige, also of Saugus.

He attended the Saugus schools
and was a graduate of Boston Uni-
versity Law School. Mr. Amerige
maintained a law office at 33 State
street in Boston for more than 50
years, was also treasurer of the
Frederick E. Weber Charles Corp-
oration, and trustee of several New
England Trusts.

Mr. Amerige had been a resi-
dent of Winchester for 26 years,
and spent many summers at his
cottage at Deer Isle, Maine. His
wife is his only survivor.

WOMEN'S COUNCIL

Mr. Charles Jellison and Mrs. George Dutton were speakers at the Spring meeting of the Winchester Women's Council, held Friday, March 17, at the Library. The annual election of officers was held and the following were chosen to serve for the coming year: President, Mrs. Leo Manoli; Secretary-Treasurer, Mrs. Austin Bunker; to represent church groups, Mrs. Forbes Norris; College groups, Mrs. Norman Padelford; Educational groups, Mrs. William Kugler; Mothers' Association, Mrs. George Gowdy; Philanthropic groups, Mrs. Frank S. Evans; Political groups, Mrs. William Cusack; Women's clubs, Mrs. A. Allan Kimball; Members at large, Mrs. Alexander Clark and Mrs. B. T. Marshall.

The Council maintains a Club

Calendar which hangs near the entrance in Mary Spaulding's Book Shop. Here all Winchester activities may be entered far in advance of the date on which they are to occur. This has been of great assistance to clubs in arranging their programs as they may thus avoid planning engagements on dates chosen by other organizations. The Calendar is now in readiness so that activities may be listed as far ahead as December. Mrs. George Saltmarsh has had charge of the Calendar and local associations are indebted to her for the splendid work she has done on it. She has the pages for the past two years and these are available to any club for reference.

Mr. Charles Jellison is a member of the School Committee who is serving on the Committee for the High School and Enlarged Junior High School. He told of some conclusions reached by this committee

whose object is three-fold — to improve the construction program to meet the need of the increasing school population, to secure the services of an increasingly competent teaching staff and to procure facilities and plant to carry out the instructional program.

At present, our elementary schools are superior by any standards. The need for better conditions in secondary schools has been recognized for some time. Growth has made the situation critical. The committee realizes that Winchester has other building problems and hopes to provide schools consistent with these needs. The salient facts are first, that the Senior High School is obsolete. No more than a marginal facility. After long and careful consideration of all possibilities and all disadvantages the committee concluded that as school property the

building should be abandoned. This does not mean that the building is not usable. It simply is not suitable as an educational institution. It would make a satisfactory Town Hall which could hold the administrative offices of the School department. Second, the present 70-year-old Town Hall is inadequate and expensive to maintain. Some departments are now housed in rented offices. The committee would consider repairs, improvements or expansion of the building. The logical place for expansion of the present shopping center is the Mt. Vernon street area with Skillings estate and present Town Hall property being developed commercially.

Mr. Jellison named three possible locations with the committee favoring the Palmer street area as the site for a new Jr. High School. Here are thirteen acres accessible by public transportation from all parts of town. It is quiet, clean and the center of the school population. The area will probably never be developed for any other purpose as it is zoned against business. The committee suggests that Jr. High School should be built there in 1952 and a Sr. High School on the present Jr. High School property in 1956 or 1957.

Mr. George Dutton, Executive Director of the Winchester Red Cross reported that eighty-one pints of blood were collected when the mobile unit visited Winchester recently. The Boston Blood Donor

Center is always open and is staffed on the first Wednesday of each month by fourteen volunteers from Winchester. Mrs. Dutton spoke of the need at Bedford Hospital for men volunteers to help entertain the boys there. There is a definite field for men willing to help. The local chapter conducts groups in home nursing without charge. Classes of not more than 10 in charge of registered nurses are held in the Town Hall classroom. Red Cross groups sew on Wednesdays and make surgical dressings and make surgical corps drives about 1,000 miles a month and answers all calls for blood day or night. Mrs. Dutton answered some misunderstandings and idle rumors which unfortunately seem to arise concerning the Red Cross. First of all, the Red Cross has never refused blood to anyone in Winchester when it has been asked of them. Second, the volunteer motor corps drivers supply their own uniforms. The Red Cross does not pay for them. The ambulance is never used for personal convenience of any Red Cross worker. It is seen parked in Winchester Center it is because the driver is buying Red Cross supplies at a local shop. The annual campaign for funds is being conducted entirely by mail and all are urged to send their contributions as easily as possible.

The retiring Council President, Mrs. William E. Spaulding, thanked her Board members for their services and handed the gavel to Mrs. Manoel who graciously accepted it.

The Winchester Women's Council would like to take this opportunity to thank Mary Spaulding for her cooperation in giving space to the Calendar and the Winchester Star for its generosity and help in publishing all publicity releases and in never failing to print advance notices of meetings in its most valuable Coming Events column.

MARLYCLIFF ACADEMY TO PRESENT BOSTON CHORAL SOCIETY IN SPRING CONCERT

On Sunday, March 26th, at 8:00 p. m., the Boston Choral Society will give a return concert program in the Marlycliff auditorium at 10 High street Winchester. This program which is sponsored by the Fathers' Club will benefit the Marlycliff Building Fund and should be of particular interest to music enthusiasts and to all friends of the Academy.

The chairman of the Concert Committee, Mr. John McCallough, in announcing the event stated that the great enthusiasm and appreciation which greeted the Boston Choral Group at their first musical concert given just a year ago, have made this second appearance a "must" in Marlycliff activities.

Mr. Joseph Mayo, of Winchester, an active member of the committee declared, "The program to be given this year is entirely different from that of last March. We know that the selections sung under the capable direction of Miss Margaret La Liberte will once again, thrill the expected overflow audience."

Committee workers respectfully urge all music lovers of Winchester to secure their tickets as early date, since they know that the Boston Choral Group will again attract hundreds to the auditorium and the space is restricted.

Program planning and Concert arrangements are under the direction of Albert LaRocca of Boston, executive director of the Choral Group. Tickets may be secured at the Academy or from members of the Committee.

FLORENCE CRITTENTON TO VISIT WELCOME HOUSE

The Florence Crittenton Circle are invited to a tour of Welcome House and Maternity Home and Hospital on April 6th. All members who are interested are requested to meet at McCann's Drug Store at 10 a. m. Bring a box lunch, coffee will be served by Miss Fowler.

If you wish transportation call Mrs. Woodford Wilcox, WI 6-2225. This invitation is to all members, including those who have been on a previous tour but who are interested in seeing the new methods that have recently been adopted at both the Home and Hospital.

Cpl. and Mrs. Archibald Briefly of 82 Forest street, Winchester, are the parents of a daughter, born March 14 at Murphy General Hospital, in Walham. Cpl. Briefly is stationed at Aberdeen Proving Ground in Maryland.

RED CROSS BLOOD DONOR DAY

Eighty-one pints of blood were donated by Winchester's men and women (one from Woburn) at the Blood Donor Day on March 15, held at the First Congregational Church — and on that day preceded five, with its 30 donors, made a banner showing. Mrs. James Coon was chairman of the entire program.

It was an afternoon filled with fragments of real drama — some heart warming, some inspiring to the workers — as many donors came with a thankful desire to "replace Red Cross blood given to a loved one." It was a story retold by many donors, some who had been in this country a very short time.

In the six precincts, a volunteer telephone committee had been working energetically to get donors before the mobile unit on the 15th, and the results were excellent. Precinct 2 had 19 donors, precinct 3, 13; precinct 4, 8 donors; precinct 5, 6; and precinct 6, 1. The telephone committee plans to carry on this program for the next visit of the unit in June, when residents who were unable to come to the unit in March have promised to give in June.

The Blood Program committee is indebted to the two firmen, Chief James E. Callahan and James Haggerty, who came to the unit at 7 o'clock to help the mobile field, town engineer, who allowed his men time off for donating blood during the day; and to the Cantew, Catherine, Nancy, Nancy Dowling, Dona Macneely, and Arlene Weaver.

Motor Service workers included the helpful services of Mr. Seldon Jopp, Mrs. Robert Gardner, Mr. Joseph Santo.

Gray Ladies working that day were Mrs. Harold Twombly, Mrs. Roy Wilson, Mrs. Edward Foley, Mrs. Charles Farmer, Nurses' Aides, Mrs. Hollis Dyer, Mrs. Alan Switzer, Mrs. Edgar Trott, Mrs. George Field, Mrs. John Collins, Mrs. Harry Easton, Mrs. Harold Ekstrom, Mrs. Everett Stone, Mrs. Robert Winn, Mrs. Robert Armstrong.

Staff Aides were Mrs. Caroline Fitts, Mrs. Frank Hawkins, Mrs. Kenneth Moffatt, Mrs. Roger Buzoghe, Mrs. Virgil Girardin, Mrs. James Coon, Mrs. William Holdich, Miss Helen Monroe, Miss Ruth Leydon, and Mr. R. Robert Coon.

In the Canteen, the workers included Mrs. Ray E. Manger, Mrs. Ellen Ramsdell, Mrs. D. Towrley-Tilson, Mrs. Alan Howard, Mrs. Wanda Lovejoy.

While Winchester still has a long way to go to meet its quota of 100 pints of blood four times a year — the amount needed to meet the emergencies of its own residents — the committee feels that the goal is almost in sight, and has high hopes of meeting those men and women who came to the mobile unit on March 15 and unselfishly gave their blood to help another human being, the Red Cross extends a grateful and humble "Thank You."

Winchester BOY SCOUT News

WINCHESTER SCOUTING NEWS

Camp Fell-land Changes

When the 1949 camping season opens at Fell-land, scouts will be surprised to see that the baseball field has been leveled, the rifle range widened, the nature den, which was unsafe to use, has been removed and the inside walls of the two Memorial Lodge have been cleaned, while a new pier has been built to make the swimming area larger. Plans are underway for a new wintered cabin to be built on this will not start until there are sufficient funds to start at least one phase of the cabin. This will allow the group to camp even in the winter time.

Cub Pack 3 (Congregational Church)

Awards were made March 19th at the First Congregational Church to the following Cub Scouts who had previously passed a Court of Honor examination on the 15th of March: Robert A. Davis, Mason, Peter Martin, Donald Martin, Wolf Cub Scout, Eileen Little, Robin Carlson, Robert Dwyer, George W. Wainwright, John L. Gattis, Christopher Walsworth, Wolf Silver Arrow, Richard Tolman, John L. Gattis, Robert Dwyer, Cub Scout, Daniel Gayman, and Bear Cub Arrow, Daniel Gayman. Handicrafts were displayed at this meeting and first, second and third prizes were awarded to Dens 2, 3, and 6 respectively. Trips to the Navy Yard have been arranged with Dens 2, 3, 4 and 5 scheduled to go April 1 and Dens 1, 3, and 5, on April 8. Volunteers are requested to drive cars to the Navy Yard on these two days. The Cub Scouts are to march in three parades this coming Spring. Cub Pack 3 met at the First Congregational Church on Wednesday, March 22, for marching practice. Plans for St. Patrick's Night to be held on April 28 were announced. Prizes will be awarded to the three Cub Scouts who sell the most tickets. Cub Scouts are reminded to proudly wear their uniforms when asking anyone to purchase tickets. From them.

Cub Pack 6 (Unitarian Church)

At the recent Pack Meeting the following awards were made: Wolf: Reggie Bradlee, Wolf Cub: David Littleton, John Forward, Wolf Silver: Stevenson Davies, Wolf Hopkins, Richard Niles, John Forward, Tony Mulford, Bear: Arthur Wood, David Ambrose, Jack Chiodini, Allen Haines, Bear Gold: David Van Emerson, Gordon Fay, Ben Silver, Chap Myers, Gordon Fay, Lion: Kenneth Brown, Dennis Kenna, Bobbie Kaler, Harry Probst, Lion Gold: Chris Schell, David Pomeroy, and Lion Silver: David Pomeroy. Dens 1 and 3 were in charge of the program for the night and presented a fine skit. The boys from the Pack are insti-

tute these guests for the opening and presented their own skit, which was highly amusing to the entire group. On April 15, the Unitarian Church, the Pack will conduct a Country Fair from 12:30 to 1:30 p.m. Admission will be by the purchase of paper money at the door which will be used at the various booths. The following booths will be operated: Den 1, shooting gallery; Den 2, turtle racing, ice cream and pop corn; Den 3, throwing balls at wooden pins for prizes; Den 4, fish pond with early prizes, punch and cookies; Den 5, hit the clown, and sale of balloons; and Den 6, ring toss game with prizes.

Scouting Fair and Wide

Think the winter is too cold for camping? Scouts in Big Delta, Alaska, went on an adventurous camping trip recently and camped with the temperature a horrible 11 degrees below zero. They used new Army equipment including special footgear, sleeping bags and heated tents. Came morning they clamped on their skis and went back to town where it was warmer.

Get Those Items In for the Scouts

Except for the Cub Packs and Troop 6 (Unitarian Church) scouts are not being given recognition in their local paper which they deserve. So how about some news Committee? Same places... Hey, it's on McCormack's Drug Store, Sunday, 5:00 p.m., deadline to insure no cutting. Double space your copy to facilitate the work. Thanks a lot. How is your Troop's advancement?

WINCHESTER MEN WANTED

Pay meetings, fast promotions, automatic retirement, benefits, summer tours, and many other benefits await Winchester men with or without previous military experience, who qualify for the several remaining vacancies in the 39th Engineer Combat Reserve Battalion.

The 39th, which is part of the 94th "Bay State" Reserve Division, meets on alternate Thursday evenings at the Boston Army Base, and meetings are interesting, informative and only two hours short. Pay meetings offer a full day's pay for the brief two hours. Any Winchester men interested in applying for the remaining few vacancies in the 39th Engineers, contact the following names, information are requested to contact Lt. Col. C. G. Gustin at Winchester 6-6100 during the day, or at Winchester 6-5519 evenings.

WINCHESTER IN CONTEST

Winchester is among 131 Massachusetts cities and towns whose pedestrian safety activities will be evaluated in the National Pedestrian Protection Contest sponsored by the American Automobile Association.

Announcement of this city's entry was made this week by Robert S. Kretschmar, secretary of the Boston Automobile Club, an AAA affiliate. Reports and statistics were compiled through the co-operation of the Registrar of Motor Vehicles, by the AAA Contest Representative, Robert E. Hildreth, and Winchester Chief of Police.

"Purpose of the Contest," according to Kretschmar, "is to honor those cities and towns which have instituted safety programs to reduce pedestrian deaths this past year to a national post-war low of 9,456."

"While this still means that more than 25 people are walking to their deaths every day," the AAA official said, "it is gratifying to note that pedestrian deaths in 1949 were nearly two thousand less than the 11,000 killed in 1946."

Special plaques and certificates will be awarded to state and city officials who have accomplished most in protecting pedestrians through legislation, engineering devices, school safety programs and public information campaigns to alert citizens to pedestrian hazards.

Massachusetts has won first prize in the AAA's Pedestrian Protection Contest each of the last three years. The Bay State also won the National Grand Award in 1949 as the safest state in the country for pedestrians.

The annual Bridge Party for the benefit of the Massachusetts Ophthalmic Hospital is to be held on Wednesday afternoon, March 22, at the Hotel Vendome.

COLVER DYER RECEIVES PATENT

Colver P. Dyer of Winchester was the recipient on March 7, 1950 and March 14, 1950 of two United States patents entitled respectively "Manufacture of Melamine and Condensation Products Thereof" and "Manufacture of Melamine and Resinoid Products Thereof."

The compound commonly known as "melamine" is a white crystalline solid having a melting point of about 670 degrees Fahrenheit. It is a derivative of cyanamide in substance used widely as a fertilizer and when reacted with a solution of formaldehyde in water consisting of hydrogen, carbon and oxygen, they result in compound products that are useful for various purposes, such as the molding of plastics. Generally speaking, it has been a usual practice to manufacture melamine by heating "cyanamide" in form of cyanamide and liquid ammonia at elevated temperatures.

However, according to Mr. Dyer, this prior method of production has not been entirely satisfactory. For example, although good yields of crops, it will be sent without relatively pure melamine may be obtained thereby under carefully controlled conditions, nevertheless, when it is reacted with formalde-

hyde the resulting resins have been found to be markedly discolored. In fact, the discoloration has been so great as to limit, and in some cases prohibit, the use of such materials.

Mr. Dyer has discovered that this limitation may be overcome by the simple expedient of incorporating relatively small proportions of certain ammonium salts, of activated carbon, to the cyanamide prior to its conversion to melamine by heating. In other words, it is claimed that the resins obtained from formaldehyde and the melamine of his invention are noted particularly for the improvement in their color characteristics.

Both of these patents have been assigned to Monsanto Chemical Company.

FREE COOK BOOK

Congressman Edith Nourse Rogers has for distribution a new Cook book, issued by the Department of Agriculture entitled "Family Fare, Food Management and Recipes." It will be sent without charge by writing to 1725 New House Office Building, Washington, D. C. It contains 96 pages of interesting information.

ORIENTAL RUGS

We offer you the benefit of 38 years experience in the rug business in helping you select rugs best suited for your needs. In our choice stock you will find a large selection of Antique, Semi-Antique, and Modern rugs in varied sizes and prices. All rugs have been carefully selected for beauty and quality of workmanship which will add beauty and individuality to your home.

HOME FOR SPRING VACATION

Three local girls, students at House in the Pines at Norton, are at home for the spring vacation. They are Virginia Farnsworth, daughter of Mr. and Mrs. Vincent Farnsworth, Jr., of 8 Worthen Road, Sylvia A. Gagan, daughter of Mr. Raymond A. Gagan of 21

New Meadows road; and Karen Lindblad, daughter of Mr. and Mrs. A. P. Lindblad of 9 Cliff Street.

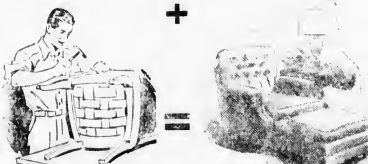

Word comes from House in the Pines that Miss Gagan and Miss Lindblad took part in a musical and style show which were presented for the benefit of the yearbook, and Miss Lindblad was a member of the last for a one-act play, The Charm Backet.

Only people count...

THE figures that constitute the year-end statement of The Equitable Life Assurance Society may seem overwhelming at first glance... but they readily come alive when considered in terms of the human values they represent.

Simply stated, for more than 4,350,000 Americans, here is their hope of economic security; the financial foundation on which they can build for the future; the open door to better things in life. Thus, the figures you see on this page have more than statistical meaning—they project a picture of what life-insurance-dollars accomplish in promoting human welfare.

For instance... the \$608,500,000 received in premiums by The Society during 1949 provided life insurance coverage of \$14,115,700,000 in addition to annuities and accident and health protection. In 1949 payments to Equitable Society members and their beneficiaries totalled \$335,000,000 of which \$115,000,000 represented death claims, and \$220,000,000 were payments, including dividends, to

living policyholders. On the business side—from investments and insurance operations, The Society earned \$142,700,000 of which \$6,000,000 was set aside to strengthen reserves and \$83,800,000 was allotted for policyholders' dividends.

At the same time, life insurance funds perform a double duty in the economic life of our nation. While they are providing protection, they are also financing homes, building factories, helping to improve railroads, participating in scores of industries—in short, contributing materially to the highest living standard known to mankind.

Look beyond the figures in this annual report and you will see life insurance in action on many levels. But remember, it is the human level which is of greatest concern to us... for after all, only people count.

Thomas I. Parkinson President

ICE CHIPS OF 1950 AT BOSTON GARDEN

"The Show of Champions", Ice Chips of 1950 comes to the Boston Garden for a brief three-day engagement on March 31, April 1 and April 2 this season. It is the annual presentation of the Boston Skating Club and by far the most prestigious event attempted by the famous club.

Topping the program this year is the World's and Olympic Figure Skating Champion, Dick Button. Currently a student at Harvard, Button left the hallowed halls just long enough last month to gather the World title to his bosom in London. His European audiences were stunned by the margin of victory that Dick registered over the rest of the field. One lick will make after his sweep to the World crown.

Tickets are now available at the Boston Garden and are priced at \$1.20 - \$1.50 - \$2.10 - \$3.00 tax included.

DR. AND MRS. JAMES
McDONOUGH EN ROUTE TO
EUROPE

On March 29, Dr. and Mrs. James McDonough sail from New York on the French Line palatial "Le de France" for a visit to Europe which will include many of the important cities, and a stop over in Paris where Dr. McDonough will attend the International Congress of Gynecologists being held in the French capital.

Dr. McDonough will address The Congress by reading a paper he has prepared and he will also attend meetings at which lectures will be delivered by the world's greatest gynecologists.

Dr. and Mrs. McDonough will also fly from Paris to Rome to be present for the Holy Year Ceremonies. Here they will visit the Shrines of Ancient and Modern Rome and will be received at a Special Audience with His Holiness, Pope Pius.

The couple will return home from the French Port of Le Havre on the "Le de France" and will arrive in New York on May 2.

ACTIVE AT MOUNT HOLYOKE

Two Winchester girls at Mount Holyoke College have been active this week in campus activities. Miss Jennie Louise Elliott, daughter of Mr. and Mrs. Theodore Elliott, of 11 Herrick street, is currently exhibiting in the annual Mount Holyoke exhibition of student art, work in oil, water color, pencil and charcoal is included. The art is on display in Dwight Gallery on campus and, sponsored by the Mount Holyoke Friends of Art, the exhibit will last until March 31.

Miss Dorothy Buracker, daughter of Mr. and Mrs. William H. Buracker, 12 Stratford road appeared in one of three plays presented by the freshman class this week. Miss Buracker played the part of Corydon in Acta de Capo, written by Edna St. Vincent Millay.

Both Miss Elliott, now a senior at Mount Holyoke, and Miss Buracker, a freshman, attended Winchester High School.

BUSY BEAVER

An industrious Utah beaver led the way to one of the richest finds of fluorapatite in a flux in the steel industry. While digging for his dam in Juab County, the beaver dined up some fragments of bone ore. Later excavations turned up deposits that can be indefinitely used for Utah's new steel industry.

COMMUNITY CONCERT

Again that excellent combination of the Smith Club and Community Concerts has brought a rare musical treat to Winchester. There have been so regarded in the great art centers of the world and has been so regarded in most of the large cities of America and the Winchester audience realized it fully. The enthusiastic applause after each number and group was evidence.

The pianist, Nicole Henriot, a young Parisian, twenty-four years old, is without doubt one of the great artists of the present time. As she crosses the stage, young, charming, slender, one is totally unprepared for the impact of the first phrases which establish at once the superb quality of the playing. Here is a technique that can meet every demand, a complete understanding of the composer's intentions, a creative imagination which is the mark of greatness and over all the freshness of youth.

The program gave free scope to the pianist's abilities. There was the traditional beginning with the classics, a Vivaldi-Bach Concerto and the well-known Sonata for Major key by Mozart which was a fresh significance. The seething Revolutionary Etude was never more stirring, the Fantasia never more rich in its varied beauty.

The final number was appropriately French and delightfully unexpected, with the tribute to Ginette Sever, the Faure and Ravel. His Alborado del Gracioso brought the program to a brilliant close. The audience did not stir to leave till after the three encores. Music Box by de Severn, two Chopin Preludes, and then only when Miss Henriot closed the cover to the keyboard.

The pleasure given by the artists this year must wait the public appetite for the coming season. All success to Community Concerts!

FORMER WINCHESTER GIRL
INJURED

Mrs. Fannie G. McLeod, (Doris Goddard) formerly of this town and widely known among Winchester's young people, returned to her duties as assistant librarian at Falmouth public library Wednesday after several days' absence because of a fall down the library steps last Friday evening she and Mrs. Ruth H. Farwell, librarian, closed the doors and extinguished lights at the usual closing hours. Mrs. McLeod stumbled at the top of the steep flight of granite steps and fell full flight. Mrs. Farwell groped her way down the steps in pitch darkness to find her new assistant in a heap on the cement driveway. Mrs. McLeod had multiple bruise and a painful wrist which had taken bruise of her fall. She spent next day in bed in her room at Elm Tree Inn, where she has been making her home since she joined the library staff a few weeks ago. (Falmouth Enterprise).

FACTS ABOUT THE CANCER
CRUSADE

THE PURPOSE
To raise \$5000 in Winchester during the month of April as Winchester's share for the Annual Campaign of the American Cancer Society.

HOW YOU CAN HELP
Your contribution, large or small, is welcome. D. F. Davis is the Treasurer, at Winchester Trust Company. Mail or leave your contributions. Checks should be made out to American Cancer Society.

CAMPAIGN
A mail and postcard campaign will be launched. It is hoped that all those who gave last year will do their utmost to contribute as generously as possible and that there will be several hundred new contributors. Don't wait for the letter. Give NOW generously.

ENDORSEMENT BY WINCHESTER DOCTORS OF CANCER
A group of representative (Winchester) doctors are on the Winchester Cancer Crusade Committee, including George A. Marks, M. D., Angelo L. Maletta, M. D., Richard Sheehy, M. D., and William F. Hickey, Jr., M. D.

FOURTH YEAR IS USED TO FIGHT CANCER
In 1949 the Massachusetts Division of the American Cancer Society made the following grants in our state:

Grants for Research to: - \$ 15,500
2 colleges
5 universities
2 medical schools
8 hospitals
2 foundations
Statistical Research to: - \$ 25,580
5 hospitals
1 Public Health School
Grants for Education - \$ 5,946
Grants for Service - \$ 37,475
2 hospitals, clinics, etc.
American Cancer Society - \$193,410
Education - \$ 58,146
pamphlets, exhibits,
loan nurses, posters,
division program

AN INVITATION
You are invited to help. We can't stop here. Not to know where the enemy was, now he is in sight — and retreating. NOW IS THE TIME TO HUNT HIM DOWN. Cancer CAN be conquered!

FIRE AT CORDAGE COMPANY

An early-morning fire last Friday gutted a storage shed at the rear of the main building of the Quizon Cordage Company, Inc., 1031 Main street, known locally for many years as the old Hutchinson machine shop.

A janitor at the nearby Ingersoll Products Company, noticed the fire and called the Fire Department. Box 45 was put on at the station at 2:45.

The firemen found a brisk fire in progress, the shed having been filled with rope and twine and cotton, some of the rope having been treated. Dense smoke made the work of the firemen difficult and the smoke ejector had to be used.

The firemen concentrated on keeping the fire from the main building of the plant and were successful in their efforts, though there was some damage done in the main plant by smoke. The shed was pretty well burned and its contents destroyed. Chief James E. Callahan made no estimate of the damage.

Wilson sent its Engine 1 and a crew to assist at the fire under the mutual aid system.

Last Saturday afternoon Police Headquarters received a call from the Eastern Massachusetts Bus Terminal in Melrose reporting that a Stoneham woman had left her handbag on a Winchester-bound bus. Officer James E. Farrell stopped the bus in the center and secured the bag, which was returned to its owner at Headquarters.

The Rambler is an addition to the Nash line, and does not replace current Ambassador or Statesman.

Mr. Bolster said he could not announce now any details of the Rambler, but that public exhibit in dealer showrooms had been set for April 14th. He also disclosed that the new car will compete in the low price field and include styling advances and "done" in mechanical and design "firsts".

"People of Winchester will just have to see this four wheel beauty to believe what I could tell them about it," he said.

The new Rambler car represents about \$13,000,000. In addition, the company has spent many millions in expanding plants to meet increased demand for Ambassador and Statesman models, he said. The new Rambler should not be confused with Nash Motors' small experimental "SURVEY" car.

GUILD OF THE INFANT
SAVIOR

A capacity audience howled with glee and generally laughed itself sick at the costumes and clownings of our members in the comedy skit "The Old Maids' Convention" presented at our meeting on Tuesday, March 28th, under the direction of Mrs. Joseph McGaraghe. From the moment of the entrance of the "Old Maids", gowning in dresses of the gay 90's, to the last fatal moment on stage the audience was convulsed in laughter.

The story deals with twenty Old Maids who form a matrimonial club to devise ways and means of catching eligible bachelors and widowers. The President of the club invites one Professor Pinkerton, the originator of the Electric Transformer (Hyer, to a meeting to give a demonstration of his astounding new machine that he purports can transform dried-up Old Maids into beautiful, young creatures. The Professor arrives, complete with machine, and proceeds to transform the ladies into their hearts' desire. Everything goes smoothly until one Old Maid, desiring to be a striking brunette, is given too much elixir and is transformed into "Topsy". After a hilarious chase the Professor catches "Topsy", forces her to drink some blonde elixir, and she comes back as the striking brunette.

The unruffled Professor calms the upset nerves of the remaining Old Maids and proceeds with his transformations until his "roose is cooked". One Old Maid insists on being transformed into a nun. Faced with admitting defeat, the Professor, much against his better judgment, gives this obstinate Old Maid all the remaining elixir and showers her into the machine. When he turns the knob the machine blows up and the curtain falls on a pair of white unmentionables flying into the air and the Professor running for his life with twenty shrieking Old Maids on his heels.

Our thanks go to Mrs. McGaraghe for her fine direction of this play and our congratulations to each and every member of the cast for their superb performances. Our thanks too to Dorothy Gilmartin for her fine musical accompaniment of the specialty numbers.

Mrs. John F. Madden and Mrs. Robert H. Cavanaugh poured for afternoon tea and members of the cast served as hostesses for the day.

Our next big event and one that we all look forward to is our annual spring luncheon and bridge to be held this year at the Bear Hill Country Club. You haven't forgotten the date, have you? It's Thursday, April 13th. Please plan to make your reservations early.

MYSTIC GLEE CLUB GREAT
SUCCESS IN HINGHAM

Forty-four members of the Mystic Glee Club went to Hingham last Friday evening to sing a very successful concert at the High School auditorium, under the sponsorship of the Monday Guild and Men's Club of the White Church.

A large enthusiastic audience was on hand to applaud a well balanced program, directed by Conductor Keith Snyder, which will be presented here in Winchester on May 6, in the Tenth Anniversary Concert. Mary Louise Middleton played the accompaniment with her usual skill and understanding. Special credit should be given the tenor section which sang a difficult program and maintained true pitch throughout the evening.

This is the second appearance of the Mystic Glee Club in Hingham and likewise the second appearance of Jack Gilbert as piano soloist. They were very warmly received, and several in the audience requested tickets for the Winchester concert coming in May.

Among recent births of Winchester interest is that of twin daughters born to Dr. and Mrs. James Higgins of Wolcott. Mrs. Higgins is the daughter of Mary McDonald, daughter of Mr. and Mrs. William E. McDonald of Hill street. Mrs. James Higgins of Wolcott is the paternal grand-mother.

FLORENCE CRITTENDON
NOTES

The Spring Party held on March 22nd by the Circle in Unitarian Hall was a most successful one. The hall was beautifully decorated with forsythia and hyacinth plants. A delicious dessert was served by the Committee. Music was enjoyed by the guests and the Circle is most grateful to the Winchester Appliance Co. for having supplied and installed the record player.

The Chairman, Mrs. William A. Scott and Co-Chairman, Mrs. Ruth H. Farwell, wish to thank the members of the committee for their help and co-operation in making this spring event a complete success.

A "Come and See" Tour has been arranged for April 6th. Members will visit Welcome House and Maternity Home and Hospital. Plan to meet at McCormack's Drug Store at 10 a.m. Bring box lunch. Coffee will be served by Miss Fowler. Transportation may be arranged by calling Mrs. Woodford L. Wilcox, Winchester 6-2225.

WINCHESTER SINGERS AT SKATING CLUB REVE

Mary Ranton Witham, director of music at the Unitarian Church and director of the Mary Witham Singers, has been engaged by the Boston Skating Club to provide a choral background for some of the numbers in their benefit Revue to be held in the Boston Gardens March 31, April 1 and 2. For the evening performances Mrs. Witham will present a mixed group under the name of Winchester choral composed of members of the Unitarian Choir, the Witham Singers and several members of

the Mystic Glee Club with L. Paul Gallivan, a newcomer to Winchester with an outstanding bass voice, as soloist. The Mary Witham Singers will appear at the Saturday Matinee and the Winchester Unitarian Junior Choir presently enjoying a particularly fine season, musically, will be featured at the Sunday Matinee.

Those singing in the Winchester Choral are: Sadie E. Horn, Frances C. Walton, Sally Blanchard, Natalie Cary, Sophia Gardner, Betty Gardner, Joan Wolsey, Dianne Mansfield, Sonja Norian, Mary Norian, Joan Sprague, Jeanne Wilde, Evelyn Strong, Martha Higgins, Justine King, James Joslin, Clark Richardson, Sherman Russell, Robert Wild, Austin Namy, Robert Horne, L. Paul Gallivan, Lindsay Caldwell, Carl Woods.

Members of the Mary Witham Singers are: Louise Buehlovan, Sabina Brandt, Claire Curtis, Sophia Gardner, Mary Hyde, Evelyn Strong, Frances Walton, Elizabeth Gardner, Siran Housmanian, Nellie Holtgren, Justine King, Elizabeth Mouradian, Mary Norian, Olive Bird, Caroline Fitts, Ethel McKee, Marian Wright, Madeleine Zimmerman.

The following members of the Winchester Unitarian Junior Choir are singing in the Boston Skating Club Revue:

Terrell Nowell, Patricia Sears, Linda Thompson, David Eldredge, Charlotte Nuttner, Betsey and Helen Bolster, Barbara Bolster, Virginia Wadsworth, Judy Smith, Robert Smith, Christopher Wadsworth, Arthur Wood, Judy Walker, Darrell Harvey, Janet Fisher, Carol Fisher, Tony Lehan, Judy Dellicker, Sandra Walton, Wendy Walton, Paul W. Walton, Jr., Victoria Dudley, Judy Bullin, Elisabeth Hottel, Barbara Hottel, John Le Gates, Joan Shanklin, Gretchen Wolsey, Peggy Terzaghi, Ronald Burke, Linda Witham, Carol Witham, Joel Peckham and David Leverette.

Grace Norian, accompanist of the Mary Witham Singers and of the Winchester Unitarian Junior Choir, will accompany all performances.

THE CLUB IS SPONSORING A FATHER AND SON AND DAUGHTER EVENT

The members will entertain either their own children or one of the boys or girls in the parish as their guests both at the game and at a luncheon preceding it. Luncheon will be served in the Parish Hall at 12 o'clock noon and transportation will be provided by the host members and from Braves Field.

Every Club member who intends to participate in this event is urgently requested to notify Earl Carrier at once. A deadline of April first is necessary in order to assure reserved seats for the Club members and their guests.

A large attendance is expected as the Program Committee is expecting every effort to make this a gala occasion for the youngsters and older folks alike—for who is ever too old to be an ardent baseball fan!

WON HARVARD SPORTS AWARDS

Two former Winchester boys, Pete Dillingham, son of Lt. Col. and Mrs. Paul Dillingham of Columbus, Ohio, and David Smith, son of Prof. and Mrs. Lyman Smith of Kensington, Md., were among those receiving sports awards at Harvard last week.

Dillingham, after winning his major football honors last fall, was awarded his major swimming honors in swimming. He won more points as a diver on the freshman team than the varsity competitors were able to amass.

Smith won his varsity wrestling insignia after an undefeated season which was culminated by his election to the captaincy of the wrestling team for next year.

Art French, Jr., son of the old Winchester High and Harvard football and track star, now of Short Hills, N. J., won his major freshman hockey honors.

BELMONT P. O. OUTCLASSES WINCHESTER

The league leaders, Belmont outclassed the Winchester Post Office in the Suburban P. O. Bowling when it won the match by 67 pins. Winchester put up a good fight but could not keep up the pace.

SGT. SIOU'S HOLY NAME SPEAKER

With Holy Name Sunday moved up one week to Sunday, April 2 instead of falling on Easter Sunday, St. Mary's Holy Name Society will receive Communion in a body at the 8:00 o'clock Mass and then adjourn to Lyceum Hall for the monthly meeting and breakfast. It is urged that all members report at this meeting because the Holy Thursday Nocturnal Adoration list of watchers will be published and final plans will be announced concerning the Society's participation in the Winchester Centennial Celebration parade to be held in April.

William J. Croughwell, Society President, has announced that this meeting will serve to pay signal honor to our spiritual leader, St. William Walsh. Holy Name headquarters has designated the month of April to be "spiritual directors' month." All men are therefore doubly urged to attend both the church services and the meeting afterwards. Ted and Phil Bourke, who performed so wonderfully in the recent Minstrel Show for the C. Y. O., have been asked to entertain and have indicated that they will oblige, if possible.

According to Program Chairman William F. Hickey, the invited speaker will be Sgt. Alfred Siros, of the Bureau of Photography in the Dept. of Public Safety of the State Police. His subject will be "Photography as an aid to Crime and Investigation."

Sgt. Siros will bring his projector and colored slides to illustrate his subject. He has been in the department for 22 years, serving in the Photographic Laboratory. He has been a member of the No. 1 football team for 20 years and has also served as instructor in the Training School. It is hoped that the membership will come out en masse to hear this interesting speaker.

Mary of Winchester's Knights of Columbus will remember Sgt. Siros for his fine talk given to them two years ago in which he unfolded many inside plots on arson, gambling and the like.

NEWSY PARAGRAPHS

Cadet Jason W. Dado, son of Mr. and Mrs. Ernest B. Dade of 104 Hillcrest Parkway, has returned home from The Marius School for the Spring vacation.

At a recent Athletic Assembly at Lasell Junior College in Auburn, Mass., Ann Mathewson received an award for basketball for the year 1949-50. A member of the senior class, she is the daughter of Dr. and Mrs. R. H. Mathewson of 18 Glen road.

Miss Lea Goldenhaerts of 40 Elmwood avenue has been a recent guest at the Hotel George Washington in New York City.

FORTNIGHTLY NOTES

The Fortnightly held its regular meeting at the Masonic Hall on March 27th. A very delightful illustrated lecture "Rio" was given by Mr. Arthur Moulton, lecturer and traveler. This fascinating land of Rio was shown in color film with a musical setting.

A Food Sale for the benefit of Club House Fund, was held. Mrs. Hiram Moody and Mrs. Greta Kittell, chairman.

The Art Committee had an exhibit of hand work and hobbies. Hooked rugs predominated making a very pleasing background for the platform with a display of needle point furniture on the floor in front of the platform. The president's table was covered with a rug which hung over the front of the table. Three large rugs hung in the back of the platform and on each side, rugs were draped over folding screens. Rugs were also draped over the edge of the platform.

The rugs on display were hooked by the following members: Mrs. Norman M. Mitchell, "Twined Scroll", "Canterbury Bell", "Currier and Ives" and "New Hampshire Antique". Mrs. Willard H.

Hudson, "Twined Scroll" and "Waldoboro Antique". Mrs. Lester P. Leathers, welcome rug, "Rose Doves", "Velvet Flowers", "Scalloped Scroll", chair mats and a sampler. Mrs. Edward H. Newhall, "Rose Mosaic", "National Bouquet" and "Velvet Flowers". Mrs. Alfred W. Drew exhibited two rugs hooked with yarn in a floral design.

Mrs. Leathers had a frame set up with a rug partly hooked showing dyed materials and equipment used in rug hooking.

The needlepoint was done by the following members: Mrs. F. H. Rhodes, occasional chair and foot stool. Mrs. R. E. Dickson, foot stool. Mrs. Adele Emery, carved oakwood chair also needle point and petit point piano bench in the pattern of "Castle on the Rhine". Mrs. T. H. Rhodes also exhibited a very lovely knitted afghan and crocheted table cloth.

Mrs. Greta F. Kittell exhibited crocheted which she designed and embroidered consisting of a Jacobian hanging, pillow, sampler, knitting bag and two wall pieces. Mrs. Hiram Moody exhibited her collection of beautiful miniature pianos, three of which were musical pianos. These miniatures have been collected from all parts of the world and were most interesting.

Mrs. George H. Lochman also had a miniature piano on display. Mrs. Sidney A. Burr exhibited a ladies beautiful pink silk ribbon bonnet which is over eighty years old and a family heirloom.

Another very interesting and fascinating feature was a dining room exhibit from Mrs. John B. Wills' six room doll house and

every place a treasure. An oil painting of Mrs. Wills (a miniature copied from a large painting) hung over the tiny fireplace and a sterling silver service with silver candleholders adorned the buffet.

Mrs. George Budd exhibited hand carved wooden blocks used for block printing and she also had prints made from the blocks. The hand work was very fine and showed great skill.

Mrs. W. C. Chamberlain had a collection of old Christmas cards which she made into scrap books. On exhibit was a scrap book depicting the story of Christmas with a story accompanying the pictures. It showed much work and thought. These books are sent to hospitals and the cards that can be used for note material are sent to the Veterans' Hospital where they are greatly appreciated. The Art Chairman appealed to the members to give Mrs. Chamberlain old Christmas cards and unused envelopes to help her carry on her fine work.

Mrs. Leathers exhibited ten albums of miniatures from the Museum of Fine Arts, New York. Each album contained twenty-four miniatures with full description of each.

The Art Chairman is very grateful to her committee and all the members who helped to make the exhibit a success.

The police were called to the Winchester Hospital over the week-end to stop the activities of boys who were trying to start the bulldozers being used in connection with the new construction at the Hospital. What next?

TEACHERS BOWLING LEAGUE

The Winchester Teachers Bowling League held its annual banquet last Monday night at the Town Line, Inc. in Woburn.

The winning team this season was Team No. 8 composed of: Jacob Mosses, Judy Brown, Charlotte LeCaire, Mary Cullen, and Iris Leary.

Prizes for high scores were awarded to Myrtle Dodge, Elizabeth MacFarlin, Bill Branley and Tom Morse. The woman bowler with highest average was Marie N. Dugan, while the man with the highest average was Joe Aversa. The highest team single was 465 and the highest team set of three strings was 1326 both won by Team No. 6.

Fred Felmet and Elizabeth MacFarlin were in charge of the league this year. Norton Demsey and Ann Dolan will be in charge next season.

Jack Gilbert, popular piano playing member of the Mystic Club, entertained the teachers with dinner music.

Mrs. Forbes Norris, wife of the Superintendent of Schools, was an honored guest of the bowling league at the banquet.

FORUM WEEKEND PLANS

On Saturday, April 1, from 8:00 to 11:00 p. m., an hilarious time will be had by all the Senior Forum at the April Fool Party to be held in the Social Hall of the First Congregational Church.

Arrangements have been made for games, surprises, prizes, and refreshments by a committee consisting of Christine McKay, Judy Lamprey, Alan Thomas, and Priscilla Stone. Tables for the games will be set up by Nancy Kittell, Bunny Kakes, and Debby Fish. Tickets at the door will be in charge of Scott Cunningham and Susan McLanson, and Paul Leverette and George DeCamp will dispense Cokes. There will be a prize for the one who fools the most people in the course of the evening.

On Palm Sunday, April 2, and Easter Sunday, April 9, the Senior Forum will attend services in the Sanctuary. There will be no Forum Chapel services for these two Sundays.

On Easter Sunday afternoon the Forum Dramatic Club, assisted by the Forum Choir, will present their Easter play, "A Cloud of Witnesses," which was so beautifully done on March 19. The performance will be held in Ripley Chapel at 5:00 p. m., and the general public is invited.

ANNUAL MEETING OF THE HOME GUILD

The annual meeting of the Home Church Guild of the First Congregational Church will be held on Tuesday, April 4th at two o'clock.

Mrs. Frank H. Knight, director of the Guild will preside and Mrs. Howard J. Chidley will lead the devotional service.

Mrs. John L. Lobingier will speak on Art and she will demonstrate her subject by painting a picture for the audience. Mrs. Lobingier, who needs no introduction to Winchester art circles, teaches at the Winchester Studio Guild and has had one-man shows in both Boston and Rockport.

Mrs. Carl C. Zimmerman and her committee will serve tea.

MISS TRUE F. QUARTER-FINALIST

Miss Mildred F. True, 17-year-old daughter of Mr. and Mrs. Donald W. True of 83 Walnut street, and a senior at Winchester High School, was last Sunday's second round winner of the "Forum for Living" college scholarship competition sponsored by Casualty Insurance Companies serving Massachusetts.

The competition is taking place on Sundays over Station WEEI and Miss True's win last Sunday marked the half-way mark of the second round. Five more preliminary rounds remain in this round, after which quarter-finals will be held May 7 and 14 to determine semi-finalists from the Boston area.

Semi-finalists will match wits and knowledge of home and high-way safety for the right to represent the area in the May 28 finals to be broadcast from Boston over a state-wide hookup of all stations carrying the program.

By virtue of her win last Sunday Miss True became quarter-finalist in the competition. She was presented with a \$25 United States Savings Bond by O. A. Schaberg, general chairman of Boston's 1950 Red Cross Fund, who was guest moderator for last Sunday's competition. Miss Kay Taylor of Sharon was mistress of ceremonies.

Many housewives in Winchester are becoming annoyed by the frequency of telephone calls from persons soliciting aid for charitable enterprises, many of which are far removed from Winchester. The aid asked is of various kinds, ranging from direct contributions to the purchase of tickets, orders for various sorts of merchandise and subscriptions to certain publications. It is well for every one solicited to find out how much of the aid goes to the charity or service, in the name of which the contribution is collected. The Star has been told that there are instances where individuals solicit for this or that charity with a major portion of the contributions from the sales of collections going to the solicitor or group of solicitors and a very small percentage going to the charity for the use of its name. The charity does actually benefit to a degree, but in some instances, at least, not to the extent that the contributor believes when he pays his money. Ask the solicitor what the setup is? If the person is actually soliciting primarily for the charity represented, he will be glad to explain things to your satisfaction. If the explanation is evasive, or the solicitor does not wish to give this sort of information, it would be a good idea to investigate thoroughly before contributing. There are enough charities, supported by public spirited citizens without financial reward, to make it unnecessary to contribute to companies, about which there is any doubt.

CATHOLIC CHURCH HISTORY IN WINCHESTER

Editor of the Star:—
Until 1874 there was no Roman Catholic worship in Winchester. Members of that communion attended St. Charles church in Worcester. In that year a small Chapel of frame construction was erected on the site of the present Catholic church and mass was celebrated thereon on the first mass day by the Rev. Edward F. McClure, assistant at the Woburn Rectory.
This chapel was at first attached to the Parish of St. Charles, but in 1876 the independent Parish of St. Mary's was constituted in Winchester and Rev. Cornelius O'Connell was assigned to it as the first resident pastor. The chapel was replaced by a larger and handsomer edifice and the church began to exhibit a remarkable growth. As you know, Mister Editor, busy people haven't the time to be lazy bodies. Father O'Connell, who was born in Ireland, was the first pastor of St. Mary's. His first altar boys were the late James J. Fitzgerald, the popular letter carrier, now retired, Frank Valley and Joseph Rodere.
Rev. Patrick J. Daley, the second pastor of St. Mary's, in 1882 added to the lands of the church by purchasing the lot at the corner of Washington and Eaton streets for a parochial residence, and while he was in Winchester the church building was further enlarged to its present proportions.
Rev. William O'Brien followed Father Daley and Rev. Henry Madden succeeded him in 1893. Until Father Madden's pastorate, St. Mary's Church had been of wood construction, but he not only renovated the church, but built an outer wall of brick around the building to the great improvement of its appearance.
Father Madden also purchased for the church the large Judkins estate on the western side of Washington street and used the old Judkins mansion as a private residence.
In 1906 Rev. Daniel J. Keller succeeded Father Madden. He was a man of unusual ability and Winchester had reason to regret his transfer to a more important church in Lowell after an incumbency of only three years. It is recalled that on his coming to this town a reception was given which was promoted by the late Rev. Dr. Suter, rector of the Church of the

Epiphany, and attended by many of the principal citizens of the town, an exhibition of comity between protestants and catholics ran through those days.
The late Monsignor Kelleher was followed by Rev. Nathaniel J. Merritt, who remained for twenty years the pastor of St. Mary's, a priest whose sturdy good sense and deeply spiritual character made him a great force for good in the community.
Under his pastorate St. Mary's made great progress. A large and handsome rectory, sufficient for the accommodation of the pastor and the two assistants necessitated by the growth of the parish, was erected on the crest of the high land on the Judkins estate and completed in 1912.
In the following year work began on St. Mary's parochial school which stands directly opposite the church building on Washington street. It is a well planned and attractive building of brick, the corner stone of which was laid by His Eminence, the late Cardinal O'Connell, Archbishop of Boston. The school today, 1950, gives instruction to 450 children, some of them enrolled in St. Mary's high school established in 1922. The teaching is carried on by 11 sisters if the teaching order of St. Joseph. Father Merritt remodelled the old Judkins mansion for their accommodation.
In 1931 a part of St. Mary's parish, including the most northern part of the town on both sides of Main street was set off with the adjoining section of Woburn to form a new parish, that of the Immaculate Conception. Of this new parish Rev. James F. Fitzsimonds was the first resident pastor. The church building, now on Sheridan Circle in Winchester, very near to the Woburn line.
Father Merritt died after some months of illness on February 3, 1934. He was succeeded by Rev. Aloysius F. Malone, who organized the Society of St. Vincent de Paul to direct charitable work among the poor of the church.
The present popular priest, Father John P. O'Riordan plans the erection of a new and modern convent building to take the place of the venerable Judkins mansion. Let us one and all support Father O'Riordan in his endeavor to beautify the Athens of America, this beautiful residential town eight miles from the gilded dome. It will, I believe, be a valuable asset to the town and the glory of Winchester, located on the banks of the Abernethy River.
Very truly yours,
Patrick Henry Coughlin

STAR PUBLICITY AIDED
Editor of the Star:—
On behalf of the officers and members of the Massachusetts Hunt Association and the 1950 Hunt Committee, I wish to thank the Winchester Star for the splendid publicity given us during our February Campaign.
An important part of any appeal for funds is public education. We have three good reasons to thank you. First, for your help in calling attention to the importance of the hunt against heart disease, the killer and a ripper of mankind; and second, for informing your readers how they could make their contributions to aid in the fight.
The final returns of the Campaign have not yet come in. We have every reason to hope, however that our efforts have been successful. If so, important credit must go to you for your generous co-operation.
Sincerely,
Christian A. Heiter, Jr.,
State Chairman

THE WEATHER

The past week's weather has undoubtedly been the best in a long time. Being in New England it should be taken for granted that this was in the usual variety, although no snow fell. Last week end was sunny and seasonable, giving hopes of a hope that March, as predicted through the years, came in like a lion and would go on like a lamb. However, Sunday's beautiful weather was followed by two days of rain and drizzle with raw east wind, but Wednesday saw a real spring-like day with the glass up to 60 and bright sunshine, giving hopes of a real break. Thursday saw a great change, a big drop in temperature and quite high wind taking the season right back to winter again. As we go to meet the prediction is for continued cold.

WINCHESTER WELLESLEY CLUB

That the film "We Are Tomorrow" was indeed "a film you should not miss" was proved by the warm reception it was given at the Library Tuesday night by an audience of more than a hundred people. Mrs. R. H. Leverette, Vice-President of the Winchester Wellesley Club, which sponsored the showing of "We Are Tomorrow", gave a short exordium speech, and Mrs. Peter Laban, Acquaintance Chairman, introduced the movie. After the movie was shown, Mrs. Ralph P. H. Leverette, Vice-President of the club, gave a talk about college life. Miss Kohn's attractive personality and concise manner of speaking quickly won over her listeners. Dividing her speech into three parts, she spoke first of what one gains from a college education, intellectual and otherwise, an opportunity for community living, and a chance to meet and live intensely. For her second topic she chose extracurricular activities at Wellesley and the numerous diversified groups a student may join at college including the orchestra, News Board, dance group, a Radio Club with its own station, service organization, and athletic teams. Thirdly she discussed the student's side of college life — the departmental and interdepartmental studies, as well as Wellesley's social life with its lectures, proms, and traditional floor rolling, plus the newly-instituted winter carnival and Sophomore Father's Day. In closing, she added that the same type of college life goes on at most of the other women's liberal arts colleges in the same category as Wellesley.
"We Are Tomorrow" was shown at the Winchester High School on Thursday, March 30th sponsored by Mr. Cory E. Deane, Jr., high school Guidance Director.

MRS. BARNES URGED FIGHT AGAINST SOCIALISM

Mrs. J. Stanley Barnes of Ravenscroft road as legislative chairman of the National Association of American Women, gathered at a regional conference last Saturday at the Ben Franklin Hotel in Philadelphia that "Americans will contribute to reasonable security, but they will not take socialism." Urging her listeners to develop a dynamic leadership program against socialism and then work for it, Mrs. Barnes introduced a motion picture the meeting in opposition to "Socialized medicine" which was adopted.
Mrs. Barnes said in the course of her address that Americans "balk at the word 'socialized' and avoid farming, socialized vice-fighting and socialized wages. They oppose any socialistic state monopoly in the name of any other name. They are against the State meddling in any field of business heretofore reserved for private enterprise."
In voicing opposition to the Government's proposed "socialized medicine" program, Mrs. Barnes urged her audience to let their representatives in Congress know how they feel about it as the best way to combat this legislation.
Women from New England, New York, New Jersey and Pennsylvania attended the regional conference.

WINCHESTER GIRLS WROTE VINCENT CLUB TUNES

Miss Joan and Miss Sally Ray, daughters of Prof. and Mrs. Harold H. Blanchard of Calumet road, have both written songs again this year for the Vincent Club Show, which opened Tuesday evening to a capacity audience in New England Mutual Hall, Boston, and continues through Saturday night. Both girls will be at the show Saturday, Sally, a senior at Smith, coming down to sell flowers on that night.
This is the third year Sally has written music for the show, and the second for Joan, who is assistant director of the Vincent Choir this year. Sally's song, "I read it in the Papers, so it Must Be So!" made a big hit, but no more so than Joan's two songs, "If I'm Not Out as Proper as This Popper", a parody on the proper Bostonian; and "On a Bench in a Garden", a ballad that was well received in the show. Both girls wrote the lyrics and music for their songs.

CUBS

On Tuesday evening, March 27th, a Pack meeting was held by the Parkhurst School Cub group which is sponsored by the American Legion Cub Master Larry Burke and Assistant Cub Master Tom Downes.
After the salute to the flag a new cub Dick Bates of Den II was introduced.
Games and contests were played with paper bags. Dick Bates was the winner of one contest and Den II Cub of another.
By Warlocks and Dr. Wilson, both parents of cubs, checked the boys hands.
Wolf awards were received and pinned by a parent on the following:
Den II
Ronnie Burke
Janet Downes
Andy McFarland
Dick Scott
Lester Whittaker
Den II
Dick Bates
Bill Burrows
Chris Simpson
Moses, and including John Navarro, Len Meade, Billy Shibley
Every boy was represented by a parent. An exhibit of the handicraft was on display.
Den Chiefs Guerry Eaton and John Cotton presided at the closing.
Ice cream was served for refreshments.

ROTARY BOWLERS DINED

The Bowling League of the Winchester Rotary Club held its annual banquet Wednesday evening at the Colonial Country Club in Lynnfield. Don Heath, chairman of the Bowling Committee, presided and Roy Horn acted as master of ceremonies. Prizes were awarded by Vin Ambrose.
Team G, headed by Dr. Sanford Knigh, Fulkerson, Marion DeMingo, William Boxer, Alice Green, Gail Hutchings, Rosemarie Pieopolis, Robert Gillette, William Lindsey, Louise Coady, June Carroll, Phyllis Carroll, Barbara Kazanian
The assembly was attended by many guests who enjoyed the performance as much as the children did.

NEW COAL RESERVES

A new 9-mile spur of the Baltimore and Ohio Railroad, with a 152-ft. tunnel, has opened up estimated reserves of 100 million tons of recoverable coal in the valley of Elk Creek, Barbour and Harford counties, Md.
Production has begun from a new mine of the Compass Coal Co., a subsidiary of the Clinchfield Coal Co., with an estimated annual capacity of 1,000,000 tons.

SAVATION ARMY

The Salvation Army 1950 - 1951 Greater Boston Annual Appeal which will help thousands of the down-trodden, the distressed and the needy in the metropolitan area will open Tuesday, September 12 and continue through Tuesday, September 21, it was announced by Colonel William H. Fox, Provincial Commander. This community is one of 51 cities and towns which will participate in the Greater Boston Appeal.

CLARK HEADS FINANCE COMMITTEE

Alexander M. Clark of Greeley road has been elected chairman and Don S. Greer of Highland avenue, vice chairman of the Finance Committee for the coming year.
Both are three-year members of the Committee. Mr. Clark having been vice chairman during the year just past. He is an attorney.

INJURED IN AUTO CRASH

Two drivers were injured and the automobiles they were operating were disabled as the result of a collision Wednesday forenoon shortly after 11 o'clock at the intersection of Main street and Mystic Valley Parkway.
According to the Police a Dodge sedan, owned by the Manchester Motor Company of 291 Shuster street, Manchester, N. H., was being driven south on Main street through the intersection of the Parkway by Robert F. Clement of 14 Henrietta street, Manchester, N. H. The other car, an Olds sedan, owned and driven by William T. Foster of 141 Pleasant street, Arlington, was headed east on the Parkway and entering Main street.
After the crash the Olds was found to be afire, and Officer James E. Farrell, who hastened from his post in the center to the scene of the accident, worked fast to get Mr. Foster and his wife out of the machine. The left side of the car was locked and Mr. Foster, who seemed badly hurt and dazed as a result of the crash, had to be lifted bodily from the other side of the machine.
Officer Farrell and William B. McDonald, building commissioner and agent of the Board of Health, got Mr. Foster, who is 78 years old, out of the car and onto the sidewalk. He was bleeding badly about the head and neck and was held at the hospital for the Police ambulance and the Fire Department.
Mr. and Mrs. Foster were taken by Officers James Flaherty and Thomas Parsons to the Winchester Hospital, where the former was treated by Dr. Milton J. Quinn for a fractured right cheek and other head injuries. He was held at the hospital. Mrs. Foster was not reported as injured.
Mr. Clement was taken to the office of Dr. Donald McLean. He complained of leg injuries and was sent to the Winchester Hospital for X-rays. The cars had to be towed away.

WINCHESTER COMMUNITY CHEST

Red Feather services of Winchester have been allotted the sum of \$18,590 for 1950 from last fall's Community Fund campaign. Mrs. William A. Kugler, president of Winchester Community Chest, announced today.

This statement does not reflect the long hours devoted by local agency and area budget committees and the Budgeting and Allocation Division of United Community Services of Metropolitan Boston in an earnest attempt to allocate funds according to the greatest needs of the more than 300 Red Feather agency members.

Nor does this amount represent the total budgets of the local agencies. Mrs. Kugler explained, since all Community Fund allocations are based on deficits over and above other income from such sources as fees and endowments. The Community Fund, on an average, provides about one-fifth of the more than 30 million dollars needed to operate Metropolitan Boston's Red Feather services each year.

Allotments for Winchester agencies this year are as follows: Winchester Hospital and the Home for Aged People, \$5,500 each; Girl Scout Council, \$4,250; District Nursing Association, \$2,400; Immaculate Conception Conference, St. Vincent de Paul, \$715; and Camp Lane, Fellsland Council, Boy Scouts, \$225.

In addition to the \$18,590 total is the share credited to Winchester Boy Scouts from the \$18,500 allotted to Fellsland Council for Scouting administration in Medford, Stoneham, Winchester and Woburn. The Family Greater Boston also provides consultation service to local residents through its Medford office at 5 High street. Besides these local services, hundreds of Winchester people make constant use of many Red Feather agencies outside the town. Latest available statistics for the year 1949 reveal that 528 Winchester patients were cared for in 24 different Red Feather hospitals, in addition to 1,164 at Winchester Hospital. And during the same period 676 local residents depended upon the services of 26 out-of-town Community Fund agencies for the family, children, youth and handicapped.

Continuance of these Red Feather health and social services to the people of Winchester was assured by the generous response of 3,200 individuals and firms in the recent campaign conducted by 602 volunteers under the leadership of Davenport F. Davis.

Serving on the local budget committee are Clinton W. Bennett, chairman, Dwight E. Bellows, William J. Crounwell, Franklin A. Flanders, Robert B. Singer and John G. Willis, Alfred J. Higgins, Richard J. Johnson, Donald J. Lewis, Edward J. McDermott, Roland H. Parker, Ronald H. Robnett, Sherman B. Russell and Ben R. Schneider.

OIL'S 90TH BIRTHDAY

Ninety years of Progress! The American petroleum industry celebrated its 90th birthday on August 27, 1949, the anniversary of the drilling of the Drake well at Titusville, Pa. Once despised by early salt-well drillers as a curse that tainted the salt, petroleum has become one of the world's most useful resources, whose utilization benefits all mankind.

Plastic Canasta cards, at Wilson the Stationer, Star Building.

R. J. HOLMES FIRST PRESIDENT

Mr. Robert J. Holmes of Lakeview road was elected the first president of the Dartmouth Lawyers' Association upon its organization on Tuesday night at the Algonquin Club, Boston. The new Association had as its first guests of honor John Sloan Dickey, Dartmouth President, and John L. Sullivan, '21, former Secretary of the Navy.

METHODIST CHURCH GOOD FRIDAY SERVICE

In observing the commemoration of the crucifixion of our Lord there will be a Good Friday service at 7:45 p. m. at the Crawford Memorial Methodist Church. The pastor will define the significance of the Cross of Christ in a message entitled "What the Cross Should Mean to You."

WOMEN'S AUXILIARY TO THE AMERICAN SOCIETY OF MECHANICAL ENGINEERS

The monthly meeting of the Women's Auxiliary to the American Society of Mechanical Engineers Boston Section, will be held at 2:00 p. m. on Thursday, April 6, at the Harvard Faculty Club. Dr. Miriam Van Waters, Superintendent of the Massachusetts State Reformatory for Women, will speak on "Women Offenders in Massachusetts."

WINCHESTER PUBLIC SCHOOLS

Elementary schools in Winchester will close at noon on Tuesday, April 11, to allow teachers to attend a meeting to be held in the auditorium of the Parkhurst School. The guest speaker will be Miss Mary Miller, Reading Demonstrator for the Row Peterson Company.

Miss Eleanor Amantis is receiving congratulations on the success of her chairmanship of the Massachusetts delegates to the convention of National Junior High School Music. The music program offered by her committee was adopted without reservation by the convention.

Featured at the final meeting of the Junior High School Associates on Tuesday evening, May 2, will be a demonstration of the junior high school physical education program by a group of boys directed by Mr. Alfred Mearing.

Miss Elmira Baldacci, a senior, has been announced as Winchester High School's Good Citizen. Annually one senior girl is selected by vote of her classmates and the faculty as the D. A. R. Good Citizen. Miss Baldacci has been active in sports, has served on the staffs of the school newspaper and the yearbook, and has been accepted into membership in the National Honor Society and Quill and Scroll, both requiring high scholastic standing and other qualities of leadership and character.

Students of Winchester High School nominated candidates for the National Honor Society on Tuesday of this week.

Last Friday afternoon Mr. Raymond Dickman, Principal of the Winchester Junior High School, addressed the New England Association of Teachers of English. His topic was "Organizing Ideas for Communication in the Secondary School."

Two Winchester boys will be prominent at the State House today. Good Government Day John Power, elected as a representative to the Student General Court, has been selected to serve as Governor's Counselor. Sergei Sorokin, acting as alternate for Power, will represent Winchester in the House of Representatives.

The position of Caretaker for Manchester Field has not been

POLYPHONIC CHOIR OF THE FIRST CONGREGATIONAL CHURCH

Gabriel Urbain Faure will be sung by the polyphonic choir of the First Congregational Church as a special concert on Palm Sunday afternoon at 4:30 o'clock in the church auditorium. The choir will be under the direction of J. Albert Wilson, organist and choirmaster. Mr. Wilson has served in this capacity at the First Congregational Church for the past 25 years. He is widely known in music circles in and about metropolitan Boston, not only for his ability as an organist and choirmaster, but also as a teacher of voice and composer of church music. Mr. Wilson's choirs have performed many ambitious works in the past in highly acceptable

fashion and it is expected that their rendition of the difficult Faure "Requiem" will be equally successful.

For this Palm Sunday concert the choir will consist of 35 voices. It is considered to be one of the outstanding choirs in suburban Boston and is noted for its particularly fine soprano section.

Featured soloists for the occasion will be Miss Constance Green, Soprano and Mr. Albert Hiatt, Bass.

The public is most cordially invited to attend the service and to hear this most beautiful sacred music which is appropriate for the Lenten Season. An offering will be taken during the service.

WINCHESTER ART ASSOCIATION

The Winchester Art Association will hold its April meeting, Tuesday, April 4, at the Library Gallery.

The speaker will be Miss Eleanor Randall, a very charming and talented lady, who is at present the senior instructor of art at the Boston Museum of Fine Arts. Miss Randall is also the supervisor of the lecture-concert series at the Museum and is in charge of the Saturday classes for boys and girls at the Museum.

As a former art instructor at Wheaton College, Miss Randall comes with a dignified and well grounded knowledge of her subject, "Color." She will in this connection offer a practical demonstration of her technique.

The Art Association has been very fortunate during the past year in its speakers, who have provided the Association members with very instructive and interesting programs.

The monthly exhibition will be the popular local talent show by members of the association.

CAVALIER HERE

Tall, handsome and dressed in a costume representing one of the most romantic periods in history, Mr. Cavalier arrived here Friday, March 24. Mr. Cavalier headed a friendly force several automobiles bearing banners heralding R. J. Reynolds Tobacco Company's new, extremely mild King-size Cavalier cigarettes.

cigarettes.

Following the parade, Mr. Cavalier dismounted from his uniform and mixed with crowds in the shopping district. He dispensed complimentary Cavalier cigarettes to the curious, among whom were many members of the fair sex who frankly admired the young gentleman.

LINCOLN AND MYSTIC
SCHOOL NOTES

Visual Aids are playing an important and interesting part in regular school work. Recently, as a culmination of the study of a unit on Switzerland, Miss MacPartlin's fourth grade class, Lincoln School, had an assembly program at which time colored glass slides of Switzerland were shown. The slides were planned and made by the individual pupils of the class.

Later these slides were lent to Miss Jurgenson's fourth grade class at the Mystic School and shown to them. The boys and girls learned a great deal from these lantern slides and wrote the following letter of appreciation to the fourth grade at Lincoln.

Mystic School,
Winchester, Mass.
March 14, 1950.

Dear Friends,

This morning we saw the slides which you made. We all enjoyed them very much. We are very pleased that you were willing to share them with us. We are studying Switzerland now also. We have drawn pictures of Switzerland, too. We especially liked the bright colors in the slides. The mountain climbers were especially good, but they were all excellent. They looked so real that they made you feel as though you were there in Switzerland. We thank you ever so much for letting us see them.

Sincerely,
Grade Four.

The boys in Miss Cochrane's first

**CORRECT SUPPORT
DEPENDS ON
CORRECT FIT**

Your corset-riper supporter—and this applies equally to all other surgical belts—depends for its effectiveness upon the accuracy and skill with which it is fitted to your requirements. Purtle's offers you the services of a trained and experienced fitter, a person whose skill and knowledge assure you of the perfect fit that is your surest guarantee of the health benefits you require. All fittings are conducted in the privacy of our tastefully appointed fitting rooms.

grade at the Lincoln School have made a "library" out of crate boxes. They have painted it blue to go with the room colors.

All children enjoy the privilege of visiting the library for free periods of silent reading.

Lincoln School sixth grade, Miss Harlan's class, presented a program of dancing on Thursday, March 16. The program consisted of four American country dances, "First Two Ladies Cross Over," "Sicilian Circle," "Virginia Reel," "Quadrille."

David Lindsey, Joseph Bellino, Frank Dattilo, and John Tranfaglia served as callers.

In observance of March 17, Gail Cullen and Margaret Johnson danced an Irish jig.

The concluding number was an exhibition of modern waltzing by the class.

Beverly Cuello and Sandra Curtis offered piano selections before and after the dance numbers.

"STATUT MATER"

On Palm Sunday Evening, April 2, at 8:00 P. M. the Senior Choir of St. Joseph's Church, Medford, will present Rossini's "Statut Mater," a sacred concert for solo, chorus and organ.

The choir is under the direction of Mr. Donald Orsillo and the organist is Miss Marie E. Simmons. The soloists will be Carol Pagliuca, Regina McDonald, Anthony Colella, Thomas Casano and John J. Fitzpatrick.

The Reverend Francis A. McLaughlin, Spiritual Director of the choir will be the narrator. The presentation which is open to the public will be followed by Solemn Benediction of the Blessed Sacrament.

CENTENNIAL PROGRAM
GROWS IN MAGNITUDE

Winchester's Centennial Week is growing daily in magnitude, according to the Town Centennial Anniversary Committee. Latest in Parade Floats are the entries of Winchester Hospital and the Holy Name Society of St. Mary's Church. Also the first float entries from local business concerns were shown last week from Philip H. Gallagher of Winchester Book Company, and George D. Whitten of Whitten Brothers, contractors. This brings the total floats to twenty-eight and promises one of the most colorful parades in Winchester's history when Parade Day arrives on Saturday, April 29.

Well-known decorating firms have been canvassing merchants and manufacturers during the last few days and report widespread interest in the decoration of programs and factories and shops with flags and bunting. Among those who have signified their intention to decorate are C. H. Symmes and Company, Fessenden Real Estate, Dorothy Murrie's, P. T. Foley and Company, Charles Murphy's Gas Station, Fred Mitchell, F. W. Woolworth and Company, L. W. Puffer, Jr., Inc. and the Winchester Trust Company. Winchester Camera Shop will have a special window display on the historical theme, as well as the P. T. Foley, Puffer, and Fessenden offices, Woolworth's and Dorothy Murrie's stores, and C. H. Symmes and Company.

Chief Marshal "Sam" Murphy of the Centennial Parade is meeting with his Aides this week to plan and blue print the route and make-up of the several Parade Divisions, so that when the time comes, all will know their assembly points and marching assignments. Aides will include Edward A. Bartlett, Joseph C. Duran, Lester C. Gustin, Dr. Angelo L. Majestic, Frank F. Marchetti, Newell W. Partridge and William Walden, all with considerable experience in military and civilian ceremonies and celebrations.

"Hs" Moody, proprietor of Moody Motors, local Pontiac and Cadillac distributors, has been elected to the Board of Directors of the Boston College Alumni Association. Mr. Moody graduated from Colby in the class of 1923.

FAMED SKATING FOUR IN GARDEN SHOW

One of the outstanding features of the forthcoming Ice Chips of 1950, 38th annual production of The Skating Club of Boston, at Boston Garden, Friday, Saturday and Sunday, March 31st, April 1st and 2nd, will be the precision skating of the nationally famous St. Paul Four. This group, composed of Janet Gerhäuser, John Nightingale, Marilyn Thomsen and Marilyn Thomsen, all members of the St. Paul Skating Club, are the present North American Four Champions. "Topping the long list of champions to appear in the new edition of Ice Chips will be Dick Button, recently crowned for the third time world's champion, at Wembley, England. Another noted skater to be seen for the first time in America is Mile, Jacqueline Du Bief, three times French champion. Tickets for this popular ice skating show are now on sale at Boston Garden, and at The Skating Club of Boston, and mail orders are being accepted.

ROTARY NEWS

At the regular Rotary meeting last week in the Masonic Hall the resignation of Don Simonds was read with great regret. Don is moving his business and residence to the Cape and therefore cannot remain an active member of this club. He will not, however, be forgotten by the members who had the privilege to serve under him and with him in the club. There has been no better Rotarian or truer friend than Don and he will be greatly missed.

The program for the day was another fine and educational talk that has been the rule rather than the exception under program chairman Wade Grindle. The speaker for the day was Wyman Holmes, station manager of the shortwave station, WFTL, America's only non-government, non-commercial shortwave broadcasting station. Mr. Wyman spoke briefly on the work of the station in reaching the people of the world both behind and in front of the Iron Curtain since he had recently spoken to a joint meeting with the Rotary Club of Woburn and Winchester. He said that their programs in general tried to tell what America and

Democracy was really like; such a program was a series called "Free Enterprise" and also "This is New England" which took actual broadcasts in factories and businesses and rebroadcast them over the shortwave. Along these same lines he concluded his program by taking a fifteen minute tape recording of off-the-record conversations asking them about their business or profession, their families and a little of the life in Winchester and its town government. This program will be broadcast over WFTL in about two weeks time and those people who have shortwave may hear it on their own radios. The time and wave band will be announced later in the Star.

PALM SUNDAY CONCERT

The Chancel Choir of the First Baptist Church of Medford, will present at that church on Palm Sunday evening, April 2, at 7:00 p. m. A. R. Gail's beautiful Easter Oratorio, "The Holy City." Soloists are Elaine Wynne of Everett, Adele Khoury of Boston, Edgar Isherwood of Arlington, and John Hardy of Natick. Dr. Arthur J. Watzinger of Wellesley, organist and Minister of Music of the church, will direct.

The public is cordially invited to participate in this musical treat.

ARLINGTON GAS LIGHT COMPANY

PART OF NEW ENGLAND ELECTRIC SYSTEM
4 Mt. Vernon St., Winchester Tel. WI 6-0142

NEW ENGLAND... the PLACE TO LIVE AND WORK

They're Meeting to Improve
your Telephone Service

At regular intervals the manager of your local telephone office sits down with his force to talk things over. To discuss ways of improving service, to analyze projects that are under way, to announce future plans.

BETTER PARTY LINE SERVICE

A major project in every telephone office today is party line service. Here, our engineers are working closely with local people, to see that every improvement possible is made. Each locality is being reviewed and checked so as to use new facilities, as they become available for individual and two-party lines, to the best possible advantage.

BETTER USE OF PARTY LINES

Every effort is made to iron out misunderstandings about the proper use of party lines. Usually it's simply a matter of getting people to cooperate. Sometimes a letter does it; sometimes a friendly telephone call; then again a personal visit helps.

As a rule, however, people cooperate on their own. They know that the simple every-day courtesies that make party line service good service are appreciated and generally returned.

NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY

WINCHESTER GARDEN CLUB

The meeting of the Winchester Garden Club was held on the afternoon of March 23rd at the home of Mrs. Mary Alice Fitch on Sheffield Street. Although the day was rainy, there was a large attendance. Dessert was served with coffee poured by Mrs. Mildred Stone. Mrs. Virgil Ghirardini gave a very interesting and instructive talk on flower arrangements and suitable containers. She said that the first and very important step was the choosing and preparation of materials to be used. To have flowers looking fresh in an arrangement is a MUST especially when the arrangement is to be judged, and as we learn by repetition she gave some hints about the conditioning of flowers. FLOWER CONDITIONING: 1. Always cut flowers after sun-down. 2. When cutting, leave a tail of water with you so that you can immediately place the flowers in it to set for several hours, even over night. 3. Always cut flowers with a sharp knife and at a slant so that they may better take water. 4. If a particular flower has a very woody stem, such as branches of lilac, it is well to heat about one inch of the stem with a hot iron. 5. Soak leaves and foliage under water over night but do not allow them to become water logged completely. Conditioning this way with the warmth of the hands makes manipulation for a perfect line in arrangement easy. 6. Always plan the material about the container. 7. Always place the flowers in it at its best when the judging is taking place. CONTAINERS: The next step in making an arrangement is to pick out a suitable container. A few flower containers carefully selected with an eye to their suitability are of more practical value than three times as many accumulated through haphazard choice. A taste for the beautiful in flower containers may be easily cultivated. Any vase which is too conspicuous in color, form or decoration is not desirable as a container for flowers as it tends to make them a secondary feature. Such a vase is best left empty or used for green leaves, such as ivy. Persian coppers are perhaps one of the best selections for flower containers. They possess wonderful patina. Pewter is good for conifer flowers. Bronze containers are dark in tone and heavy in appearance. The need plant material of bold line, fine color and form, such as peonies or chrysanthemums. Pottery is best for wild or garden flowers, for branches, sunflowers, zinnias or marigolds. The finer glazes and regular forms of more delicate coloring are better for flowers approximating them in quality. Most toys and the elaborately ornamental pottery of Italy make poor containers. Modern glass is good in form and color, but crystal or glass elaborately cut is not flattering to flowers. Old French compotes with open work are good for roses, lilies, sweet peas, pansies, etc. Roses or arches look well in silver. Old stove tops

make suitable containers for holly or geraniums. Pieces of driftwood are very artistic arranged with flowers and foliage and are very popular at flower shows. Urns are generally good. Mrs. Ghirardini said that she personally did not care for containers with spouts or covers. Baskets are considered the poorest selection for containers. One of the most important things to remember is to have your own container dominate your arrangement. After having conditioned your flowers and picked a suitable container for your material, and the class you are entering, Mrs. Ghirardini told us of the mechanics used in flower arranging. First, have your pin holder fixed securely by using clay or paraffin was before filling the container with water. Leads are used at the lip of the container to hold the primary line in place. If a stem is weak, and has a tendency to split, wrap it with green twist or scotch tape, or if it is not stout enough for the holder, wrap another piece of stem to it. It is permissible to use all the mechanical aids necessary but be sure to keep them out of sight. FLOWER ARRANGEMENTS: Mrs. Ghirardini said that when a person is pleased with a flower arrangement, and if the design is weak, it is all right but if he knew something of the basic rules of flower arrangement, we could make our arrangement far more artistic and interesting. Flower arrangement is the principle of art applied to itself. Some of the important points to remember in flower arrangements are as follows: 1. Have flowers in good condition. 2. Pick a suitable container. 3. Have a good design of line, pattern, such as right angle triangle and isosceles triangle, a pyramid, a fan, a crescent, or a Hogarth line. The right angle triangle is perhaps the easiest to make. 4. Always think of the height of the container, whether it is tall or low bowl type. The rule is to have the height of the arrangement, if the container is tall, one and one-half, or more, the height of the container. The taller height adds drama and makes the arrangement more dynamic. The height of the arrangement in a low bowl would be the length of the bowl plus the width. Mrs. Norman Mitchell at this time made an arrangement, step by step, of magnolia buds and yellow and white tulips in a yellow-green container with the Hogarth line. She spoke of the primary line, secondary line and focal point, the color, flower forms and texture. She told how to obtain balance and stability. Mrs. Frederick Russell showed a very lovely arrangement of treated palm leaves in a low copper container which she called "Desert Fantasy." This was most unusual. In the last part of the program, Mrs. Samuel Kirkwood showed her very unusual modern exhibit for which she was awarded a Gold Medal at the recent Flower Show in the Invitation Class. The background was of Victoria Records made into a beautiful line, two white doves and a gun metal bowl

filled with small vegetables of good color. Another member of the Winchester Garden Club, Mrs. Norman Mitchell won a second prize for her exhibit at the Flower Show. The hostess, Miss Mary Alice Fitch and Mrs. Herbert West arranged the settings and lighting effect for the afternoon program. DEAN SUTER LAYMEN'S SUPPER SPEAKER Very Rev. John W. Suter, dean of Washington Cathedral and a former Winchester boy, was the speaker Tuesday evening at the Laymen's supper of the Massachusetts Branch of the Episcopal Evangelical Fellowship in the auditorium of St. Paul's Cathedral in Boston. Dean Suter's topic was "The Seed for the Revision of the Prayer Book." He is custodian of the Standard Book of Common Prayer, the master copy to which all other copies of the Episcopal Prayer book must conform. His late father, who was rector of the Church of the Epiphany when the present church was built, also took a vital interest in the prayer book during his many years in the Episcopal priesthood. Dean Suter spent his boyhood in Winchester and will be remembered by older parishioners of the Epiphany. He was the first executive secretary of Christian education of the Diocese of Massachusetts and later assumed similar duties with the National Council in New York. He became dean of the Washington Cathedral in 1944. Members and friends of Winchester Post, 97, are reminded that the next regular monthly Social Night of the Post will be held on Wednesday, April 5 at 8 p. m. This is a change in dates, necessitated by Holy Thursday falling on the usual date, Thursday, April 5.

THE LITTLE OPERA As Presented by the Little Opera at the Peabody Playhouse on April 21) The Marriage of Figaro will doubtless be a revelation to those who have seen it performed by other companies. To those who thought of the operas of Mozart as on a musical and intellectual pedestal, a surprise is in store. The Little Opera's production of The Marriage of Figaro is indeed different than a usual performance of this work. These differences in approach and style are perhaps startling in many ways, so that they would bear some sort of brief discussion here. To begin with, only a portion of the first act is being presented, as the opera evening is made up of scenes taken from several operas. Figaro will open the program, which begins at 8:30. In the performance of this opera by any large company, it will be noted that the chorus begins to approach considerable magnitude. While there is something to be said for colorful groupings of additional singers on the stage, there is definitely something to be said against this principle from the musical point of view (and since music is the very core of any operatic production - or should be - musical points must necessarily take priority). The point is this - that if, in a chorus consisting of sopranos, altos, tenors and basses, there are fifteen people singing each part, the total effect may possibly be magnificent in volume, but the individual parts emerge in a hurried fashion if they emerge at all. Granted in some works this does not matter as much as in others, but with Mozart the total effect is entirely dependent on the meticulous performance of every note, no matter how insignificant it may seem in the score. By trimming the excess vocal baggage from the usual operatic chorus (a feat helped to no small degree by performing the work on a small stage) the artistic and musical directors of the company have formed a chorus of ideal balance without sacrificing the beauty of the stage picture. Perhaps the greatest single change that will be noticed at the performance will be in the costumes. Instead of the customary 18th century garb, the characters will wear costumes created with the character of the individual in mind. For instance, Count Almaviva will illustrate wealth, and show a definite touch of conceit; Susanna and Figaro will wear costumes which show touches of exuberance; Cherubino will reveal a boyish wildness and immaturity, and Don Basilio, the maliciously gossiping music teacher, will illustrate his moral bent with faint overtones of Me-phisto. The basic signs of the eighteenth century have been retained, so that the observer has no doubt in his mind as to when the time of action is taking place, but this insight into the character of the individual is something completely novel to the Mozart opera field. Other innovations will be there, but it is perhaps best not to release the major novelties yet. The important thing is, and always will be, that the production appears to be shaping up in the right way - so that stylistically and musically it will follow in the line of the Mozart tradition. For information call WI 6-2722-J.

Miss Judith M. Emery is a member of the Oberlin College A Cappella Choir which, under the direction of Prof. Robert Rountain, will make a brief concert tour at the beginning of April, singing in Akron, Ohio, Kane, Pa., and Buffalo, New York. Miss Emery is the daughter of Mr. and Mrs. George Emery of 29 Sagamore road. She is a junior and kindergarten-primary major in the Oberlin College of Arts and Sciences.

More Miles per Hour
-More Hours per Day!

We are not talking here about excessive speed. Sensible people, regardless of the power they have at their command, obey the laws of the highway and the rules of safety. We are talking about distance—about the miles you can cover at the wheel of a 1950 Cadillac—within the sane and legal limits. First, let's consider an hour... You settle yourself comfortably into the deep-cushioned seat, touch the soft-throated engine into action—and within a matter of minutes, you begin to see what we mean. When the light turns green, your rightful place in the traffic line is definitely assured. You take easy advantage of every opening that presents itself. On the hills and grades, you give the engine a little more throttle—and float on up without the slightest loss of speed. Braking is so certain, power so abundant—that you move instinctively ahead at every opportunity. And at the end of an hour, you can scarcely believe the odometer. Did we say an hour? It seems little more than half that time! You're so relaxed and at ease that the hours go by—and the hours go by—and not until the sun shows red in the west do you realize that you've been sitting behind the wheel for a much longer time than you'd planned on driving today. And how wonderful you feel! Both you and your passengers are carefree as you call it a day. Maybe just a little bit hungry—because you probably forgot to stop for lunch! And where did you get to? Well, most owners say it's a good one hundred miles beyond their normal expectation. Better come in and see about this. You'll need only an hour at the wheel.

FOR SALE by Stacy

\$15,000 - Not quite ten years old and always in the same ownership, this very attractive Garrison style is a good buy for that money as it is in wonderful condition and in a most desirable East Side neighborhood; has a spacious tiled bath and modern cabinet kitchen; heat is forced circulation warm air with spun glass filter and humidification, oil burner too. Screened porch fronting secluded rear yard. One car garage. You're mighty hard to please if this doesn't satisfy you.

\$15,500 - This too is a mighty nice house, although older; is in a wonderful neighborhood for children and commuters being close to Mystic School, Wedgemere station and the bus line. It is a 4 bedroom home with modern tiled bath and 1st floor lavatory, also an up-to-the-minute kitchen that will surprise you. Circulated warm-air heat with spun glass filter. If you find anything needing to be done about this house, the owner is prepared to adjust the price to your satisfaction provided you don't ask for a remodeling job. Fair enough - says I.

LISTINGS WANTED - If you are putting your home or other property on the market this Spring, be sure to list it here.
